

Name: Laura Przybysz

Representing: Self

Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I support the emergency renter and homeowner protection act HB5574 because it will help a huge number of people I know who are scared and anxious about paying their bills and feeding their families because of income lost because of things they couldn't control. We should be providing flexibility and support to people in need at this time - not demanding they meet unrealistic expectations during a pandemic.
