### HOUSE BILL ON SECOND READING

HOUSE BILL 918. Having been reproduced, was taken up and read by title a second time.

The following amendment was offered in the Committee on Environment & Energy, adopted and reproduced:

AMENDMENT NO. 1. Amend House Bill 918 by replacing everything after the enacting clause with the following:

"Section 5. The Environmental Protection Act is amended by changing Section 39.2 as follows:

(415 ILCS 5/39.2) (from Ch. 111 1/2, par. 1039.2)

Sec. 39.2. Local siting review.

(a) The county board of the county or the governing body of the municipality, as determined by paragraph (c) of Section 39 of this Act, shall approve or disapprove the request for local siting approval for each pollution control facility which is subject to such review. An applicant for local siting approval shall submit sufficient details describing the proposed facility to demonstrate compliance, and local siting approval shall be granted only if the proposed facility meets the following criteria:

(i) the facility is necessary to accommodate the waste needs of the area it is intended to serve;

(ii) the facility is so designed, located and proposed to be operated that the public health, safety and welfare will be protected;

(iii) the facility is located so as to minimize incompatibility with the character of the surrounding area and to minimize the effect on the value of the surrounding property;

(iv) (A) for a facility other than a sanitary landfill or waste disposal site, the facility is located outside the boundary of the 100 year flood plain or the site is flood-proofed; (B) for a facility that is a sanitary landfill or waste disposal site, the facility is located outside the boundary of the 100-year floodplain, or if the facility is a facility described in subsection (b)(3) of Section 22.19a, the site is flood-proofed;

(v) the plan of operations for the facility is designed to minimize the danger to the surrounding area from fire, spills, or other operational accidents;

(vi) the traffic patterns to or from the facility are so designed as to minimize the impact on existing traffic flows;

(vii) if the facility will be treating, storing or disposing of hazardous waste, an emergency response plan exists for the facility which includes notification, containment and evacuation procedures to be used in case of an accidental release;

(viii) if the facility is to be located in a county where the county board has adopted a solid waste management plan consistent with the planning requirements of the Local Solid Waste Disposal Act or the Solid Waste Planning and Recycling Act, the facility is consistent with that plan; for purposes of this criterion (viii), the "solid waste management plan" means the plan that is in effect as of the date the application for siting approval is filed; and

(ix) if the facility will be located within a regulated recharge area, any applicable

requirements specified by the Board for such areas have been met.

The county board or the governing body of the municipality may also consider as evidence the previous operating experience and past record of convictions or admissions of violations of the applicant (and any subsidiary or parent corporation) in the field of solid waste management when considering criteria (ii) and (v) under this Section.

(b) No later than 14 days before the date on which the county board or governing body of the municipality receives a request for site approval, the applicant shall cause written notice of such request to be served either in person or by registered mail, return receipt requested, on the owners of all property within the subject area not solely owned by the applicant, and on the owners of all property within 250 feet in each direction of the lot line of the subject property, said owners being such persons or entities which appear from the authentic tax records of the County in which such facility is to be located; provided, that the number of all feet occupied by all public roads, streets, alleys and other public ways shall be excluded in computing the 250 feet requirement; provided further, that in no event shall this requirement exceed 400 feet, including public streets, alleys and other public ways.

Such written notice shall also be served upon members of the General Assembly from the legislative district in which the proposed facility is located and shall be published in a newspaper of general circulation published in the county in which the site is located.

Such notice shall state the name and address of the applicant, the location of the proposed site, the nature and size of the development, the nature of the activity proposed, the probable life of the proposed activity, the date when the request for site approval will be submitted, and a description of the right of persons to comment on such request as hereafter provided.

(c) An applicant shall file a copy of its request with the county board of the county or the governing body of the municipality in which the proposed site is located. The request shall include (i) the substance of the applicant's proposal and (ii) all documents, if any, submitted as of that date to the Agency pertaining to the proposed facility, except trade secrets as determined under Section 7.1 of this Act. All such documents or other materials on file with the county board or governing body of the municipality shall be made available for public inspection at the office of the county board or the governing body of the municipality and may be copied upon payment of the actual cost of reproduction.

Any person may file written comment with the county board or governing body of the municipality concerning the appropriateness of the proposed site for its intended purpose. The county board or governing body of the municipality shall consider any comment received or postmarked not later than 30 days after the date of the last public hearing.

(d) At least one public hearing is to be held by the county board or governing body of the municipality no sooner than 90 days but no later than 120 days after the date on which it received the request for site approval. No later than 14 days prior to such hearing, notice shall be published in a newspaper of general circulation published in the county of the proposed site, and delivered by certified mail to all members of the General Assembly from the district in which the proposed site is located, to the governing authority of every municipality contiguous to the proposed site or contiguous to the municipality in which the proposed site is to be located, to the county board of the county where the proposed site is to be located, if the proposed site is located within the boundaries of a municipality, and to the Agency. Members or representatives of the governing authority of a municipality contiguous to the proposed site or contiguous to the municipality in which the proposed site is to be located and, if the proposed site is located in a municipality, members or representatives of the county board of a county in which the proposed site is to be located may appear at and participate in public hearings held pursuant to this Section. The public hearing shall develop a record sufficient to form the basis of appeal of the decision in accordance with Section 40.1 of this Act. The fact that a member of the county board or governing body of the municipality has publicly expressed an opinion on an issue related to a site review proceeding shall not preclude the member from taking part in the proceeding and voting on the issue.

