At the hour of 5:34 o'clock p.m., the House convened perfunctory session.

**INTRODUCTION AND FIRST READING OF BILLS**

The following bill was introduced, read by title a first time, ordered reproduced and placed in the Committee on Rules:

HOUSE BILL 3825. Introduced by Representative Skillicorn, AN ACT concerning education.

**SENATE BILLS ON FIRST READING**

Having been reproduced, the following bills were taken up, read by title a first time and placed in the Committee on Rules: SENATE BILLS 109(Didech), 1250(Villa) and 2136(Mayfield).

**HOUSE RESOLUTIONS**

The following resolutions were offered and placed in the Committee on Rules.

**HOUSE RESOLUTION 241**

Offered by Representative Mah:

WHEREAS, The separation of children from their mother or father, or from both, is a violation of the human rights that should be afforded to all children; and

WHEREAS, The just struggle to protect the right of children to stay with their families is at the core of the struggle in this country to complete our imperfect but developing democracy from its original perpetration during the genocide of the native American and the holocaust of slavery when children were ripped from their mother's breast and the guidance of their fathers; and

WHEREAS, This struggle is inspired by our spiritual, cultural, and democratic ideals of what is right and just; and

WHEREAS, In the reality of the failure of the U.S. Congress, then-President Barack Obama was urged to issue executive orders to at least temporarily prevent deportations that separate families with U.S. born children or DACA eligible children; and

WHEREAS, The alternative to separation is the de facto deportation of U.S. citizen children and children raised side by side with U.S. citizens for the greatest part of their young lives to countries they know nothing about, and, in which, they are placed in the most disadvantaged and dangerous positions, denying their rights as U.S. citizens and their universal rights as children; and

WHEREAS, President Obama did issue executive orders that provided the deferral of deportation and the provision of work permissions for undocumented individuals brought to this country as minors and also provided the same deferrals of deportation and working permissions to undocumented parents of U.S. citizen children or such minors; the executive orders further established the practice of prosecutorial discretion to defer such deportations in order to prevent the unjust separation of families or the de facto deportation of U.S. citizen children until the Congress could arrive at a permanent solution; and

WHEREAS, The courts reached no final resolutions on the constitutionality of these executive orders, and Congress still has not reached any comprehensive solution for millions of families caught in the system of undocumented labor, which has operated for decades in this nation; and

WHEREAS, In spite of the continuing threat of injustice to children, the current administration has cancelled those executive orders without Congress having established any alternative; and

WHEREAS, These provisions, previously adopted to protect the right of children to have the support of their parents, represented a just and much needed temporary adjustment and should be restored by an act of Congress; and

WHEREAS, Those in government who looked the other way at this system, those companies who used undocumented labor, and those who benefitted from the billions of dollars collected from the paychecks of undocumented workers to fill the coffers of social security have been asked to pay no price; and

WHEREAS, The children of those undocumented workers, who came and worked honestly in this country and formed families and raised children, are the least culpable and the most vulnerable victims of the system of undocumented labor and are being forced every day to endure the unimaginable pain and damage of family separation or de facto deportation; and

WHEREAS, Those parents with U.S. citizen children who were given protected status through prosecutorial discretion and who reported regularly to ICE as they were required were among the first to be deported under this administration; and

WHEREAS, There has been a 250% increase over the last year in deportations of those with no criminal records, most of whom have families and children, with the likelihood that these numbers will continue to increase; and

WHEREAS, At least 325,000 Salvadorans, Nicaraguans, Hondurans, and Haitians who have lived in this country for many years and have established families with 273,000 U.S. born citizen children, as well as other children brought here at an early age (22% of original entrants were under 16) who have known no other country, now face the cancellation of Temporary Protected Status (TPS) and are being deported, separating children from their parents or de facto deporting U.S. citizen children; and

WHEREAS, U.S. policies have contributed to the continuing conditions of instability, poverty, and violence in the aforementioned countries, and, morally, these children of TPS families should not be returned to endure those conditions; and

WHEREAS, The psychological, educational, health, economic, and mortality effects of separation from their parents or their de facto removal from this country are documented violations of the human rights accorded universally to children; and

