MESSAGES FROM THE SENATE

A message from the Senate by
Mr. Anderson, Secretary:

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has passed a bill of the following title, the veto of the Governor to the contrary notwithstanding, in the passage of which I am instructed to ask the concurrence of the House, to-wit:

Senate Bill No. 193

A bill for AN ACT concerning regulation.

I am further directed to transmit to the House of Representatives the following copy of the Governor's veto message to the Senate:

Passed by the Senate, May 16, 2018, by a three-fifths vote.

Tim Anderson, Secretary of the Senate

April 27, 2018

To the Honorable Members of
The Illinois Senate

100th General Assembly:

Today I veto Senate Bill 193 from the 100th General Assembly, which inappropriately usurps the authority of the Illinois Department of Labor (the "Department") by conferring enforcement authority over many of the statutes it enforces to the Illinois Attorney General without clear cause or justification.

The legislation purportedly seeks to combat the State of Illinois' underground economy and establish the Worker Protection Task Force, goals that are admirable and of great importance to this administration and the Department. However, the way this bill addresses critical issues of workers' rights is flawed and lacks consensus in its approach.

The Department already enforces laws which protect workers from the pitfalls of the underground economy, including the Prevailing Wage Act, the Employee Classification Act, the Minimum Wage Law, the Day and Temporary Labor Services Act, and the Wage Payment and Collection Act. This bill would create a new unit in the Office of the Illinois Attorney General, a separate constitutional office that serves to represent the Department in court, to unilaterally and simultaneously enforce these same statutes without so much as consultation with the Department. Instead of creating a cooperative environment between the Executive Branch and the Attorney General to determine how best to navigate complex and important cases, this bill inappropriately creates opportunities for conflict and competition.

Further, while establishment of a Worker Protection Task Force to study the underground economy is a laudable goal, failure to appoint Task Force Members representing the Department and other key stakeholders will render this initiative far less productive than it could be.

This administration is committed to fair and effective regulatory and administrative processes to ensure that workers across Illinois are being paid properly and treated according to their rights under the law and welcomes opportunities to participate in collaborative efforts to curb the underground economy.

Therefore, pursuant to Section 9(b) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 193, entitled "AN ACT concerning regulation" with the foregoing objections, vetoed in its entirety.

Sincerely,

Bruce Rauner
GOVERNOR

HOUSE RESOLUTION 1072

Offered by Representative Ives:

WHEREAS, Illinois families currently face one of the highest tax burdens in the nation; and

WHEREAS, Illinois consistently ranks among the states with the highest property tax liabilities, with only New Jersey having a higher average property tax bill; and

WHEREAS, An Illinois homeowner living in a home valued at \$184,000 (the median home value in the United States) pays approximately \$4,300; a homeowner living in Wisconsin, by comparison, pays

approximately \$3,600; in Michigan, \$3,200; in Iowa, \$2,800; in Missouri, \$1,800; and in Indiana and Kentucky, \$1,600; and

WHEREAS, Illinois is losing population; families in Illinois have been forced to live in a State where their government appears to only continue finding ways of punishing its residents with an ever-growing need for raising taxes, without making any structural changes that seek to stabilize the out-of-control spending; and

WHEREAS, A new proposal is recommending that there be a state-wide property tax levied on homes, leading to an average property tax bill increase of 40 percent; and

WHEREAS, Such a proposal would, yet again, continue on the wrong trajectory without any guarantee that services will improve, the State's crippling debt will be paid, or any positive benefit will be realized; conversely, such a state-wide property tax would only cause homeowners to strongly consider leaving Illinois, as so many have already done in recent years; Illinoisans deserve better than this; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we stand in staunch opposition to any new state-wide property tax; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Speaker of the House, the House Minority Leader, the Senate President, the Senate Minority Leader, and the Office of the Governor.

WHEREAS, Mr. Sheldon Marcus presently serves as Senior Vice President of B'nai B'rith International and is a resident of Morton Grove; therefore, be it

HOUSE RESOLUTION 1076

Offered by Representative Jesiel:

WHEREAS, The State of Wisconsin has provided substantial economic incentives, including \$3 billion in tax incentives, to Foxconn Technology Group for the purpose of establishing three new manufacturing facilities along the Wisconsin-Illinois border; and

WHEREAS, Residents on both sides of the border will undoubtedly benefit from the creation of new jobs; Wisconsin and the U.S. Environmental Protection Agency have waived critical environmental and public health reviews to fast track the project; and

WHEREAS, Governor Walker and the Wisconsin State Assembly have approved fast-tracking environmental permits, so that construction on the three facilities may begin as soon as reasonably possible; and

WHEREAS, Foxconn has been allowed to fill 26 acres of wetlands in Wisconsin with dredged materials without an environmental impact study or input from the U.S. Army Corps of Engineers; and

WHEREAS, The wetlands affected in and around Racine County, Wisconsin sit in the Des Plaines River watershed, which extends into Illinois and is critical for clean water, flood water storage, and the ecological integrity of the watershed; and

WHEREAS, Foxconn is seeking to use approximately seven million gallons of water per day from Lake Michigan, a shared and primary source of drinking water for millions of people throughout Illinois, Wisconsin, Indiana, and Michigan; and

WHEREAS, The Great Lakes Compact clearing states that water from Lake Michigan be used for a "Group of largely residential customers"; and

WHEREAS, Foxconn has submitted a request for an air pollution permit that would allow the three manufacturing facilities the ability to emit high amounts of particulate, including nitrous oxide and volatile organic material that could lead to ozone damage; and

WHEREAS, The Illinois Attorney General is seeking to challenge the U.S. EPA's ruling that exempts much of southeast Wisconsin from stricter ozone regulations; and

WHEREAS, The filling of wetlands, use of residentially-protected water, and exposure to particulate all pose serious unanswered public health and safety questions for residents in Lake County and northern Illinois that must be reviewed; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we caution Wisconsin to not hastily approve permits for Foxconn Technology Group to use seven million gallons of water per day from Lake Michigan, as it will directly affect Illinoisans; and be it further

RESOLVED, That suitable copies of this resolution be sent to Governor Scott Walker and members of the Wisconsin State Assembly, so that they may see Illinois has a shared interest in the affects these facilities will have on the environment and the health of residents along the Illinois-Wisconsin border.
