(6) The State Board of Elections and the various election authorities and local election officials with whom such petitions for nominations are filed shall specify the place where filings shall be made and upon receipt shall endorse thereon the day and hour on which each petition was filed. All petitions filed by persons waiting in line as of 8:00 a.m. on the first day for filing, or as of the normal opening hour of the office involved on such day, shall be deemed filed as of 8:00 a.m. or the normal opening hour, as the case may be. Petitions filed by mail and received after midnight of the first day for filing and in the first mail delivery or pickup of that day shall be deemed as filed as of 8:00 a.m. of that day or as of the normal opening hour of such day, as the case may be. All petitions received thereafter shall be deemed as filed in the order of actual receipt. Where 2 or more petitions are received simultaneously, the State Board of Elections or the various election authorities or local election officials with whom such petitions are filed shall break ties and determine the order of filing, by means of a lottery or other fair and impartial method of random selection approved by the State Board of Elections. Such lottery shall be conducted within 9 days following the last day for petition filing and shall be open to the public. Seven days written notice of the time and place of conducting such random selection shall be given by the State Board of Elections to the chairman of the State central committee of each established political party, and by each election authority or local election official, to the County Chairman of each established political party, and to each organization of citizens within the election jurisdiction which was entitled, under this Article, at the next preceding election, to have pollwatchers present on the day of election. Such notice shall be given in the manner prescribed by paragraph (7) of Section 9-16 of this Code.

(8) Nomination papers filed under this Section are not valid if the candidate named therein fails to file a statement of economic interests as required by the Illinois Governmental Ethics Act in relation to his candidacy with the appropriate officer by the end of the period for the filing of nomination papers unless he has filed a statement of economic interests in relation to the same governmental unit with that officer within a year preceding the date on which such nomination papers were filed. If the nomination papers of any candidate and the statement of economic interest of that candidate are not required to be filed with the same officer, the candidate must file with the officer with whom the nomination papers are filed a receipt from the officer with whom the statement of economic interests is filed showing the date on which such statement was filed. Such receipt shall be so filed not later than the last day on which nomination papers may be filed.

(9) Any person for whom a petition for nomination, or for committeeman or for delegate or alternate delegate to a national nominating convention has been filed may cause his name to be withdrawn by request in writing, signed by him and duly acknowledged before an officer qualified to take acknowledgments of deeds, and filed in the principal or permanent branch office of the State Board of Elections or with the appropriate election authority or local election official, not later than the date of certification of candidates for the consolidated primary or general primary ballot. No names so withdrawn shall be certified or printed on the primary ballot. If petitions for nomination have been filed for the same person with respect to more than one political party, his name shall not be certified nor printed on the primary ballot of any party. If petitions for nomination have been filed for the same person for 2 or more offices which are incompatible so that the same person could not serve in more than one of such offices if elected, that person must withdraw as a candidate for all but one of such offices within the 5 business days following the last day for petition filing. If he fails to withdraw as a candidate for all but one of such offices within such time his name shall not be certified, nor printed on the primary ballot, for any office. For the purpose of the foregoing provisions, an office in a political party is not incompatible with any other office.

(10) (a) Notwithstanding the provisions of any other statute, no primary shall be held for an established political party in any township, municipality, or ward thereof, where the nomination of such party for every office to be voted upon by the electors of such township, municipality, or ward thereof, is uncontested. Whenever a political party's nomination of candidates is uncontested as to one or more, but not all, of the offices to be voted upon by the electors of a township, municipality, or ward thereof, then a primary shall be held for that party in such township, municipality, or ward thereof; provided that the primary ballot shall not include those offices within such township, municipality, or ward thereof, for which the nomination is uncontested. For purposes of this Article, the nomination of an established political party of a candidate for election to an office shall be deemed to be uncontested where not more than the number of persons to be nominated have timely filed valid nomination papers seeking the nomination of such party for election to such office.

(b) Notwithstanding the provisions of any other statute, no primary election shall be held for an established political party for any special primary election called for the purpose of filling a vacancy in the office of representative in the United States Congress where the nomination of such political party for said office is uncontested. For the purposes of this Article, the nomination of an established political party of a candidate for election to said office shall be deemed to be uncontested where not more than the number of persons to be nominated have timely filed valid nomination papers seeking the nomination of such established party for election to said office. This subsection (b) shall not apply if such primary election is conducted on a regularly scheduled election day.

