Y Niemerg(R)	Y Robinson(D)
Y Weber(R)	

HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 704

Offered by Representative Conroy:

WHEREAS, March is recognized as National Kidney Month, an important opportunity to raise public awareness and understanding of rare kidney diseases, such as Apolipoprotein L1 (APOL1) mediated kidney disease; and

WHEREAS, APOL1 genetic variants account for much of the excess risk of chronic and end stage kidney disease for persons of African ancestry, including people who identify as African American, Afro Caribbean, and Latinx; and

WHEREAS, APOL1 explains the disproportionate rate of kidney disease in people of African ancestry; African Americans make up 13% of the U.S. population but account for 32% of all kidney failure and 35% of all end stage kidney disease; in addition, African Americans are four times more likely to develop kidney failure than white Americans; and

WHEREAS, APOL1 mediated kidney disease is driven by genetic factors and is underdiagnosed; and

WHEREAS, APOL1 symptoms do not present until kidney damage is advanced; symptoms include fatigue, swelling in the legs and feet, and weight gain, among others; and

WHEREAS, Increasing public awareness and understanding of the genetic causes of rare kidney disease could lead to early diagnosis and care for some of the most vulnerable populations and empower and educate those at risk on how they can manage it; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare the month of March 2022 as Rare Kidney Disease Awareness Month in the State of Illinois.

HOUSE RESOLUTION 705

Offered by Representative Conroy:

WHEREAS, Many peoples with serious, chronic mental illness, such as schizophrenia and other schizoaffective disorders, bipolar disorder, or severe depression, require treatment with medications that work as dopamine receptor blocking agents (DRBAs), including antipsychotics; and

WHEREAS, While ongoing treatment with these medications can be very helpful and even lifesaving, for many people, it can also lead to Tardive Dyskinesia (TD); and

WHEREAS, Many people who have gastrointestinal disorders, including gastroparesis, nausea, and vomiting, also require treatment with DRBAs; and

WHEREAS, Treatment of gastrointestinal disorders with DRBAs can be very helpful, but for many patients, it can lead to Tardive Dyskinesia; and

WHEREAS, Tardive Dyskinesia is a movement disorder that is characterized by random, involuntary, and uncontrolled movements of different muscles in the face, trunk, and extremities; in some cases, people may experience movement of the arms, legs, fingers, and toes; it may affect the tongue, lips, and jaw; symptoms may include swaying movements of the trunk or hips and may impact the muscles associated with walking, speech, eating, and breathing; and

WHEREAS, Tardive Dyskinesia can develop months, years, or decades after a person starts taking DRBAs and even after they have discontinued use of those medications; not everyone who takes a DRBA develops TD, but if it develops, it is often permanent; and

WHEREAS, Common risk factors for Tardive Dyskinesia include advanced age and alcoholism or other substance abuse disorders; postmenopausal women and people with a mood disorder are also at higher risk of developing Tardive Dyskinesia; and

WHEREAS, A person is at higher risk for TD after taking DRBAs for three months or longer, but the longer the person is on these medications then the higher the risk of developing Tardive Dyskinesia; and

WHEREAS, Studies suggest that overall risk of developing Tardive Dyskinesia is between 10 and 30 percent; and

WHEREAS, It is estimated that over 600,000 Americans suffer from Tardive Dyskinesia; according to the National Alliance for Mental Illness, one in every four patients receiving long-term treatment with an antipsychotic medication will experience Tardive Dyskinesia; and

WHEREAS, Years of difficult and challenging research have resulted in recent scientific breakthroughs, with two new treatments for Tardive Dyskinesia approved by the United States Food and Drug Administration; and

WHEREAS, Tardive Dyskinesia is often unrecognized, and patients suffering from the illness are commonly misdiagnosed; regular screening for TD in patients taking DRBA medications is recommended by the American Psychiatric Association (APA); and

WHEREAS, Patients suffering from Tardive Dyskinesia often suffer embarrassment due to abnormal and involuntary movements, which leads them to withdraw from society and increasingly isolate themselves as the disease progresses; and

WHEREAS, Caregivers of patients with Tardive Dyskinesia face many challenges and are often responsible for the overall care of the TD patient; and

WHEREAS, The Legislature can raise awareness of Tardive Dyskinesia in the public and in the medical community; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare the week of May 1, 2022 as "Tardive Dyskinesia Awareness Week" in the State of Illinois; and be it further

RESOLVED, That we encourage the citizens of Illinois to become better informed about Tardive Dyskinesia.