(e) Decisions of the county board or governing body of the municipality are to be in writing, specifying the reasons for the decision, such reasons to be in conformance with subsection (a) of this Section. In granting approval for a site the county board or governing body of the municipality may impose such conditions as may be reasonable and necessary to accomplish the purposes of this Section and as are not inconsistent with regulations promulgated by the Board. Such decision shall be available for public inspection at the office of the county board or governing body of the municipality and may be copied upon payment of the actual cost of reproduction. If there is no final action by the county board or governing body of the municipality within 180 days after the date on which it received the request for site approval, the applicant may deem the request approved.

At any time prior to completion by the applicant of the presentation of the applicant's factual evidence and an opportunity for cross-questioning by the county board or governing body of the municipality and any participants, the applicant may file not more than one amended application upon payment of additional fees pursuant to subsection (k); in which case the time limitation for final action set forth in this subsection (e) shall be extended for an additional period of 90 days.

If, prior to making a final local siting decision, a county board or governing body of a municipality has negotiated and entered into a host agreement with the local siting applicant, the terms and conditions of the host agreement, whether written or oral, shall be disclosed and made a part of the hearing record for that local siting proceeding. In the case of an oral agreement, the disclosure shall be made in the form of a written summary jointly prepared and submitted by the county board or governing body of the municipality and the siting applicant and shall describe the terms and conditions of the oral agreement.

(e-5) Siting approval obtained pursuant to this Section is transferable and may be transferred to a subsequent owner or operator. In the event that siting approval has been transferred to a subsequent owner or operator, that subsequent owner or operator assumes and takes subject to any and all conditions imposed upon the prior owner or operator by the county board of the county or governing body of the municipality pursuant to subsection (e). However, any such conditions imposed pursuant to this Section may be modified by agreement between the subsequent owner or operator and the appropriate county board or governing body. Further, in the event that siting approval obtained pursuant to this Section has been transferred to a subsequent owner or operator, that subsequent owner or operator assumes all rights and obligations and takes the facility subject to any and all terms and conditions of any existing host agreement between the prior owner or operator and the appropriate county board or governing body.

(f) A local siting approval granted under this Section shall expire at the end of 2 calendar years from the date upon which it was granted, unless the local siting approval granted under this Section is for a sanitary landfill operation, in which case the approval shall expire at the end of 3 calendar years from the date upon which it was granted, and unless within that period the applicant has made application to the Agency for a permit to develop the site. In the event that the local siting decision has been appealed, such expiration period shall be deemed to begin on the date upon which the appeal process is concluded.

Except as otherwise provided in this subsection, upon the expiration of a development permit under subsection (k) of Section 39, any associated local siting approval granted for the facility under this Section shall also expire.

If a first development permit for a municipal waste incineration facility expires under subsection (k) of Section 39 after September 30, 1989 due to circumstances beyond the control of the applicant, any associated local siting approval granted for the facility under this Section may be used to fulfill the local siting approval requirement upon application for a second development permit for the same site, provided that the proposal in the new application is materially the same, with respect to the criteria in subsection (a) of this Section, as the proposal that received the original siting approval, and application for the second development permit is made before January 1, 1990.

(g) The siting approval procedures, criteria and appeal procedures provided for in this Act for new pollution control facilities shall be the exclusive siting procedures and rules and appeal procedures for facilities subject to such procedures. Local zoning or other local land use requirements shall not be applicable to such siting decisions.

(h) Nothing in this Section shall apply to any existing or new pollution control facility located within the corporate limits of a municipality with a population of over 1,000,000.

(i) (Blank.)

The Board shall adopt regulations establishing the geologic and hydrologic siting criteria necessary to protect usable groundwater resources which are to be followed by the Agency in its review of permit applications for new pollution control facilities. Such regulations, insofar as they apply to new pollution control facilities authorized to store, treat or dispose of any hazardous waste, shall be at least as stringent as the requirements of the Resource Conservation and Recovery Act and any State or federal regulations adopted pursuant thereto.

(j) Any new pollution control facility which has never obtained local siting approval under the provisions of this Section shall be required to obtain such approval after a final decision on an appeal of a permit denial.

(k) A county board or governing body of a municipality may charge applicants for siting review under this Section a reasonable fee to cover the reasonable and necessary costs incurred by such county or municipality in the siting review process.

(l) The governing Authority as determined by subsection (c) of Section 39 of this Act may request the

Department of Transportation to perform traffic impact studies of proposed or potential locations for required pollution control facilities.

(m) An applicant may not file a request for local siting approval which is substantially the same as a request which was disapproved pursuant to a finding against the applicant under any of criteria (i) through (ix) of subsection (a) of this Section within the preceding 2 years.