(c) Notwithstanding the provisions in subparagraph (a) and (b) of this paragraph (10), whenever a person who has not timely filed valid nomination papers and who intends to become a write-in candidate for a political party's nomination for any office for which the nomination is uncontested files a written statement or notice of that intent with the State Board of Elections or the local election official with whom nomination papers for such office are filed, a primary ballot shall be prepared and a primary shall be held for that office. Such statement or notice shall be filed on or before the date established in this Article for certifying candidates for the primary ballot. Such statement or notice shall contain (i) the name and address of the person intending to become a write-in candidate, (ii) a statement that the person is a qualified primary elector of the political party from whom the nomination is sought, (iii) a statement that the person intends to become a write-in candidate for the party's nomination, and (iv) the office the person is seeking as a write-in candidate. An election authority shall have no duty to conduct a primary and prepare a primary ballot for any office for which the nomination is uncontested unless a statement or notice meeting the requirements of this Section is filed in a timely manner.

(11) If multiple sets of nomination papers are filed for a candidate to the same office, the State Board of Elections, appropriate election authority or local election official where the petitions are filed shall within 2 business days notify the candidate of his or her multiple petition filings and that the candidate has 3 business days after receipt of the notice to notify the State Board of Elections, appropriate election authority or local election official that he or she may cancel prior sets of petitions. If the candidate notifies the State Board of Elections, appropriate election authority or local election official, the last set of petitions filed shall be the only petitions to be considered valid by the State Board of Elections, election authority or local election official. If the candidate fails to notify the State Board of Elections, election authority or local election official then only the first set of petitions filed shall be valid and all subsequent petitions shall be void.

(12) All nominating petitions shall be available for public inspection and shall be preserved for a period of not less than 6 months.

(410 ILCS 315/1) (from Ch. 111 1/2, par. 22.11)

Sec. 1. Certain communicable diseases such as measles, poliomyelitis, invasive pneumococcal disease, and tetanus, may and do result in serious physical and mental disability including mental retardation, permanent paralysis, encephalitis, convulsions, pneumonia, and not infrequently, death.

Most of these diseases attack young children, and if they have not been immunized, may spread to other susceptible children and possibly, adults, thus, posing serious threats to the health of the community. Effective, safe and widely used vaccines and immunization procedures have been developed and are available to prevent these diseases and to limit their spread. Even though such immunization procedures are available, many children fail to receive this protection either through parental oversight, lack of concern, knowledge or interest, or lack of available facilities or funds. The existence of susceptible children in the community constitutes a health hazard to the individual and to the public at large by serving as a focus for the spread of these communicable diseases.

It is declared to be the public policy of this State that all children shall be protected, as soon after birth as medically indicated, by the appropriate vaccines and immunizing procedures to prevent communicable diseases which are or which may in the future become preventable by immunization.

Sec. 1.5. Pneumococcal conjugate vaccine. Notwithstanding Section 2 of this Act, within 30 days of the effective date of this amendatory Act of the 95th General Assembly, the Department shall promulgate rules and regulations, and shall submit those rules and regulations in accordance with the rulemaking first notice requirements under Section 5-40 of the Illinois Administrative Procedure Act, requiring the age-appropriate series of pneumococcal conjugate vaccine, as recommended by the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention, to a child younger than 2 years of age who is enrolled or enrolling in a licensed child care facility, as that term is defined in the Child Care Act of 1969. The Department shall also establish protocols for children younger than 2 years of age to catch up on missed doses. A child care facility must be able to furnish proof of compliance with this Section for all children at the facility, beginning January 1, 2008.

The provisions of this Section shall not apply if:

(1) the parent or guardian of the child objects thereto on the grounds that the administration of immunizing agents conflicts with his or her religious tenets or practices; or

(2) a physician employed by the parent or guardian to provide care and treatment to the child states that the physical condition of the child is such that the administration of the required immunizing agent would be detrimental to the health of the child.

Section 99. Effective date. This Act takes effect July 1, 2007."

The foregoing motion prevailed and Amendment No. 1 was adopted.

There being no further amendments, the foregoing Amendment No. 1 was ordered engrossed; and the bill, as amended, was advanced to the order of Third Reading.

HOUSE BILL 3091. Having been reproduced, was taken up and read by title a second time.

