Representing: Julia Acquistapace

Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I am in support of the Emergency Renter and Homeowner Protection Act because too many people have become unemployed and disenfranchised for the government to ignore. There is no way people should have to pay for the right to public safety sheltering in place. People are suffering and they need relief. We depend on you to do what is right in this crisis.