HOUSE RESOLUTION 706

Offered by Representative Stuart:

WHEREAS, Multiple sclerosis (MS) can impact individuals of all ages, races, and ethnicities but is at least two to three times more common in women than in men; and

WHEREAS, There are approximately 2,300,000 individuals worldwide who have been diagnosed with MS; and

WHEREAS, In a study presented in October 2017 by the European Committee for Treatment and Research in Multiple Sclerosis, preliminary results from leading experts estimate that nearly one million people are living with MS in the United States alone, which is more than twice the previously reported number of 400,000; and

WHEREAS, The Greater Illinois Chapter of the National Multiple Sclerosis Society shows 18,365 persons living with MS, and, as not all people register with the Society, the true number of persons living with MS in this area is higher; and

WHEREAS, In Illinois, the Department of Public Health collaborates with community partners to improve the health of people at risk for, or affected by, MS; and

WHEREAS, MS is typically diagnosed in individuals between the ages of 20 and 50, but it is estimated that between 8,000 and 10,000 children and adolescents are living with MS in the United States; and

WHEREAS, MS is an unpredictable and often disabling disease of the central nervous system that disrupts the flow of information within the brain and between the brain and the body; and

WHEREAS, Symptoms of MS range from numbness and tingling to vision problems and paralysis; the progress, severity, and specific symptoms of MS in any one person cannot yet be predicted; and

WHEREAS, While there is no evidence that MS is directly inherited, studies show that there are genetic and environmental factors that give certain individuals a higher risk of developing MS; and

WHEREAS, The exact cause of MS is still unknown, and there is no cure for MS; and

WHEREAS, The Multiple Sclerosis Coalition is a national network of independent MS organizations dedicated to the enhancement of the quality of life of individuals affected by MS; and

WHEREAS, The mission of the Multiple Sclerosis Coalition is to increase opportunities for cooperation and to provide a greater opportunity to leverage the effective use of resources for the benefit of the MS community; and

WHEREAS, The National Multiple Sclerosis Society has been a driving force of MS research since 1946, relentlessly pursuing prevention, treatments, and a cure; the society has invested more than \$1 billion in groundbreaking research; and

WHEREAS, Funds raised through the National Multiple Sclerosis Society fuel research on pathways to MS cures and invest in the MS research workforce at the best medical centers, universities, and other institutions throughout the U.S. and abroad, leading to many breakthroughs in the treatment of MS; and

WHEREAS, In 2012, the National Multiple Sclerosis Society was a founding member of the International Progressive MS Alliance, which coordinates research to accelerate the development of treatments for progressive MS by removing international scientific and technological barriers and, as of 2018, includes 17 MS organizations from 17 countries, nine foundation and trust members, and seven pharmaceutical partners; and

WHEREAS, The Multiple Sclerosis Coalition recognizes and supports Multiple Sclerosis Awareness Week and Day every year; and

WHEREAS, The goals of Multiple Sclerosis Awareness Week and Day are to invite people to join the movement to end MS, to encourage everyone to do something to demonstrate a commitment to moving toward a world free of MS, and to acknowledge those who have dedicated time and talent to help promote MS research and programs; and

WHEREAS, Building awareness is a year-round effort, and MS Awareness Week and Day serve as a platform for everyone affected by MS across the country to share strategies and experiences to live their best lives in the belief that together we are stronger; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare the week of March 13 through March 19, 2022 as Illinois Multiple Sclerosis Awareness Week, and we declare May 30, 2022 as Illinois Multiple Sclerosis Awareness Day; and be it further

RESOLVED, That we support the goals and ideals of Multiple Sclerosis Awareness Week and Day and encourage municipalities to support the goals and ideals of Multiple Sclerosis Awareness Week and Day by issuing proclamations designating Multiple Sclerosis Awareness Week and Day; and be it further

RESOLVED, That we encourage media organizations to participate in Multiple Sclerosis Awareness Week and Day to help provide education to the public about multiple sclerosis; and be it further

RESOLVED, That we encourage residents to help ensure that more people understand what life with MS can be like by sharing the stories of those living with MS on social media and by using the hashtags #ThisIsMS and #MSConnections; and be it further

RESOLVED, That we commend the efforts of municipalities to support the goals and ideals of Multiple Sclerosis Awareness Week and Day and recognize and reaffirm the commitment of the State of Illinois to ending MS by promoting awareness about individuals that are affected by MS and supporting MS research and education programs; and be it further

RESOLVED, That we recognize all individuals living with MS and express gratitude to the family members and friends of individuals living with multiple sclerosis who are a source of love and encouragement for those individuals, and we salute the healthcare professionals and medical researchers who provide assistance to individuals affected by MS; these professionals continue to work to find ways to stop multiple sclerosis, to restore what has been lost due to MS, and to end MS forever.

