HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 558

Offered by Representative Kifowit:

WHEREAS, S. 1573 of the 116th Congress, introduced by Sen. Tammy Duckworth, and its companion bill H.R. 3932, introduced by Cong. Lauren Underwood, would eliminate co-pays for preventive procedures and medication for patients treated through the Veterans Administration (VA); and

WHEREAS, Private insurance companies waive co-pays for preventive care because they realize that the amount they would spend on preventive care is far less than what they would have to spend on the treatment for preventable diseases; and

WHEREAS, When the VA instituted co-pays, it told veterans that co-pays actually benefited them because it would mean that the VA would have more money to spend on their treatment; this was an insult to the intelligence of veterans because no outside healthcare provider would ever insult the intelligence of its patients by telling them that paying or paying more for their care would be good for them; and

WHEREAS, Veterans should not be the only Americans who are required to make co-pays for preventive care; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the passage of the legislation before the 116th U.S. Congress that would eliminate co-pays for preventive procedures and medication for those treated through the Veterans Administration; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the President of the United States, the U.S. Senate Majority Leader, the U.S. Senate Minority Leader, the U.S. Speaker of the House, the U.S. House of Representatives Minority Leader, and all members of the Illinois Congressional Delegation.

HOUSE RESOLUTION 559

Offered by Representative Kifowit:

WHEREAS, The health of our communities is the foundation for a caring and productive society, and our future rests with our ability to find cures for and adequately treat individuals who are afflicted with a variety of illnesses, including pulmonary hypertension; and

WHEREAS, Pulmonary hypertension is a rare disorder causing intolerable blood pressure levels in the arteries between the lungs and heart; and

WHEREAS, Pulmonary hypertension is chronic and incurable and has a poor survival rate; and

WHEREAS, Symptoms of pulmonary hypertension may include chest pain, dizziness, fainting, fatigue, swollen legs and ankles, and irregular heartbeat; and

WHEREAS, Early diagnosis can lead to early treatment and the possibility of an improved quality of life; and

WHEREAS, Education can help with early diagnosis, and funding for research can help find a cure; and

WHEREAS, The Pulmonary Hypertension Association is a nonprofit organization dedicated to improving the quality of life for those with pulmonary hypertension through education, awareness, research, member services, and patient and family support; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare November 2019 as "Pulmonary Hypertension Awareness Month" in the State of Illinois; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the Pulmonary Hypertension Association.

HOUSE RESOLUTION 568

Offered by Representative Greenwood:

WHEREAS, The members of the Illinois House of Representatives call upon the public universities in Illinois to study the usefulness and fairness of standardized tests in their admission processes; and

WHEREAS, The ultimate goal of analyzing the use of standardized testing in higher education is to move to a test-optional admittance process; and

WHEREAS, There are clear benefits to standardized testing merely being an optional step in the admission process, one of which is increased diversity; low income students typically score lower than their more affluent peers, putting them at a disadvantage in the admissions process; in 2016, the average ACT composite score for a high-income student was 23.6, while the average composite score for low income students was 19.5; and

WHEREAS, After the University of Chicago made the decision to go test-optional, the university reported record enrollments of first-generation, low-income, and rural students; and

WHEREAS, Public universities in Illinois making the choice to go test-optional would not be unique; currently, one in four institutions of higher education no longer require a standardized test score for admittance, and, in the last year alone, 41 schools have eliminated their standardized testing requirement; and

WHEREAS, A university moving to a test-optional admittance process is not at all synonymous with a university abandoning its prestige, as the standards for admittance would simply be shifted to the students' GPA, extracurricular activities, and references; a standardized test is not the only way to measure a student's potential; the choice to eliminate mandatory standardized testing from admittance processes can lead to a larger applicant pool for universities, thus creating a stronger student body; and

WHEREAS, The test-optional switch will be extremely beneficial to the low-income students of Illinois who have hopes of attending one of the State's exceptional public universities; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the public universities in Illinois to examine the use of standardized testing in their admissions processes; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to all the public universities in Illinois.

Having been reproduced, the following bill was taken up, read by title a second time and held on the order of Second Reading: SENATE BILL 391.

At the hour of 6:16 o'clock p.m., the House Perfunctory Session adjourned.
