MESSAGES FROM THE SENATE

A message from the Senate by
Ms. Shipley, Secretary:
Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has adopted the following Senate Joint Resolution, in the adoption of which I am instructed to ask the concurrence of the House of Representatives, to-wit:

SENATE JOINT RESOLUTION NO. 9

WHEREAS, Illinois now holds the distinction of being first in the nation in the number of people exonerated by DNA evidence in non-capital cases; and

WHEREAS, Illinois has made great strides in identifying and attempting to address the causes of wrongful convictions in capital cases, but has not extended systemic reforms to non-capital cases; and

WHEREAS, The incarceration of an innocent person not only works an injustice against that individual, but also harms society in that the real perpetrator of a crime remains free and able to commit additional criminal acts; and

WHEREAS, Wrongful convictions result in an erosion of public confidence in the judicial system; and

WHEREAS, The Appellate Courts review cases only for procedural error and do not provide a forum for presenting claims of actual innocence; and

WHEREAS, Defendants in non-capital cases do not have the right to counsel on post-conviction, that stage of proceedings in which new evidence supporting a claim of actual innocence can be presented, and therefore are unable to effectively present such a claim; and

WHEREAS, Defendants against whom the death penalty is not pursued, or for whom the death penalty has been taken off the table, do not have the resources available to adequately defend themselves; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that there is created the Illinois Justice Study Committee, hereinafter referred to as the Committee, consisting of 17 members, and appointed as follows:

and be it further

RESOLVED, That the appointed members shall be from diverse backgrounds so as to reflect the diverse citizenry of Illinois; and be it further

RESOLVED, That the Committee shall review all non-capital wrongful conviction cases that have been resolved as of the effective date of this resolution and which resulted from DNA testing; a pardon granted on the basis of actual innocence; and dismissal of charges or acquittals upon a retrial based on relief granted by either the Illinois Appellate or Supreme Courts, or the federal District, Court of Appeals, or United States Supreme Court; and be it further

RESOLVED, That the Committee shall review any other relevant material, identify the most common causes of wrongful convictions in non-capital cases, identify current laws, rules and procedures implicated in each type of causation, and identify solutions through research, experts, public hearing, and any other source the Committee deems appropriate; and be it further

RESOLVED, That the Committee shall consider rules, procedures, educational, and legislative reforms that can aid in eliminating future wrongful convictions; and be it further

RESOLVED, That the Committee shall consider whether the State of Illinois should put into place a procedure for addressing claims of factual innocence prior to appellate review of a conviction; and be it further

RESOLVED, That the Committee shall do a cost analysis of wrongful convictions; and be it further

RESOLVED, That the Committee shall elicit voluntary assistance from educational, legal, civic, and professional organizations and institutions as well as notable individuals; and be it further

SENATE JOINT RESOLUTION NO. 14

WHEREAS, There has been, and continues to be, a significant expansion in the volume of personal property sold through pawnbrokers, auction services, consignment sellers, and other resellers; and

WHEREAS, There has been, and continues to be, a similar increase in the volume of stolen personal property sold through pawnbrokers, auction services, consignment sellers, and other resellers; and

WHEREAS, Access by law enforcement to sales-related information generated by pawnbrokers, auction services, consignment sellers, and other resellers has always been an important tool in combating burglary, robbery, theft, and other crimes directed at personal property; and

WHEREAS, Recent advances in electronic data collection and compilation have greatly simplified both the reporting of sales-related information by pawnbrokers, auction services, consignment sellers, and other resellers; and

WHEREAS, These same advances have created opportunities for law enforcement to access sales-related information at increasingly shorter intervals after the date of sale; and

WHEREAS, Law enforcement agencies, pawnbrokers, auction services, consignment sellers, resellers, and information technology-related businesses in several states have created differing systems to provide law enforcement with timely access to sales-related information; therefore, be it

RESOLVED, That all members shall serve without compensation but shall be reimbursed for their reasonable and necessary expenses from funds appropriated for that purpose; and be it further