Representative Meyer offered the following amendment and moved its adoption:

AMENDMENT NO. 1. Amend House Bill 3091 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Municipal Code is amended by changing Sections 8-11-1 and 8-11-5 as follows:

(65 ILCS 5/8-11-1) (from Ch. 24, par. 8-11-1)

Sec. 8-11-1. Home Rule Municipal Retailers' Occupation Tax Act. The corporate authorities of a home rule municipality may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the municipality on the gross receipts from these sales made in the course of such business. If imposed, the tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been

prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics. The tax imposed by a home rule municipality under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-5 of this Act.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule municipal retailers' occupation tax fund.

A municipality that has not otherwise imposed a tax under this Section may impose a tax, for a defined and limited period of time, under this Section that is limited to a defined geographic area within the municipality and that is limited to a tax at a rate not to exceed 2% on alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption. The geographic area must be a defined, contiguous area of no more than one square mile. At the time the ordinance imposing the tax is adopted, the municipality must have obtained the certified written consent of at least three-fourths of the operators of the businesses upon which the tax will be imposed. Proceeds of the tax shall be maintained by the municipality in a separate account and may be used only for the costs associated with land acquisition, design, construction, and maintenance of parking facilities within the defined geographic area. This tax may not be imposed for longer than 25 years after the municipality first levies the tax.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph and in order to mitigate delays caused by distribution procedures, an allocation shall, if requested, be made within 10 days after January 14, 1991, and in November of 1991 and each year thereafter, to each municipality that received more than \$500,000 during the preceding fiscal year, (July 1 through June 30) whether collected by the municipality

or disbursed by the Department as required by this Section. Within 10 days after January 14, 1991, participating municipalities shall notify the Department in writing of their intent to participate. In addition, for the initial distribution, participating municipalities shall certify to the Department the amounts collected by the municipality for each month under its home rule occupation and service occupation tax during the period July 1, 1989 through June 30, 1990. The allocation within 10 days after January 14, 1991, shall be in an amount equal to the monthly average of these amounts, excluding the 2 months of highest receipts. The monthly average for the period of July 1, 1990 through June 30, 1991 will be determined as follows: the amounts collected by the municipality under its home rule occupation and service occupation tax during the period of July 1, 1990 through September 30, 1990, plus amounts collected by the Department and paid to such municipality through June 30, 1991, excluding the 2 months of highest receipts. The monthly average for each subsequent period of July 1 through June 30 shall be an amount equal to the monthly distribution made to each such municipality under the preceding paragraph during this period, excluding the 2 months of highest receipts. The distribution made in November 1991 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding period of July 1 through June 30. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following the adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing. However, a municipality located in a county with a population in excess of 3,000,000 that elected to become a home rule unit at the general primary election in 1994 may adopt an ordinance or resolution imposing the tax under this Section and file a certified copy of the ordinance or resolution with the Department on or before July 1, 1994. The Department shall then proceed to administer and enforce this Section as of October 1, 1994. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Any unobligated balance remaining in the Municipal Retailers' Occupation Tax Fund on December 31, 1989, which fund was abolished by Public Act 85-1135, and all receipts of municipal tax as a result of audits of liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund for distribution as provided by this Section prior to the enactment of Public Act 85-1135. All receipts of municipal tax as a result of an assessment not arising from an audit, for liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund for distribution before July 1, 1990, as provided by this Section prior to the enactment of Public Act 85-1135; and on and after July 1, 1990, all such

receipts shall be distributed as provided in Section 6z-18 of the State Finance Act.

As used in this Section, "municipal" and "municipality" means a city, village or incorporated town, including an incorporated town that has superseded a civil township.

This Section shall be known and may be cited as the Home Rule Municipal Retailers' Occupation Tax Act.

(65 ILCS 5/8-11-5) (from Ch. 24, par. 8-11-5)

Sec. 8-11-5. Home Rule Municipal Service Occupation Tax Act. The corporate authorities of a home rule municipality may impose a tax upon all persons engaged, in such municipality, in the business of making sales of service at the same rate of tax imposed pursuant to Section 8-11-1, of the selling price of all tangible personal property transferred by such servicemen either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. If imposed, such tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on the sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics. The tax imposed by a home rule municipality pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the taxing municipality), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the taxing municipality), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this municipal tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the taxing municipality), the first paragraph of Section 15, 16, 17 (except that credit memoranda issued hereunder may not be used to discharge any State tax liability), 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule municipality pursuant to this Section unless such municipality also imposes a tax at the same rate pursuant to Section 8-11-1 of this Act.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their serviceman's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which servicemen are authorized to collect under the Service Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the home rule municipal retailers' occupation tax fund.

