Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574 because it will prevent my family from becoming homeless. It is not fair that after being a long term stable renter, we are now living in fear, hoping and praying that our landlord will have mercy on us. We need help. We need REAL RELIEF! No one should have to choose between putting food on their table and their home.