RESOLVED, That the Task Force shall study the various systems, technologies, and methods of operation for providing law enforcement with timely access to information relating to the sales of personal property by pawnbrokers, auction services, consignment sellers, and other resellers, and shall consult with such law enforcement agencies, pawnbrokers, auction services, consignment sellers, resellers, and other persons or entities as it may deem fit, including, but not limited to, providers of technology and services relating to the collection, compilation, storage, and access to such information; and be it further

RESOLVED, That on or before December 31, 2008, the Task Force shall report to the General Assembly concerning its recommendations regarding the systems and technologies, together with their usage and potential funding mechanisms and sources, to be implemented to create a state-wide system for the collection of nation-wide sales-related information by pawnbrokers, auction services, consignment sellers, and other resellers, and for the compilation, storage and timely access to such information by law enforcement and shall include proposed legislation to implement its recommendations, if needed; and be it further

WHEREAS, Libraries, library workers, and library supporters across America are celebrating National Library Workers Day sponsored by the American Library Association-Allied Professional Association (ALA-APA); therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Illinois House of Representatives proclaims April 17, 2007, as Library Workers Day in the State of Illinois and encourages Illinoisans to take advantage of the variety of library resources available, and we thank library workers for their exceptional contributions to American life.

HOUSE JOINT RESOLUTION 41

Offered by Representative Froehlich:

WHEREAS, Fetal Alcohol Spectrum Disorders (FASD) are the leading cause of mental retardation in western civilization, including the United States, and are 100% preventable; and

WHEREAS, The term FASD includes a broader range of conditions and therefore has replaced the term fetal alcohol syndrome as the umbrella term describing the range of effects that can occur in an individual whose mother consumed alcohol during pregnancy; and

WHEREAS, FASD are a major cause of numerous social disorders, including learning disabilities, school failure, juvenile delinquency, homelessness, unemployment, mental illness, and crime; and

WHEREAS, The incidence rate of fetal alcohol syndrome is estimated at one out of 500 live births and the incidence rate of fetal alcohol spectrum disorders is estimated at one out of every 100 live births; in Illinois, it is estimated that there are potentially 9,000 children born with FASD each year; and

WHEREAS, It is estimated that FASD alone can cost between one and 5 million dollars per child, not inclusive of societal costs associated with lost productivity, incarceration, and quality of life; and

WHEREAS, Learning and life skills affected by prenatal alcohol exposure vary among persons, depending on amount, timing, and pattern of exposure and on each person's current and past environments; as a result, services for people with FASD vary according to the parts of the brain that have been affected, the person's age or level of maturation, the health or functioning of the person's family, and the person's overall living environment; given the range of need, services must be individualized; and

WHEREAS, Children diagnosed with FASD consistently have lower IQs, have difficulty with behavior regulation, impulsivity, socialization, and poor judgment; and

WHEREAS, Early identification of the disability and proper school interventions can greatly increase the potential for success in school and in life; and

WHEREAS, Illinois does not currently have a statewide, coordinated response to FASD that includes data collection, educational services, and mental health services; and

WHEREAS, The estimated cost that each individual with fetal alcohol syndrome will cost taxpayers is significant; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we urge the Department of Human Services, in collaboration with the Departments of Children and Family Services, Healthcare and Family Services, Corrections, Financial Institutions and Professional Regulation, the Illinois State Board of Education, and the Illinois Planning Council on Developmental Disabilities to complete an assessment of existing State and federal assistance programs that includes the following: conducting public hearings across the State to gather testimony from parents, educators, healthcare providers, clinicians, mental health providers, FASD service providers, and others regarding what services they feel need to be in place in this State to serve this unique population of children and adults; and be it further

RESOLVED, That the Illinois Department of Human Services shall issue a report highlighting the findings of this Resolution's requirements and recommendations for improving Illinois' services to children, adults, and their families affected by FASD to the Governor and the General Assembly no later than

(625 ILCS 5/6-106) (from Ch. 95 1/2, par. 6-106)

Sec. 6-106. Application for license or instruction permit.

(a) Every application for any permit or license authorized to be issued under this Act shall be made upon a form furnished by the Secretary of State. Every application shall be accompanied by the proper fee and payment of such fee shall entitle the applicant to not more than 3 attempts to pass the examination within a period of 1 year after the date of application.