A municipality that has not otherwise imposed a tax under this Section may impose a tax, for a defined and limited period of time, under this Section that is limited to a defined geographic area within the municipality and that is limited to a tax at a rate not to exceed 2% on alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption. The geographic area must be a defined, contiguous area of no more than one square mile. At the time the ordinance imposing the tax is adopted, the municipality must have obtained the certified written consent of at least three-fourths of the operators of the businesses upon which the tax will be imposed. Proceeds of the tax shall be maintained by the municipality

in a separate account and may be used only for the costs associated with land acquisition, design, construction, and maintenance of parking facilities within the defined geographic area. This tax may not be imposed for longer than 25 years after the municipality first levies the tax.

The Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes and penalties collected hereunder. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which suppliers and servicemen have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities, provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

In addition to the disbursement required by the preceding paragraph and in order to mitigate delays caused by distribution procedures, an allocation shall, if requested, be made within 10 days after January 14, 1991, and in November of 1991 and each year thereafter, to each municipality that received more than \$500,000 during the preceding fiscal year, (July 1 through June 30) whether collected by the municipality or disbursed by the Department as required by this Section. Within 10 days after January 14, 1991, participating municipalities shall notify the Department in writing of their intent to participate. In addition, for the initial distribution, participating municipalities shall certify to the Department the amounts collected by the municipality for each month under its home rule occupation and service occupation tax during the period July 1, 1989 through June 30, 1990. The allocation within 10 days after January 14, 1991, shall be in an amount equal to the monthly average of these amounts, excluding the 2 months of highest receipts. Monthly average for the period of July 1, 1990 through June 30, 1991 will be determined as follows: the amounts collected by the municipality under its home rule occupation and service occupation tax during the period of July 1, 1990 through September 30, 1990, plus amounts collected by the Department and paid to such municipality through June 30, 1991, excluding the 2 months of highest receipts. The monthly average for each subsequent period of July 1 through June 30 shall be an amount equal to the monthly distribution made to each such municipality under the preceding paragraph during this period, excluding the 2 months of highest receipts. The distribution made in November 1991 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding period of July 1 through June 30. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. HOUSE BILL 680. Having been reproduced, was taken up and read by title a second time.

The following amendment was offered in the Committee on Environment & Energy, adopted and reproduced:

AMENDMENT NO. 1. Amend House Bill 680 by replacing everything after the enacting clause with the following:

"Section 1. Short title.

This Act may be cited as the Biomonitoring Safety Net Act.

Section 5. Findings and purposes.

(a) The General Assembly finds all of the following:

(1) An estimated 100,000 chemicals are registered for use today in the United States.

Another 2,000 chemicals are added each year.

(2) Some toxicological screening data exists for only 7% to 10% of these chemicals.

More than 90% of these chemicals have never been tested for their effects on human health. Large numbers of these chemicals are found in cosmetics, personal care products, pesticides, food dyes, cleaning products, fuels, and plastics.

(3) As a result, people are exposed to chemicals daily. Many of these chemicals persist in the environment or accumulate and remain in body fat and have been shown to be toxic.

(4) The Centers for Disease Control and Prevention has documented the presence of 148 environmental chemicals in the blood and urine of Americans of all ages and races.

(b) The purposes of this Act are as follows:

(1) for the University of Illinois at Chicago, the Great Lakes Center for Occupational and Environmental Safety and Health, to conduct an environmental contaminant biomonitoring feasibility study that proposes the best way to monitor the presence and concentration of designated chemicals in the bodies of the people of this State;

(2) to produce biomonitoring studies that provide data helping scientists, researchers, public health personnel, and community members explore linkages between chemical exposure and health concerns; and

(3) to support Illinois public health by establishing trends in chemical exposures, validating modeling and survey methods, supporting epidemiological studies, identifying highly exposed communities, addressing the data gaps between chemical exposures and specific health outcomes, informing health responses to unanticipated emergency exposures, assessing the effectiveness of current regulations, and setting priorities for reform.