(n) In any review proceeding of a decision of the county board or governing body of a municipality made pursuant to the local siting review process, the petitioner in the review proceeding shall pay to the county or municipality the cost of preparing and certifying the record of proceedings. Should the petitioner in the review proceeding fail to make payment, the provisions of Section 3-109 of the Code of Civil Procedure shall apply.

In the event the petitioner is a citizens' group that participated in the siting proceeding and is so located as to be affected by the proposed facility, such petitioner shall be exempt from paying the costs of preparing and certifying the record.

(o) Notwithstanding any other provision of this Section, a transfer station used exclusively for landscape waste, where landscape waste is held no longer than 24 hours from the time it was received, is not subject to the requirements of local siting approval under this Section, but is subject only to local zoning approval. (Source: P.A. 91-588, eff. 8-14-99; 92-574, eff. 6-26-02.)

Section 98. Applicability. The change made to Section 39.2 of the Environmental Protection Act by this amendatory Act of the 94th General Assembly applies only to siting applications filed on or after the effective date of this amendatory Act.

Section 99. Effective date. This Act takes effect upon becoming law."

### HOUSE BILLS ON SECOND READING

Having been read by title a second time on March 17, 2005 and held, the following bill was taken up and advanced to the order of Third Reading: HOUSE BILL 920.

HOUSE BILL 2543. Having been reproduced, was taken up and read by title a second time. Representative Flowers offered the following amendment and moved its adoption:

AMENDMENT NO. 1. Amend House Bill 2543 by replacing everything after the enacting clause with the following:

"Section 5. The Juvenile Court Act of 1987 is amended by changing Sections 2-10 and 2-10.1 as follows: (705 ILCS 405/2-10) (from Ch. 37, par. 802-10)

Sec. 2-10. Temporary custody hearing. At the appearance of the minor before the court at the temporary custody hearing, all witnesses present shall be examined before the court in relation to any matter connected with the allegations made in the petition.

(1) If the court finds that there is not probable cause to believe that the minor is abused, neglected or dependent it shall release the minor and dismiss the petition.

(2) If the court finds that there is probable cause to believe that the minor is abused, neglected or dependent, the court shall state in writing the factual basis supporting its finding and the minor, his or her parent, guardian, custodian and other persons able to give relevant testimony shall be examined before the court. The Department of Children and Family Services shall give testimony concerning indicated reports of abuse and neglect, of which they are aware of through the central registry, involving the minor's parent, guardian or custodian. After such testimony, the court may, consistent with the health, safety and best interests of the minor, enter an order that the minor shall be released upon the request of parent, guardian or custodian if the parent, guardian or custodian appears to take custody. Custodian shall include any agency of the State which has been given custody or wardship of the child. If it is consistent with the health, safety and best interests of the minor, the court may also prescribe shelter care and order that the minor be kept in a suitable place designated by the court or in a shelter care facility designated by the Department of Children and Family Services or a licensed child welfare agency; however, a minor charged with a criminal offense under the Criminal Code of 1961 or adjudicated delinquent shall not be placed in the custody of or committed to the Department of Children and Family Services by any court, except a minor less than 13 years of age and committed to the Department of Children and Family Services under Section 5-710 of this Act or a minor for whom an independent basis of abuse, neglect, or dependency exists, which must be defined by departmental rule. In placing the minor, the Department or other agency shall, to the extent compatible with the court's order, comply with Section 7 of the Children and Family Services Act. In determining the health, safety and best interests of the minor to prescribe shelter care, the court must find that it is a matter of immediate and urgent necessity for the safety and protection of the minor or of the person or property of another that the minor be placed in a shelter care facility or that he or she is likely to flee the jurisdiction of the court, and must further find that reasonable efforts have been made or that, consistent with the health, safety and best interests of the minor, no efforts reasonably can be made to prevent or eliminate the necessity of removal of the minor from his or her home. The court shall require documentation from the Department of Children and Family Services as to the reasonable efforts that were made to prevent or eliminate the necessity of removal of the minor from his or her home or the reasons why no efforts reasonably could be made to prevent or eliminate the necessity of removal. When a minor is placed in the home of a relative, the Department of Children and Family Services shall complete a preliminary background review of the members of the minor's custodian's household in accordance with

Section 4.3 of the Child Care Act of 1969 within 90 days of that placement. If the minor is ordered placed in a shelter care facility of the Department of Children and Family Services or a licensed child welfare agency, the court shall, upon request of the appropriate Department or other agency, appoint the Department of Children and Family Services Guardianship Administrator or other appropriate agency executive temporary custodian of the minor and the court may enter such other orders related to the temporary custody as it deems fit and proper, including the provision of services to the minor or his family to ameliorate the causes contributing to the finding of probable cause or to the finding of the existence of immediate and urgent necessity.

