Tim Anderson, Secretary of the Senate

August 24, 2018

To the Honorable Members of  
The Illinois Senate,  
100th General Assembly:

Today I veto Senate Bill 34 from the 100th General Assembly, which imposes problematic mandates and timelines on agencies that receive certain types of protective visa applications.

U and T visas are non-immigrant visas issued for law enforcement purposes to otherwise deportable persons who are victims of criminal exploitation or abuse, including human trafficking, and are willing to assist law enforcement and government officials in the investigation or prosecution of the perpetrators. The purpose of such visas is to encourage cooperation with law enforcement by alleviating fear of deportation, encourage strong relations between law enforcement and these especially vulnerable classes of immigrants, and prevent deportation of witnesses before investigations and trials can be completed.

SB 34 provides that upon receiving a request for completion of a U or T visa certification form, a certifying official in the receiving law enforcement agency or prosecution office must complete the certification form and provide it to the requesting person under an aggressive timeline, unless the certifying official, after a good faith inquiry, cannot determine that the applicant is a victim of qualifying criminal activity. This is a significant change of law concerning the obligations of law enforcement agencies. Both the mandatory response requirements and timelines will subject agencies and certifying officials to significant liability, even for good faith efforts to certify. Requiring certification within a tight timeline but also subjecting law enforcement to perjury if a mistake is made is an unacceptably risky position to put law enforcement in. Further, the agencies that may be required to certify go far beyond who should be making the legal determination necessary to certify the applicant's eligibility for the visa. This responsibility should lie with the states attorney in the jurisdiction where the implicated crime occurred.

Finally, the bill provides no funding for the additional personnel State and local law enforcement agencies would inevitably be required to hire to process a likely large increase in applications for U and T visas. The Illinois State Police, for example, anticipate that if enacted this legislation would require hiring additional attorneys and support staff, costing hundreds of thousands of dollars annually.

SB 34 constitutes an unfunded mandate upon already strained State, local, and federal law enforcement agencies beyond justifiable law enforcement need, allows for the legal determinations these applications require to be assigned to inappropriate agencies without the ability to accommodate the timelines in a responsible manner.

Therefore, pursuant to Section 9(b) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 34, entitled "AN ACT concerning government", with the foregoing objections, vetoed in its entirety.

Sincerely,

Bruce Rauner  
GOVERNOR

August 23, 2018

To the Honorable Members of  
The Illinois Senate  
100th General Assembly:

Today I veto Senate Bill 65 from the 100th General Assembly, which would harm consumers and prohibit free competition within the real estate industry.

This legislation attempts to force buyers of residential property in certain counties to get title insurance from the same company that the seller chooses, which is problematic on a number of fronts.

There is no compelling public policy rational for the General Assembly to have passed this legislation besides creating a new default within title insurance transactions that sends guaranteed business to one side of an otherwise competitive industry. This will harm consumers, restrict choice, and prevent the downward pressure on prices currently being produced by bifurcated real estate transactions. Furthermore, this legislation will put Illinoisans at risk of violating federal law, as the Real Estate Settlement Procedures Act (RESPA) prohibits sellers directly or indirectly setting requirements on the buyers' choice of title insurance company. This federal statute preempts Illinois law on the issue and assesses fines to those who violate it. Finally, by restricting this limitation to the Chicago metro real estate market, the law creates an unnecessary patchwork of real estate regulation across Illinois.

This bill represents bad economics and bad public policy, and would put both Illinoisans engaging in these transactions and our regulatory agencies in a position to be violating either state or federal law by acting under its terms.

Therefore, pursuant to Section 9(b) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 65, entitled "AN ACT concerning regulation", with the foregoing objections, vetoed in its entirety.

Bruce Rauner

July 20, 2018

To the Honorable Members of  
The Illinois Senate  
100th General Assembly:

Today I veto Senate Bill 1830 from the 100th General Assembly, which would expand the restrictions on the use of informant testimony to more types of criminal prosecutions.

Under current law, certain restrictions on the use of informant testimony were put in place for capital prosecutions that would require the State to provide information on an informant's background and require the court to hold a hearing on the informant's reliability unless waived. This bill would expand those rules to certain homicide, sexual assault, and arson cases, make changes to the scope of the term "informant" to include detained and incarcerated informants, put time restrictions on the State to identify and give notice of informants, and subject lawful recordings to potential reliability hearings.

The use of testimony is already regulated by rules of admissible evidence and courts have the procedural tools to protect against unreliable testimony. We should not further hinder the ability of our State's Attorneys to prosecute these serious crimes or curb the role of juries in appropriately weighing the testimony presented to them.

