Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

As a life-long worker and grandparent, I am about to be homeless in Chicago as a result of CV19 crisis. I am in support of the Emergency Renter and Homeowner Protection Act, HB5574, because it is a civilized way to relieve those of us hit hardest and will be less expensive than forcing thousands out of their home and into shelters or under bridges. Please save perfectly good lives from being utterly ruined beyond repair.
