**Supporting:** HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

**Testimony:**

I am in support of the Emergency Renter and Homeowner Protection Act because so many people in our communities are struggling to pay rent during this crisis. As a teacher in 60639, one of the zip codes most affected, I have heard time and time again about how families have lost employment and are unable to make rent. We keep hearing that we need to stay home to save lives, we need to protect people and their homes. Doing so would save lives.