WHEREAS, The separation of families at the border for those seeking asylum is a violation of human rights; and

WHEREAS, The passage of a clean DACA bill will further prevent the separation of families; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the U.S. Congress to pass legislation that provides the right to visas for the undocumented parents of U.S. citizen children or DACA eligible children and TPS recipient parents with U.S. citizen children or children brought here before the age of 16, which allows them and their children to stay and work legally in this country to provide for the economic, physical, and spiritual security and development of those children; and be it further

RESOLVED, That those visas and work permits should be issued on proof that there are no criminal convictions of these individuals and proof of the existence in residence of U.S. citizen or DACA eligible children under the age of 25; and be it further

RESOLVED, That those visas should be renewable every three years on proof of the continued verification of the original conditions of issue; and be it further

RESOLVED, That we urge the U.S. Congress to pass legislation to immediately stop this violation of the human rights of children and their rights as U.S. citizens; and be it further

RESOLVED, That five million U.S. citizen children and two million children brought to this nation as infants, raised here among U.S. citizens, should not be deprived of the sacred right to family and parental guidance and support because of the nation's political paralysis in correcting and taking responsibility for past mistakes of immigration policy and practice but, instead, should be protected and afforded the most basic human right, which is afforded through the creation of family and guaranteed by the innate and irreplaceable responsibility of parents; and be it further

RESOLVED, That we urge the U.S. Congress to pass a clean DACA bill that gives eligible recipients immediate security and a road to citizenship; and be it further

RESOLVED, That we urge the U.S. Congress to maintain and extend family-based legal immigration; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the President of the United States, the U.S. Senate Majority Leader, the U.S. Senate Minority Leader, the U.S. Speaker of the House, the U.S. House of Representatives Minority Leader, and all members of the Illinois Congressional Delegation.

#### HOUSE RESOLUTION 243

Offered by Representative Mah:

WHEREAS, Every 10 years, Article 1, Section 2 of the United States Constitution mandates a count of all the people living in the United States and its territories; and

WHEREAS, Illinois has lost one congressional seat in every census cycle since 1950; Illinois could possibly lose two congressional seats based off the 2020 Census count; and

WHEREAS, The data obtained from the census count in every state will determine federal dollars that are allocated to states, accordingly; Illinois receives more than \$20 billion dollars in federal funding annually, based off census data; and

WHEREAS, Illinois needs to work together as a state to ensure a fair, accurate, and coordinated census count in 2020; all Illinois General Assembly members should make a concerted effort to engage in local count committees and serve as trusted messengers in their community to educate residents on the importance of being counted; and

WHEREAS, The census self-response is going on line for the first time ever in the history of the U.S. census count; Illinois needs to ensure that residents living in areas where broadband access is not readily available have the resources available to connect and self-report; and

WHEREAS, The Illinois General Assembly should also consider allocating an appropriation for community-based organizations and local governments across the State to have capacity dollars necessary to do outreach work; and

WHEREAS, The State of Illinois established a statewide Complete Count Commission last year to ensure 22 commission members begin reaching out to communities across the State to ensure coordination and collaboration; this commission is the first of its kind in the country created by state statute; and

WHEREAS, Every resident in Illinois should have access to information about the Census 2020 well in advance of Census Day 2020; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare April 1, 2019 as Census Awareness Day.

#### HOUSE RESOLUTION 244

Offered by Representative Murphy:

WHEREAS, The Illinois School Code provides that each school board is required to annually prepare a calendar for each school term that specifies both the opening and closing dates of the term; and

WHEREAS, A school district's calendar must provide for a minimum of at least 185 days that generally includes five emergency days and four teacher institute days in order to ensure 176 days of actual pupil attendance; and

WHEREAS, While the School Code does not govern when a school term should begin or end, schools are increasingly starting their school year in mid-August; and

WHEREAS, Traditionally, especially prior to the mid-1990s, schools would begin their school term after Labor Day, according to a 2015 CNN article, "Back to school: Why August is the new September"; and

WHEREAS, Some states, including Michigan and Maryland, have implemented prohibitions on school terms beginning before Labor Day in an effort to boost their tourism industries; and

