The following amendment was offered in the Committee on Judiciary II - Criminal Law, adopted and reproduced.

AMENDMENT NO. 1. Amend House Bill 248 by replacing everything after the enacting clause with the following:

"Section 5. The Juvenile Court Act of 1987 is amended by changing Sections 2-10 and 2-18 as follows:  
(705 ILCS 405/2-10) (from Ch. 37, par. 802-10)

Sec. 2-10. Temporary custody hearing. At the appearance of the minor before the court at the temporary custody hearing, all witnesses present shall be examined before the court in relation to any matter connected with the allegations made in the petition.

(1) If the court finds that there is not probable cause to believe that the minor is abused, neglected or dependent it shall release the minor and dismiss the petition.

(2) If the court finds that there is probable cause to believe that the minor is abused, neglected or dependent, the court shall state in writing the factual basis supporting its finding and the minor, his or her parent, guardian, custodian and other persons able to give relevant testimony shall be examined before the court. The Department of Children and Family Services shall give testimony concerning indicated reports of abuse and neglect, of which they are aware of through the central registry, involving the minor's parent, guardian or custodian. After such testimony, the court may, consistent with the health, safety and best interests of the minor, enter an order that the minor shall be released upon the request of parent, guardian or custodian if the parent, guardian or custodian appears to take custody. Custodian shall include any agency of the State which has been given custody or wardship of the child. If it is consistent with the health, safety and best interests of the minor, the court may also prescribe shelter care and order that the minor be kept in a suitable place designated by the court or in a shelter care facility designated by the Department of Children and Family Services or a licensed child welfare agency; however, a minor charged with a criminal offense under the Criminal Code of 1961 or adjudicated delinquent shall not be placed in the custody of or committed to the Department of Children and Family Services by any court, except a minor less than 13 years of age and committed to the Department of Children and Family Services under Section 5-710 of this Act or a minor for whom an independent basis of abuse, neglect, or dependency exists, which must be defined by departmental rule. In placing the minor, the Department or other agency shall, to the extent compatible with the court's order, comply with Section 7 of the Children and Family Services Act. In determining the health, safety and best interests of the minor to prescribe shelter care, the court must find that it is a matter of immediate and urgent necessity for the safety and protection of the minor or of the person or property of another that the minor be placed in a shelter care facility or that he or she is likely to flee the jurisdiction of the court, and must further find that reasonable efforts have been made or that, consistent with the health, safety and best interests of the minor, no efforts reasonably can be made to prevent or eliminate the necessity of removal of the minor from his or her home. The court shall require documentation from the Department of Children and Family Services as to the reasonable efforts that were made to prevent or eliminate the necessity of removal of the minor from his or her home or the reasons why no efforts reasonably could be made to prevent or eliminate the necessity of removal. When a minor is placed in the home of a relative, the Department of Children and Family Services shall complete a preliminary background review of the members of the minor's custodian's household in accordance with Section 4.3 of the Child Care Act of 1969 within 90 days of that placement. If the minor is ordered placed in a shelter care facility of the Department of Children and Family Services or a licensed child welfare agency, the court shall, upon request of the appropriate Department or other agency, appoint the Department of Children and Family Services Guardianship Administrator or other appropriate agency executive temporary custodian of the minor and the court may enter such other orders related to the temporary custody as it deems fit and proper, including the provision of services to the minor or his family to ameliorate the causes contributing to the finding of probable cause or to the finding of the existence of immediate and urgent necessity. Acceptance of services shall not be considered an admission of any allegation in a petition made pursuant to this Act, nor may a referral of services be considered as evidence in any proceeding pursuant to this Act, except where the issue is whether the Department has made reasonable efforts to reunite the family. In making its findings that it is consistent with the health, safety and best interests of the minor to prescribe shelter care, the court shall state in writing (i) the factual basis

supporting its findings concerning the immediate and urgent necessity for the protection of the minor or of the person or property of another and (ii) the factual basis supporting its findings that reasonable efforts were made to prevent or eliminate the removal of the minor from his or her home or that no efforts reasonably could be made to prevent or eliminate the removal of the minor from his or her home. The parents, guardian, custodian, temporary custodian and minor shall each be furnished a copy of such written findings. The temporary custodian shall maintain a copy of the court order and written findings in the case record for the child. The order together with the court's findings of fact in support thereof shall be entered of record in the court.

If the Department of Children and Family Services Guardianship Administrator is appointed the executive temporary custodian of a minor, the Department has the authority to authorize appropriate physical and mental health evaluations of the minor and any emergency treatment the minor may require unless otherwise ordered by the court. The minor's custodial parents retain their rights to make all other medical decisions and all education decisions relating to the minor, unless the court finds that the parents' retention of these rights is not in the minor's best interests.

Once the court finds that it is a matter of immediate and urgent necessity for the protection of the minor that the minor be placed in a shelter care facility, the minor shall not be returned to the parent, custodian or guardian until the court finds that such placement is no longer necessary for the protection of the minor.

If the child is placed in the temporary custody of the Department of Children and Family Services for his or her protection, the court shall admonish the parents, guardian, custodian or responsible relative that the parents must cooperate with the Department of Children and Family Services, comply with the terms of the service plans, and correct the conditions which require the child to be in care, or risk termination of their parental rights.

(3) If prior to the shelter care hearing for a minor described in Sections 2-3, 2-4, 3-3 and 4-3 the moving party is unable to serve notice on the party respondent, the shelter care hearing may proceed ex-parte. A shelter care order from an ex-parte hearing shall be endorsed with the date and hour of issuance and shall be filed with the clerk's office and entered of record. The order shall expire after 10 days from the time it is issued unless before its expiration it is renewed, at a hearing upon appearance of the party respondent, or upon an affidavit of the moving party as to all diligent efforts to notify the party respondent by notice as herein prescribed. The notice prescribed shall be in writing and shall be personally delivered to the minor or the minor's attorney and to the last known address of the other person or persons entitled to notice. The notice shall also state the nature of the allegations, the nature of the order sought by the State, including whether temporary custody is sought, and the consequences of failure to appear and shall contain a notice that the parties will not be entitled to further written notices or publication notices of proceedings in this case, including the filing of an amended petition or a motion to terminate parental rights, except as required by Supreme Court Rule 11; and shall explain the right of the parties and the procedures to vacate or modify a shelter care order as provided in this Section. The notice for a shelter care hearing shall be substantially as follows:

NOTICE TO PARENTS AND CHILDREN  
OF SHELTER CARE HEARING

....., the State of Illinois will present evidence (1) that (name of child or children) .....  
are abused, neglected or dependent for the following reasons:  
..... and (2) that there is "immediate and urgent  
necessity" to remove the child or children from the responsible relative.

