Congratulates those who helped build the program into a championship team. Wishes the team the very best of luck in continuing to build a successful program well into the future.

HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 251

Offered by Representative Faver Dias:

WHEREAS, Asthma is a chronic lung disease that impacts 25.2 million people in the United States, including 4.2 million children; and

WHEREAS, An estimated 188,519 children and 832,244 adults in the State of Illinois suffer from asthma; and

WHEREAS, Asthma is a leading cause of childhood hospitalizations in Illinois; and

WHEREAS, Asthma symptoms are severely worsened by environmental triggers, such as secondhand smoke, allergens, and outdoor air pollution caused by industrial sources and motor vehicle emissions; and

WHEREAS, In Illinois, data regarding asthma reveals significant disparities; the asthma mortality rate is 5.5 times higher for Black Illinoisans than white Illinoisans; substantially higher asthma rates are reported in Grundy, Edwards, Hamilton, Logan, and Wabash Counties than the state rate; substantially higher asthma-related hospitalizations are reported in several counties, including Cook, Hardin, Kankakee, Peoria, Pope, Sangamon, Will, and Vermilion; and

WHEREAS, Guidelines-based care for asthma sufferers improves health outcomes, including the quality and affordable healthcare coverage that provides access to and appropriate use of medications and treatments, the reimbursement for community health workers, asthma educators, and others in Illinois who can provide key environmental assessments and education, the expansion of in-home environmental education and interventions, the promotion of tobacco-free environments and coverage for smoking cessation products and counseling, the expanded access to undesignated Albuterol for schools through education of stakeholder groups, such as students, parents, school staff, pediatric clinicians, and pharmacists, and the annual state funding that provides adequate coverage to implement Single Maintenance and Reliever Therapy (SMART), the utilization of guidelines-based medications and other treatments for individuals that provide medical assistance program coverage for valved holding chambers and self-management education, and the universal alignment of Medicaid coverage across plans within the State; and

WHEREAS, The month of May has been designated as Asthma Awareness Month and the date of May 2, 2023 has been declared World Asthma Day; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED THIRD GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare May 2023 as Asthma Awareness Month in the State of Illinois; and be it further

RESOLVED, That we support the 2021-2026 Illinois Asthma State Plan, which strives to improve and expand asthma care, education, and self-management strategies in Illinois; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the American Lung Association in Illinois and the Respiratory Health Association.

HOUSE RESOLUTION 252

Offered by Representative Moylan:

WHEREAS, Passenger rail service is increasingly being recognized as a critical asset for small and medium-sized communities, providing reasonably priced, safe, and accessible transportation to complement the highway network; and

WHEREAS, Fast and frequent passenger trains will help our region to remain globally competitive by lowering travel costs, bypassing highway congestion, and improving access to jobs and education; and

WHEREAS, The State has an excellent mix of universities and colleges that have long been supported by trains to Chicago and will become more attractive with improved service; and

WHEREAS, Improved access to O'Hare International Airport will make the airport more attractive for airlines to offer international flights, which will give communities throughout Illinois better access to global markets; and

WHEREAS, Illinois has a long history of investing in passenger trains, including Amtrak, Metra, and the South Shore Line; and

WHEREAS, Amtrak and Metra are jointly developing a group of projects to improve rail infrastructure in Chicago, including a direct link between O'Hare International Airport, Chicago Union Station, and McCormick Place; and

WHEREAS, Metra has committed to converting to Regional Rail, where trains operate on "memory schedules", defined as arrivals and departures at the same time each hour they appear on the schedule, to provide quality service to people traveling for many purposes and between many destinations throughout the day; and

WHEREAS, Downstate communities will also benefit from Regional Rail, as use of frequent trains on memory schedules provides the opportunity to serve many types of passenger trips; and

WHEREAS, Regional Rail is the foundation for a future high-speed line operating at 220 mph; and

WHEREAS, The State Rail Plan, the Statewide Public Transportation Plan, and Metra's strategic plan call for a robust web of trains and buses that could create new connectivity throughout the entire State, but projects are currently considered in isolation, with a focus on trips to Chicago; many travel markets and constituencies that would use a well-connected system are missing from the analysis; and

WHEREAS, A unified approach would expedite planning and construction, reduce capital expenses, and create statewide benefits more quickly; and

WHEREAS, Federal funds are now available to expand and upgrade the State's rail network; however, to make the most of these opportunities, the State must act; and

WHEREAS, The Illinois High Speed Rail Commission is developing a vision for an integrated rail plan that would combine high-speed rail and regional rail to link the entire State; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED THIRD GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Illinois Department of Transportation and the High Speed Railroad Commission to move expeditiously in preparing a Statewide Integrated Network Plan, including the identification of desired service points and key transfer stations, the construction of a theoretical rail and bus schedule with timed transfers, the creation of a ridership and revenue model for the desired network, the estimation of needed infrastructure investments, and the development of a phased implementation plan; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to the Secretary of the Illinois Department of Transportation.