(b) Every application shall state the legal name, social security number, zip code, date of birth, sex, and residence address of the applicant; briefly describe the applicant; state whether the applicant has theretofore been licensed as a driver, and, if so, when and by what state or country, and whether any such license has ever been cancelled, suspended, revoked or refused, and, if so, the date and reason for such cancellation, suspension, revocation or refusal; shall include an affirmation by the applicant that all information set forth is true and correct; and shall bear the applicant's signature. The application form may also require the statement of such additional relevant information as the Secretary of State shall deem necessary to determine the applicant's competency and eligibility.

(b-1) The Secretary of State may in his discretion substitute a federal tax number in lieu of a social security number, or he may instead assign an additional distinctive number in lieu thereof, where an applicant is prohibited by bona fide religious convictions from applying or is exempt from applying for a social security number. The Secretary of State shall, however, determine which religious orders or sects have such bona fide religious convictions.

(b-2)(1) In compliance with the federal REAL ID Act, Division B of Public Law 109-13, the Secretary of State, on and after the effective date of this amendatory Act of the 95th General Assembly, shall issue to any Illinois resident who meets the requirements of this subsection (b-2) a driver's certificate that shall:

(A) clearly state on its face that it may not be accepted by any federal agency for any federal identification or other official purpose ("official purpose" being defined under Section 201 of the federal REAL ID Act); and

(B) use a unique design or color indicator that shall visually distinguish these certificates from driver's licenses and permits issued under the Illinois Vehicle Code so as to alert federal agency and other law enforcement personnel that these certificates may not be accepted for any federal identification or other official purpose.

(2) Any applicant for a driver's certificate issued under this subsection (b-2) must be at least 18 years of age and must:

(A) provide the Secretary with a valid individual tax identification number issued by the federal Internal Revenue Service or social security number issued by the federal Social Security Administration;

(B) provide a valid passport and any additional documents, as the Secretary may set forth by administrative rule, such that the passport and additional documents in combination shall include the following:

(i) a photo identity document, except that a non-photo identity document is acceptable if it includes both the person's full legal name and date of birth;

(ii) documentation showing the person's date of birth;

(iii) documentation showing the person's name and address of principal residence; provided that the Secretary shall not accept any foreign document, other than a valid official passport, for purposes of this

subparagraph; and provided further that the Secretary shall verify, in a manner and form prescribed by the Secretary in administrative rule, the issuance, validity, and completeness of each document presented by the applicant, to satisfy the requirements of this subdivision (b-2)(2)(B); and provided further that the Secretary has the right to reject any document presented by the applicant that cannot be verified; and

(C) file with the Secretary of State proof provided to the applicant by the Illinois State Police that a set of the applicant's fingerprints has been collected (costs associated with this fingerprinting shall be paid by the applicant at the time of collection); and

(D) surrender all false driver's licenses or State identification cards in the applicant's possession. The Secretary shall handle the surrender of these documents at the Secretary's discretion, provided that no applicant shall be subject to civil or criminal prosecution for the acquisition, possession, use, or distribution of these documents, and provided further that the Secretary shall destroy any relinquished documents within 24 hours of receipt and shall not maintain any records of those documents, except that this requirement does not apply if the Secretary of State can identify a bona fide law enforcement purpose for retaining such documents.

(3) The Secretary of State shall provide to the Illinois Department of Revenue all information, including the individual tax identification number, captured on the application. If the Illinois Department of Revenue determines that an individual to whom a driver's certificate was issued is not in compliance with any applicable tax laws administered by the Department of Revenue, the Department of Revenue shall request that the Secretary of State revoke the certificate.

(4) Any applicant for or the bearer of a driver's certificate issued under this subsection (b-2) shall be subject to any and all provisions of this Code and any and all implementing regulations issued by the Secretary of State to the same extent as any driver issued a driver's license, including but not limited to the mandatory insurance requirements and penalties set forth in Chapter 7, Article VI of this Code, unless otherwise specified in this subsection (b-2). To the extent that any driver is required by law to have a valid Illinois driver's license in order to purchase insurance to comply with the mandatory insurance provisions of this Code, a driver's certificate issued under this subsection (b-2) shall satisfy that requirement. Within 30 days of receiving a certificate, the driver shall provide to the Secretary of State, in a manner and form prescribed by the Secretary, proof of liability insurance coverage for the driver and for any and all vehicles to which the driver has title of ownership; if the driver fails to provide that proof within 30 days, the Secretary is authorized to suspend the certificate until the driver provides that proof.

