HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 910

Offered by Representative Bellock:

WHEREAS, World Suicide Prevention Day was first recognized in 2003 as an initiative of the International Association for Suicide Prevention and endorsed by the World Health Organization, to provide worldwide commitment and action to prevent suicides; various activities take place around the world on this day; World Suicide Prevention Day takes place each year on September 10; and

WHEREAS, The International Association for Suicide Prevention reports that every year more than 800,000 people die by suicide, and up to 25 times as many make a suicide attempt; on average, one person in Illinois dies by suicide every six hours, and in this State, nearly twice as many people die by suicide than by homicide, as reported by the American Foundation for Suicide Prevention; behind these statistics are the individual stories of those who have, for many different reasons, questioned the value of their own lives; and

WHEREAS, There is no single cause for suicide; the warning signs of suicide include a change in behavior or the presence of entirely new behaviors; if the new or changed behavior is related to a painful event, loss, or change, it is of utmost concern; and

WHEREAS, Regardless of a person's circumstances, communities have an important role to play in supporting those who are vulnerable; that sentiment is reflected in the 2017 World Suicide Prevention Day theme, "Take a minute, change a life"; as members of communities, it is our responsibility to look out for those who may be struggling, check in with them, and encourage them to tell their stories; broaching the topic of suicide is difficult, but taking a minute to reach out to someone can change the course of a life; and

WHEREAS, People who have lived through a suicide attempt have much to teach about how the words and actions of others are important; almost universally, they say that if someone had taken a minute, the trajectory that they were on could have been interrupted; and

WHEREAS, World Suicide Prevention Day is a time to acknowledge the importance of families and communities working together to achieve the common goal of preventing suicide; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare September 10, 2018 as World Suicide Prevention Day in the State of Illinois; and be it further

RESOLVED, That we encourage communities throughout the State to take a minute to change a life and promote suicide prevention across the State of Illinois.

HOUSE RESOLUTION 911

Offered by Representative Bellock:

WHEREAS, The Centers for Disease Control and Prevention report that one in three women and one in four men will experience some form of physical violence by an intimate partner in their lifetime; and

WHEREAS, Domestic abuse is a repetitive pattern of behaviors to maintain power and control over an intimate partner; and

WHEREAS, More than three million children witness domestic violence in their homes each year; and

WHEREAS, An estimated one-half of women in abusive relationships in the United States are physically injured by their partner; and

WHEREAS, Domestic violence costs more than \$37 billion a year in law enforcement involvement, legal assistance, medical and mental health treatment, and lost employee productivity; and

WHEREAS, Organizations such as the National Domestic Violence Hotline and the National Coalition Against Domestic Violence have worked to educate, counsel, and help communities affected by domestic violence; and

WHEREAS, Domestic Violence Awareness Month evolved from the "Day of Unity" held in October of 1981, and was conceived by the National Coalition Against Domestic Violence; and

WHEREAS, Since 1989, October has been designated as National Domestic Violence Month; and

WHEREAS, With violence increasing in our schools, on our streets, and in our homes, ending it should be a top priority for everyone; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we recognize National Domestic Violence Awareness Month in October of 2018 and support and commend the efforts of those people and organizations who work tirelessly to help victims break free of the devastating effects of domestic abuse and work to ameliorate this scourge on society, thereby creating safer communities for all.

HOUSE RESOLUTION 912

Offered by Representative Bellock:

WHEREAS, In 1990, Congress designated the first full week in October as Mental Illness Awareness Week in recognition of the efforts by the National Alliance on Mental Illness (NAMI) to raise mental illness awareness; each year the movement grows stronger as people work together to fight stigma, provide support, and advocate for equal care; and

WHEREAS, The lives of millions of Americans are affected daily by mental health conditions; according to NAMI, approximately one in five adults experiences mental illness in a given year, and approximately one in five young people experience a severe mental disorder at some point during life; half of all chronic mental illness begins by age 14; three quarters begins by age 24; despite effective treatment, there are long delays, sometimes decades, between the first appearance of symptoms and when people get help; and

WHEREAS, Each mental illness has its own symptoms, and trying to tell the difference between what expected behaviors are and what might be the signs of a mental illness is not always easy; there is no easy test to diagnose mental illness; common signs in adults and adolescents can include excessive worrying or fear, extreme mood changes, changes in sleeping and eating habits, and difficulty perceiving reality; and

WHEREAS, Individuals living with serious mental illness face an increased risk of having chronic medical conditions; adults in the United States living with serious mental illness die, on average, 25 years earlier than others, largely due to treatable medical conditions; and

WHEREAS, Public policy makes a difference in the lives of both the people living with mental health conditions and the people in their lives; changes in policy can mean better outcomes; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare the week of October 7-13, 2018 as Mental Illness Awareness Week in the State of Illinois; and be it further

RESOLVED, That we encourage communities throughout the State to come together and show support for the many people affected by mental illness and for those who advocate for mental health awareness.

WHEREAS, Jim Thome was well known in MLB for several memorable traits, such as wearing high socks, which his team donned in the 1997 season all the way to the World Series, and his unique batting stance that featured him pointing his bat to centerfield prior to the pitch; and

WHEREAS, Even more memorable than those traits, Jim Thome's personality has been the subject of much praise across the MLB; a former teammate called him the "nicest, gentlest, kindest guy you will ever meet ..." and his positivity was cited as one of the main reasons for his resigning in 2012 with the Phillies; he was known for frequently signing autographs for fans and for his endless patience; in Philadelphia, magazine sportswriter Stephen Silver wrote of Thome: "It's not just the numbers.