**YOUR FAILURE TO APPEAR AT THE HEARING MAY RESULT IN PLACEMENT of the child or children in foster care until a trial can be held. A trial may not be held for up to 90 days. You will not be entitled to further notices of proceedings in this case, including the filing of an amended petition or a motion to terminate parental rights.**

At the shelter care hearing, parents have the following rights:

1. To ask the court to appoint a lawyer if they cannot afford one.
2. To ask the court to continue the hearing to allow them time to prepare.
3. To present evidence concerning:
  - a. Whether or not the child or children were abused, neglected or dependent.

c. The best interests of the child.

4. To cross examine the State's witnesses.

The Notice for rehearings shall be substantially as follows:

NOTICE OF PARENT'S AND CHILDREN'S RIGHTS  
TO REHEARING ON TEMPORARY CUSTODY

If you were not present at and did not have adequate notice of the Shelter Care Hearing at which temporary custody of ..... was awarded to ....., you have the right to request a full rehearing on whether the State should have temporary custody of ..... To request this rehearing, you must file with the Clerk of the Juvenile Court (address): ....., in person or by mailing a statement (affidavit) setting forth the following:

- 1. That you were not present at the shelter care hearing.
- 2. That you did not get adequate notice (explaining how the notice was inadequate).
- 3. Your signature.
- 4. Signature must be notarized.

The rehearing should be scheduled within 48 hours of your filing this affidavit.

At the rehearing, your rights are the same as at the initial shelter care hearing. The enclosed notice explains those rights.

At the Shelter Care Hearing, children have the following rights:

- 1. To have a guardian ad litem appointed.
- 2. To be declared competent as a witness and to present testimony concerning:
  - a. Whether they are abused, neglected or dependent.
  - b. Whether there is "immediate and urgent necessity" to be removed from home.
  - c. Their best interests.
- 3. To cross examine witnesses for other parties.
- 4. To obtain an explanation of any proceedings and orders of the court.

(4) If the parent, guardian, legal custodian, responsible relative, minor age 8 or over, or counsel of the minor did not have actual notice of or was not present at the shelter care hearing, he or she may file an affidavit setting forth these facts, and the clerk shall set the matter for rehearing not later than 48 hours, excluding Sundays and legal holidays, after the filing of the affidavit. At the rehearing, the court shall proceed in the same manner as upon the original hearing.

(5) Only when there is reasonable cause to believe that the minor taken into custody is a person described in subsection (3) of Section 5-105 may the minor be kept or detained in a detention home or county or municipal jail. This Section shall in no way be construed to limit subsection (6).

(6) No minor under 16 years of age may be confined in a jail or place ordinarily used for the confinement of prisoners in a police station. Minors under 17 years of age must be kept separate from confined adults and may not at any time be kept in the same cell, room, or yard with adults confined pursuant to the criminal law.

(7) If the minor is not brought before a judicial officer within the time period as specified in Section 2-9, the minor must immediately be released from custody.

(8) If neither the parent, guardian or custodian appears within 24 hours to take custody of a minor released upon request pursuant to subsection (2) of this Section, then the clerk of the court shall set the matter for rehearing not later than 7 days after the original order and shall issue a summons directed to the parent, guardian or custodian to appear. At the same time the probation department shall prepare a report on the minor. If a parent, guardian or custodian does not appear at such rehearing, the judge may enter an order prescribing that the minor be kept in a suitable place designated by the Department of Children and Family Services or a licensed child welfare agency.

(9) Notwithstanding any other provision of this Section any interested party, including the State, the temporary custodian, an agency providing services to the minor or family under a service plan pursuant to Section 8.2 of the Abused and Neglected Child Reporting Act, foster parent, or any of their representatives, on notice to all parties entitled to notice, may file a motion that it is in the best interests of the minor to modify or vacate a temporary custody order on any of the following grounds:

- (a) It is no longer a matter of immediate and urgent necessity that the minor remain in shelter care; or
- (b) There is a material change in the circumstances of the natural family from which the minor was removed and the child can be cared for at home without endangering the child's health or safety; or
- (c) A person not a party to the alleged abuse, neglect or dependency, including a

parent, relative or legal guardian, is capable of assuming temporary custody of the minor; or

(d) Services provided by the Department of Children and Family Services or a child welfare agency or other service provider have been successful in eliminating the need for temporary custody and the child can be cared for at home without endangering the child's health or safety.

In ruling on the motion, the court shall determine whether it is consistent with the health, safety and best interests of the minor to modify or vacate a temporary custody order.

The clerk shall set the matter for hearing not later than 14 days after such motion is filed. In the event that the court modifies or vacates a temporary custody order but does not vacate its finding of probable cause, the court may order that appropriate services be continued or initiated in behalf of the minor and his or her family.

(10) When the court finds or has found that there is probable cause to believe a minor is an abused minor as described in subsection (2) of Section 2-3 and that there is an immediate and urgent necessity for the abused minor to be placed in shelter care, immediate and urgent necessity shall be presumed for any other minor residing in the same household as the abused minor provided:

(a) Such other minor is the subject of an abuse or neglect petition pending before the court; and

(b) A party to the petition is seeking shelter care for such other minor.

Once the presumption of immediate and urgent necessity has been raised, the burden of demonstrating the lack of immediate and urgent necessity shall be on any party that is opposing shelter care for the other minor.

Sec. 2-18. Evidence.

(1) At the adjudicatory hearing, the court shall first consider only the question whether the minor is abused, neglected or dependent. The standard of proof and the rules of evidence in the nature of civil proceedings in this State are applicable to proceedings under this Article. If the petition also seeks the appointment of a guardian of the person with power to consent to adoption of the minor under Section 2-29, the court may also consider legally admissible evidence at the adjudicatory hearing that one or more grounds of unfitness exists under subdivision D of Section 1 of the Adoption Act.

