**Supporting:** HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

**Testimony:**

I support the Emergency Renter and Homeowner Protection Act, HB5574 because it is a necessary measure to prevent families and individuals from becoming homeless during this pandemic. Homeless support services are already at capacity, and will not be able to meet the need if more people become homeless in the coming weeks and months. We must take preventive and compassionate action to help keep IL residents healthy and adequately housed.