Where the Department of Children and Family Services Guardianship Administrator is appointed as the executive temporary custodian, the Department of Children and Family Services shall file with the court and serve on the parties a parent-child visiting plan, within 10 days, excluding weekends and holidays, after the appointment. The parent-child visiting plan shall set out the time and place of visits, the frequency of visits, the length of visits, who shall be present at the visits, and where appropriate, the minor's opportunities to have telephone and mail communication with the parents. For good cause, the court may waive the requirement to file the parent-child visiting plan or extend the time for filing the parent-child visiting plan. Any party may, by motion, request the court to review the parent-child visiting plan to determine whether it is reasonably calculated to expeditiously facilitate the achievement of the permanency goal and is consistent with the minor's best interest. The frequency, duration, and locations of visitation shall be measured by the needs of the child and family, and not by the convenience of Department personnel. Child development principles shall be considered by the court in its analysis of how frequent visitation should be, how long it should last, where it should take place, and who should be present. If upon motion of the party to review the plan and after receiving evidence, the court determines that the parent-child visiting plan is not reasonably calculated to expeditiously facilitate the achievement of the permanency goal or that the restrictions placed on parent-child contact are contrary to the child's best interests, the court shall put in writing the factual basis supporting the determination and enter specific findings based on the evidence. The court shall enter an order for the Department to implement changes to the parent-child visiting plan, consistent with the court's findings. At any stage of proceeding, any party may by motion request the court to enter any orders necessary to implement the parent-child visiting plan. Nothing under this subsection (2) shall restrict the court from granting discretionary authority to the Department to increase opportunities for additional parent-child contacts, without further court orders. Nothing in this subsection (2) shall restrict the Department from immediately restricting or terminating parent-child contact, without either amending the parent-child visiting plan or obtaining a court order, where the Department or its assigns reasonably believe that continuation of parent-child contact, as set out in the parent-child visiting plan, would be contrary to the child's health, safety, and welfare. The Department shall file with the court and serve on the parties any amendments to the visitation plan within 10 days, excluding weekends and holidays, of the change of the visitation. Any party may, by motion, request the court to review the parent-child visiting plan to determine whether the parent-child visiting plan is reasonably calculated to expeditiously facilitate the achievement of the permanency goal, and is consistent with the minor's health, safety, and best interest.

Acceptance of services shall not be considered an admission of any allegation in a petition made pursuant to this Act, nor may a referral of services be considered as evidence in any proceeding pursuant to this Act, except where the issue is whether the Department has made reasonable efforts to reunite the family. In making its findings that it is consistent with the health, safety and best interests of the minor to prescribe shelter care, the court shall state in writing (i) the factual basis supporting its findings concerning the immediate and urgent necessity for the protection of the minor or of the person or property of another and (ii) the factual basis supporting its findings that reasonable efforts were made to prevent or eliminate the removal of the minor from his or her home or that no efforts reasonably could be made to prevent or eliminate the removal of the minor from his or her home. The parents, guardian, custodian, temporary custodian and minor shall each be furnished a copy of such written findings. The temporary custodian shall maintain a copy of the court order and written findings in the case record for the child. The order together with the court's findings of fact in support thereof shall be entered of record in the court.

Once the court finds that it is a matter of immediate and urgent necessity for the protection of the minor that the minor be placed in a shelter care facility, the minor shall not be returned to the parent, custodian or guardian until the court finds that such placement is no longer necessary for the protection of the minor.

If the child is placed in the temporary custody of the Department of Children and Family Services for his or her protection, the court shall admonish the parents, guardian, custodian or responsible relative that the parents must cooperate with the Department of Children and Family Services, comply with the terms of the

service plans, and correct the conditions which require the child to be in care, or risk termination of their parental rights.

(3) If prior to the shelter care hearing for a minor described in Sections 2-3, 2-4, 3-3 and 4-3 the moving party is unable to serve notice on the party respondent, the shelter care hearing may proceed ex-parte. A shelter care order from an ex-parte hearing shall be endorsed with the date and hour of issuance and shall be filed with the clerk's office and entered of record. The order shall expire after 10 days from the time it is issued unless before its expiration it is renewed, at a hearing upon appearance of the party respondent, or upon an affidavit of the moving party as to all diligent efforts to notify the party respondent by notice as herein prescribed. The notice prescribed shall be in writing and shall be personally delivered to the minor or the minor's attorney and to the last known address of the other person or persons entitled to notice. The notice shall also state the nature of the allegations, the nature of the order sought by the State, including whether temporary custody is sought, and the consequences of failure to appear and shall contain a notice that the parties will not be entitled to further written notices or publication notices of proceedings in this case, including the filing of an amended petition or a motion to terminate parental rights, except as required by Supreme Court Rule 11; and shall explain the right of the parties and the procedures to vacate or modify a shelter care order as provided in this Section. The notice for a shelter care hearing shall be substantially as follows:

to further notices of proceedings in this case, including the filing of an amended petition or a motion to

4. To cross examine the State's witnesses.

2. That you did not get adequate notice (explaining how the notice was inadequate).
3. Your signature.
4. Signature must be notarized.