(2) In any hearing under this Act, the following shall constitute prima facie evidence of abuse or neglect, as the case may be:

(a) proof that a minor has a medical diagnosis of battered child syndrome is prima facie evidence of abuse;

(b) proof that a minor has a medical diagnosis of failure to thrive syndrome is prima facie evidence of neglect;

(c) proof that a minor has a medical diagnosis of fetal alcohol syndrome is prima facie evidence of neglect;

(d) proof that a minor has a medical diagnosis at birth of withdrawal symptoms from narcotics or barbiturates is prima facie evidence of neglect;

(e) proof of injuries sustained by a minor or of the condition of a minor of such a nature as would ordinarily not be sustained or exist except by reason of the acts or omissions of the parent, custodian or guardian of such minor shall be prima facie evidence of abuse or neglect, as the case may be;

(f) proof that a parent, custodian or guardian of a minor repeatedly used a drug, to the extent that it has or would ordinarily have the effect of producing in the user a substantial state of stupor, unconsciousness, intoxication, hallucination, disorientation or incompetence, or a substantial impairment of judgment, or a substantial manifestation of irrationality, shall be prima facie evidence of neglect;

(g) proof that a parent, custodian, or guardian of a minor repeatedly used a controlled substance, as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act, in the presence of the minor or a sibling of the minor is prima facie evidence of neglect. "Repeated use", for the purpose of this subsection, means more than one use of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act;

(h) proof that a newborn infant's blood, urine, or meconium contains any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act, or a metabolite of a controlled substance, with the exception of controlled substances or metabolites of

those substances, the presence of which is the result of medical treatment administered to the mother or the newborn, is prime facie evidence of neglect;

(i) proof that a minor was present in a structure or vehicle in which the minor's parent, custodian, or guardian was involved in the manufacture of methamphetamine constitutes prima facie evidence of abuse and neglect.

(3) In any hearing under this Act, proof of the abuse, neglect or dependency of one minor shall be admissible evidence on the issue of the abuse, neglect or dependency of any other minor for whom the respondent is responsible.

(4) (a) Any writing, record, photograph or x-ray of any hospital or public or private agency, whether in the form of an entry in a book or otherwise, made as a memorandum or record of any condition, act, transaction, occurrence or event relating to a minor in an abuse, neglect or dependency proceeding, shall be admissible in evidence as proof of that condition, act, transaction, occurrence or event, if the court finds that the document was made in the regular course of the business of the hospital or agency and that it was in the regular course of such business to make it, at the time of the act, transaction, occurrence or event, or within a reasonable time thereafter. Any portion of a document that contains an opinion as to a respondent's ability to care for a minor or as to a minor's bond to a respondent is not admissible unless the individual who authored the opinion testifies as to that opinion. A certification by the head or responsible employee of the hospital or agency that the writing, record, photograph or x-ray is the full and complete record of the condition, act, transaction, occurrence or event and that it satisfies the conditions of this paragraph shall be prima facie evidence of the facts contained in such certification. A certification by someone other than the head of the hospital or agency shall be accompanied by a photocopy of a delegation of authority signed by both the head of the hospital or agency and by such other employee. All other circumstances of the making of the memorandum, record, photograph or x-ray, including lack of personal knowledge of the maker, may be proved to affect the weight to be accorded such evidence, but shall not affect its admissibility.

(b) Any indicated report filed pursuant to the Abused and Neglected Child Reporting Act shall be admissible in evidence.

(c) Previous statements made by the minor relating to any allegations of abuse or neglect shall be admissible in evidence. However, no such statement, if uncorroborated and not subject to cross-examination, shall be sufficient in itself to support a finding of abuse or neglect.

(d) There shall be a rebuttable presumption that a minor is competent to testify in abuse or neglect proceedings. The court shall determine how much weight to give to the minor's testimony, and may allow the minor to testify in chambers with only the court, the court reporter and attorneys for the parties present.

(e) The privileged character of communication between any professional person and patient or client, except privilege between attorney and client, shall not apply to proceedings subject to this Article.

(f) Proof of the impairment of emotional health or impairment of mental or emotional condition as a result of the failure of the respondent to exercise a minimum degree of care toward a minor may include competent opinion or expert testimony, and may include proof that such impairment lessened during a period when the minor was in the care, custody or supervision of a person or agency other than the respondent.

(5) In any hearing under this Act alleging neglect for failure to provide education as required by law under subsection (1) of Section 2-3, proof that a minor under 13 years of age who is subject to compulsory school attendance under the School Code is a chronic truant as defined under the School Code shall be prima facie evidence of neglect by the parent or guardian in any hearing under this Act and proof that a minor who is 13 years of age or older who is subject to compulsory school attendance under the School Code is a chronic truant shall raise a rebuttable presumption of neglect by the parent or guardian. This subsection (5) shall not apply in counties with 2,000,000 or more inhabitants.

(6) In any hearing under this Act, the court may take judicial notice of prior sworn testimony or evidence admitted in prior proceedings involving the same minor if (a) the parties were either represented by counsel at such prior proceedings or the right to counsel was knowingly waived and (b) the taking of judicial notice would not result in admitting hearsay evidence at a hearing where it would otherwise be prohibited.

Floor Amendment No. 2 was tabled in the Committee on Aging.

Representative Flowers offered the following amendments and moved their adoption:

AMENDMENT NO. 3. Amend House Bill 248, AS AMENDED, by replacing everything after the

enacting clause with the following:

"Section 5. The Juvenile Court Act of 1987 is amended by changing Sections 2-10 and 2-18 as follows:  
(705 ILCS 405/2-10) (from Ch. 37, par. 802-10)

Sec. 2-10. Temporary custody hearing. At the appearance of the minor before the court at the temporary custody hearing, all witnesses present shall be examined before the court in relation to any matter connected with the allegations made in the petition.

(1) If the court finds that there is not probable cause to believe that the minor is abused, neglected or dependent it shall release the minor and dismiss the petition.