(5) A person denied a driver's certificate under this subsection (b-2) may seek review under the Administrative Review Law. This amendatory Act of the 95th General Assembly does not affect the issuance of any commercial driver's license or school bus driver's permit under the Illinois Vehicle Code or any State identification card under the Illinois Identification Card Act. A driver's certificate issued under this subsection (b-2) may not be used to obtain a Firearm Owner's Identification Card and may not be used to obtain a driver's license in another state.

(6) The Secretary of State may provide, in his or her discretion, by rule that an application for a driver's certificate under this subsection (b-2) may include a suitable photograph of the applicant in the form prescribed by the Secretary, and the Secretary of State shall further provide that each driver's certificate shall include a photograph of the driver. The Secretary of State shall utilize a photographic process or system most suitable to deter alteration or improper reproduction of a driver's certificate issued under this subsection (b-2) and to prevent substitution of another photo on the certificate.

(b-3) Subsection (b-2) becomes inoperative 5 years after the effective date of this amendatory Act of the 95th General Assembly; however, any document issued under subsection (b-2) shall remain valid until the date set forth on the document by the Secretary of State.

(b-4) The Secretary of State may, in his discretion, by rule or regulation, provide that an application for a drivers license or permit may include a suitable photograph of the applicant in the form prescribed by the Secretary, and he may further provide that each drivers license shall include a photograph of the driver. The Secretary of State may utilize a photograph process or system most suitable to deter alteration or improper reproduction of a drivers license and to prevent substitution of another photo thereon.

(c) The application form shall include a notice to the applicant of the registration obligations of sex offenders under the Sex Offender Registration Act. The notice shall be provided in a form and manner prescribed by the Secretary of State. For purposes of this subsection (c), "sex offender" has the meaning ascribed to it in Section 2 of the Sex Offender Registration Act.

(d) Any male United States citizen or immigrant who applies for any permit or license authorized to be issued under this Act or for a renewal of any permit or license, and who is at least 18 years of age but less than 26 years of age, must be registered in compliance with the requirements of the federal Military

Selective Service Act. The Secretary of State must forward in an electronic format the necessary personal information regarding the applicants identified in this subsection (d) to the Selective Service System. The applicant's signature on the application serves as an indication that the applicant either has already registered with the Selective Service System or that he is authorizing the Secretary to forward to the Selective Service System the necessary information for registration. The Secretary must notify the applicant at the time of application that his signature constitutes consent to registration with the Selective Service System, if he is not already registered.

(625 ILCS 5/6-205) (from Ch. 95 1/2, par. 6-205)

Sec. 6-205. Mandatory revocation of license or permit; Hardship cases.

(a) Except as provided in this Section, the Secretary of State shall immediately revoke the license, permit, or driving privileges of any driver upon receiving a report of the driver's conviction of any of the following offenses:

(a-5) The Secretary of State shall immediately revoke the driver's certificate issued under subdivision (b-2)(1) of Section 6-106 of this Code, upon notification from the Illinois Department of Revenue that the holder of the driver's certificate is not in compliance with any applicable tax laws administered by the Department of Revenue.