The rehearing should be scheduled within 48 hours of your filing this affidavit.  
At the rehearing, your rights are the same as at the initial shelter care hearing. The  
enclosed notice explains those rights.

At the Shelter Care Hearing, children have the following rights:

1. To have a guardian ad litem appointed.
2. To be declared competent as a witness and to present testimony concerning:

- a. Whether they are abused, neglected or dependent.
  - b. Whether there is "immediate and urgent necessity" to be removed from home.
  - c. Their best interests.
3. To cross examine witnesses for other parties.
  4. To obtain an explanation of any proceedings and orders of the court.
- (4) If the parent, guardian, legal custodian, responsible relative, minor age 8 or over, or counsel of the minor did not have actual notice of or was not present at the shelter care hearing, he or she may file an affidavit setting forth these facts, and the clerk shall set the matter for rehearing not later than 48 hours, excluding Sundays and legal holidays, after the filing of the affidavit. At the rehearing, the court shall proceed in the same manner as upon the original hearing.
- (5) Only when there is reasonable cause to believe that the minor taken into custody is a person described in subsection (3) of Section 5-105 may the minor be kept or detained in a detention home or county or municipal jail. This Section shall in no way be construed to limit subsection (6).
- (6) No minor under 16 years of age may be confined in a jail or place ordinarily used for the confinement of prisoners in a police station. Minors under 17 years of age must be kept separate from confined adults and may not at any time be kept in the same cell, room, or yard with adults confined pursuant to the criminal law.
- (7) If the minor is not brought before a judicial officer within the time period as specified in Section 2-9, the minor must immediately be released from custody.
- (8) If neither the parent, guardian or custodian appears within 24 hours to take custody of a minor released upon request pursuant to subsection (2) of this Section, then the clerk of the court shall set the matter for rehearing not later than 7 days after the original order and shall issue a summons directed to the parent, guardian or custodian to appear. At the same time the probation department shall prepare a report on the minor. If a parent, guardian or custodian does not appear at such rehearing, the judge may enter an order prescribing that the minor be kept in a suitable place designated by the Department of Children and Family Services or a licensed child welfare agency.
- (9) Notwithstanding any other provision of this Section any interested party, including the State, the temporary custodian, an agency providing services to the minor or family under a service plan pursuant to Section 8.2 of the Abused and Neglected Child Reporting Act, foster parent, or any of their representatives, on notice to all parties entitled to notice, may file a motion that it is in the best interests of the minor to modify or vacate a temporary custody order on any of the following grounds:
- (a) It is no longer a matter of immediate and urgent necessity that the minor remain in shelter care; or
  - (b) There is a material change in the circumstances of the natural family from which the minor was removed and the child can be cared for at home without endangering the child's health or safety; or
  - (c) A person not a party to the alleged abuse, neglect or dependency, including a parent, relative or legal guardian, is capable of assuming temporary custody of the minor; or
  - (d) Services provided by the Department of Children and Family Services or a child welfare agency or other service provider have been successful in eliminating the need for temporary custody and the child can be cared for at home without endangering the child's health or safety.
- In ruling on the motion, the court shall determine whether it is consistent with the health, safety and best interests of the minor to modify or vacate a temporary custody order.
- The clerk shall set the matter for hearing not later than 14 days after such motion is filed. In the event that the court modifies or vacates a temporary custody order but does not vacate its finding of probable cause, the court may order that appropriate services be continued or initiated in behalf of the minor and his or her family.
- (10) When the court finds or has found that there is probable cause to believe a minor is an abused minor as described in subsection (2) of Section 2-3 and that there is an immediate and urgent necessity for the abused minor to be placed in shelter care, immediate and urgent necessity shall be presumed for any other minor residing in the same household as the abused minor provided:
- (a) Such other minor is the subject of an abuse or neglect petition pending before the court; and
  - (b) A party to the petition is seeking shelter care for such other minor.
- Once the presumption of immediate and urgent necessity has been raised, the burden of demonstrating the lack of immediate and urgent necessity shall be on any party that is opposing shelter care for the other minor.

AMENDMENT NO. 2. Amend House Bill 1555, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Vehicle Code is amended by adding Section 11-605.3 as follows:  
(625 ILCS 5/11-605.3 new)

Sec. 11-605.3. Special traffic protections while passing parks and recreation facilities and areas.

(a) As used in this Section:

(1) "Park district" means the following entities:

(A) any park district organized under the Park District Code;

(B) any park district organized under the Chicago Park District Act; and

(C) any municipality, county, forest district, school district, township, or other unit of local government that operates a public recreation department or public recreation facilities that has recreation facilities that are not on land owned by any park district listed in subparagraphs (A) and (B) of this subdivision (a)(1).

(2) "Park zone" means the recreation facilities and areas on any land owned or operated by a park district that are used for recreational purposes, including but not limited to: parks; playgrounds; swimming pools; hiking trails; bicycle paths; picnic areas; roads and streets; and parking lots.