(2) If the court finds that there is probable cause to believe that the minor is abused, neglected or dependent, the court shall state in writing the factual basis supporting its finding and the minor, his or her parent, guardian, custodian and other persons able to give relevant testimony shall be examined before the court. The Department of Children and Family Services shall give testimony concerning indicated reports of abuse and neglect, of which they are aware of through the central registry, involving the minor's parent, guardian or custodian. After such testimony, the court may, consistent with the health, safety and best interests of the minor, enter an order that the minor shall be released upon the request of parent, guardian or custodian if the parent, guardian or custodian appears to take custody. Custodian shall include any agency of the State which has been given custody or wardship of the child. If it is consistent with the health, safety and best interests of the minor, the court may also prescribe shelter care and order that the minor be kept in a suitable place designated by the court or in a shelter care facility designated by the Department of Children and Family Services or a licensed child welfare agency; however, a minor charged with a criminal offense under the Criminal Code of 1961 or adjudicated delinquent shall not be placed in the custody of or committed to the Department of Children and Family Services by any court, except a minor less than 13 years of age and committed to the Department of Children and Family Services under Section 5-710 of this Act or a minor for whom an independent basis of abuse, neglect, or dependency exists, which must be defined by departmental rule. In placing the minor, the Department or other agency shall, to the extent compatible with the court's order, comply with Section 7 of the Children and Family Services Act. In determining the health, safety and best interests of the minor to prescribe shelter care, the court must find that it is a matter of immediate and urgent necessity for the safety and protection of the minor or of the person or property of another that the minor be placed in a shelter care facility or that he or she is likely to flee the jurisdiction of the court, and must further find that reasonable efforts have been made or that, consistent with the health, safety and best interests of the minor, no efforts reasonably can be made to prevent or eliminate the necessity of removal of the minor from his or her home. The court shall require documentation from the Department of Children and Family Services as to the reasonable efforts that were made to prevent or eliminate the necessity of removal of the minor from his or her home or the reasons why no efforts reasonably could be made to prevent or eliminate the necessity of removal. When a minor is placed in the home of a relative, the Department of Children and Family Services shall complete a preliminary background review of the members of the minor's custodian's household in accordance with Section 4.3 of the Child Care Act of 1969 within 90 days of that placement. If the minor is ordered placed in a shelter care facility of the Department of Children and Family Services or a licensed child welfare agency, the court shall, upon request of the appropriate Department or other agency, appoint the Department of Children and Family Services Guardianship Administrator or other appropriate agency executive temporary custodian of the minor and the court may enter such other orders related to the temporary custody as it deems fit and proper, including the provision of services to the minor or his family to ameliorate the causes contributing to the finding of probable cause or to the finding of the existence of immediate and urgent necessity. Acceptance of services shall not be considered an admission of any allegation in a petition made pursuant to this Act, nor may a referral of services be considered as evidence in any proceeding pursuant to this Act, except where the issue is whether the Department has made reasonable efforts to reunite the family. In making its findings that it is consistent with the health, safety and best interests of the minor to prescribe shelter care, the court shall state in writing (i) the factual basis supporting its findings concerning the immediate and urgent necessity for the protection of the minor or of the person or property of another and (ii) the factual basis supporting its findings that reasonable efforts were made to prevent or eliminate the removal of the minor from his or her home or that no efforts reasonably could be made to prevent or eliminate the removal of the minor from his or her home. The parents, guardian, custodian, temporary custodian and minor shall each be furnished a copy of such written findings. The temporary custodian shall maintain a copy of the court order and written findings in the case record for the child. The order together with the court's findings of fact in support thereof shall be entered of record in the court.

If the Department of Children and Family Services Guardianship Administrator is appointed the executive temporary custodian of a minor, the Department has the authority to authorize appropriate physical and mental health evaluations of the minor and any emergency medical treatment or surgical procedure the minor may require unless otherwise ordered by the court. "Emergency medical treatment or surgical procedure" means immediate ordinary or major measures necessary to preserve the life, health, or physical well-being of the patient. The minor's parents retain their rights to make all other medical decisions and all education decisions relating to the minor, unless the court finds that the parents' retention of these rights is not in the minor's best interests.

Once the court finds that it is a matter of immediate and urgent necessity for the protection of the minor that the minor be placed in a shelter care facility, the minor shall not be returned to the parent, custodian or guardian until the court finds that such placement is no longer necessary for the protection of the minor.

If the child is placed in the temporary custody of the Department of Children and Family Services for his or her protection, the court shall admonish the parents, guardian, custodian or responsible relative that the parents must cooperate with the Department of Children and Family Services, comply with the terms of the service plans, and correct the conditions which require the child to be in care, or risk termination of their parental rights.

(3) If prior to the shelter care hearing for a minor described in Sections 2-3, 2-4, 3-3 and 4-3 the moving party is unable to serve notice on the party respondent, the shelter care hearing may proceed ex-parte. A shelter care order from an ex-parte hearing shall be endorsed with the date and hour of issuance and shall be filed with the clerk's office and entered of record. The order shall expire after 10 days from the time it is issued unless before its expiration it is renewed, at a hearing upon appearance of the party respondent, or upon an affidavit of the moving party as to all diligent efforts to notify the party respondent by notice as herein prescribed. The notice prescribed shall be in writing and shall be personally delivered to the minor or the minor's attorney and to the last known address of the other person or persons entitled to notice. The notice shall also state the nature of the allegations, the nature of the order sought by the State, including whether temporary custody is sought, and the consequences of failure to appear and shall contain a notice that the parties will not be entitled to further written notices or publication notices of proceedings in this case, including the filing of an amended petition or a motion to terminate parental rights, except as required by Supreme Court Rule 11; and shall explain the right of the parties and the procedures to vacate or modify a shelter care order as provided in this Section. The notice for a shelter care hearing shall be substantially as follows:

NOTICE TO PARENTS AND CHILDREN  
OF SHELTER CARE HEARING

On ..... at ....., before the Honorable ....., (address:)  
....., the State of Illinois will present evidence (1) that (name of child or children) .....  
are abused, neglected or dependent for the following reasons:  
..... and (2) that there is "immediate and urgent  
necessity" to remove the child or children from the responsible relative.

**YOUR FAILURE TO APPEAR AT THE HEARING MAY RESULT IN PLACEMENT** of the child or children in foster care until a trial can be held. A trial may not be held for up to 90 days. You will not be entitled to further notices of proceedings in this case, including the filing of an amended petition or a motion to terminate parental rights.