1. Reckless homicide resulting from the operation of a motor vehicle;
 2. Violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination thereof;
 3. Any felony under the laws of any State or the federal government in the commission of which a motor vehicle was used;
 4. Violation of Section 11-401 of this Code relating to the offense of leaving the scene of a traffic accident involving death or personal injury;
 5. Perjury or the making of a false affidavit or statement under oath to the Secretary of State under this Code or under any other law relating to the ownership or operation of motor vehicles;
 6. Conviction upon 3 charges of violation of Section 11-503 of this Code relating to the offense of reckless driving committed within a period of 12 months;
 7. Conviction of any offense defined in Section 4-102 of this Code;
 8. Violation of Section 11-504 of this Code relating to the offense of drag racing;
 9. Violation of Chapters 8 and 9 of this Code;
 10. Violation of Section 12-5 of the Criminal Code of 1961 arising from the use of a motor vehicle;
 11. Violation of Section 11-204.1 of this Code relating to aggravated fleeing or attempting to elude a peace officer;
 12. Violation of paragraph (1) of subsection (b) of Section 6-507, or a similar law of any other state, relating to the unlawful operation of a commercial motor vehicle;
 13. Violation of paragraph (a) of Section 11-502 of this Code or a similar provision of a local ordinance if the driver has been previously convicted of a violation of that Section or a similar provision of a local ordinance and the driver was less than 21 years of age at the time of the offense.
- (b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

1. Of any minor upon receiving the notice provided for in Section 5-901 of the Juvenile Court Act of 1987 that the minor has been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;
2. Of any person when any other law of this State requires either the revocation or suspension of a license or permit.

(c) Whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is made by the court may, upon application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow transportation for the petitioner or a household member of the petitioner's family for the receipt of necessary medical care or, if the professional evaluation indicates, provide transportation for the petitioner for alcohol remedial or rehabilitative activity, or for the petitioner to attend classes, as a student, in an accredited educational institution; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship would result from a failure to issue the restricted driving permit.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's

employer. In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination thereof, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(d) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may issue the applicant a license, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each, until the applicant attains 21 years of age.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The revocation periods contained in this subparagraph shall apply to similar out-of-state convictions.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by an individual who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system.

(i) The Secretary of State may not issue a restricted driving permit for a period of one year after a second

or subsequent revocation of driving privileges under clause (a)(2) of this Section; however, one year after the date of a second or subsequent revocation of driving privileges under clause (a)(2) of this Section, the Secretary of State may, upon application, issue a restricted driving permit under the terms and conditions of subsection (c).

(j) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked under any provisions of this Code.

(D) surrender all false driver's licenses or State identification cards in the applicant's possession. The Secretary shall handle the surrender of these documents at the Secretary's discretion, provided that no applicant shall be subject to civil or criminal prosecution for the acquisition, possession, use, or distribution of these documents, and provided further that the Secretary shall destroy any relinquished documents within 24 hours of receipt and shall not maintain any records of those documents, except that this requirement does not apply if the Secretary of State can identify a bona fide law enforcement purpose for retaining such documents.

(3) The Secretary of State shall provide to the Illinois Department of Revenue all information, including the individual tax identification number, captured on the application. If the Illinois Department of Revenue determines that an individual to whom a driver's certificate was issued is not in compliance with any applicable tax laws administered by the Department of Revenue, the Department of Revenue shall request that the Secretary of State revoke the certificate.

(4) Any applicant for or the bearer of a driver's certificate issued under this subsection (b-2) shall be subject to any and all provisions of this Code and any and all implementing regulations issued by the Secretary of State to the same extent as any driver issued a driver's license, including but not limited to the mandatory insurance requirements and penalties set forth in Chapter 7, Article VI of this Code, unless otherwise specified in this subsection (b-2). To the extent that any driver is required by law to have a valid Illinois driver's license in order to purchase insurance to comply with the mandatory insurance provisions of this Code, a driver's certificate issued under this subsection (b-2) shall satisfy that requirement. Within 30 days of receiving a certificate, the driver shall provide to the Secretary of State, in a manner and form prescribed by the Secretary, proof of liability insurance coverage for the driver and for any and all vehicles to which the driver has title of ownership; if the driver fails to provide that proof within 30 days, the Secretary is authorized to suspend the certificate until the driver provides that proof.

(5) A person denied a driver's certificate under this subsection (b-2) may seek review under the Administrative Review Law. This amendatory Act of the 95th General Assembly does not affect the issuance of any commercial driver's license or school bus driver's permit under the Illinois Vehicle Code or any State identification card under the Illinois Identification Card Act. A driver's certificate issued under this subsection (b-2) may not be used to obtain a Firearm Owner's Identification Card and may not be used to obtain a driver's license in another state.

