HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 97

Offered by Representative Unes:

WHEREAS, Multiple System Atrophy (MSA) is a rare neurodegenerative disorder caused by the loss of certain cells in the brain and spinal cord resulting in the impairment of the body's involuntary functions, including blood pressure, heart rate, bladder function, and digestion; and

WHEREAS, Having formerly been called Shy-Drager Syndrome, MSA shares similar symptoms of Parkinson's disease, such as slowness of movement, muscle rigidity, and poor balance; and

WHEREAS, People who have MSA also frequently suffer from other involuntary functions of the body, including urinary and bowel dysfunction, sweating abnormalities, sleep disorders, difficulty controlling blood pressure, sexual dysfunction, cardiovascular problems, and psychiatric disturbances; and

WHEREAS, Some people are never accurately diagnosed with MSA due to its likeness to Parkinson's disease; and

WHEREAS, Though the progression of MSA varies from person to person, the condition never goes into remission and is a progressive condition that in due course will lead to death; and

WHEREAS, Early diagnosis and treatment of MSA is critical to managing symptoms and maintaining the best possible quality-of-life throughout a person's estimated 7-9 year life expectancy, pursuant to their diagnosis; and

WHEREAS, Increased awareness and exposure to MSA has inspired the nation's medical and scientific communities to engage in novel investigative research and treatment developments and assemble coalitions that serve patients and families through support, education, advocacy, and financial assistance; and

WHEREAS, The development of better treatments and, some day, a cure will help countless families avoid tremendous pain and loss; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare March of 2019 as MSA Awareness Month in the State of Illinois.

HOUSE RESOLUTION 98

Offered by Representative Brady:

WHEREAS, Grain bin accidents are serious incidents that affect farmers across the country; and

WHEREAS, More than 900 cases of grain bin entrapments have been reported with a fatality rate of 62% in the past 50 years; and

WHEREAS, In 2015, over 24 grain bin entrapments occurred with at least 14 fatalities, and in 2014, 38 reported grain bin entrapments resulted in 17 fatalities which are the highest numbers since 2010 when 59 entrapments claimed 26 lives; and

WHEREAS, The actual number of grain bin related accidents may be higher than the documented numbers; and

WHEREAS, Grain bin accidents can tragically affect individuals, families, and communities; and

WHEREAS, Through education and awareness of hazards and safe-work practices and procedures, the number of preventable injuries and deaths associated with grain handling and storage may be reduced; and

WHEREAS, Routine inspections of grain bins, dryers, wagons, augers, and other grain related equipment should be conducted to reduce the risk of grain-related hazards; and

WHEREAS, Designing and implementing emergency action plans for farms and commercial businesses can decrease grain-related fatalities and should be a high priority; and

WHEREAS, First organized by Nationwide Agribusiness in 2014, Grain Bin Safety Week is an annual observance that occurs the third full week of February to promote grain bin safety on farms and commercial grain-handling facilities; and

WHEREAS, Grain Bin Safety Week is a collaborative effort by industry leaders and agricultural professionals working together; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare February 17 to February 23, 2019 as Grain Bin Safety Week in the State of Illinois; and be it further

HOUSE RESOLUTION 100

Offered by Representative Jones:

WHEREAS, February 7, 2019 is the 18th annual commemoration and observance of National African-American HIV/AIDS Awareness Day; and

WHEREAS, This observance is a nationwide effort to mobilize African-American communities to get educated, tested, involved, and treated for HIV/AIDS, as it continues to devastate African-American communities; and

WHEREAS, National African-American HIV/AIDS Awareness Day is directed, planned, and strategically implemented by HIV/AIDS organizations to mobilize community-based organizations and stakeholders involved in HIV/AIDS prevention, care, and treatment; and

WHEREAS, African-Americans account for 46.8% of people living with HIV, although they represent just 12% of the United States population; and

WHEREAS, Illinois has witnessed HIV infections drop by 35% over the last decade, however, nearly 43,000 residents of Illinois are still living with HIV (including the undiagnosed); the Black community continues to be disproportionately impacted by the epidemic; Black gay men are experiencing an increase in HIV cases, particularly among youth; Black woman account for more than 73% of women who are newly diagnosed and women who are living with HIV; and

WHEREAS, Nearly 43,000 residents of Illinois are living with HIV (including the undiagnosed), and 52% of people newly diagnosed with HIV are African-American; and

WHEREAS, Young African-American gay men under the age of 30 in Chicago have an infection rate three times greater than their white counterparts; and

WHEREAS, At the current rate of infection, nationally 1 in 4 gay African-American men will become HIV-positive by the time they are 25, and 1 in 2 will have HIV by the time they are 35; and

WHEREAS, Of those African-Americans that are HIV-positive, fewer than half are prescribed antiretroviral therapy (HIV medication), and just 37% reach viral suppression; and

WHEREAS, Over two-thirds of women diagnosed with HIV in the United States are African-American; Center for Disease Control data reports that by race/ethnicity, African-American transgender women have the highest percentage of new HIV positive test results; and

WHEREAS, HIV medication taken daily (Pre-Exposure Prophylaxis or PrEP) is nearly 100% effective at preventing HIV infection when used consistently and correctly and creates the opportunity to dramatically reduce HIV infections in the Black community, but awareness of PrEP and access to PrEP is low in the Black community for those who could potentially benefit from PrEP, based on the CDC guidelines; only 1% of PrEP users are Black; and