Therefore, pursuant to Section 9(b) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 1830, entitled "AN ACT concerning criminal law," with the foregoing objections, vetoed in its entirety.

Tim Anderson, Secretary of the Senate

August 21, 2018

To the Honorable Members of

The Illinois Senate  
100th General Assembly:

Today I veto Senate Bill 2332 from the 100th General Assembly, which would raise the age for purchasing tobacco products to 21 and eliminate the penalty for minors possessing tobacco.

Smoking is detrimental to the health of Illinoisans of all ages. It is important that we address the issues caused by tobacco use, especially since many people begin using tobacco at a young age. Unfortunately, this legislation will inhibit the choice of consumers while also not helping keep tobacco products out of the hands of youth.

Raising the age people can purchase tobacco products will push residents to buy tobacco products from non-licensed vendors or in neighboring states. Since no neighboring state has raised the age for purchasing tobacco products, local businesses and the State will see decreased revenue while public health impacts continue.

Furthermore, the existing penalty that this legislation removes for minors possessing tobacco is reasonable, provides the opportunity for education on the harmful effects of tobacco products, and is a disincentive for tobacco use. Eliminating this penalty will make it harder for communities to effectively address the public health issues connected to tobacco products.

Therefore, pursuant to Section 9(b) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 2332, entitled "AN ACT concerning criminal law," with the foregoing objections, vetoed in its entirety.

To the Honorable Members of  
The Illinois Senate,  
100th General Assembly:

Today I veto Senate Bill 2376 from the 100th General Assembly, which creates a new Cook County Water Infrastructure Grant Program to be administered by Illinois EPA to assist municipalities with accessing Lake Michigan water. While this grant program is currently unfunded, it is created with the expectation that in future years it will be.

The Illinois EPA already provides low-interest loans for Wastewater/Stormwater and Drinking Water infrastructure, for which communities from any part of the state can apply.

Local water infrastructure should be primarily paid by user fees from the customers who benefit from a specific project. It is inappropriate for the state of Illinois to take taxpayer dollars from the entire state for the explicit purpose of only funding water infrastructure for one county in the state.

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has passed a bill of the following title, the Governor's specific recommendations for change to the contrary notwithstanding, in the passage of which I am instructed to ask the concurrence of the House, to-wit:

Senate Bill No. 3136

A bill for AN ACT concerning State government.

I am further directed to transmit to the House of Representatives the following copy of the Governor's specific recommendations for change to the Senate:

Passed by the Senate, November 14, 2018, by a three-fifths vote.

Tim Anderson, Secretary of the Senate

August 24, 2018

To the Honorable Members of  
The Illinois Senate,  
100th General Assembly:

Today, I return Senate Bill 3136 with specific recommendations for change.

This legislation would give the State Police Merit Board and Department of Corrections more discretion in determining what circumstances merit termination when a state police or corrections officer tests positive for cannabis use. Current law mandates that an officer must be discharged from employment if they test positive for marijuana in a drug test. However, in the changing legal landscape surrounding marijuana use, legal use of marijuana for medical purposes pursuant to a prescription may justify an officer keeping their job despite a positive drug test.

These new circumstances form a compelling reason to give more discretion to the Merit Board in determining when the termination of an officer for marijuana use is warranted. However, any use of marijuana for other than legally authorized medical use is illegal in the State of Illinois and our law enforcement and corrections officers should be held to the highest standards of behavior outside of the narrow situations where use was legal and medically justifiable.

Therefore, pursuant to Section 9(e) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 3136, entitled "AN ACT concerning State government," with the following specific recommendations for change:

On page 1, replace lines 10-17 with the following:

"procedures for any substance prohibited by the Cannabis Control Act, the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act shall be discharged from employment unless the positive test result was due solely to use or consumption of a substance controlled by the Cannabis Control Act but authorized for use by the person for medical purposes pursuant to applicable Illinois law. Refusal to submit to a drug test,"; and

On page 2, by replacing lines 8 through 15 with the following:

"drug testing procedures for any substance prohibited by the Cannabis Control Act, the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act shall be discharged from employment unless the positive test result was due solely to use or consumption

of a substance controlled by the Cannabis Control Act but authorized for use by the person for medical purposes pursuant to applicable Illinois law. Refusal to submit to a drug test.”.

With these changes, Senate Bill 3136 will have my approval. I respectfully request your concurrence.

Sincerely,

Bruce Rauner  
GOVERNOR
