SENATE BILLS ON SECOND READING

Having been reproduced, the following bill was taken up, read by title a second time and held on the order of Second Reading: SENATE BILL 1596.

HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 185

Offered by Representative Conroy:

WHEREAS, The protection and restoration of wildlife habitat is widely supported by the public, and the most recent Illinois Outdoor Recreation Survey found that 84% of Illinoisans agree that more wildlife habitat should be protected and restored; and

WHEREAS, Investments in natural infrastructure provide multiple economic, environmental, and social benefits to communities that need functioning infrastructure and a healthy environment; and

WHEREAS, Illinois has lost more than 95% of its original wetlands and 99% of its original open prairie, making it critical to protect the remaining natural habitat; and

WHEREAS, Illinoisans' overwhelming support the role of parks and recreation facilities in their communities, especially for preserving open space and improving fitness and mental health; and

WHEREAS, Outdoor recreation contributes to a healthy lifestyle for the State's youth and adults alike, and young people need more access to safe, outdoor experiences to counteract sedentary lifestyles and to offer alternatives to digital entertainment; and

WHEREAS, Economically disadvantaged communities are disproportionately at risk from flooding due to loss of permeable surfaces and are in the greatest need of open space projects that can absorb floodwater that would otherwise damage homes, businesses, and critical infrastructure; and

WHEREAS, The quantity of water supplied by aquifers, inland streams, and Lake Michigan is limited, and land conservation and restoration provides for the protection of drinking water resources through water recharge and stream buffering; and

WHEREAS, Natural habitats have been shown to improve air quality, and significant populations in Illinois live in areas failing to meet federal air quality standards; and

WHEREAS, The Illinois State Wildlife Action Plan has won national recognition but remains underfunded; and

WHEREAS, Hunting, fishing, and wildlife-associated recreation currently support nearly 200,000 direct jobs and generate \$7.8 billion in wages and salaries in Illinois; and

WHEREAS, Protection and restoration of natural areas is an important component of state action on climate change, as natural habitats sequester carbon through natural processes, and open spaces make our communities and ecosystems more resilient to the impacts of climate change; and

WHEREAS, Illinois park and forest preserve districts, land trusts, and other organizations and units of governments are challenged to fund habitat restoration, public access, trail, and safety improvements at public open space holdings, inhibiting natural resource value and public enjoyment at many sites; and

WHEREAS, Land acquisition, restoration, and management are capital-intensive investments; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we recognize that current funding for open space acquisition and management is severely lacking, that capital budgets have traditionally provided resources for land acquisition, stewardship, and public recreational opportunities, and that the value of parks and natural areas in improving public health, protecting communities from flooding, improving air and water quality, and generating economic activity is without question; and be it further

RESOLVED, That we urge a significant new initiative be included in any new capital spending plan to fund the acquisition, restoration, and management of natural areas and open spaces, which would include:

- (1) A new statewide land acquisition program to protect the State's most precious natural resources and provide safe, quality outdoor non-motorized recreational opportunities, including matching grants to local governments and nonprofit land trusts and conservation organizations;
- (2) Implementation of the Hunting Heritage Protection Act by increasing the amount of land acreage available for hunting opportunities in Illinois; and
- (3) Funding for capital improvements to state parks and conservation lands that are consistent with natural heritage protection and non-motorized recreation; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Speaker of the House of Representatives, the Minority Leader of the House of Representatives, the President of the Senate, the Minority Leader of the Senate, the Director of Natural Resources, and the Governor.

HOUSE RESOLUTION 187

Offered by Representative Wehrli:

WHEREAS, In the United States, one in six children aged three through 17, approximately 15 percent, have a developmental disability; and

WHEREAS, Individuals with developmental disabilities are our family members, friends, coworkers, neighbors, and important contributors to the diversity of our communities and the State; and

WHEREAS, When individuals with developmental disabilities are included and active in their communities, they live longer, healthier, and more fulfilling lives; and

WHEREAS, People with developmental disabilities in Illinois want to achieve personal success through education, meaningful work, and family and community ties, and we recognize that every person, regardless of ability, has valuable strengths, an infinite capacity to learn, and the potential to make important contributions to their local community; and

WHEREAS, In 1987, President Reagan made a public proclamation that the month of March should be recognized as Developmental Disabilities Awareness Month to "increase public awareness of the needs and potential of Americans with developmental disabilities"; and

WHEREAS, The purpose of Developmental Disabilities Awareness Month is to raise awareness about the inclusion of people with developmental disabilities in all areas of community life, as well as awareness to the barriers that people with disabilities still sometimes face in connecting with the communities in which they live; and

WHEREAS, Developmental Disabilities Awareness Month is a time to recognize the contributions of Illinoisans with developmental disabilities and the State's efforts to identify and remove barriers so all citizens of Illinois are included; and

WHEREAS, Removing these barriers for individuals with developmental disabilities benefits the entire State and is a part of our commitment to providing equal opportunity and rights for all Illinoisans; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare March 2019 as Developmental Disabilities Awareness Month to promote awareness and understanding of the opportunities, challenges, and needs of people with developmental disabilities.
