**Testimony:**

I am in full support of the Emergency Renter and Homeowner Protection Act, Hb5574 and I am hoping this to pass due to the trying times and being unable to make rent payments immediately. If I have no job and it is unsafe to actively search for jobs (interviews etc) then how can I be able to afford rent? This is a situation (the virus) I nor you had any say so in. Ultimately, it is unfair and simply unethical to allow evictions during a crisis.
