**HOUSE RESOLUTIONS**

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 1051

Offered by Representative Stuart:

WHEREAS, Southern Illinois University Edwardsville originated in 1957 as the result of intense local demand for convenient access to public higher education by the citizens of the Southwestern Illinois Council for Higher Education and their elected public officials; and

WHEREAS, From 1996 through 2016, Southern Illinois University Edwardsville demonstrated a 26.8 percent growth in total enrollment while the enrollment of Southern Illinois University Carbondale has been decreasing; current enrollment at both universities is almost identical; and

WHEREAS, Enrollment at Southern Illinois University Edwardsville has increased steadily from 11,808 (total enrollment) and 9,343 (full-time enrollment) in the fall of 1991 to 13,796 (total enrollment) and 11,523 (full-time enrollment) in the fall of 2017, resulting in a 16.8 percent and 23.3 percent increase in total and full-time enrollment respectively ; and

WHEREAS, Southern Illinois University Edwardsville has been recognized by the Illinois Board of Higher Education as one of the fastest growing public universities in Illinois; the campuses of Southern Illinois University Carbondale and Southern Illinois University have grown and evolved at different rates; and

WHEREAS, The distribution of the state appropriation to the SIU Board of Trustees was historically viewed as warranting a split of 60 percent of funding going to the Carbondale campus and 40 percent of funding to the Edwardsville campus; and

WHEREAS, The GRF funds appropriated by the SIU Board of Trustees has been approximately disbursed with 64 percent going to the Carbondale campus and only 36 percent going to the Edwardsville campus, a failure to live up to the historical expectation dating back to the inception of the Edwardsville campus; and

WHEREAS, Current and future enrollment trends warrant an investigation into the governance and funding of the two separate campuses; and

WHEREAS, The SIU Board of Trustees voted down a proposal to reallocate approximately \$5.1 million in state funds in order to begin to meet the 60 percent/40 percent expected levels; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Illinois Board of Higher Education to conduct a study in regards to the governance structure of the Southern Illinois University system and the feasibility and viability of becoming two distinct universities with separate Boards of Trustees, as outlined in HB 1292; and be it further

RESOLVED, That the study will review the practicability of maintaining a single board of trustees with membership outlined in HB 1293, and whether an appropriation that recognizes student enrollment, such as outlined in HB 1294, will be an equitable distribution of state funds; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Chair of the Illinois Board of Higher Education, the Chair of the Southern Illinois University Board of Trustees, the Southern Illinois University Edwardsville Chancellor, and the Southern Illinois University Carbondale Chancellor.

#### HOUSE RESOLUTION 1054

Offered by Representative Harper:

WHEREAS, Douglas Park is a 218-acre park on the West Side of Chicago and is named after U.S. Senator Stephen A. Douglas (1813-1861), a pro-slavery politician from Illinois; he was a proponent of the concept of "popular sovereignty", the idea that those areas of the country where a majority wished to have slavery should be allowed to do so; and

WHEREAS, Douglas Park borders a neighborhood of African American and Latino residents; and

WHEREAS, Recently, fifth grade students at the Village Leadership Academy were assigned to persuade commuters to sign a petition to add an "S" to the park's current name, thus renaming it for Frederick Douglass, a former slave and social reformer, abolitionist, orator, writer, and statesman; and

WHEREAS, To gain public support for the name change, sixth graders from the Village Leadership Academy are meeting with West Side community groups, visiting the North Lawndale neighborhood near the park to gather signatures from area residents, and campaigning on subway platforms and aboard trains; and

WHEREAS, This assignment encourages students to learn about politics, current events, and how to make positive changes in their communities; and

WHEREAS, The next phase of the assignment will be for the students to make a formal presentation to the Chicago Park District, which has the final say on the names of parks; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we commend the students of the Village Leadership Academy for their efforts to make positive changes within their community; and be it further

RESOLVED, That we urge the Chicago Park District to approve changing the name of Douglas Park to Douglass Park in honor of Frederick Douglass; and be it further

RESOLVED, That suitable copies of this resolution be presented to the students at the Village Leadership Academy and Chicago Park District Board of Commissioners President Jesse H. Ruiz.