At the shelter care hearing, parents have the following rights:

1. To ask the court to appoint a lawyer if they cannot afford one.
2. To ask the court to continue the hearing to allow them time to prepare.
3. To present evidence concerning:
  - a. Whether or not the child or children were abused, neglected or dependent.
  - b. Whether or not there is "immediate and urgent necessity" to remove the child from home (including: their ability to care for the child, conditions in the home, alternative means of protecting the child other than removal).
  - c. The best interests of the child.
4. To cross examine the State's witnesses.

TO REHEARING ON TEMPORARY CUSTODY

If you were not present at and did not have adequate notice of the Shelter Care Hearing

at which temporary custody of ..... was awarded to ....., you have the right to request a full rehearing on whether the State should have temporary custody of ..... To request this rehearing, you must file with the Clerk of the Juvenile Court (address): ....., in person or by mailing a statement (affidavit) setting forth the following:

4. Signature must be notarized.

The rehearing should be scheduled within 48 hours of your filing this affidavit.

4. To obtain an explanation of any proceedings and orders of the court.

(4) If the parent, guardian, legal custodian, responsible relative, minor age 8 or over, or counsel of the minor did not have actual notice of or was not present at the shelter care hearing, he or she may file an affidavit setting forth these facts, and the clerk shall set the matter for rehearing not later than 48 hours, excluding Sundays and legal holidays, after the filing of the affidavit. At the rehearing, the court shall proceed in the same manner as upon the original hearing.

At the same time the probation department shall prepare a report on the minor. If a parent, guardian or custodian does not appear at such rehearing, the judge may enter an order prescribing that the minor be kept in a suitable place designated by the Department of Children and Family Services or a licensed child welfare agency.

"Repeated use", for the purpose of this subsection, means more than one use of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act;
- (h) proof that a newborn infant's blood, urine, or meconium contains any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act, or a metabolite of a controlled substance, with the exception of controlled substances or metabolites of those substances, the presence of which is the result of medical treatment administered to the mother or the newborn, is prima facie evidence of neglect;
- (i) proof that a minor was present in a structure or vehicle in which the minor's parent, custodian, or guardian was involved in the manufacture of methamphetamine constitutes prima facie evidence of abuse and neglect.

(3) In any hearing under this Act, proof of the abuse, neglect or dependency of one minor shall be

admissible evidence on the issue of the abuse, neglect or dependency of any other minor for whom the respondent is responsible.

(4) (a) Any writing, record, photograph or x-ray of any hospital or public or private agency, whether in the form of an entry in a book or otherwise, made as a memorandum or record of any condition, act, transaction, occurrence or event relating to a minor in an abuse, neglect or dependency proceeding, shall be admissible in evidence as proof of that condition, act, transaction, occurrence or event, if the court finds that the document was made in the regular course of the business of the hospital or agency and that it was in the regular course of such business to make it, at the time of the act, transaction, occurrence or event, or within a reasonable time thereafter.

(a-5) In unfitness proceedings under Section 2-29 of this Act, if documents, assessments, and evaluations are directly used to prove an unfitness ground as alleged in the petition, the author of those documents shall testify, if available, as to the recommendations and findings. If the author is unavailable, the documents are admissible without such testimony. The court shall determine the proper weight accorded to the documents.

(a-10) In unfitness proceedings under Section 2-29 of this Act, if documents, assessments, and evaluations are used at the best interest portion, relating to parent-child bonding, the author of those documents shall testify, if available, as to the recommendations and findings. If the author is unavailable, the documents are admissible without such testimony. The court shall determine the proper weight accorded to the documents.

(a-15) For purposes of paragraphs (a-5) and (a-10) of this subsection (4), "unavailable" means: the author is absent from the hearing and the party wishing to introduce the document has been unable to procure the author's attendance by process or other reasonable means; or the author persists in refusing to testify concerning the document despite an order of the court to do so; or the author is unable to be present or to testify at the hearing because of health, or then-existing physical or mental illness or infirmity, or death.

(a-20) A certification by the head or responsible employee of the hospital or agency that the writing, record, photograph or x-ray is the full and complete record of the condition, act, transaction, occurrence or event and that it satisfies the conditions of this paragraph shall be prima facie evidence of the facts contained in such certification. A certification by someone other than the head of the hospital or agency shall be accompanied by a photocopy of a delegation of authority signed by both the head of the hospital or agency and by such other employee. All other circumstances of the making of the memorandum, record, photograph or x-ray, including lack of personal knowledge of the maker, may be proved to affect the weight to be accorded such evidence, but shall not affect its admissibility.

(b) Any indicated report filed pursuant to the Abused and Neglected Child Reporting Act shall be admissible in evidence.

(c) Previous statements made by the minor relating to any allegations of abuse or neglect shall be admissible in evidence. However, no such statement, if uncorroborated and not subject to cross-examination, shall be sufficient in itself to support a finding of abuse or neglect.

(d) There shall be a rebuttable presumption that a minor is competent to testify in abuse or neglect proceedings. The court shall determine how much weight to give to the minor's testimony, and may allow the minor to testify in chambers with only the court, the court reporter and attorneys for the parties present.

(e) The privileged character of communication between any professional person and patient or client, except privilege between attorney and client, shall not apply to proceedings subject to this Article.

(f) Proof of the impairment of emotional health or impairment of mental or emotional condition as a result of the failure of the respondent to exercise a minimum degree of care toward a minor may include competent opinion or expert testimony, and may include proof that such impairment lessened during a period when the minor was in the care, custody or supervision of a person or agency other than the respondent.

(5) In any hearing under this Act alleging neglect for failure to provide education as required by law under subsection (1) of Section 2-3, proof that a minor under 13 years of age who is subject to compulsory school attendance under the School Code is a chronic truant as defined under the School Code shall be prima facie evidence of neglect by the parent or guardian in any hearing under this Act and proof that a minor who is 13 years of age or older who is subject to compulsory school attendance under the School Code is a chronic truant shall raise a rebuttable presumption of neglect by the parent or guardian. This subsection (5) shall not apply in counties with 2,000,000 or more inhabitants.

(6) In any hearing under this Act, the court may take judicial notice of prior sworn testimony or evidence admitted in prior proceedings involving the same minor if (a) the parties were either represented by counsel at such prior proceedings or the right to counsel was knowingly waived and (b) the taking of judicial notice would not result in admitting hearsay evidence at a hearing where it would otherwise be prohibited.