(3) "Park zone street" means that portion of any street or intersection under the control of a local unit of government, adjacent to a park zone, where the local unit of government has, by ordinance or resolution, designated and approved the street or intersection as a park zone street. If, before the effective date of this amendatory Act of the 94th General Assembly, a street already had a posted speed limit lower than 20 miles per hour, then the lower limit may be used for that park zone street.

(4) "Safety purposes" means the costs associated with: park zone safety education; the purchase, installation, and maintenance of signs, roadway painting, and caution lights mounted on park zone signs; and any other expense associated with park zones and park zone streets.

(b) On any day when children are present and within 50 feet of motorized traffic, a person may not drive a motor vehicle at a speed in excess of 20 miles per hour or any lower posted speed while traveling on a park zone street that has been designated for the posted reduced speed.

(c) On any day when children are present and within 50 feet of motorized traffic, any driver traveling on a park zone street who fails to come to a complete stop at a stop sign or red light, including a driver who fails to come to a complete stop at a red light before turning right onto a park zone street, is in violation of this Section.

(d) This Section does not apply unless appropriate signs are posted upon park zone streets maintained by the Department or by the unit of local government in which the park zone is located. With regard to the special speed limit on park zone streets, the signs must give proper due warning that a park zone is being approached and must indicate the maximum speed limit on the park zone street.

(e) A first violation of this Section is a petty offense with a minimum fine of \$250. A second or subsequent violation of this Section is a petty offense with a minimum fine of \$500.

(f) When a fine for a violation of subsection (a) is \$250 or greater, the person who violates this Section shall be charged an additional \$50, to be paid to the park district for safety purposes.

(g) The Department shall, within 6 months of the effective date of this amendatory Act of the 94th General Assembly, design a set of standardized traffic signs for park zones and park zone streets, including but not limited to: "park zone", "park zone speed limit", and "warning: approaching a park zone". The design of these signs shall be made available to all units of local government or manufacturers at no charge, except for reproduction and postage."

Section 99. Effective date. This Act takes effect upon becoming law."

The foregoing motion prevailed and Amendment No. 2 was adopted.

Having been reproduced, the following bill was taken up, read by title a second time and advanced to the order of Third Reading: HOUSE BILL 4025.

HOUSE BILL 242. Having been reproduced, was taken up and read by title a second time. Representative Nekritz offered the following amendment and moved its adoption:

AMENDMENT NO. 1. Amend House Bill 242 by replacing everything after the enacting clause with the following:

"Section 5. The Motor Fuel Tax Law is amended by changing Section 8 as follows:  
(35 ILCS 505/8) (from Ch. 120, par. 424)

Sec. 8. Except as provided in Section 8a, subdivision (h)(1) of Section 12a, Section 13a.6, and items 13, 14, 15, and 16 of Section 15, all money received by the Department under this Act, including payments made to the Department by member jurisdictions participating in the International Fuel Tax Agreement, shall be deposited in a special fund in the State treasury, to be known as the "Motor Fuel Tax Fund", and shall be used as follows:

(a) 2 1/2 cents per gallon of the tax collected on special fuel under paragraph (b) of Section 2 and Section 13a of this Act shall be transferred to the State Construction Account Fund in the State Treasury;

(b) \$420,000 shall be transferred each month to the State Boating Act Fund to be used by the Department of Natural Resources for the purposes specified in Article X of the Boat Registration and Safety Act;

(c) \$2,250,000 shall be transferred each month to the Grade Crossing Protection Fund to be used as follows: not less than \$6,000,000 each fiscal year shall be used for the construction or reconstruction of rail highway grade separation structures; \$2,250,000 in fiscal year 2004 and each fiscal year thereafter shall be transferred to the Transportation Regulatory Fund and shall be accounted for as part of the rail carrier portion of such funds and shall be used to pay the cost of administration of the Illinois Commerce Commission's railroad safety program in connection with its duties under subsection (3) of Section 18c-7401 of the Illinois Vehicle Code, with the remainder to be used by the Department of Transportation upon order of the Illinois Commerce Commission, to pay that part of the cost apportioned by such Commission to the State to cover the interest of the public in the use of highways, roads, streets, or pedestrian walkways in the county highway system, township and district road system, or municipal street system as defined in the Illinois Highway Code, as the same may from time to time be amended, for separation of grades, for installation, construction or reconstruction of crossing protection or reconstruction, alteration, relocation including construction or improvement of any existing highway necessary for access to property or improvement of any grade crossing including the necessary highway approaches thereto of any railroad across the highway or public road, or for the installation, construction, reconstruction, or maintenance of a pedestrian walkway over or under a railroad right-of-way, as provided for in and in accordance with Section 18c-7401 of the Illinois Vehicle Code. The Commission shall not order more than \$2,000,000 per year in Grade Crossing Protection Fund moneys for pedestrian walkways. In entering orders for projects for which payments from the Grade Crossing Protection Fund will be made, the Commission shall account for expenditures authorized by the orders on a cash rather than an accrual basis. For purposes of this requirement an "accrual basis" assumes that the total cost of the project is expended in the fiscal year in which the order is entered, while a "cash basis" allocates the cost of the project among fiscal years as expenditures are actually made. To meet the requirements of this subsection, the Illinois Commerce Commission shall develop annual and 5-year project plans of rail crossing capital improvements that will be paid for with moneys from the Grade Crossing Protection Fund. The annual project plan shall identify projects for the succeeding fiscal year and the 5-year project plan shall identify projects for the 5 directly

succeeding fiscal years. The Commission shall submit the annual and 5-year project plans for this Fund to the Governor, the President of the Senate, the Senate Minority Leader, the Speaker of the House of Representatives, and the Minority Leader of the House of Representatives on the first Wednesday in April of each year;

