WHEREAS, All young adults who graduate from a public secondary or postsecondary school in this State should be able to: (1) demonstrate competence in managing their finances, (2) identify and avoid fraud, predatory financial practices, and identity theft, (3) navigate the terminology associated with on-boarding documents, including, but not limited to, tax documents, life insurance policies, health insurance plans, and retirement plan options, (4) understand the lending process and the importance of strong credit, (5) understand the basics of investing in the stock market, and (6) display an awareness of the cost and benefits of credit and compounding interest; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Bank on Commission, housed in the Illinois Comptroller's Office, to develop recommendations for improving the financial capability of students enrolled in Illinois' public colleges and universities; and be it further

RESOLVED, That the Bank on Commission leadership is urged to select at least one member of the commission to lead a task force charged with identifying recommendations to improve the financial literacy outcomes of students enrolled in two and four year public colleges and universities in Illinois; and be it further

RESOLVED, That the task force should be composed of young adults, financial institutions, community-based organizations, practitioners, teachers, and professors who are encouraged to serve in an advisory capacity to the commission and may or may not be part of the larger Bank on Commission; and be it further

RESOLVED, That relevant state agencies, including the Illinois Board of Higher Education, the Illinois Student Assistance Commission, the Illinois State Board of Education, and the State Treasurer's Office, should fully cooperate in submitting needed information for the aforementioned task force to develop thorough, well-informed recommendations; and be it further

#### HOUSE RESOLUTION 272

Offered by Representative Demmer:

WHEREAS, The State of Illinois is currently experiencing a fiscal crisis due to the COVID-19 pandemic and is considering a multitude of options to solve its economic concerns; and

WHEREAS, Increased excise taxes on Illinois brewers, winemakers, and distillers, many of which are small businesses, are being contemplated by some in the State's leadership in order to generate additional revenue to balance the State's budget; and

WHEREAS, Illinois' alcohol excise taxes already rank among the highest in the United States at \$8.55 per gallon liquor tax (3rd highest), \$1.39 per gallon wine tax (9th highest), and \$0.23 per gallon beer tax (22nd highest); and

WHEREAS, Additional excise taxes on alcohol in Cook County and the City of Chicago, Illinois' most populous region, greatly increase the cost of beer, wine, and liquor for Illinois adult consumers; this includes a \$2.68 per gallon tax on liquor imposed by the City of Chicago and a \$2.50 per gallon liquor tax imposed by Cook County, a \$0.36 to \$0.89 per gallon tax on wine imposed by the City of Chicago and a \$0.20 to \$0.45 per gallon wine tax imposed by Cook County, and a \$0.29 per gallon beer tax imposed by the City of Chicago and a \$0.06 per gallon beer tax imposed by Cook County; and

WHEREAS, Illinois' excise beer taxes are already the highest at \$0.23 per gallon, compared to all of its neighboring states, including Wisconsin at \$0.06 per gallon, Iowa at \$0.19 per gallon, Missouri at \$0.06 per gallon, Indiana at \$0.11 per gallon, and Kentucky at \$0.08 per gallon; and

WHEREAS, Illinois brewers, winemakers, and distillers, as well as importers, also pay federal excise taxes on the products they produce; and

WHEREAS, Illinois' beer industry, made up of brewers, beer importers, beer distributors, brewer suppliers, and retailers, contributes more than \$10.1 billion annually to Illinois' economy and is linked to 86,400 local jobs; and

WHEREAS, Illinois' wine industry directly creates 36,403 jobs and generates \$1.22 billion in wages and \$2.98 billion in economic activity in the State; and

WHEREAS, When the state of Maryland increased their alcohol excise taxes from 6% to 9% in 2012, it resulted in Maryland residents traveling to Virginia, Delaware, and Washington, D.C. for cheaper alternatives, crippling Maryland business in bordering counties; and

WHEREAS, Illinois' costly alcohol taxes continue to provoke border-town residents to find cheaper prices in neighboring states and to create black markets for overtaxed goods, diminishing state revenues, which by one estimate costs Illinois up to \$30 million annually due to cross-border alcohol sales; and

WHEREAS, Additional taxes on alcohol in Illinois would cripple the ability of business owners, both large and small, to successfully recover from the devastating financial impact wrought by a global pandemic; and