AMENDMENT NO. 4. Amend House Bill 248, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The Juvenile Court Act of 1987 is amended by changing Sections 2-10 and 2-18 as follows:  
(705 ILCS 405/2-10) (from Ch. 37, par. 802-10)

Sec. 2-10. Temporary custody hearing. At the appearance of the minor before the court at the temporary custody hearing, all witnesses present shall be examined before the court in relation to any matter connected with the allegations made in the petition.

(1) If the court finds that there is not probable cause to believe that the minor is abused, neglected or dependent it shall release the minor and dismiss the petition.

(2) If the court finds that there is probable cause to believe that the minor is abused, neglected or dependent, the court shall state in writing the factual basis supporting its finding and the minor, his or her parent, guardian, custodian and other persons able to give relevant testimony shall be examined before the court. The Department of Children and Family Services shall give testimony concerning indicated reports of abuse and neglect, of which they are aware of through the central registry, involving the minor's parent, guardian or custodian. After such testimony, the court may, consistent with the health, safety and best interests of the minor, enter an order that the minor shall be released upon the request of parent, guardian or custodian if the parent, guardian or custodian appears to take custody. Custodian shall include any agency of the State which has been given custody or wardship of the child. If it is consistent with the health, safety and best interests of the minor, the court may also prescribe shelter care and order that the minor be kept in a suitable place designated by the court or in a shelter care facility designated by the Department of Children and Family Services or a licensed child welfare agency; however, a minor charged with a criminal offense under the Criminal Code of 1961 or adjudicated delinquent shall not be placed in the custody of or committed to the Department of Children and Family Services by any court, except a minor less than 13 years of age and committed to the Department of Children and Family Services under Section 5-710 of this Act or a minor for whom an independent basis of abuse, neglect, or dependency exists, which must be defined by departmental rule. In placing the minor, the Department or other agency shall, to the extent compatible with the court's order, comply with Section 7 of the Children and Family Services Act. In determining the health, safety and best interests of the minor to prescribe shelter care, the court must find that it is a matter of immediate and urgent necessity for the safety and protection of the minor or of the person or property of another that the minor be placed in a shelter care facility or that he or she is likely to flee the jurisdiction of the court, and must further find that reasonable efforts have been made or that, consistent with the health, safety and best interests of the minor, no efforts reasonably can be made to prevent or eliminate the necessity of removal of the minor from his or her home. The court shall require documentation from the Department of Children and Family Services as to the reasonable efforts that were made to prevent or eliminate the necessity of removal of the minor from his or her home or the reasons why no efforts reasonably could be made to prevent or eliminate the necessity of removal. When a minor is placed in the home of a relative, the Department of Children and Family Services shall complete a preliminary background review of the members of the minor's custodian's household in accordance with Section 4.3 of the Child Care Act of 1969 within 90 days of that placement. If the minor is ordered placed in a shelter care facility of the Department of Children and Family Services or a licensed child welfare agency, the court shall, upon request of the appropriate Department or other agency, appoint the Department of Children and Family Services Guardianship Administrator or other appropriate agency executive temporary custodian of the minor and the court may enter such other orders related to the temporary custody as it deems fit and proper, including the provision of services to the minor or his family to ameliorate the causes contributing to the finding of probable cause or to the finding of the existence of immediate and urgent necessity. Acceptance of services shall not be considered an admission of any allegation in a petition made pursuant to this Act, nor may a referral of services be considered as evidence in any proceeding pursuant to this Act, except where the issue is whether the Department has made reasonable efforts to reunite the family. In making its findings that it is consistent with the health, safety and best interests of the minor to prescribe shelter care, the court shall state in writing (i) the factual basis supporting its findings concerning the immediate and urgent necessity for the protection of the minor or of the person or property of another and (ii) the factual basis supporting its findings that reasonable efforts were made to prevent or eliminate the removal of the minor from his or her home or that no efforts reasonably could be made to prevent or eliminate the removal of the minor from his or her home. The parents, guardian, custodian, temporary custodian and minor shall each be furnished a copy of such written

findings. The temporary custodian shall maintain a copy of the court order and written findings in the case record for the child. The order together with the court's findings of fact in support thereof shall be entered of record in the court.

If the Department of Children and Family Services Guardianship Administrator is appointed the executive temporary custodian of a minor, the Department has the authority to authorize appropriate physical and mental health evaluations of the minor and any emergency medical treatment or surgical procedure the minor may require unless otherwise ordered by the court. "Emergency medical treatment or surgical procedure" means immediate ordinary or major measures necessary to preserve the life, health, or physical well-being of the patient. The minor's parents retain their rights to make all other medical decisions and all education decisions relating to the minor, unless the court finds that the parents' retention of these rights is not in the minor's best interests.

Once the court finds that it is a matter of immediate and urgent necessity for the protection of the minor that the minor be placed in a shelter care facility, the minor shall not be returned to the parent, custodian or guardian until the court finds that such placement is no longer necessary for the protection of the minor.

If the child is placed in the temporary custody of the Department of Children and Family Services for his or her protection, the court shall admonish the parents, guardian, custodian or responsible relative that the parents must cooperate with the Department of Children and Family Services, comply with the terms of the service plans, and correct the conditions which require the child to be in care, or risk termination of their parental rights.

(3) If prior to the shelter care hearing for a minor described in Sections 2-3, 2-4, 3-3 and 4-3 the moving party is unable to serve notice on the party respondent, the shelter care hearing may proceed ex-parte. A shelter care order from an ex-parte hearing shall be endorsed with the date and hour of issuance and shall be filed with the clerk's office and entered of record. The order shall expire after 10 days from the time it is issued unless before its expiration it is renewed, at a hearing upon appearance of the party respondent, or upon an affidavit of the moving party as to all diligent efforts to notify the party respondent by notice as herein prescribed. The notice prescribed shall be in writing and shall be personally delivered to the minor or the minor's attorney and to the last known address of the other person or persons entitled to notice. The notice shall also state the nature of the allegations, the nature of the order sought by the State, including whether temporary custody is sought, and the consequences of failure to appear and shall contain a notice that the parties will not be entitled to further written notices or publication notices of proceedings in this case, including the filing of an amended petition or a motion to terminate parental rights, except as required by Supreme Court Rule 11; and shall explain the right of the parties and the procedures to vacate or modify a shelter care order as provided in this Section. The notice for a shelter care hearing shall be substantially as follows:

NOTICE TO PARENTS AND CHILDREN  
OF SHELTER CARE HEARING

On ..... at ....., before the Honorable ....., (address:)  
....., the State of Illinois will present evidence (1) that (name of child or children) .....  
are abused, neglected or dependent for the following reasons:  
..... and (2) that there is "immediate and urgent  
necessity" to remove the child or children from the responsible relative.