(6) The Secretary of State may provide, in his or her discretion, by rule that an application for a driver's certificate under this subsection (b-2) may include a suitable photograph of the applicant in the form prescribed by the Secretary, and the Secretary of State shall further provide that each driver's certificate shall include a photograph of the driver. The Secretary of State shall utilize a photographic process or system most suitable to deter alteration or improper reproduction of a driver's certificate issued under this subsection (b-2) and to prevent substitution of another photo on the certificate.

(b-3) Subsection (b-2) becomes inoperative 5 years after the effective date of this amendatory Act of the 95th General Assembly; however, any document issued under subsection (b-2) shall remain valid until the date set forth on the document by the Secretary of State.

(b-4) The Secretary of State may, in his discretion, by rule or regulation, provide that an application for a drivers license or permit may include a suitable photograph of the applicant in the form prescribed by the Secretary, and he may further provide that each drivers license shall include a photograph of the driver. The Secretary of State may utilize a photograph process or system most suitable to deter alteration or improper reproduction of a drivers license and to prevent substitution of another photo thereon.

(c) The application form shall include a notice to the applicant of the registration obligations of sex offenders under the Sex Offender Registration Act. The notice shall be provided in a form and manner prescribed by the Secretary of State. For purposes of this subsection (c), "sex offender" has the meaning ascribed to it in Section 2 of the Sex Offender Registration Act.

(d) Any male United States citizen or immigrant who applies for any permit or license authorized to be issued under this Act or for a renewal of any permit or license, and who is at least 18 years of age but less than 26 years of age, must be registered in compliance with the requirements of the federal Military Selective Service Act. The Secretary of State must forward in an electronic format the necessary personal information regarding the applicants identified in this subsection (d) to the Selective Service System. The applicant's signature on the application serves as an indication that the applicant either has already registered with the Selective Service System or that he is authorizing the Secretary to forward to the Selective Service System the necessary information for registration. The Secretary must notify the applicant at the time of application that his signature constitutes consent to registration with the Selective Service System, if he is not already registered.

(625 ILCS 5/6-205) (from Ch. 95 1/2, par. 6-205)

Sec. 6-205. Mandatory revocation of license or permit; Hardship cases.

(a) Except as provided in this Section, the Secretary of State shall immediately revoke the license, permit, or driving privileges of any driver upon receiving a report of the driver's conviction of any of the following offenses:

(a-5) The Secretary of State shall immediately revoke the driver's certificate issued under subdivision (b-2(1) of Section 6-106 of this Code, upon notification from the Illinois Department of Revenue that the holder of the driver's certificate is not in compliance with any applicable tax laws administered by the Department of Revenue.

1. Reckless homicide resulting from the operation of a motor vehicle;
2. Violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination thereof;
3. Any felony under the laws of any State or the federal government in the commission of which a motor vehicle was used;
4. Violation of Section 11-401 of this Code relating to the offense of leaving the scene of a traffic accident involving death or personal injury;
5. Perjury or the making of a false affidavit or statement under oath to the Secretary of State under this Code or under any other law relating to the ownership or operation of motor vehicles;
6. Conviction upon 3 charges of violation of Section 11-503 of this Code relating to the offense of reckless driving committed within a period of 12 months;
7. Conviction of any offense defined in Section 4-102 of this Code;
8. Violation of Section 11-504 of this Code relating to the offense of drag racing;
9. Violation of Chapters 8 and 9 of this Code;
10. Violation of Section 12-5 of the Criminal Code of 1961 arising from the use of a motor vehicle;
11. Violation of Section 11-204.1 of this Code relating to aggravated fleeing or attempting to elude a peace officer;

12. Violation of paragraph (1) of subsection (b) of Section 6-507, or a similar law of any other state, relating to the unlawful operation of a commercial motor vehicle;

13. Violation of paragraph (a) of Section 11-502 of this Code or a similar provision of a local ordinance if the driver has been previously convicted of a violation of that Section or a similar provision of a local ordinance and the driver was less than 21 years of age at the time of the offense.

