**HOUSE RESOLUTION 1058**

Offered by Representative Jimenez:

WHEREAS, The Illinois School Code provides that each school board is required to annually prepare a calendar for each school term that specifies both the opening and closing dates of the term; and

WHEREAS, A school district's calendar must provide for a minimum of at least 185 days that generally includes five emergency days and four teacher institute days in order to ensure 176 days of actual pupil attendance; and

WHEREAS, While the School Code does not govern when a school term should begin or end, schools are increasingly starting their school year in mid-August; and

WHEREAS, Traditionally, especially prior to the mid-1990s, schools would begin their school term after Labor Day, according to a 2015 CNN article, "Back to school: Why August is the new September"; and

WHEREAS, Some states, including Michigan and Maryland, have implemented prohibitions on school terms beginning before Labor Day in an effort to boost their tourism industries; and

WHEREAS, Maryland Governor Larry Hogan recently signed an executive order prohibiting schools from commencing their school term prior to Labor Day unless the school district has received a waiver; and

WHEREAS, Research shows that the date upon which a school term begins does not necessarily impact a student's academic success; therefore, be it

**RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Illinois State Board of Education to study the**

impact of beginning a school term during various points throughout August as compared to after Labor Day; and be it further

RESOLVED, That the State Board of Education submit a report to the General Assembly by December 31, 2018 including the following information and recommendations:

- (1) A summary of current school term start dates in school districts throughout Illinois;
- (2) Laws in other states that govern when a school term may commence; and
- (3) The effects that beginning a school term at various points in August, as compared to after Labor Day, would have on school district budgets, administrators, teachers, and students; and be it further
