51ST LEGISLATIVE DAY

Perfunctory Session

FRIDAY, MAY 17, 2019

At the hour of 3:07 o'clock p.m., the House convened perfunctory session.

HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 385

Offered by Representative Thapedi:

WHEREAS, The Export-Import Bank was founded in 1934 amid the Great Depression to help struggling exporters in the United States facilitate international trade; and

WHEREAS, At the time, President Franklin D. Roosevelt saw that U.S. exporters were desperate for overseas customers; foreign markets lacked sufficient capital to finance international trade; and

WHEREAS, Ever since, the Export-Import Bank has subsidized loans and loan guarantees in addition to capital and credit insurance to benefit U.S. exporters; and

WHEREAS, While obscure to most Americans, The Export-Import Bank is the object of protracted debate in Congress, as the expiration of its charter quickly approaches on September 30, 2019; and

WHEREAS, For several years, the Export-Import Bank has been without a fully-functioning board, which suspends its ability to approve deals worth more than \$10 million; and

WHEREAS, The lack of a fully-functioning Export-Import Bank is harmful to Illinois' economy in that Illinois-based companies, including Boeing, Caterpillar, and John Deere are some of its largest customers; and

WHEREAS, To this end, the lack of a fully-functioning export credit agency to compete with other countries around the world translates into lost trade opportunities and significant job losses for Illinois; and

WHEREAS, More than 100 other export credit agencies across the globe provide export support to their national companies; as of 2017, the export credit agencies of Japan and Korea had \$187 billion in medium and long-term exposures; Canada, Germany, France, Italy, and the United Kingdom had \$306 billion; China had an estimated \$363 billion; by comparison, the Export-Import Bank has an exposure of approximately \$70 billion, about one dollar for every five of China's; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that that we strongly encourage Congress to pass a long-term reauthorization of the Export-Import Bank before its charter expires on September 30, 2019; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to the members of the Illinois congressional delegation.

HOUSE RESOLUTION 386

Offered by Representative Yingling:

WHEREAS, There are over 350 specialized dentists, known as endodontists, in Illinois; and

WHEREAS, Endodontists are dental experts who are highly-skilled in diagnosing and treating tooth pain and performing root canal treatment; they complete three years of specialized training beyond dental school; additional training focuses on diagnosing tooth pain and performing root canal treatment and other procedures relating to the interior of the tooth; in many cases, a diseased tooth can be saved with endodontic treatment; and

WHEREAS, Endodontists have incredible precision and hand-eye coordination, making them highly skilled in performing complex treatments; they use the most current and advanced technology to treat dental patients; no one is better at saving a patient's natural teeth; and

WHEREAS, Endodontists perform many other endodontic treatments and surgeries, address traumatic dental injuries, and place dental implants; their goal is to save a patient's natural teeth whenever possible; however, an endodontist will look at all treatment options to determine the best course of action for each individual case; and

WHEREAS, Endodontists limit their practice solely to endodontic treatments, performing an average of 25 root canal treatments a week; specialized treatment will give patients the best outcome, and they will heal faster; for this reason, dentists and endodontists often work as partners in care so that the best member of the dental team is handling each appropriate issue with a patient's teeth; and

WHEREAS, Poor oral hygiene can lead to other health problems; regular dental visits, flossing, brushing thoroughly at least twice a day, and refraining from foods and habits that can cause cavities are important steps for maintaining the overall health of one's gums, teeth, and mouth; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare May 2019 as Save Your Tooth Month, recognize the endodontists who are dedicated to saving patients' natural teeth, and encourage citizens of Illinois to practice good oral hygiene.

WHEREAS, The Good Friday Agreement provides that the British Government will "take resolute action to promote ... facilitate and encourage the use of" the Irish language; and

WHEREAS, The 2006 St. Andrews Agreement between the Irish Government and the British Government provides that "The [British] Government will introduce an Irish Language Act reflecting on the experience of Wales and Ireland and work with the incoming Executive to enhance and protect the development of the Irish language"; and

WHEREAS, The British Government agreed in the 2014 Stormont House Agreement between the Irish Government and the British Government to provide up to £150M to fund inquests on legacy killings; and
