September 22, 2017

To the Honorable Members of
The Illinois Senate,

100th General Assembly:

Today I veto Senate Bill 321 from the 100th General Assembly, which provides that the Auditor General initiate a performance audit of the Department of Healthcare and Family Services.

The audit requirement is specific to certain managed care provisions and can be performed as part of a larger internal or external audit of the Department's managed care program. The Auditor General has authority to examine the Department and programs such as these every two years. Furthermore, the Department has worked on transparent implementation of the cited programs that included involvement by the Medicaid Advisory Committee. Through this process the Department continues to diligently work toward compliance with all statutory requirements. Requiring a separate audit is expensive, time consuming, and unnecessary. Therefore, pursuant to Section 9(b) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 321, entitled "AN ACT concerning State government," with the foregoing objections, vetoed in its entirety.

Sincerely,

Bruce Rauner
GOVERNOR

The Illinois Senate,
100th General Assembly:

Today, I veto Senate Bill 1714, which would add reporting requirements for consultants retained by retirement system, pension fund, or investment boards.

This legislation is a classic example of multiplying red tape without first demonstrating any benefit. Retirement system, pension fund, and investment boards all hire consultants to help identify investment opportunities. Under this bill, all consultants now will have to report to the boards that hired them on their engagement with investment services provided by a minority-owned business, a female-owned business, or a business owned by a person with a disability.

There is no showing that this blanket requirement is necessary to produce some tangible benefit. To be sure, accountability and transparency, which ostensibly motivate this bill, are laudable goals, and we should expect all retirement systems, pension funds, and investment boards to demand from their consultants this type of information. However, nothing currently is preventing us from making this demand of these boards.

Left to their own devices, the boards should be expected to implement requirements that make sense for each board. Contrast that with blanket legislation like this bill, which would impose the same rigid requirements regardless of each board's unique circumstances. That, of course, is the main problem with legislating additional red tape. We should do better and should immediately ask all retirement systems, pension funds, and investment boards to implement and be held accountable for guidelines in the spirit of what this bill would unforgivingly mandate.

Therefore, pursuant to Section 9(b) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 1714, entitled "AN ACT concerning public employee benefits," with the foregoing objections, vetoed in its entirety.

Sincerely,

Bruce Rauner
GOVERNOR

HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 660

Offered by Representative Bill Mitchell:

WHEREAS, The Supplemental Nutrition Assistance Program (SNAP) offers nutrition assistance to low-income individuals and families; and

WHEREAS, While SNAP is intended to ensure that no one should fear going hungry, it also reflects the importance of work and responsibility; and

WHEREAS, SNAP rules require all recipients meet work requirements unless they are exempt because of age or disability; and

WHEREAS, Some of these working individuals are ABAWDs or able-bodied adults without dependents, who must meet work requirements to maintain SNAP eligibility; and

WHEREAS, ABAWDs can only receive SNAP benefits for three months in three years if they do not meet the work requirement, which requires an ABAWD to work at least 80 hours per month, participate in qualifying education and training activities 80 hours a month, or comply with a workforce program; and

WHEREAS, The three-month time limit on ABAWDs is part of the law that governs the operation of SNAP and has been in effect since 1996; and

WHEREAS, States can apply for a waiver from the three-month time limit, which would allow ABAWDs to be eligible for SNAP without meeting the ABAWD work requirement; and

WHEREAS, Several other states, including Maine, Georgia, and Alabama have chosen not to seek an ABAWD time limit work waiver from the federal government, and as a result have seen a decrease in SNAP participation; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that reinstating the work requirement for ABAWDs in Illinois will encourage work-ready adults to be self reliant and independent; and be it further

RESOLVED, That we encourage the Department of Human Services to let Illinois' federal time limit waiver expire and not seek another waiver, so that ABAWDs will actively meet employment or education requirements, boosting our state's economy and saving our state money with fewer Illinoisans reliant on SNAP benefits.

HOUSE RESOLUTION 677

Offered by Representative Stratton:

WHEREAS, Governor Bruce Rauner is responsible for filling the three vacancies that occurred on the University of Illinois Board of Trustees as members cycled off in the fall of 2016; and

WHEREAS, Governor Rauner has filled two of the three vacancies with one Democrat and one Republican and has the opportunity to appoint one more Democrat; and

WHEREAS, The University of Illinois Board of Trustees oversees three campuses, Urbana-Champaign, Chicago, and Springfield; these campuses attract a diverse group of students from all over the world; and

WHEREAS, The University of Illinois Board of Trustees currently has only one woman on the board, and no women of color; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we strongly urge Governor Bruce Rauner to make appointments that honor diversity and reflect the gender and racial makeup of our State as he contemplates who he will select to fill vacant positions on the University of Illinois Board of Trustees; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to Governor Rauner.

HOUSE RESOLUTION 680

Offered by Representative Meier:

WHEREAS, The members of the Illinois House of Representatives welcome and encourage Amazon to consider locating their second headquarters (HQ2) in Illinois; and

WHEREAS, On September 17, 2017, Amazon announced plans to open a second company headquarters in North America known as HQ2; and

WHEREAS, Amazon requested proposals from state and local governments for HQ2 and has received 238 proposals from state and local governments from throughout the United States, including multiple bids from Illinois and bi-state regions; and

WHEREAS, If Illinois is successful in bringing HQ2 to the State, we have an opportunity to gain up to 50,000 new fulltime jobs with average salaries and benefit packages exceeding \$100,000 over the next 10 to 15 years; and

WHEREAS, Amazon HQ2 is anticipated to generate tens of billions of dollars in additional investment in the community surrounding HQ2; and

WHEREAS, Amazon's ideal site and building requirements for HQ2 include being 30 miles from a population center, within 45 minutes of an international airport, 1-2 miles from major highways and roads, access to on-site mass transit (i.e. direct access to rail, train, subway/metro bus routes), 500,000 square feet of building space for Phase 1 in 2019, and up to 8,000,000 square feet beyond 2027; and

WHEREAS, We are confident Illinois can meet Amazon's ideal site and building requirements due to the fact that Illinois is the fifth largest state in the country, is home to 107 public and private airports, maintains 18,154 total interstate and state highway miles, operates 63 public transit systems, has 9,982 miles of railroad tracks with nearly 1,100 miles of navigable waterways, and encompasses 55,519 square miles of land; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we believe Illinois can meet the needs of Amazon's second headquarters in North America and look forward to offering a warm welcome if they so choose Illinois as home for HQ2; and be it further

RESOLVED, That a suitable copy of this resolution be presented to Amazon as a symbol of our admiration and respect for one of the most innovative companies in the world.

WHEREAS, A bump stock is designed to allow a semi-automatic rifle to function like a fully-automatic rifle; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we believe devices designed to allow semi-automatic rifles to function like fully-automatic rifles should be regulated, consistent with fully-automatic rifles under the National Firearms Act; and be it further

RESOLVED, That we urge the Bureau of Alcohol, Tobacco, Firearms and Explosives to regulate devices designed to allow semi-automatic rifles to function like fully-automatic rifles; and be it further;

RESOLVED, That suitable copies of this resolution be presented to each member of the Illinois Congressional delegation and the Bureau of Alcohol, Tobacco, Firearms and Explosives.
