AGREED RESOLUTIONS

The following resolutions were offered and placed on the Calendar on the order of Agreed Resolutions.

HOUSE RESOLUTION 269

Offered by Representative Bennett:
Mourns the passing of Phyllis Ann Jameson.

MESSAGES FROM THE SENATE

A message from the Senate by

Mr. Anderson, Secretary:

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has passed bills of the following titles, in the passage of which I am instructed to ask the concurrence of the House of Representatives, to-wit:

SENATE BILL NO. 2182

A bill for AN ACT concerning State government.

SENATE BILL NO. 2661

A bill for AN ACT concerning government.

SENATE BILL NO. 2665

A bill for AN ACT concerning government.

Passed by the Senate, May 5, 2021.

Tim Anderson, Secretary of the Senate

The foregoing SENATE BILLS 2182, 2661 and 2665 were ordered reproduced and placed on the appropriate order of business.

HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 266

Offered by Representative Greenwood:

WHEREAS, During the COVID-19 pandemic, the CDC has reported that the obesity rate of Americans has risen to above 40% for the first time, and the rate of childhood obesity has risen to above 20%, especially in the age group of 13 to 18 year olds; and

WHEREAS, This is especially important given that, despite the current pandemic, the leading cause of death in the United States remains cardiovascular disease, which is mostly caused by obesity and being overweight in correlation with the complications that arise from those symptoms; and

WHEREAS, Doctors have noted that one of the largest causes of obesity in Americans is a diet that is high in simple carbohydrates, including soft drinks; along with soft drinks being filled with harmful sugars, energy drinks have also been shown by the CDC to cause heart complications due to high levels of caffeine when consumed in excess; in 2011, the overconsumption of energy drinks resulted in the hospitalization of 1,499 students across the United States; and

WHEREAS, The CDC released a report in 2017 that detailed that between 2011 to 2014, almost two-thirds of children consume at least one sugar-sweetened beverage per day; among older children, aged 13 to 19, this number rose; this same report also provides evidence that links consumption of these drinks to obesity and recommends that children should choose to drink items without added sugars; and

WHEREAS, A majority of students have easy access to both soft drinks and energy drinks through their schools' lunch rooms and vending machines; and

WHEREAS, Children developing nutritional habits should not have free access to harmful liquids, especially when it is available every day; it has been shown that many patterns in diets among children tend to reflect their eating patterns throughout the majority of their lives, meaning that it is important to develop good nutritional habits in their formative years; and

WHEREAS, The welfare of children is an enormous responsibility, and the State of Illinois must work towards ensuring the lives and health of its children are protected; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the General Assembly to examine the impact of sugary beverages on children and the availability of sugary drinks in our State's public schools; and be it further

RESOLVED, That we urge everyone to make healthy choices in their respective diets; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to Kate Wexell.

HOUSE RESOLUTION 267

Offered by Representative Cassidy:

WHEREAS, As many as 32 million Americans have food allergies, which includes nearly six million children under the age of 18; and

WHEREAS, Research shows that the prevalence of food allergy is increasing among children and adults; and

WHEREAS, Nine foods cause the majority of all food allergy reactions in the U.S., including shellfish, fish, milk, eggs, tree nuts, peanuts, soy, wheat, and sesame; symptoms of a food allergy reaction can range from mild to severe, including anaphylaxis, which has a rapid onset and may cause death; and

WHEREAS, Food allergy results in more than 200,000 U.S. emergency room visits each year; reactions typically occur when an individual unknowingly eats a food containing an ingredient to which they are allergic; and

WHEREAS, The number of food allergy reactions requiring emergency treatment is up sharply over the past decade with a 377 percent rise in insurance claim lines with diagnoses of anaphylactic food reactions between 2007 and 2016; and

WHEREAS, FARE (Food Allergy Research & Education) is a national, nonprofit organization dedicated to improving the quality of life and the health of individuals with food allergies and to providing them hope through the promise of new treatments; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare the week of May 9 through 15, 2021 as Food Allergy Awareness Week in the State of Illinois; and be it further

RESOLVED, That we encourage the residents of Illinois to increase their understanding and awareness of food allergies and anaphylaxis.

HOUSE RESOLUTION 268

Offered by Representative Brady:

WHEREAS, There are thousands of Pet Partners therapy animal teams serving in communities across the United States; and

WHEREAS, Pet Partners has designated April 30 as National Therapy Animal Day; and

WHEREAS, Pet Partners therapy animal teams in Illinois play an essential role in improving human health and well-being through the human-animal bond; and

WHEREAS, Pet Partners therapy animal teams make millions of visits per year in settings such as hospitals, nursing homes, schools and hospice; and

WHEREAS, Pet Partners therapy animal teams interact with a variety of people in Illinois, including veterans, seniors, patients, students facing literacy challenges, and those approaching the end of life; and

WHEREAS, These exceptional therapy animals who partner with their human companions bring comfort and healing to those in need; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare April 30, 2021 to be Therapy Animal Day in the State of Illinois; and be it further

RESOLVED, That members of the Illinois House publicly salute the service of therapy animal teams in Illinois and across the nation, and we encourage all Illinoisans to celebrate therapy animals and their human handlers.

HOUSE JOINT RESOLUTION 43

Offered by Representative Ammons:

WHEREAS, The University of Illinois System is an economic engine that drives progress for Illinois and the nation, having a \$17.5 billion impact on the economy, awarding more than 23,000 degrees annually to support the workforce of tomorrow, and fostering economy-building innovation through a nearly \$1 billion research portfolio; and

WHEREAS, The University of Illinois System seeks to influence policy decisions to benefit the entire State; and

WHEREAS, Studies have shown that each dollar invested into the University of Illinois System flows back into the State's economy at a rate of one to four; and

WHEREAS, Through a close working partnership with the General Assembly, both the University of Illinois System and the State of Illinois can capitalize on this investment for the good of all our constituents; and

WHEREAS, There is a significant need to introduce and evaluate legislation and policies that will affect the University of Illinois System and all of higher education; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we express our support for the establishment of a joint legislative caucus to be formally known as the University of Illinois Legislative Caucus; and be it further

RESOLVED, That the University of Illinois Legislative Caucus will act as a forum for legislators and affiliate members to learn about important issues regarding higher education and to evaluate legislative issues that come before respective legislative chambers; and be it further

RESOLVED, That the members and the affiliate members of the University of Illinois Legislative Caucus will send a strong message about the importance of higher education and the issues that affect it and will work towards finding solutions to unmet needs; and be it further

RESOLVED, That we request recognition within the Illinois General Assembly as the caucus for issues that affect and relate to the University of Illinois System.

RESOLUTIONS

Having been reported out of the Committee on Transportation: Regulation, Roads & Bridges on April 27, 2021, HOUSE JOINT RESOLUTION 2 was taken up for consideration.

Representative Yednock moved the adoption of the resolution.