(d) of the amount remaining after allocations provided for in subsections (a), (b) and (c), a sufficient amount shall be reserved to pay all of the following:

(1) the costs of the Department of Revenue in administering this Act;

(2) the costs of the Department of Transportation in performing its duties imposed by the Illinois Highway Code for supervising the use of motor fuel tax funds apportioned to municipalities, counties and road districts;

(3) refunds provided for in Section 13 of this Act and under the terms of the International Fuel Tax Agreement referenced in Section 14a;

(4) from October 1, 1985 until June 30, 1994, the administration of the Vehicle Emissions Inspection Law, which amount shall be certified monthly by the Environmental Protection Agency to the State Comptroller and shall promptly be transferred by the State Comptroller and Treasurer from the Motor Fuel Tax Fund to the Vehicle Inspection Fund, and for the period July 1, 1994 through June 30, 2000, one-twelfth of \$25,000,000 each month, for the period July 1, 2000 through June 30, 2003, one-twelfth of \$30,000,000 each month, and \$15,000,000 on July 1, 2003, and \$15,000,000 on January 1, 2004, and \$15,000,000 on each July 1 and October 1, or as soon thereafter as may be practical, during the period July 1, 2004 through June 30, 2006, for the administration of the Vehicle Emissions Inspection Law of 1995, to be transferred by the State Comptroller and Treasurer from the Motor Fuel Tax Fund into the Vehicle Inspection Fund;

(5) amounts ordered paid by the Court of Claims; and

(6) payment of motor fuel use taxes due to member jurisdictions under the terms of the International Fuel Tax Agreement. The Department shall certify these amounts to the Comptroller by the 15th day of each month; the Comptroller shall cause orders to be drawn for such amounts, and the Treasurer shall administer those amounts on or before the last day of each month;

(e) after allocations for the purposes set forth in subsections (a), (b), (c) and (d), the remaining amount shall be apportioned as follows:

(1) Until January 1, 2000, 58.4%, and beginning January 1, 2000, 45.6% shall be deposited as follows:

(A) 37% into the State Construction Account Fund, and

(B) 63% into the Road Fund, \$1,250,000 of which shall be reserved each month for the Department of Transportation to be used in accordance with the provisions of Sections 6-901 through 6-906 of the Illinois Highway Code;

(2) Until January 1, 2000, 41.6%, and beginning January 1, 2000, 54.4% shall be transferred to the Department of Transportation to be distributed as follows:

(A) 49.10% to the municipalities of the State,

(B) 16.74% to the counties of the State having 1,000,000 or more inhabitants,

(C) 18.27% to the counties of the State having less than 1,000,000 inhabitants,

(D) 15.89% to the road districts of the State.

As soon as may be after the first day of each month the Department of Transportation shall allot to each municipality its share of the amount apportioned to the several municipalities which shall be in proportion to the population of such municipalities as determined by the last preceding municipal census if conducted by the Federal Government or Federal census. If territory is annexed to any municipality subsequent to the time of the last preceding census the corporate authorities of such municipality may cause a census to be taken of such annexed territory and the population so ascertained for such territory shall be added to the population of the municipality as determined by the last preceding census for the purpose of determining the allotment for that municipality. If the population of any municipality was not determined by the last Federal census preceding any apportionment, the apportionment to such municipality shall be in accordance with any census taken by such municipality. Any municipal census used in accordance with this Section shall be certified to the Department of Transportation by the clerk of such municipality, and the accuracy thereof shall be subject to approval of the Department which may make such corrections as it ascertains to be necessary.

As soon as may be after the first day of each month the Department of Transportation shall allot to each county its share of the amount apportioned to the several counties of the State as herein provided. Each allotment to the several counties having less than 1,000,000 inhabitants shall be in proportion to the amount

of motor vehicle license fees received from the residents of such counties, respectively, during the preceding calendar year. The Secretary of State shall, on or before April 15 of each year, transmit to the Department of Transportation a full and complete report showing the amount of motor vehicle license fees received from the residents of each county, respectively, during the preceding calendar year. The Department of Transportation shall, each month, use for allotment purposes the last such report received from the Secretary of State.

