RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that there is created the Fire Protection Services Task Force consisting of 9 members as follows: (i) one member appointed by the Governor, (ii) one member appointed by the Northern Illinois Alliance of Fire Protection Districts, (iii) one member appointed by the Illinois Association of Fire Protection Districts, (iv) one member appointed by the Illinois Fire Chiefs Association, (v) one member appointed by the State Fire Marshal, and (vi) 4 members appointed by the Illinois Legislative Fire Caucus; and be it further

RESOLVED, That the Task Force shall dissolve upon reporting to the Governor and the General Assembly.

HOUSE JOINT RESOLUTION 105

Offered by Representative Joseph Lyons:

WHEREAS, The Older Adult Services Act, which was passed by the General Assembly and approved by the Governor in 2004, provides a planning mechanism for the overhaul of the State's long term care system; and

WHEREAS, The establishment of a statewide enhanced comprehensive care coordination system is a critical first step in the overhaul of the long term services and care systems as recommended in the Older Adult Services Report submitted in January 2006; and

WHEREAS, Older adults and their families need the ability to make informed choices about services to meet their needs in the areas of physical health, function, mental health, home environment, finance, and social and informal supports; and

WHEREAS, Key components are a standardized statewide comprehensive assessment, care coordination, client follow-up, flexible hours, and enhanced training; and

WHEREAS, Comprehensive assessment and ongoing care coordination assists older adults in identifying these holistic needs, provides them with information on and access to the services to meet those needs, and results in comprehensive care plans for their specific needs, thereby allowing older adults to remain as independent as possible for as long as possible; and

WHEREAS, The purpose of a comprehensive assessment is to gather a complete picture of the older adult's needs and strengths so that a care plan is developed that helps the older adult and his or her family to problem-solve, make informed choices, and remain as independent as possible; and

WHEREAS, The comprehensive assessment process will include a face to face interview in the client's home that identifies needs in new areas: physical health, mental health, environment, and social and informal supports, in addition to functional and financial information; and

WHEREAS, Once fully operational, the comprehensive care coordination system would be backed up by a full array of home and community based services; and

WHEREAS, The design of the enhanced care coordination system would build upon the strengths and experiences of the different case management structures currently operating in Illinois and promising practices identified in other states; and

WHEREAS, Unmet service needs would be collected to assist in the identification of priority service areas as defined in the Older Adult Services Act and the development of new services; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we do declare that it is in the best interest of the older adults of Illinois and their family caregivers that the existing case management system be transformed into an enhanced comprehensive care coordination system; and be it further

RESOLVED, That such an overhaul shall build on the strengths and experience of the current case management system, transforming the process from simply eligibility determination to one that is holistic, client-focused, and consumer-directed and that produces customized care plans; and be it further

RESOLVED, That a copy of this resolution be delivered to Governor Rod Blagojevich.
