## HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

### HOUSE RESOLUTION 1017

Offered by Representative Welch:

WHEREAS, According to the Georgetown Center on Education and the Workforce, two-thirds of all jobs created this decade will require some form of postsecondary education; in Illinois, 80% of employers say they need employees with postsecondary training; and

WHEREAS, In response to current and projected workforce demands for Illinois, the State has set a target goal of increasing the number of adults holding a college degree or credential to 60% by 2025; and

WHEREAS, According to the Lumina Foundation, while 51% of adults in Illinois hold college credentials, significant gaps in attainment exist between Black and Latino adults and White adults; in Illinois, only 30.7% of Black and 20.4% of Latino adults hold college credentials, compared to 50.3% of White adults; and

WHEREAS, There are persistent, and in some cases increasing, racial and socioeconomic gaps in completion in most of our two and four-year public and private institutions; and

WHEREAS, Only 37% of low-income students in Illinois complete college in six years compared to 75% of their wealthy peers, and only 33.7% of Black students and 49.3% of Latino students who start at a four-year institution earn a bachelor's degree in six years, compared to 66.4% of White students; and

WHEREAS, Despite wide gaps in attainment and college completion along racial and socioeconomic lines, and the Illinois Board of Higher Education's (IBHE) recommendation in the Public Agenda for College and Career Success to eliminate all achievement gaps along the P-20 education pipeline, Illinois has not set clear targets for eliminating college achievement gaps; and

WHEREAS, During the last decade, the percentage of low-income and Black and Latino students in Illinois has increased; it is projected that by 2032, 45% of high school graduates in Illinois will identify as a student of color; and

WHEREAS, In order to meet its 2025 target, Illinois will have to accelerate progress at all critical benchmarks, including increasing degree completion rates for low-income, first generation, African-American and Latino students, and adult learners; and

WHEREAS, There is a growing body of evidence on what works to improve college graduation rates for low-income and first generation students and students of color, and there are many promising programs and initiatives across our campuses, but not currently at the frequency or scale required to affect significant change; and

WHEREAS, To meet its current and projected workforce demands and truly realize the goal of equal opportunity, Illinois must implement and scale new and existing evidence-based best practices and policies that improve outcomes for low-income and first generation students, adult learners, and African-American and Latino students from Pre-K through postsecondary education; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we recognize there are significant disparities in college degree completion rates for low-income and first generation college students and students of color at institutions across the State; and be it further

RESOLVED, That we are committed to closing statewide racial and socioeconomic degree attainment gaps and institutional achievement gaps and will help support and encourage institutions of higher education to implement and expand existing student success efforts that have evidence of improving educational outcomes for low-income and first generation college students and students of color; and be it further

RESOLVED, That the State's P20 Council is urged to update the State's 60 by 25 goal to include equity-focused targets aimed at closing institutional racial and socioeconomic achievement gaps.

#### HOUSE RESOLUTION 1025

Offered by Representative Madigan:

WHEREAS, Because Illinois has a flat income tax, low and middle-class families disproportionately share the burden of funding the State's responsibilities; the combined effect of all state and local taxes causes hardworking people with lower incomes and struggling small business owners to pay a higher portion of their income in taxes than wealthy households and large corporations; a graduated income tax is a more fair and progressive way for the State to generate revenue; and

WHEREAS, According to the Institute on Taxation and Economic Policy, Illinois has one of the most regressive tax structures in the country, as households in the bottom 20% of annual income pay 13.28% of their income in taxes, while those in the top 1% pay only 6.81%; and

WHEREAS, A progressive income tax will stimulate small business growth; a smaller tax burden will be placed upon small businesses, thereby giving them the additional resources needed to reinvest in their businesses and ultimately increase their net income, providing further stimulus for small business formation and growth; and

WHEREAS, A progressive income tax will create additional macroeconomic benefits for the State, as Illinoisans with smaller tax burdens find themselves with additional purchasing power; this translates into higher revenues for Illinois businesses and more robust economic performance for the State as a whole; and

WHEREAS, Of the 41 states in the country with an income tax, 33 have progressive rate structures, including most of the states that border Illinois - Iowa, Kentucky, Missouri, and Wisconsin; furthermore, Indiana, Iowa, Kentucky, and Missouri all have locally-imposed income taxes; and

WHEREAS, Opposition to a progressive income tax fails to recognize the ability to reduce the tax burden for the vast majority of taxpayers; this opposition stems from a desire to protect the status quo for the wealthiest members of society; and

WHEREAS, House Resolution 975 of the 100th General Assembly provides examples of punitive tax rate structures designed to derail discussions about a fair and progressive income tax; such tactics are commonly used by Republican politicians to protect the ultra-wealthy from paying their fair share; and

WHEREAS, The State of Illinois is the 6th most populous state in the country; it is home to world-class cities, enriched communities, renowned tourist destinations, and is a leader in many areas including transportation, technology, finance, manufacturing, agriculture, and, most importantly, access to an unrivaled labor force; and

WHEREAS, There are many positive aspects of this State that should be applauded and highlighted; unfortunately, we find ourselves at a true crossroads; years without a full state budget, forced upon Illinoisans by Governor Rauner, have resulted in uncertainty and hardships for the citizens and businesses of Illinois; and

WHEREAS, In spite of the recent, successful bipartisan efforts to enact a full state budget for Fiscal Year 2018, ending the worst budget crisis in the history of Illinois, the State still faces significant financial challenges that cause continued uncertainty regarding the State's ability to provide for the services upon which Illinoisans rely; and

WHEREAS, Things must change for the better through fiscally responsible and sustainable initiatives that foster economic growth and cease to be an over-encumbrance on Illinois taxpayers; this is why proposals such as those calling for a progressive income tax to be adopted in this State must be granted due consideration as a means of reducing the tax burden on low and middle-income families while providing

resources for education, infrastructure, supports for our most vulnerable citizens, and other core responsibilities; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we stand united in support of a fair and progressive income tax that must reduce taxes on low and middle-income families while raising taxes on the wealthiest Illinoisans; and be it further

RESOLVED, That suitable copies of this resolution be delivered to each member of the Illinois General Assembly and the Office of the Governor as a testament to our unwavering commitment to improving the day-to-day lives of families across this great State.
