

Name: Ruth Oppenheim-Rothschild

Representing: Ruth Oppenheim Rothschild

Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

Housing is a human right, and in this pandemic more than ever, housing SAVES lives. As a nurse, I see the toll COVID-19 takes on our communities every day. I support HB5574 because public health and safety should be our priority in this crisis, not banks and corporate greed.