WHEREAS, The Illinois General Assembly and administration failed to transfer money to the African-American American HIV/AIDS Response Fund, resulting in an inability to make grants to organizations focused on fighting the epidemic in the African-American community; and

WHEREAS, Numerous organizations, faith-based institutions, public health entities, and impacted citizens are hosting community events to recognize this day and its importance to African-Americans and all concerned citizens; and

WHEREAS, It is fitting that we join with these local, national, and international groups to express our strong support for National African-American HIV/AIDS Awareness Day and the initiatives to prevent HIV/AIDS in African-American communities and provide access to and utilization of HIV/AIDS prevention, treatment, and support services to those affected by HIV/AIDS; therefore, be it

HOUSE RESOLUTION 101

Offered by Representative Halbrook:

WHEREAS, The State of Illinois is often regarded as having two distinct regions, the City of Chicago and downstate Illinois; and

WHEREAS, Even communities north of Chicago are considered "downstate" because they have more in common with rural southern and central Illinois counties than they do with the City of Chicago; and

WHEREAS, The divide between the City of Chicago and downstate Illinois is frequently manifested in electoral results such as the 2010 gubernatorial election in which the Democrat candidate won the election despite only carrying four counties out of 102 counties, and, in fact, did not need to carry any other counties to win because of the margin of victory in Chicago and Cook County; and

WHEREAS, The City of Chicago is frequently treated as a separate region of the State and has often been exempted from major legislative initiatives the General Assembly enacts in law because of this fact; and

WHEREAS, The City of Chicago is often bailed out by taxpayers in the rest of the State, such as the \$221 million bailout for the CPS pension system that was signed into law last year; and

WHEREAS, Numerous counties in the southern and central parts of Illinois are approving resolutions to become sanctuary counties for gun owners, while the City of Chicago has some of the strictest gun laws in the country; and

WHEREAS, The majority of residents in downstate Illinois disagree with City of Chicago residents on key issues such as gun ownership, abortion, immigration, and other policy issues; and

WHEREAS, The dissension between downstate Illinois and the City of Chicago spans the nearly 200-year history of the State, and there have been several attempts in the past to divide Illinois into two states; and

WHEREAS, The City of Chicago passed a resolution in 1925 to form the State of Chicago; and

WHEREAS, Western Illinoisans declared their region as the "Republic of Forgottonia"; and

WHEREAS, In 1981, State Senator Howard Carroll passed a Cook County state split bill through both chambers of the State Legislature; and

WHEREAS, There continue to be organizations pushing for separation between the City of Chicago and downstate Illinois such as the "Southern Illinois Secession Movement"; and

WHEREAS, Separation of states continues to be a focus in the news media as there is a movement in California to divide that state into multiple states; and

WHEREAS, Article IV, Section 3 of the Constitution of the United States provides in part: "New States may be admitted by Congress into this Union; but no new State shall be formed or erected within the Jurisdiction of any other State; nor any State be formed by the Junction of two or more States, or Parts of States, without the consent of the Legislatures of the States concerned as well as of the Congress."; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the United States Congress to take action to declare the City of Chicago the 51st state of the United States of America and separate it from the rest of Illinois; and be it further

RESOLVED, That suitable copies of this resolution be delivered to all Illinois constitutional officers, the Speaker and Minority Leader of the Illinois House of Representatives, and the President and Minority Leader of the Illinois Senate.

WHEREAS, The Federal sentencing guidelines were created to allow for consistency and more transparency in the federal system; and

WHEREAS, The State of Illinois does not have strict sentencing guidelines, and charging decisions may range based on the county; ultimately, when sentencing, a state judge has more discretion than a Federal judge; and

WHEREAS, The State of Illinois has created the Violent Crime Intelligence Task Force; led by the Department of the State Police, it will identify and utilize the best practices in drug-diversion programs and other community-based services to redirect low-level offenders; the task force aims to find ways to help low-level offenders integrate back into the community and to redirect those low-level offenders in a productive manner; and

WHEREAS, The State's efforts encourage lower recidivism rates and also encourage previous inmates to become productive, working citizens of the State of Illinois; and

WHEREAS, This movement is led by billionaire industrialist Charles Koch, who has stated that "as business people, this is an opportunity to make the country better and help people improve their lives"; he believes that businesses have a responsibility to ensure former inmates have the opportunity to find a job and stay out of jail; and

WHEREAS, Following the Koch network initiative, businesses in Illinois should be helping to create opportunities for former inmates in the State of Illinois; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we encourage businesses owners in the State of Illinois to recruit and to hire qualified candidate workers with criminal pasts; and be it further

HOUSE JOINT RESOLUTION 30

Offered by Representative Mazzochi:

WHEREAS, According to the National Center for Health Statistics, 29.3 million persons of all ages were uninsured in the United States in 2017; in the same year, adults aged 25-34 were almost twice as likely as adults aged 45-64 to lack health insurance coverage; and

WHEREAS, A lack of insurance coverage can motivate people to forgo treatments and doctor visits, leading to unfortunate health consequences for these individuals; additionally, when an uninsured individual does seek treatment, they often receive a bill that they cannot afford to pay, a bill that is often higher than what an insurer would pay for the same treatment; these bills can further compound an already difficult financial situation for the uninsured; and
