Re: Governor Blagojevich's Proposed Exhibits for December 29, 2008

Dear Chair Currie,

On Monday, December 29, 2008, I will respectfully offer the following exhibits for the Committee's consideration:

- 1) A copy of a memorandum from Greg Craig to President-Elect Barack Obama dated December 23, 2008, regarding "Transition Staff Contacts with the Governor's Office."
- 2) A copy of a tape and the pertinent excerpts from Jesse Jackson Jr.'s December 10, 2008, press conference.

Our investigation continues, and I respectfully reserve the right to add additional exhibits and/or witnesses up and until Monday, December 29, 2008. Please contact me if you have any questions regarding these proposed exhibits.

Sincerely,

Edward M. Genson
Attorney for Governor Blagojevich