WHEREAS, Maryland Governor Larry Hogan recently signed an executive order prohibiting schools from commencing their school term prior to Labor Day unless the school district has received a waiver; and

WHEREAS, Research shows that the date upon which a school term begins does not necessarily impact a student's academic success; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Illinois State Board of Education

to study the impact of beginning a school term during various points throughout August as compared to after Labor Day; and be it further

RESOLVED, That the State Board of Education submit a report to the General Assembly by December 31, 2019 including the following information and recommendations:

(1) A summary of current school term start dates in school districts throughout Illinois;

(2) Laws in other states that govern when a school term may commence; and

(3) The effects that beginning a school term at various points in August, as compared to after Labor Day, would have on school district budgets, administrators, teachers, and students; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to the State Superintendent of Education.

#### HOUSE RESOLUTION 248

Offered by Representative Villa:

WHEREAS, Adverse childhood experiences, or ACEs, are traumatic experiences occurring during childhood that may have a profound effect on a child's developing brain and body and may result in poor health during the person's adulthood; ACEs can be physical, emotional, and sexual abuse, physical and emotional neglect, and household dysfunction, such as domestic violence, separation or divorce involving household members, and substance abuse, untreated mental illness, or incarceration of a household member; and

WHEREAS, Research over the last two decades in the evolving fields of neuroscience, molecular biology, public health, genomics, and epigenetics reveals that experiences in the first few years of life build changes into the biology of the human body that, in turn, influence the person's physical and mental health over the person's lifetime; and

WHEREAS, Strong, frequent, or prolonged stress in childhood caused by adverse childhood experiences can become toxic stress, affecting the development of a child's fundamental brain architecture and stress response systems; and

WHEREAS, Adverse childhood experience studies have also found a strong correlation between the number of ACEs and a person's risk for disease and negative health behaviors, including suicide attempts, cancer, ischemic heart disease, diabetes, smoking, substance abuse, depression, obesity, unplanned pregnancies, workplace absenteeism, lower educational achievement, and lower wages; and

WHEREAS, Findings from the Illinois 2013 Behavioral Risk Factor Surveillance Survey (BRFSS) Illinois ACEs Response Collaborative found that almost 60% of non-institutionalized adults in Illinois say they had at least one ACE; this number equates to almost 5 million Illinois residents; 14.2% of Illinois adults reported four or more ACEs; and

WHEREAS, The Illinois 2013 BRFSS also found that approximately one in seven women and one in eight men reported experiencing four or more ACEs; and

WHEREAS, BRFSS data also showed that approximately 20% of African American and Hispanic adults in Illinois reported four or more ACEs, compared to 13% of non-Hispanic whites; and

WHEREAS, Individuals with six or more ACEs were found, on average, to live 20 years less than those individuals with zero ACEs; and

WHEREAS, Among those who misuse opioids, the individuals most likely to experience problems with addiction are those who suffered ACEs; general population surveys have estimated that 75% of individuals with substance use disorders have experienced trauma at some point in their lives; rates are even higher among populations seeking treatment for opioid addiction; and

WHEREAS, ACEs appear to be a root cause of many of our most challenging health and social problems, including smoking, substance abuse, obesity, heart disease, low birth weight, unemployment, depression, and suicide; without adequate family intervention and support, ACEs appear to be transmitted from one generation to the next, further exacerbating this problem; and

WHEREAS, It is more effective and less costly to positively influence the architecture of a young child's developing brain than to attempt to correct poor learning, health, and behaviors later in life; and

WHEREAS, Trauma-informed care is an approach that can bring greater understanding and more effective ways to prevent, identify, and support and serve children, adults, families, and communities affected by ACEs, trauma, adversity, and toxic stress; and

WHEREAS, Trauma-informed care is not a therapy or an intervention, but a principle-based, culture-change process aimed at recognizing strengths and resiliency as well as helping people who have experienced trauma to overcome those issues in order to lead healthy and positive lives; and

WHEREAS, The Substance Abuse and Mental Health Services Administration and many other agencies and organizations provide substantial resources to better engage individuals and communities across the United States in order to implement trauma-informed care; and