WHEREAS, More taxes on beer, wine, and liquor would continue to ravage the already shattered hospitality industry in Illinois, driving opportunity, revenue, and jobs to neighboring states and hurting Illinois' already fragile economy; and

WHEREAS, Imposing additional taxes on brewers, winemakers, and distillers during a global pandemic is counterintuitive and goes against the pro-jobs policies that should be under careful consideration as Illinois seeks to regain sound financial footing; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we state our firm opposition to any additional excise taxes on Illinois businesses that produce beer, wine, or liquor or their related industries; and be it further

RESOLVED, That we state our belief that Illinois' present fiscal crisis must be managed in other ways rather than increased taxes that unfairly target a single industry in the State.

#### HOUSE RESOLUTION 275

Offered by Representative Flowers:

WHEREAS, On June 17, 1971, President Richard Nixon declared drug abuse as "public enemy number one in the United States" and launched a failed, costly, and inhumane "all out offensive" War on Drugs; this War would prove to be the United States' longest and costliest war and ultimately a complete and shameful failure; and

WHEREAS, In January of 1972, President Nixon created the Office of Drug Abuse Law Enforcement (ODALE) to wage a government war on otherwise peaceful and innocent Americans who voluntarily chose to ingest plants, weed, and intoxicants forbidden by the government; in July of 1973, ODALE was consolidated, along with several other federal drug agencies, into the newly established Drug Enforcement Administration (DEA) as a new "super agency" to handle all aspects of the War on Drugs; and

WHEREAS, In 1994, President Nixon's counsel and assistant for domestic affairs John Ehrlichman revealed the real enemies of the Nixon administration were not drug abusers but were the anti-war left and Blacks Americans; he noted that the War on Drugs was actually designed as an evil, deceptive, and sinister policy to wage a war on those two groups; and

WHEREAS, John Ehrlichman claimed "we knew we couldn't make it illegal to be either against the war or blacks, but by getting the public to associate the hippies with marijuana and blacks with heroin, and then criminalizing both heavily, we could disrupt those communities. We could arrest their leaders, raid their homes, break up their meetings, and vilify them night after night on the evening news. Did we know we were lying about the drugs? Of course we did"; and

WHEREAS, The growing cost of the War on Drugs is now impossible to ignore; there have been billions of dollars wasted, bloodshed in Latin America and on the streets of our own cities, and millions of lives destroyed; and

WHEREAS, Between 1925 and the early 1970s, the male incarceration rate was remarkably stable at about 200 men per 100,000 population, or 1 U.S. male per 500, according to data from the Bureau of Justice Statistics; by 1986, about a decade-and-a-half after the War on Drugs started locking up drug users and dealers, the male incarceration rate doubled to 400 per 100,000 population; and

WHEREAS, Within another decade, the male incarceration rate doubled again to more than 800 by 1996 before reaching a historic peak of 956 in 2008 (about one in 100); this was almost five times higher than the stable rate before the War on Drugs; and

WHEREAS, The arrest and incarceration data demonstrates that the War on Drugs had a significantly much greater negative effect on Black and Hispanics Americans when compared to White Americans; intensified enforcement of drug laws disproportionately subjected Blacks and Hispanic Americans to new mandatory minimum sentences despite lower levels of drug use and no higher demonstrated levels of trafficking when compared to White Americans; this makes the War on Drugs even more shameful for its devastating and disproportionately adverse effects on America's most disadvantaged populations; and

WHEREAS, While there could have been other factors that contributed to the increased male incarceration rate between the early 1970s and the peak in 2008, research clearly shows that the War on Drugs, along with mandatory minimum sentencing in the 1980s, were all significant contributing factors to the unprecedented rate of incarcerated Americans; and

WHEREAS, Since the 2008 peak, the male incarceration rate has been gradually declining in each of the last seven years of available data through 2016; this is possibly because of the decriminalization of marijuana at the city and state level, the legalization of recreational marijuana at the city and state levels, and the legalization of medical marijuana at the state level; and

WHEREAS, The War on Drugs has proven to be a costly, failed disaster that shamefully affected some of America's most vulnerable populations; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we recognize the shameful and discriminatory history of the War on Drugs in the United States.
