Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

Corporate landlords do not care about their tenants. As a tenant, I am disgusted by the corporate greed exhibited by these landlords who are taking advantage of a global crisis to line their own pockets. I support the Emergency Rental and Homeowner Protection Act, HB5574 because it brings real relief to the hundreds of thousands who are suffering income insecurity and collective trauma during this crisis. No one should lose their home due to a pandemic.