Section 10. Definitions. As used in this Act:

"Agency" means the Illinois Environmental Protection Agency.

"Department" means the Department of Public Health.

"Program" means the Environmental Contaminant Biomonitoring Program.

Section 15. Scientific Guidance Panel. In implementing the Program, the Department and the Agency shall establish a Scientific Guidance Panel. The Directors of the Department and the Agency shall appoint the members of the Panel. The Panel shall be composed of 11 members, whose expertise shall encompass the disciplines of public health, epidemiology, biostatistics, environmental medicine, risk analysis, exposure assessment, developmental biology, laboratory sciences, bioethics, maternal and child health with a specialty in breastfeeding, and toxicology. Members shall be appointed for 2-year terms. Members may be reappointed for additional terms without limitation. Members shall serve until their successors are appointed and have qualified. Vacancies shall be filled in the same manner as the original appointments, and any member so appointed shall serve during the remainder of the term for which the vacancy occurred. The Panel shall meet, at a minimum, 3 times per year. The Agency shall be responsible for staffing and administration of the Panel. Members of the Panel shall be reimbursed for travel and other necessary expenses incurred in the performance of their duties under this Act, but shall not receive a salary or compensation.

The Panel shall provide guidance to the University of Illinois at Chicago, the Great Lakes Center for Occupational and Environmental Safety and Health, and make recommendations regarding the design and implementation of the feasibility study, including specific recommendations for chemicals that are priorities for biomonitoring. The Panel shall recommend priority chemicals for inclusion in the Program using all of the following criteria:

- (1) The degree of potential exposure to the public or specific subgroups, including, but not limited to, certain occupations.
- (2) The likelihood of a chemical being a carcinogen or toxicant based on peer-reviewed health data, its chemical structure, or the toxicology of chemically related compounds.
- (3) The limits of laboratory detection for the chemical, including the ability to detect the chemical at levels low enough to be expected in the general population.
- (4) Any other criteria the Panel deems significant.

The Panel may recommend additional designated chemicals not included in the National Report on Human Exposure to Environmental Chemicals for inclusion in the Program using all of the following criteria:

- (A) Exposure or potential exposure to the public or specific subgroups.
- (B) The known or suspected health effects resulting from some level of exposure based on peer-reviewed scientific studies.
- (C) The need to assess the efficacy of public health actions to reduce exposure to a chemical.

Section 20. Feasibility study report. Two years after the effective date of this Act, the University of Illinois at Chicago, the Great Lakes Center for Occupational and Environmental Safety and Health, shall submit a report to the Governor and the General Assembly containing findings of the feasibility study and shall include in the report recommended activities and estimated costs of establishing an Illinois Environmental Contaminant Biomonitoring Program."

Representative Nekritz offered the following amendment and moved its adoption:

AMENDMENT NO. 2. Amend House Bill 680, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Biomonitoring Feasibility Study Act.

Section 5. Findings and purposes.

(a) The General Assembly finds all of the following:

(1) An estimated 100,000 chemicals are on the U.S. Environmental Protection Agency's Toxic Substances Control Act inventory and thousands are in commerce today in the United States.

(2) These chemicals are regulated by the U.S. Environmental Protection Agency, in accordance with the Toxics Substances Control Act.

(3) With advancements in analytical chemistry, scientists can now detect minute quantities of chemicals in humans.

(4) Biomonitoring is one method for assessing human exposure to chemicals by measuring the chemicals or their breakdown products, known as metabolites, in human tissues or specimens, such as blood and urine. In studies conducted by the U.S. Centers for Disease Control and Prevention (CDC), biomonitoring data has helped to identify chemicals found in the environment and in human tissues, monitor changes in human exposure to those chemicals, and investigate the distribution of exposure among the general population. The CDC has developed standardized and validated analytical methods for measuring substances in humans. The CDC's National Exposure Report provides statistically valid distribution measurements of chemicals in the U.S. population, including specific age, gender, and ethnic groups. CDC continues to develop new validated methods, and as they do so additional chemicals are being reported.

