Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I am writing to share my strong support for the Emergency Renter and Homeowner Protection Act, HB5574. This bill will bring real relief to the hundreds of thousands who are suffering income insecurity during this crisis. I have talked with to neighbors of mine at risk of loosing their homes. We can't let a COVID-19 increase homelessness and displacement. Housing is a human right and housing is a public health measure.