WHEREAS, A trauma-informed Illinois enhances the ability of children and adults to adapt, cope and thrive despite difficult times, supporting the mental well-being of everyone in our state; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that policy decisions enacted by the Illinois State Legislature should acknowledge and take into account the principles of early childhood brain development and should, whenever possible, consider the concepts of toxic stress, early adversity, and buffering relationships, and note the role of early intervention and investment in early childhood years as important strategies to achieve a lasting foundation for a more prosperous and sustainable State through investing in human capital; and be it further

RESOLVED, That we declare May 15, 2019 as Trauma-Informed Awareness Day in Illinois to highlight the impact of trauma and the importance of prevention and community resilience through trauma-informed care; and be it further

RESOLVED, That we encourage all officers, agencies and employees of the State of Illinois whose responsibilities impact children and adults, including the Office of the Governor, the State Board of Education, the Department of Human Services, the Department of Children and Family Services, the Department of Public Health, the Department of Juvenile Justice and Department of Corrections, to become informed regarding well-documented short-term, long-term and generational impacts of adverse childhood experiences, toxic stress and structural violence on children, adults and communities and to become aware of evidence-based and evidence-informed trauma-informed care practices, tools, and interventions that promote healing and resiliency in children, adults and communities so that people, systems and community, family and interpersonal relationships will be able to maximize their well-being; and be it further

RESOLVED, That suitable copies of this resolution be presented to Governor J.B. Pritzker, House Speaker Michael Madigan, Senate President John Cullerton, House Majority Leader Greg Harris, Senate Minority Leader Bill Brady, the Secretary of Human Services, the State Superintendent of Schools, and all directors of the above mentioned State departments.

#### HOUSE JOINT RESOLUTION 55

Offered by Representative Morgan:

WHEREAS, The appalling rise of hate speech and anti-Semitism across the country calls on all who value diversity, respect, and civility as the heart of a functioning democracy to stand united against bigotry and hate of all kinds; and

WHEREAS, Illinois Family Action distributed multiple anti-Semitic, homophobic, threatening, and hateful posts on their official social media page, callously belittling the most appalling tragedies of the Holocaust and recklessly comparing those who disagree with their extreme agenda to Nazis; and

WHEREAS, There was a 37% increase in anti-Jewish incidents reported to the FBI between 2016-2017; and

WHEREAS, There were 1,564 religious-based incidents reported to the FBI in 2017, the second highest level since statistics have been gathered; and

WHEREAS, In 2004, a deadly shooting at our capitol building led to changes to the security procedures in the Capitol Complex; and

WHEREAS, A lobby day sponsored by Illinois Family Action in March 2019 overtaxed Capitol security, resulting in at least three members requiring State Police escorts and multiple calls for assistance from Capitol Police by members and legislative aides; and

WHEREAS, The Southern Poverty Law Center has frequently cited the Illinois Family Institute and Illinois Family Action in their monitoring of hate groups; and

WHEREAS, A group truly driven by faith would realize the pain their rhetoric causes for members of the Jewish community, for whom the horrors of Nazi Germany are all too real; and

WHEREAS, Our legislative body must rise together against this bigoted language collectively and refuse to accept it as the new normal; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we, along with the Jewish Caucus and allied legislators, condemn the extreme rhetoric of Illinois Family Action, call for a formal investigation into the group's hate speech and threats, and ask that the Secretary of State's office suspend the lobbying credentials of any individual working on behalf of Illinois Family Action or its parent organization, the Illinois Family Institute, until an investigation is complete; and be it further

RESOLVED, That we call for a review of security procedures in the Capitol Complex, including, but not limited to, the Secretary of State and the Illinois State Police, with the goal of review and implementation of needed updates; and be it further

RESOLVED, That we stand in solidarity against hateful, racist, anti-Semitic, and homophobic rhetoric of all kinds and call for decent, respectful debate, especially when we disagree; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Governor, the Secretary of State, and the Director of State Police.

At the hour of 5:35 o'clock p.m., the House Perfunctory Session adjourned.