(b) The purpose of this Act is for the University of Illinois at Chicago (UIC), Great Lakes Center for Occupational and Environmental Safety and Health to conduct an Environmental Contaminant Biomonitoring Feasibility Study (Study) that proposes the best way to establish an Illinois Environmental Contaminant Biomonitoring Program (Program) that will do all of the following:

(1) monitor the presence and concentration of designated chemicals in a representative sample of the population of this State;

(2) produce biomonitoring studies that provide data for scientists, researchers, public health personnel, and community members to explore potential linkages between chemical exposure and health concerns; and

(3) support Illinois public health by establishing trends in chemical exposures, validating modeling and survey methods, supporting epidemiological studies, identifying highly exposed communities, addressing the data gaps between chemical exposures and specific health outcomes, informing health responses to unanticipated emergency exposures, assessing the effectiveness of current regulations, and setting priorities for research.

Section 10. Definitions. In this Act:

"Agency" means the Illinois Environmental Protection Agency.

"Department" means the Illinois Department of Public Health.

"Panel" means the Scientific Guidance Panel.

"Program" means the Illinois Environmental Contaminant Biomonitoring Program.

"Study" means the Environmental Contaminant Biomonitoring Feasibility Study.

Section 15. Scientific Guidance Panel.

(a) In implementing the Study, the Department and the Agency shall establish a Scientific Guidance Panel. The Directors of the Department and the Agency shall appoint the members of the Panel. The Panel shall be composed of 11 members, whose expertise shall encompass the disciplines of public health, epidemiology, biostatistics, environmental medicine, risk analysis, exposure assessment, developmental biology, laboratory sciences, bioethics, maternal and child health with a specialty in breastfeeding, and toxicology. Members shall be appointed for 2-year terms. Members may be reappointed for additional terms without limitation. Members shall serve until their successors are appointed and have qualified for membership on the Panel. Vacancies shall be filled in the same manner as the original appointments, and any member so appointed shall serve during the remainder of the term for which the vacancy occurred. The Panel shall meet, at a minimum, 3 times per year. The Agency shall be responsible for staffing and administration of the Panel. Members of the Panel shall be reimbursed for travel and other necessary expenses incurred in the performance of their duties under this Act, but shall not receive a salary or compensation.

(b) The Panel shall provide guidance to UIC and make recommendations regarding the design and implementation of the Program. The Panel shall recommend:

(1) scientifically sound Program design, rationale, and procedures for selecting and collecting biological samples and for selecting the populations for biomonitoring, taking into account both ethical issues and issues pertaining to confidentiality of data;

(2) scientifically sound, peer-reviewed procedures for incorporating biomonitoring data

into risk assessment guidance, policies and regulations;

(3) procedures to accurately and effectively interpret and communicate biomonitoring results within the context of potential risks to human health; and

(4) a procedure for selecting priority chemicals for inclusion in Program using sound public health criteria, including all of the following criteria:

(B) The likelihood of a chemical being a carcinogen or toxicant based on peer-reviewed health data, its chemical structure, or the toxicology of chemically related compounds.

(C) The availability and the limits of validated laboratory detection for the chemical, including the ability to reliably detect and quantify the chemical at levels low enough to be expected in the general population.

(c) The Panel may recommend additional designated chemicals not included in the National Report on Human Exposure to Environmental Chemicals for inclusion in the Program using all of the following criteria:

(1) Exposure or potential exposure to the public or specific subgroups.

(2) The known or suspected health effects resulting from some level of exposure based on scientifically valid studies.

(3) The need to assess the efficacy of public health actions to reduce exposure to a chemical causally associated with human health effects at environmentally relevant exposure levels.

(4) The availability of a scientifically valid method for accurately and reliably measuring the chemical in human specimens.

