HOUSE RESOLUTION

The following resolution was offered and placed in the Committee on Rules.

HOUSE RESOLUTION 3

Offered by Representative Granberg:

WHEREAS, Article XIII, Section 5 of the Illinois Constitution of 1970 requires the State to provide pension benefits to members of State-sponsored retirement systems; and

WHEREAS, The State of Illinois supports five retirement plans on behalf of State employees, university employees, teachers, judges, and members of the Illinois General Assembly; and

WHEREAS, It is the State's responsibility to provide adequate funding to support State pension liabilities so that future generations are not held responsible for current expenses; and

WHEREAS, Deferrals of the State's obligations to its annuitants contributed to an unfunded pension liability in State-sponsored systems of \$19 billion in 1995 to \$43 billion in 2003, resulting in a funded ratio of 48% in 2003, the worst funded ratio of any of the fifty States and significantly under-funded in comparison to the national average of 91.1% among 101 public retirement systems according to the 2003 Public Fund Survey conducted by the National Association of State Retirement Administrators; and

WHEREAS, Because of this crisis, unless changes are made, commitments to State employees will become a significant burden on future generations; and

WHEREAS, Annuitants of the State's benefit systems rely on the security provided by pension benefits to meet their daily necessities, including food, housing, and healthcare; and fairness requires that Illinois keep its obligations and commitments to those who have earned it and will work for it in the future; and

WHEREAS, Over the next three years, in order to meet the statutory funding formula, the State will be required to increase annual contributions to the pension systems and debt service on outstanding pension obligation bonds, reducing available State resources to fund growth in other core services provided by the State, such as education and health care, to less than \$200 million (or less than 1% growth) of natural revenue growth per year; and

WHEREAS, Further deferrals of the State's pension liabilities will force future generations to pay billions in additional interest on the unfunded liabilities of the State between fiscal years 2008 and 2045; and

WHEREAS, Good government involves making hard choices; citizens and businesses in Illinois must make such choices; their government must meet the same standard; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the State's pension funding system is in a state of crisis, and that the State will continue to unnecessarily pay billions in interest costs alone if the unfunded pension liability does not receive an immediate and significant infusion of funding, the General Assembly is in

agreement that a solution to this crisis must be adopted prior to adjournment of 2007 Spring Session of the Ninety-Fifth General Assembly; this action is necessary to adequately secure existing pension obligations, reduce long-term interest costs on current obligations, more effectively manage State funding requirements, and ensure that future new revenues will not be consumed solely by escalating pension contributions; and be it further

RESOLVED, That the General Assembly shall enact any such additional protections necessary to ensure that no further State pension liabilities may be deferred to future generations of Illinois citizens.

At the hour of 1:15 o'clock p.m., Representative Currie moved that the House do now adjourn until Friday, July 13, 2007, at 10:00 o'clock a.m.

The motion prevailed.

And the First Special Session stood adjourned.