(b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

1. Of any minor upon receiving the notice provided for in Section 5-901 of the Juvenile Court Act of 1987 that the minor has been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;

2. Of any person when any other law of this State requires either the revocation or suspension of a license or permit.

(c) Whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is made by the court may, upon application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow transportation for the petitioner or a household member of the petitioner's family for the receipt of necessary medical care or, if the professional evaluation indicates, provide transportation for the petitioner for alcohol remedial or rehabilitative activity, or for the petitioner to attend classes, as a student, in an accredited educational institution; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship would result from a failure to issue the restricted driving permit.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination thereof, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(d) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance, the Secretary of State shall revoke the driving privileges of that person. One

year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may issue the applicant a license, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each, until the applicant attains 21 years of age.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The revocation periods contained in this subparagraph shall apply to similar out-of-state convictions.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by an individual who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system.

(i) The Secretary of State may not issue a restricted driving permit for a period of one year after a second or subsequent revocation of driving privileges under clause (a)(2) of this Section; however, one year after the date of a second or subsequent revocation of driving privileges under clause (a)(2) of this Section, the Secretary of State may, upon application, issue a restricted driving permit under the terms and conditions of subsection (c).

(j) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked under any provisions of this Code.

(40 ILCS 5/15-158.3)

Sec. 15-158.3. Reports on cost reduction; effect on retirement at any age with 30 years of service.

(a) On or before November 15, 2001 and on or before November 15th of each year thereafter, the Board shall have the System's actuary prepare a report showing, on a fiscal year by fiscal year basis, the actual rate of participation in the self-managed plan authorized by Section 15-158.2, (i) by employees of the System's covered higher educational institutions who were hired on or after the implementation date of the self-managed plan and (ii) by other System participants.

~~The actuary's report must also quantify the extent to which employee optional retirement plan participation has reduced the State's required contributions to the System, expressed both in dollars and as a percentage of covered payroll, in relation to what the State's contributions to the System would have been (1) if the self managed plan had not been implemented, and (2) if 45% of employees of the System's covered higher educational institutions who were hired on or after the implementation date of the self managed plan had elected to participate in the self managed plan and 10% of other System participants had transferred to the self managed plan following its implementation.~~

(b) On or before November 15th of 2001 and on or before November 15th of each year thereafter, the Illinois Board of Higher Education, in conjunction with the Bureau of the Budget (now Governor's Office of Management and Budget) shall prepare a report showing, on a fiscal year by fiscal year basis, the amount by which the costs associated with compensable sick leave have been reduced as a result of the termination of compensable sick leave accrual on and after January 1, 1998 by employees of higher education institutions who are participants in the System.

(c) On or before November 15 of 2001 and on or before November 15th of each year thereafter, the Department of Central Management Services shall prepare a report showing, on a fiscal year by fiscal year basis, the amount by which the State's cost for health insurance coverage under the State Employees Group Insurance Act of 1971 for retirees of the State's universities and their survivors has declined as a result of requiring some of those retirees and survivors to contribute to the cost of their basic health insurance. These year-by-year reductions in cost must be quantified both in dollars and as a level percentage of payroll covered by the System.

(d) The reports required under subsections ~~(a)~~, (b), and (c) shall be disseminated to the Board, the

Pension Laws Commission (until it ceases to exist), the Commission on Government Forecasting and Accountability, the Illinois Board of Higher Education, and the Governor.

(e) The reports required under subsections ~~(a)~~, (b), and (c) shall be taken into account by the Pension Laws Commission (or its successor, the Commission on Government Forecasting and Accountability) in making any recommendation to extend by legislation beyond December 31, 2002 the provision that allows a System participant to retire at any age with 30 or more years of service as authorized in Section 15-135. ~~If that provision is extended beyond December 31, 2002, and if the most recent report under subsection (a) indicates that actual State contributions to the System for the period during which the self-managed plan has been in operation have exceeded the projected State contributions under the assumptions in clause (2) of subsection (a), then any extension of the provision beyond December 31, 2002 must require that the System's higher educational institutions and agencies cover any funding deficiency through an annual payment to the System out of appropriate resources of their own.~~