Section 20. Study report. Two years after the effective date of this Act, UIC shall release a draft report for public review and comment and for review by the Panel. The draft report shall contain the findings of the Study and shall include in the report recommended activities and estimated costs of establishing the Program. The period for public comment and review by the Panel shall last for 60 days. Within 90 days of the close of the public comment period, the draft report shall be revised, taking into consideration the comments received and the recommendations of the Panel. Any authority may agree or contract to sell, issue or deliver bonds payable from taxes at such price and upon such terms as determined by the Board of Commissioners of the Authority and as will not cause the net effective interest rate to be paid by the Authority on the issue of which such bonds are a part to exceed the greater of (i) the maximum rate authorized by the Bond Authorization Act, as amended at the time of the making of the contract, or (ii) the greater of 9% per annum or 125% of the rate for the most recent date shown in the 20 G.O. Bonds Index of average municipal bond yields as published in the most recent edition of The Bond Buyer, published in New York, New York, (or any successor publication or index, or if such publication or index is no longer published, then any index of long term municipal tax-exempt bond yields then selected by the Board of Commissioners of the Authority), at the time the contract is made for such sale of the bonds. Subject to such limitation, the interest rate or rates on such bonds may be established by reference to an index or formula which may be implemented or administered by persons appointed or retained therefor by the Authority. A contract is made with respect to the sale of bonds when an Authority is contractually obligated to issue or deliver such bonds to a purchaser who is contractually obligated to purchase them, and, with respect to bonds bearing interest at a variable rate or subject to payment upon periodic demand or put or otherwise subject to remarketing by or for an Authority, a contract is made on each date of change in the variable rate or such demand, put or remarketing. The ordinance shall provide for the levy and collection of a direct annual tax upon all the taxable property within the corporate limits of such Authority, sufficient to meet the principal and interest of the bonds as same mature, which tax shall be in addition to and in excess of any other tax authorized to be levied by the Authority. The bonds may be issued in part under the authority of, and may be additionally secured as provided in, the Local Government Debt Reform Act. Proceeds of bonds issued with respect to rail facilities or related facilities shall be provided to, or expended by the Authority for the benefit of, the Rail Authority.

A certified copy of the ordinance providing for the issuance of bonds authorized by this Section shall be filed with the county clerk of each county in which the authority or any portion thereof is situated and shall constitute the basis for the extension and collection of the tax necessary to pay the principal of and interest and premium, if any, upon the bonds issued under the ordinance as the same mature.

The provisions of this amendatory Act of 1985 shall be cumulative and in addition to any powers or authority granted in any other laws of the State, and shall not be deemed to have repealed any provisions of existing laws. This amendatory Act of 1985 shall be construed as a grant of power to public corporations and shall not act as a limitation upon any sale of bonds authorized pursuant to any other law. This amendatory Act of 1985 shall not be construed as a limit upon any home rule unit of government.

(viii) To enter at reasonable times upon such lands, waters, or premises as, in the judgment of the Board of Directors of the Rail Authority, may be necessary, convenient, or desirable for the purpose of making surveys, soundings, borings, and examinations to accomplish any purpose authorized by Sections 22.1 through 22.7 of this Act after having given reasonable notice of such proposed entry to the owners and occupants of such lands, waters, or premises, the Rail Authority being liable only for actual damage caused by such activity.

(ix) To enter into contracts of group insurance for the benefit of its employees and to provide for retirement or pensions or other employee benefit arrangements for such employees, and to assume obligations for pensions or other employee benefit arrangements for employees of transportation agencies, all or part of the facilities of which are acquired by the Rail Authority.

(xii) To enter into arbitration arrangements, which may be final and binding.

(xiii) To establish a separate public corporation, to be known as the North Central Illinois Rail Corporation (the "Rail Corporation"), as a separate operating unit on behalf of the Rail Authority, subject at all times to the supervision and direction of the Board of Directors of the Rail Authority and, by resolution, to dissolve such a Corporation. The corporation shall be governed by a Board of Directors, which shall consist of the members of the Board of Directors of the Rail Authority.

(xiv) To make and execute all contracts and other instruments necessary or convenient to the exercise of its powers.

(xv) To enter into agreements with the State of Illinois, any unit of local government, or any entity of the federal government with respect to provision of rail passenger or freight service.

(b) In each case in which this Act gives the Rail Authority the power to construct or acquire rail facilities or related facilities or any other real or personal property, the Rail Authority shall have the power to acquire such property by contract, purchase, gift, grant, exchange for other property or rights in property, lease (or sublease), or installment or conditional purchase contracts, which leases or contracts may provide for consideration to be paid in installments during a period not exceeding 40 years, and to dispose of such property or rights by lease or sale as the Board of Directors shall determine. Property may be acquired subject to such conditions, restrictions, liens, or security or other interests of other parties as the Board of Directors may deem appropriate, and in each case the Rail Authority may acquire a joint, leasehold, easement, license, or other partial interest in such property. Any such acquisition may provide for the assumption of, or agreement to pay, perform, or discharge outstanding or continuing duties, obligations, or liabilities of the seller, lessor, donor, or other transferor of or of the trustee with regard to such property. In connection with the acquisition of Rail Facilities or Related Facilities, including, but not limited to, rolling stock, vehicles, locomotives, buses, or rapid transit equipment, the Rail Authority may also execute agreements concerning such equipment leases, equipment trust certificates, conditional purchase agreements, and such other security agreements and may make such agreements and covenants as required, in the form customarily used in such cases appropriate to effect such acquisition. (70 ILCS 5/22.4 new)

Sec. 22.4. Bonds and notes.

