Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574 because housing should be a guarantee during a time when staying home saves countless lives. This legislation can bring real relief to the hundreds of thousands who are suffering income insecurity during this crisis. No one should lose their home or be made unsafe due to the unprecedented circumstances we're all living through during this pandemic. We should be doing everything we can to take care of each other as a community and as a state.
