HOUSE JOINT RESOLUTION 49

Offered by Representative Miller:

WHEREAS, The Illinois economy is transforming; despite having the nation's fifth largest state economy, the State ranked only 35th in economic growth over the last 15 years; and

WHEREAS, Illinois' economic growth is lagging because we are losing good jobs; between 1990 and 2005, the number of manufacturing jobs in Illinois declined by 24.3%, or 222,500; during this same period, 34% of job growth occurred in education, health services, and hospitality, sectors that currently pay, on average, 29% less than manufacturing jobs; adjusted for inflation, median wages have declined leaving families with the same income they had in 1989; nearly 685,000 working Illinoisans earn less than the living wage for a single adult - \$17,950 annually; and

WHEREAS, 40% of new job growth will be in mid- to high-wage sectors; manufacturers will continue to be a major employer, but most of these jobs will require increasingly sophisticated levels of skill; in fact, over 35% of Illinois' new jobs will require an associate degree or higher and 71% of the highest wage jobs will require a post-secondary degree; and

WHEREAS, To attract high wage jobs, Illinois will need high-skilled workers; but, at the same time that our economy demands skilled workers in order to remain competitive and thrive, federal funds for workforce development continue to shrink, after adjusting for inflation; and

WHEREAS, It is time for Illinois to make a new commitment; about 594,000 twenty-five to fifty-four year olds have no high school diploma or equivalent; 60% of these working age individuals are without an associate degree or higher; just 35% of Illinois' young adults are enrolled in postsecondary education; over the next 15 years, 33% of the State's labor force will retire and the fastest growing segments of our population who must replace them have generally lower education levels; and

WHEREAS, Strong workforce development is a key driver of long-term business retention and growth; additionally, Illinois must use its economic development policies strategically targeting disadvantage areas to foster high-wage job creation and to leverage infrastructure investments; these are the tools that can ensure Illinois' families, businesses, and communities enjoy a prosperous future; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that, to compete successfully in a global economy and end poverty, Illinois needs an integrated economic and workforce development policy that works for everyone and that includes producing skilled workers in strong businesses with good jobs that foster thriving communities; and be it further

RESOLVED, That this new policy must provide lasting value to Illinois' 10 economic regions and offer sustainable programming in urbanized and rural communities throughout the State that allows for the flexibility necessary to address regional differences in the economy, business climate and the workforce; and be it further

RESOLVED, That the General Assembly create, upon adoption of this resolution, a bipartisan task force, whose work shall endeavor to fulfill the following goals:

- (1) Ensure Illinoisans develop the skills businesses demand in a modern economy;
- (2) Create career paths and job opportunities for all working-age Illinoisans, from

the least skilled and most disadvantaged to middle income workers whose skills have become obsolete;

(3) Invest resources in the capital and human infrastructure needed to attract and retain "high road" employers that provide quality jobs, wages, and benefits;

(4) Encourage entrepreneurship, small business growth, technology transfers from Illinois' higher education system, and other economic/workforce development innovation in all communities across Illinois to grow competitive State businesses; and

(5) Support economic and workforce development that is environmentally, socially, and economically sustainable; and be it further

RESOLVED, That this task force shall conduct a thorough discovery process that will include identification of effective policies and programs; conduct public hearings; invite expert testimony and shall furnish a report of its findings whereupon clear and concise information of programs and policies will be made available to the public throughout Illinois; new legislation or policy changes developed during the course of the deliberations of the task force shall be introduced at the earliest possible moment; hearings shall be held within 6 months of the first meeting of the task force and the report shall be issued within 12 months of the meeting and not later than September 30, 2008 to the Governor and the General Assembly; and be it further

RESOLVED, That the requirement for the reporting to the General Assembly shall be satisfied by filing copies of the report with the Speaker, the Minority Leader, and the Clerk of the House of Representatives, and the President, the Minority Leader, and the Secretary of the Senate, and the Legislative Research Unit, as required by Section 3.1 of the General Assembly Organization Act, and filing additional copies with the State Government Report Distribution Center for the General Assembly as required under paragraph (t) of Section 7 of the State Library Act; and be it further

RESOLVED, That the following persons shall serve without compensation as ex-officio, non-voting members of the task force:

- (A) the Director of the Department of Commerce and Economic Opportunity, or his or her designee;