HOUSE RESOLUTION 707

Offered by Representative Harper:

WHEREAS, Illinois is dedicated to cannabis equity in the regulation of industrial hemp, especially for those who have been negatively impacted by the criminalization of cannabis; and

WHEREAS, Illinois seeks to ensure the inclusion of two groups of citizens in those eligible to obtain industrial hemp licenses, those citizens with felony records related to cannabis and those from areas in the State that have been disproportionately impacted by the criminalization of cannabis; and

WHEREAS, In 2020, the ACLU reported that Illinois had the third highest rate of bias in cannabis arrests in the United States; and

WHEREAS, In 2017, researchers estimated that 8% of the U.S. population has felony convictions, and 33% of the African American male population has a felony conviction; and

WHEREAS, A study conducted by the Center for the Study of Economic Liberty at Arizona State University examined the relationship between occupational licensing laws and new crime recidivism; states with the highest occupational burdens, including prohibitions on ex-prisoners receiving licenses, saw an increase in three-year new crime recidivism of 9.4% between 1997 and 2007; this is in comparison to a 2.6% average increase in survey states and a 4.2% decrease in states with the lowest occupational licensing burden; and

WHEREAS, A Blue Ribbon Commission report on marijuana regulations for California summarized that: "If a strategy of legislation is to bring current participants in the illicit market who are willing to comply with regulations into the legal market, then categorical exclusions of people who have in the past or are currently in the illicit market would be counterproductive, leaving many to continue working in the illicit market."; and

WHEREAS, Industrial hemp comes from the cannabis sativa plant; hemp and cannabis both derive from the cannabis sativa species and contain tetrahydrocannabinol (THC); hemp is used in clothing, paper, animal feed, and textiles; and

WHEREAS, In 2015, the Industrial Hemp Pilot Program became effective in Illinois, which allowed researchers and institutions of higher education to grow hemp for educational purposes; and

WHEREAS, The 2018 federal Farm Bill allows farmers and others to plant and process hemp nationally and allowed for the interstate transportation of hemp products; and

WHEREAS, The 2018 Farm Bill prohibits a person convicted of a "felony relating to a controlled substance under State or federal law" from producing hemp for a 10-year period following the date of the conviction; and

WHEREAS, The prohibition stated in the Illinois Hemp Plan, approved by the USDA, only applies to a person "who has executive managerial control" of the entity; and

WHEREAS, If the Illinois Department of Agriculture wants to maintain primary regulatory control over its hemp program, the Illinois Department of Agriculture must follow the federal requirements of the 2018 Farm Bill; and

WHEREAS, The exclusion of persons with felony charges related to a controlled substance is contrary to Illinois' goal to include those principally affected by the criminalization of cannabis; and

WHEREAS, A Farm Bill is due for consideration by the U.S. Congress in 2022; Congress can make changes to laws governing the cultivation and processing of hemp authorized by the 2018 Farm Bill in order to allow Illinois to continue to promote the inclusion of those with past felonies for participation in its Industrial Hemp Program; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we affirm the State's dedication to cannabis equity and respectfully ask members of the U.S. Congress to allow persons with felonies related to controlled substances to obtain industrial hemp licenses; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to all members of the Illinois Congressional Delegation, the United States Department of Agriculture, and the Attorney General of the United States.

HOUSE JOINT RESOLUTION 72

Offered by Representative Ramirez:

WHEREAS, Russia has launched an unprecedented military assault on Ukraine by land, air, and sea that has already left many dead, and the fighting appears to be some of the worst conventional warfare Europe has seen since World War II and the conflicts in the Balkans in the 1990s; and

WHEREAS, Officials in the country believe Russia's plan is to overthrow the Ukrainian leadership and install a pro-Russian government; and

WHEREAS, Western leaders were united in their swift and strong condemnation of Russia's military action; and

WHEREAS, President Joe Biden stated that Russian President Vladimir Putin had "committed an assault on the very principles that uphold the global peace" and has imposed harsh new sanctions on Russia meant to punish the country; and

WHEREAS, The United Nations has estimated that approximately 100,000 Ukrainians have already been displaced as a result of the Russian invasion, and that number could ultimately grow to one to five million; and

WHEREAS, The international community is making preparations to meet the humanitarian needs of those who are displaced; and

WHEREAS, Central Europe is welcoming Ukrainians, but those countries are not currently equipped to handle the volume of refugees that are likely to arrive on their borders in the coming weeks, and European and U.S. leadership need to help build that capacity; and

WHEREAS, Illinois is a welcoming state to refugees and immigrants and home to a strong concentration of Ukrainian immigrants and Ukrainian descendants in Chicago's Ukrainian Village neighborhood; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we join our federal leadership and the international community in condemning Vladimir Putin and the unprovoked Russian invasion of Ukraine, we stand in support of the Ukrainian community and applaud President Biden's strong sanctions on Russia, and we call on the people and leadership of our State to dedicate and coordinate resources to support the Ukrainian refugees who have been and will be displaced due to this conflict.

AGREED RESOLUTIONS

The following resolutions were offered and placed on the Calendar on the order of Agreed Resolutions.
