

**Name:** Rivanna Jihan

**Representing:** Rivanna Jihan

**Supporting:** HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

**Testimony:**

I am in support of HB5574 because this is needed relief that is months late. Better late than never doesn't mean as much when people are losing their homes. Housing is a human right, and it's time for this legislature to treat it as such.
