Testimony:

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574 because this would help my family who is currently experiencing difficulty paying their rent due to job loss. Even with the stimulus check that was able to assist them with a month that doesn't take into account their other monthly expenses such as groceries, car payment, insurance and any other necessities they have. Even with help from family and their savings I fear that they'll really be in financial difficulty by June with no where in sight that they'll have a guaranteed job by then. Your support with this bill is appreciated and needed. Thank you.