**YOUR FAILURE TO APPEAR AT THE HEARING MAY RESULT IN PLACEMENT of the child or children**  
in foster care until a trial can be held. A trial may not be held for up to 90 days. You will not be entitled to further notices of proceedings in this case, including the filing of an amended petition or a motion to terminate parental rights.

At the shelter care hearing, parents have the following rights:

1. To ask the court to appoint a lawyer if they cannot afford one.
2. To ask the court to continue the hearing to allow them time to prepare.
3. To present evidence concerning:
  - a. Whether or not the child or children were abused, neglected or dependent.
  - b. Whether or not there is "immediate and urgent necessity" to remove the child from home (including: their ability to care for the child, conditions in the home, alternative means of protecting the child other than removal).
  - c. The best interests of the child.
4. To cross examine the State's witnesses.

The Notice for rehearings shall be substantially as follows:

NOTICE OF PARENT'S AND CHILDREN'S RIGHTS  
TO REHEARING ON TEMPORARY CUSTODY

If you were not present at and did not have adequate notice of the Shelter Care Hearing at which temporary custody of ..... was awarded to ....., you have the right to request a full rehearing on whether the State should have temporary custody of ....., To request this rehearing, you must file with the Clerk of the Juvenile Court (address): ....., in person or by mailing a statement (affidavit) setting forth the following:

1. That you were not present at the shelter care hearing.
2. That you did not get adequate notice (explaining how the notice was inadequate).
3. Your signature.
4. Signature must be notarized.

The rehearing should be scheduled within 48 hours of your filing this affidavit.

At the rehearing, your rights are the same as at the initial shelter care hearing. The enclosed notice explains those rights.

At the Shelter Care Hearing, children have the following rights:

1. To have a guardian ad litem appointed.
2. To be declared competent as a witness and to present testimony concerning:
  - a. Whether they are abused, neglected or dependent.
  - b. Whether there is "immediate and urgent necessity" to be removed from home.
  - c. Their best interests.
3. To cross examine witnesses for other parties.
4. To obtain an explanation of any proceedings and orders of the court.

(4) If the parent, guardian, legal custodian, responsible relative, minor age 8 or over, or counsel of the minor did not have actual notice of or was not present at the shelter care hearing, he or she may file an affidavit setting forth these facts, and the clerk shall set the matter for rehearing not later than 48 hours, excluding Sundays and legal holidays, after the filing of the affidavit. At the rehearing, the court shall proceed in the same manner as upon the original hearing.

(5) Only when there is reasonable cause to believe that the minor taken into custody is a person described in subsection (3) of Section 5-105 may the minor be kept or detained in a detention home or county or municipal jail. This Section shall in no way be construed to limit subsection (6).

(6) No minor under 16 years of age may be confined in a jail or place ordinarily used for the confinement of prisoners in a police station. Minors under 17 years of age must be kept separate from confined adults and may not at any time be kept in the same cell, room, or yard with adults confined pursuant to the criminal law.

(7) If the minor is not brought before a judicial officer within the time period as specified in Section 2-9, the minor must immediately be released from custody.

(8) If neither the parent, guardian or custodian appears within 24 hours to take custody of a minor released upon request pursuant to subsection (2) of this Section, then the clerk of the court shall set the matter for rehearing not later than 7 days after the original order and shall issue a summons directed to the parent, guardian or custodian to appear. At the same time the probation department shall prepare a report on the minor. If a parent, guardian or custodian does not appear at such rehearing, the judge may enter an order prescribing that the minor be kept in a suitable place designated by the Department of Children and Family Services or a licensed child welfare agency.

(9) Notwithstanding any other provision of this Section any interested party, including the State, the temporary custodian, an agency providing services to the minor or family under a service plan pursuant to Section 8.2 of the Abused and Neglected Child Reporting Act, foster parent, or any of their representatives, on notice to all parties entitled to notice, may file a motion that it is in the best interests of the minor to modify or vacate a temporary custody order on any of the following grounds:

(a) It is no longer a matter of immediate and urgent necessity that the minor remain in shelter care; or

(b) There is a material change in the circumstances of the natural family from which the minor was removed and the child can be cared for at home without endangering the child's health or safety; or

(c) A person not a party to the alleged abuse, neglect or dependency, including a parent, relative or legal guardian, is capable of assuming temporary custody of the minor; or

(d) Services provided by the Department of Children and Family Services or a child welfare agency or other service provider have been successful in eliminating the need for temporary

custody and the child can be cared for at home without endangering the child's health or safety.

In ruling on the motion, the court shall determine whether it is consistent with the health, safety and best interests of the minor to modify or vacate a temporary custody order.

The clerk shall set the matter for hearing not later than 14 days after such motion is filed. In the event that the court modifies or vacates a temporary custody order but does not vacate its finding of probable cause, the court may order that appropriate services be continued or initiated in behalf of the minor and his or her family.

(10) When the court finds or has found that there is probable cause to believe a minor is an abused minor as described in subsection (2) of Section 2-3 and that there is an immediate and urgent necessity for the abused minor to be placed in shelter care, immediate and urgent necessity shall be presumed for any other minor residing in the same household as the abused minor provided:

(a) Such other minor is the subject of an abuse or neglect petition pending before the court; and

(b) A party to the petition is seeking shelter care for such other minor.

Once the presumption of immediate and urgent necessity has been raised, the burden of demonstrating the lack of immediate and urgent necessity shall be on any party that is opposing shelter care for the other minor.

(705 ILCS 405/2-18) (from Ch. 37, par. 802-18)

Sec. 2-18. Evidence.

(1) At the adjudicatory hearing, the court shall first consider only the question whether the minor is abused, neglected or dependent. The standard of proof and the rules of evidence in the nature of civil proceedings in this State are applicable to proceedings under this Article. If the petition also seeks the appointment of a guardian of the person with power to consent to adoption of the minor under Section 2-29, the court may also consider legally admissible evidence at the adjudicatory hearing that one or more grounds of unfitness exists under subdivision D of Section 1 of the Adoption Act.