#### HOUSE JOINT RESOLUTION 128

Offered by Representative Moeller:

WHEREAS, The Constitution of the State of Illinois provides for "the health, safety and welfare of the people" and the "opportunity for the fullest development of the individual"; and

WHEREAS, It has been demonstrated that due to deeply held religious, philosophical, or personal reasons, some families will always choose to give birth to their children at home; and

WHEREAS, There were 61,041 out-of-hospital births in the United States in 2015 with a 52% increase in out-of-hospital births and a 45% increase in home births since 2007; and

WHEREAS, 65% of U.S. home births in 2015 were attended by non-nurse midwives; and

WHEREAS, In Illinois, home births increased by 50% between 2007 and 2014; and

WHEREAS, All well-designed studies show that for low-risk women, planned home birth, attended by a trained maternity care provider, is as safe as hospital birth; and

WHEREAS, Over 50 trained Illinois home birth providers, including the last remaining Illinois home birth physician, have ceased providing home birth services since 1996; and

WHEREAS, There now remain fewer than 10 legally recognized home birth practices (nurse-midwives) in Illinois, and these are located in only six of 102 Illinois counties (Lake, Cook, DuPage, Will, Peoria, and McLean); and

WHEREAS, Due to the scarcity of legal home birth providers, approximately 50% of the babies born at home in Illinois are born either with no skilled assistance at all (unassisted home birth), or they are born into the hands of underground community midwives; and

WHEREAS, Some of these underground midwives are nationally certified and credentialed, while others are not; and

WHEREAS, Underground community midwives have no legal access to life saving oxygen and anti-hemorrhage medications; and

WHEREAS, Underground community midwives have no means of legally completing newborn congenital heart disease screenings, hearing screenings and metabolic screening tests, and no means of legally filing accurate birth certificate information; and

WHEREAS, An underground system of care may cause parents and midwives to delay seeking hospital care in the event of an emergency; parents are afraid of Child Protective Service involvement; midwives are afraid of arrest; and

WHEREAS, Underground healthcare is never safe; and

WHEREAS, The above-mentioned increase in Illinois home births, the shortage of licensed home birth providers and the dangers associated with families resorting to underground healthcare, in effect, add up to a "Home Birth Maternity Care Crisis" in Illinois; and

WHEREAS, Illinois is surrounded on three sides by states (Wisconsin, Indiana, Missouri) that set educational standards for their community midwives, license and regulate them, allow them to have access to life-saving oxygen and medications, allow them to perform life-saving newborn screenings, and allow them to openly transport to a hospital in an emergency; and

WHEREAS, 33 of the 50 United States also protect their citizens in this way through licensure and regulation of community midwives; and

WHEREAS, Licensure in these states is based upon the requirement that the community midwife earn a Certified Professional Midwife (CPM) credential - the only healthcare credential requiring documented out-of-hospital training and experience; and

WHEREAS, States that license Certified Professional Midwives tend to have lower perinatal mortality rates; and

WHEREAS, More and more states are taking advantage of the cost-savings associated with home birth midwifery care to reduce state Medicaid expenditures; and

WHEREAS, The State of Illinois used to license community midwives under the Medical Practice Act from 1877 to 1963 and ceased renewing licenses in 1972; and

WHEREAS, Home birth mothers and families have been seeking a legislative solution to the Home Birth Maternity Care Crisis for nearly 40 years (since 1979); and

WHEREAS, All Illinois mothers and their newborns deserve access to safe maternity care regardless of place of birth; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we find it unacceptable that home birth mothers and babies in Illinois are without adequate maternity care providers; and be it further

RESOLVED, That it is in the State's best interest to assure its citizens access to all safe maternity care options; and be it further

RESOLVED, That Illinois families, in order to best meet personal needs and desires, are entitled freedom to choose among all safe, nationally recognized maternity care options, including home birth; and be it further

RESOLVED, That the Home Birth Maternity Care Crisis Study Committee is hereby created; and be it further

RESOLVED, That the Home Birth Maternity Care Crisis Study Committee be bipartisan; and be it further

RESOLVED, That the Home Birth Maternity Care Crisis Study Committee include 15 members as follows:

RESOLVED, That the Home Birth Maternity Care Crisis Study Committee will recommend, to the General Assembly, a consumer-focused, evidence-based solution to the Illinois Home Birth Maternity Care Crisis which protects families from the dangers of having inadequate numbers of licensed home birth providers to care for them during the prenatal, intrapartum, and postpartum portions of their pregnancies, especially in the underserved communities of Illinois.