(10 ILCS 5/10-3) (from Ch. 46, par. 10-3)

Sec. 10-3. Nomination of independent candidates (not candidates of any political party), for any office to be filled by the voters of the State at large may also be made by nomination papers signed in the aggregate for each candidate by 1% of the number of voters who voted in the next preceding Statewide general election or 25,000 qualified voters of the State, whichever is less. Nominations of independent candidates for public office within any district or political subdivision less than the State, may be made by nomination papers signed in the aggregate for each candidate by qualified voters of such district, or political subdivision, equaling not less than 5%, nor more than 8% (or 50 more than the minimum, whichever is greater) of the number of persons, who voted at the next preceding regular election in such district or political subdivision in which such district or political subdivision voted as a unit for the election of officers to serve its respective territorial area, ~~except that independent candidates for the General Assembly shall~~

~~require not less than 10%, nor more than 16% of the number of persons who voted at the next preceding general election in such district or political subdivision in which such district or political subdivision voted as a unit for the election of officers to serve its respective territorial area.~~ However, whenever the minimum signature requirement for an independent candidate petition for a district or political subdivision office shall exceed the minimum number of signatures for an independent candidate petition for an office to be filled by the voters of the State at large at the next preceding State-wide general election, such State-wide petition signature requirement shall be the minimum for an independent candidate petition for such district or political subdivision office. For the first election following a redistricting of congressional districts, nomination papers for an independent candidate for congressman shall be signed by at least 5,000 qualified voters of the congressional district. For the first election following a redistricting of legislative districts, nomination papers for an independent candidate for State Senator in the General Assembly shall be signed by at least 3,000 qualified voters of the legislative district. For the first election following a redistricting of representative districts, nomination papers for an independent candidate for State Representative in the General Assembly shall be signed by at least 1,500 qualified voters of the representative district. For the first election following redistricting of county board districts, or of municipal wards or districts, or for the first election following the initial establishment of such districts or wards in a county or municipality, nomination papers for an independent candidate for county board member, or for alderman or trustee of such municipality, shall be signed by qualified voters of the district or ward equal to not less than 5% nor more than 8% (or 50 more than the minimum, whichever is greater) of the total number of votes cast at the preceding general or general municipal election, as the case may be, for the county or municipal office voted on throughout such county or municipality for which the greatest total number of votes were cast for all candidates, divided by the number of districts or wards, but in any event not less than 25 qualified voters of the district or ward. Each voter signing a nomination paper shall add to his signature his place of residence, and each voter may subscribe to one nomination for such office to be filled, and no more: Provided that the name of any candidate whose name may appear in any other place upon the ballot shall not be so added by petition for the same office.

The person circulating the petition, or the candidate on whose behalf the petition is circulated, may strike any signature from the petition, provided that;

(1) the person striking the signature shall initial the petition at the place where the signature is struck; and

(2) the person striking the signature shall sign a certification listing the page number and line number of each signature struck from the petition. Such certification shall be filed as a part of the petition.

(3) the persons striking signatures from the petition shall each sign an additional certificate specifying the number of certification pages listing stricken signatures which are attached to the petition and the page numbers indicated on such certifications. The certificate shall be filed as a part of the petition, shall be numbered, and shall be attached immediately following the last page of voters' signatures and before the certifications of stricken signatures.

(4) all of the foregoing requirements shall be necessary to effect a valid striking of any signature. The provisions of this Section authorizing the striking of signatures shall not impose any criminal liability on any person so authorized for signatures which may be fraudulent.

In the case of the offices of Governor and Lieutenant Governor a joint petition including one candidate for each of those offices must be filed.

~~Every petition for nomination of an independent candidate for any office for which candidates of established political parties are nominated at the general primary shall be filed within the time designated in Section 7-12 of this Act in regard to nomination at the general primary of any other candidate for such office.~~

A candidate for whom a nomination paper has been filed as a partisan candidate at a primary election, and who is defeated for his or her nomination at the primary election, is ineligible to be placed on the ballot as an independent candidate for election in that general or consolidated election.

A candidate seeking election to an office for which candidates of political parties are nominated by caucus who is a participant in the caucus and who is defeated for his or her nomination at such caucus, is ineligible to be listed on the ballot at that general or consolidated election as an independent candidate.