(2) In any hearing under this Act, the following shall constitute prima facie evidence of abuse or neglect, as the case may be:

(a) proof that a minor has a medical diagnosis of battered child syndrome is prima facie evidence of abuse;

(b) proof that a minor has a medical diagnosis of failure to thrive syndrome is prima facie evidence of neglect;

(c) proof that a minor has a medical diagnosis of fetal alcohol syndrome is prima facie evidence of neglect;

(d) proof that a minor has a medical diagnosis at birth of withdrawal symptoms from narcotics or barbiturates is prima facie evidence of neglect;

(e) proof of injuries sustained by a minor or of the condition of a minor of such a nature as would ordinarily not be sustained or exist except by reason of the acts or omissions of the parent, custodian or guardian of such minor shall be prima facie evidence of abuse or neglect, as the case may be;

(f) proof that a parent, custodian or guardian of a minor repeatedly used a drug, to the extent that it has or would ordinarily have the effect of producing in the user a substantial state of stupor, unconsciousness, intoxication, hallucination, disorientation or incompetence, or a substantial impairment of judgment, or a substantial manifestation of irrationality, shall be prima facie evidence of neglect;

(g) proof that a parent, custodian, or guardian of a minor repeatedly used a controlled substance, as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act, in the presence of the minor or a sibling of the minor is prima facie evidence of neglect. "Repeated use", for the purpose of this subsection, means more than one use of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act;

(h) proof that a newborn infant's blood, urine, or meconium contains any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act, or a metabolite of a controlled substance, with the exception of controlled substances or metabolites of those substances, the presence of which is the result of medical treatment administered to the mother or the newborn, is prima facie evidence of neglect;

(i) proof that a minor was present in a structure or vehicle in which the minor's

parent, custodian, or guardian was involved in the manufacture of methamphetamine constitutes prima facie evidence of abuse and neglect.

(3) In any hearing under this Act, proof of the abuse, neglect or dependency of one minor shall be admissible evidence on the issue of the abuse, neglect or dependency of any other minor for whom the respondent is responsible.

(4) (a) Any writing, record, photograph or x-ray of any hospital or public or private agency, whether in the form of an entry in a book or otherwise, made as a memorandum or record of any condition, act, transaction, occurrence or event relating to a minor in an abuse, neglect or dependency proceeding, shall be admissible in evidence as proof of that condition, act, transaction, occurrence or event, if the court finds that the document was made in the regular course of the business of the hospital or agency and that it was in the regular course of such business to make it, at the time of the act, transaction, occurrence or event, or within a reasonable time thereafter.

(a-5) In unfitnes proceedings under Section 2-29 of this Act, if documents, assessments, and evaluations are directly used to prove an unfitnes ground as alleged in the petition, and a party objects to the introduction of the documents into evidence, the author of those documents shall testify, if available, as to the recommendations and findings. If the author is unavailable, the documents are admissible without such testimony. The court shall determine the proper weight accorded to the documents.

(a-10) In unfitnes proceedings under Section 2-29 of this Act, if documents, assessments, and evaluations are used at the best interest portion, relating to parent-child bonding, and a party objects to the introduction of the documents into evidence, the author of those documents shall testify, if available, as to the recommendations and findings. If the author is unavailable, the documents are admissible without such testimony. The court shall determine the proper weight accorded to the documents.

(a-15) For purposes of paragraphs (a-5) and (a-10) of this subsection (4), "unavailable" means: the author is absent from the hearing and the party wishing to introduce the document has been unable to procure the author's attendance by process or other reasonable means; or the author persists in refusing to testify concerning the document despite an order of the court to do so; or the author is unable to be present or to testify at the hearing because of health, or then-existing physical or mental illness or infirmity, or death.

(a-20) A certification by the head or responsible employee of the hospital or agency that the writing, record, photograph or x-ray is the full and complete record of the condition, act, transaction, occurrence or event and that it satisfies the conditions of this paragraph shall be prima facie evidence of the facts contained in such certification. A certification by someone other than the head of the hospital or agency shall be accompanied by a photocopy of a delegation of authority signed by both the head of the hospital or agency and by such other employee. All other circumstances of the making of the memorandum, record, photograph or x-ray, including lack of personal knowledge of the maker, may be proved to affect the weight to be accorded such evidence, but shall not affect its admissibility.

(b) Any indicated report filed pursuant to the Abused and Neglected Child Reporting Act shall be admissible in evidence.

(c) Previous statements made by the minor relating to any allegations of abuse or neglect shall be admissible in evidence. However, no such statement, if uncorroborated and not subject to cross-examination, shall be sufficient in itself to support a finding of abuse or neglect.

(d) There shall be a rebuttable presumption that a minor is competent to testify in abuse or neglect proceedings. The court shall determine how much weight to give to the minor's testimony, and may allow the minor to testify in chambers with only the court, the court reporter and attorneys for the parties present.

(e) The privileged character of communication between any professional person and patient or client, except privilege between attorney and client, shall not apply to proceedings subject to this Article.

(f) Proof of the impairment of emotional health or impairment of mental or emotional condition as a result of the failure of the respondent to exercise a minimum degree of care toward a minor may include competent opinion or expert testimony, and may include proof that such impairment lessened during a period when the minor was in the care, custody or supervision of a person or agency other than the respondent.

(5) In any hearing under this Act alleging neglect for failure to provide education as required by law under subsection (1) of Section 2-3, proof that a minor under 13 years of age who is subject to compulsory school attendance under the School Code is a chronic truant as defined under the School Code shall be prima facie evidence of neglect by the parent or guardian in any hearing under this Act and proof that a minor who is 13 years of age or older who is subject to compulsory school attendance under the School Code is a chronic truant shall raise a rebuttable presumption of neglect by the parent or guardian. This subsection (5) shall not apply in counties with 2,000,000 or more inhabitants.

(6) In any hearing under this Act, the court may take judicial notice of prior sworn testimony or evidence admitted in prior proceedings involving the same minor if (a) the parties were either represented by counsel at such prior proceedings or the right to counsel was knowingly waived and (b) the taking of judicial notice would not result in admitting hearsay evidence at a hearing where it would otherwise be prohibited.
