

Name: Nicholas C Anaclerio

Representing: Nick Anaclerio

Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

The Emergency Renter and Homeowner Protection Act, HB5574 must be passed in order to protect thousands from eviction and severe financial burden during this crisis. To allow people to lose their homes because of these circumstances would be irresponsible and unconscionable. This bill is a necessary step to prevent this.