(a) The Rail Authority shall have the power to borrow money and to issue its negotiable bonds or notes as provided in this Section. Unless otherwise indicated in this Section, the term "notes" also includes bond anticipation notes, which are notes that by their terms provide for their payment from the proceeds of bonds subsequently to be issued. Bonds or notes of the Rail Authority may be issued for any or all of the following purposes: to pay costs to the Rail Authority of constructing or acquiring any rail facilities or related facilities, to cover operating costs of passenger rail service during an initial period of such service of not to exceed 3 years, to pay interest on bonds or notes during any period of construction or acquisition of rail facilities or related facilities, to establish a debt service reserve fund, to pay costs of issuance of the bonds or notes, and to refund its bonds or notes.

(b) The issuance of any bonds or notes shall be authorized by a resolution of the Board of Directors of the Rail Authority. The resolution providing for the issuance of any such bonds or notes shall fix their date or dates of maturity, the dates on which interest is payable, any sinking fund account or reserve fund account provisions, and all other details of the bonds or notes and may provide for such covenants or agreements necessary or desirable with regard to the issue, sale, and security of the bonds or notes. The rate or rates of interest on the bonds or notes may be fixed or variable and the Rail Authority shall determine or provide for the determination of the rate or rates of interest of its bonds or notes issued under this Act in a resolution adopted prior to their issuance, none of which rates of interest shall exceed that permitted in the Bond Authorization Act. Bonds and notes issued under this Section may be issued as serial or term obligations, shall be of such denomination or denominations and form, shall be executed in such manner, shall be payable at such place or places and bear such date as the Rail Authority shall fix by the resolution authorizing such bonds or notes and shall mature at such time or times, within a period not to exceed 40 years from their date of issue, and may be redeemable prior to maturity, with or without premium, at the option of the Rail Authority, upon such terms and conditions as the Rail Authority shall fix by the resolution authorizing the issuance of the bonds or notes. In case any officer whose signature appears on

any bonds or notes authorized pursuant to this Section shall cease to be an officer before delivery of such bonds or notes, the signature shall nevertheless be valid and sufficient for all purposes, the same as if the officer had remained in office until the delivery.

(c) Bonds or notes of the Rail Authority issued pursuant to this Section shall have a claim for payment as to principal and interest from such sources as provided by the resolution authorizing such bonds or notes. Such bonds or notes shall be secured as provided in the authorizing resolution of the Board of Directors of the Rail Authority, which may, notwithstanding any other provision of this Act, include in addition to any other security, a specific pledge or assignment of and lien on or security interest in any or all receipts of the Rail Authority and on any or all other revenues or money of the Rail Authority from whatever source, which may by law be utilized for debt service purposes, as well as any funds or accounts established or provided for the payment of such debt service, by the resolution of the Rail Authority authorizing the issuance of the bonds or notes. Any such pledge, assignment, lien, or security interest for the benefit of holders of bonds or notes of the Rail Authority shall be valid and binding from the time the bonds or notes are issued without any physical delivery or further act and shall be valid and binding as against and prior to the claims of all other parties having claims of any kind against the Rail Authority or any other person irrespective of whether such other parties have notice of such pledge, assignment, lien, or security interest. The resolution of the Board of Directors of the Rail Authority authorizing the issuance of any bonds or notes may provide additional security for such bonds or notes by providing for appointment of a corporate trustee (which may be any trust company or bank having the powers of a trust company within Illinois) with respect to the bonds or notes. The resolution shall prescribe the rights, duties, and powers of the trustee to be exercised for the benefit of the Rail Authority and the protection of the owners of such bonds or notes. The resolution may provide for the trustee to hold in trust, invest, and use amounts in funds and accounts created as provided by the resolution with respect to the bonds or notes.

(70 ILCS 5/22.5 new)

(70 ILCS 5/22.7 new)