As soon as may be after the first day of each month, the Department of Transportation shall allot to the several counties their share of the amount apportioned for the use of road districts. The allotment shall be apportioned among the several counties in the State in the proportion which the total mileage of township or district roads in the respective counties bears to the total mileage of all township and district roads in the State. Funds allotted to the respective counties for the use of road districts therein shall be allocated to the several road districts in the county in the proportion which the total mileage of such township or district roads in the respective road districts bears to the total mileage of all such township or district roads in the county. After July 1 prior to 2006 of any year, no allocation shall be made for any road district unless it levied a tax for road and bridge purposes in an amount which will require the extension of such tax against the taxable property in any such road district at a rate of not less than either .08% of the value thereof, based upon the assessment for the year immediately prior to the year in which such tax was levied and as equalized by the Department of Revenue or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less. Beginning July 1, 2006 and each July 1 thereafter, an allocation shall be made for any road district if it levied a tax for road and bridge purposes. If the amount of the tax levy, however, requires the extension of the tax against the taxable property in the road district at a rate that is less than 0.08% of the value thereof, based upon the assessment for the year immediately prior to the year in which the tax was levied and as equalized by the Department of Revenue, then the amount of the allocation for the road district shall be a percentage of the maximum allocation equal to the percentage obtained by dividing the rate extended by the district by 0.08%. In DuPage County, however, no allocation shall be made for any road district unless it levied a tax for road and bridge purposes in an amount that will require the extension of that tax against the taxable property in any such road district (i) at a rate of not less than either 0.08% of the value thereof, based upon the assessment for the year immediately prior to the year in which such tax was levied and as equalized by the Department of Revenue, or (ii) an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less.

Prior to 2006, if any road district has levied a special tax for road purposes pursuant to Sections 6-601, 6-602 and 6-603 of the Illinois Highway Code, and such tax was levied in an amount which would require extension at a rate of not less than .08% of the value of the taxable property thereof, as equalized or assessed by the Department of Revenue, or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less, such levy shall, however, be deemed a proper compliance with this Section and shall qualify such road district for an allotment under this Section. Beginning in 2006 and thereafter, if any road district has levied a special tax for road purposes under Sections 6-601, 6-602, and 6-603 of the Illinois Highway Code, and the tax was levied in an amount that would require extension at a rate of not less than 0.08% of the value of the taxable property thereof, as equalized or assessed by the Department of Revenue or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less, that levy shall be deemed a proper compliance with this Section and shall qualify such road district for a full, rather than proportionate, allotment under this Section. Except in DuPage County, if the levy for the special tax is less than 0.08% of the value of the taxable property and if the levy for the special tax is more than any other levy for road and bridge purposes, then the levy for the special tax qualifies the road district for a proportionate, rather than full, allotment under this Section. If the levy for the special tax is equal to or less than any other levy for road and bridge purposes, then any allotment under this Section shall be determined by the other levy for road and bridge purposes.

Prior to 2006, if a township has transferred to the road and bridge fund money which, when added to the amount of any tax levy of the road district would be the equivalent of a tax levy requiring extension at a rate of at least .08%, or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less, such transfer, together with any such tax levy, shall be deemed a proper compliance with this Section and shall qualify the road district for an allotment under this Section. Beginning in 2006 and thereafter, if a township has transferred to the road and bridge fund money which, when added to the amount of any tax levy of the road district would be the equivalent of a tax levy requiring extension at a rate of at least 0.08% or, in DuPage County, an amount equal to or

greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less, then the transfer, together with any such tax levy, shall be deemed a proper compliance with this Section and shall qualify the road district for a full, rather than proportionate, allotment under this Section.

In counties in which a property tax extension limitation is imposed under the Property Tax Extension Limitation Law, road districts may retain their entitlement to a motor fuel tax allotment or, beginning in 2006, their entitlement to a full allotment if, at the time the property tax extension limitation was imposed, the road district was levying a road and bridge tax at a rate sufficient to entitle it to a motor fuel tax allotment and continues to levy the maximum allowable amount after the imposition of the property tax extension limitation. Any road district may in all circumstances retain its entitlement to a motor fuel tax allotment or, beginning in 2006, its entitlement to a full allotment if it levied a road and bridge tax in an amount that will require the extension of the tax against the taxable property in the road district at a rate of not less than 0.08% of the assessed value of the property, based upon the assessment for the year immediately preceding the year in which the tax was levied and as equalized by the Department of Revenue or, in DuPage County, an amount equal to or greater than \$12,000 per mile of road under the jurisdiction of the road district, whichever is less.

As used in this Section the term "road district" means any road district, including a county unit road district, provided for by the Illinois Highway Code; and the term "township or district road" means any road in the township and district road system as defined in the Illinois Highway Code. For the purposes of this Section, "road district" also includes park districts, forest preserve districts and conservation districts organized under Illinois law and "township or district road" also includes such roads as are maintained by park districts, forest preserve districts and conservation districts. The Department of Transportation shall determine the mileage of all township and district roads for the purposes of making allotments and allocations of motor fuel tax funds for use in road districts.

Payment of motor fuel tax moneys to municipalities and counties shall be made as soon as possible after the allotment is made. The treasurer of the municipality or county may invest these funds until their use is required and the interest earned by these investments shall be limited to the same uses as the principal funds.
