SENATE JOINT RESOLUTION NO. 43

WHEREAS, Alzheimer's disease is a slow, progressive disorder of the brain that results in loss of memory and other cognitive function and eventually results in death; and

WHEREAS, Because Alzheimer's is accompanied by memory loss, poor judgment, changes in personality and behavior, and a tendency to wander, individuals with this disease are at increased risk for accidental injury, getting lost, abuse, neglect, and exploitation; and

WHEREAS, With one in 10 people over age 65 and almost one in every 2 people over 85 having Alzheimer's disease or a related dementia, over the past 10 years, the number of Illinoisans with Alzheimer's and related dementias has risen dramatically to the point that today over 210,000 people are affected; and

WHEREAS, As the baby boom generation enters the age of greatest risk for Alzheimer's, by 2025 their number in Illinois is expected to increase to over 239,000; and

WHEREAS, Alzheimer's disease takes an enormous toll on loving family members, with an estimated one in 4 acting as caregivers for each individual with the disease; and

WHEREAS, Caregivers for individuals with Alzheimer's watch closely the deleterious effects of the disease and often suffer more stress, depression, and health problems than caregivers of people with other illnesses; and

WHEREAS, Alzheimer's disease is considered to be early onset if an individual is younger than 65 when symptoms first appear, and early onset Alzheimer's can strike someone as early as their 30s, 40s, and 50s, with new data showing there may be half a million Americans under age 65 who have dementia or cognitive impairment at a level of severity consistent with dementia; and

WHEREAS, The Alzheimer's Disease Assistance Act created the Alzheimer's Disease Advisory Committee composed of 21 members to review all State programs and services provided by State agencies that are directed toward persons with Alzheimer's disease and related dementias and to recommend changes to improve the State's response to this serious health problem; and

WHEREAS, The 93rd General Assembly created the Legislative Task Force on Alzheimer's Disease pursuant to House Joint Resolution 14; that task force conducted hearings which included each of the State agencies having primary responsibility for implementing the "Alzheimer's Initiative" of the 84th General Assembly when this matter was given a high priority nearly 20 years ago; the agencies were instructed to provide an update on the progress made in implementing that initiative to determine whether the programs and services developed by State agencies reflect the original priority; the reports of the agencies did not demonstrate any particular progress, nor priority commensurate with the original interest and intent of the General Assembly; and

WHEREAS, The 93rd General Assembly Legislative Task Force on Alzheimer's Disease recommended

that the function of the statutory Alzheimer's Disease Advisory Committee should be expanded to include oversight and evaluation of the services provided by the various State agencies and to solicit additional findings and recommendations for improving State programs and services; and

WHEREAS, The State of Illinois must not be complacent and must renew its commitment to develop a more aggressive State plan to ensure that the framework of programs and services to help Illinoisans with Alzheimer's and other related dementia are functioning and capable of meeting the challenge of this serious public health problem among Illinoisans; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that the Department of Public Health immediately comply with the Alzheimer's Disease Assistance Act in activating the Alzheimer's Disease Advisory Committee and ensuring that it fulfills the requirement of reviewing all State programs and services provided by State agencies directed toward persons with Alzheimer's disease and related dementias and recommending changes to improve the State's response to this serious health problem; and be it further

Floor Amendment No. 2 remained in the Committee on Elementary & Secondary Education.

Representative Rita offered the following amendment and moved its adoption:

AMENDMENT NO. 3. Amend House Bill 1466, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The School Code is amended by adding Section 1A-12 as follows:

(105 ILCS 5/1A-12 new)

Sec. 1A-12. Powers of the State Board in assisting schools and districts deemed in management difficulties.

(a) In this Section:

"Board" means a local board of education.

"Chairperson" means the Chairperson of the Panel appointed pursuant to this Section.

"District" does not include a school district organized under Article 34 of this Code.

"Management Oversight Panel" or "Panel" means a Management Oversight Panel created under this Section.

"State Board" means the State Board of Education.

"State Superintendent" means the State Superintendent of Education.

(b) To promote the managerial integrity of school districts, the State Board shall have the necessary powers to promote sound management of Illinois public schools. The State Board, after the State Board's proper investigation of a school district's condition, may certify that a district is in management difficulty if the district has been engaged in a continuing and repeated pattern of documented and substantiated mismanagement, which includes any instance where the school or district has been engaged in documented and substantiated acts of mismanagement in regard to hiring practices, including without limitation the hiring of persons who do not meet minimal certification requirements for the positions being filled whether due to the submission of falsified credentials or simply a lack of credentials, that has placed the academic integrity of the school or district in question or has placed students in physical danger and that is determined to be in need of intervention by the State Board, but does not include the hiring of persons without the specific qualifications for a position due to the unavailability of persons possessing those specific qualifications, such as in areas of teacher shortages.

(c) A district must not be certified to be in management difficulty if the sole basis for mismanagement is the failure of the county to make a distribution of property tax money due to the district at the time the distribution is due.

(d) When a district is first certified to be in management difficulty, the State Board may do each of the following:

(1) Require the school district to develop, adopt, and submit a district management improvement plan within 45 days after certification. The plan must be developed to address the acts of mismanagement that caused the district to be certified in management difficulty. Within 14 days after certifying a district to be in management difficulty, the State Superintendent shall provide the board a summary of management issues to be addressed in the plan. The plan must be approved by the State Superintendent.

(2) Advise the district on recommended or suggested methods of improving managerial success consistent with the district's management improvement plan approved by the State Board.

A district certified to be in management difficulty shall report to the State Board, at such times and in

such manner as the State Superintendent may direct, concerning the district's compliance with its approved management plan. The State Board may review the district's operations and may obtain or require the district to produce reports or any other information in the possession of the district that it deems relevant. A district shall remain certified in management difficulty until the district clearly demonstrates to the satisfaction of the State Board that the circumstances leading to the certification no longer exist; or, if the State Board determines that a district has failed to comply with its management plan, the State Board may rescind approval of the plan and appoint a Management Oversight Panel for the district. This action shall be taken only after the district has been given notice and an opportunity to appear before the State Board to discuss its failure to comply with its management plan.

(e) Within 10 days after the State Board has placed a district under a Management Oversight Panel, the State Superintendent shall approve the appointment of 5 members to serve at the State Superintendent's pleasure. One member shall be appointed by the union representing a plurality of the district's employees; in the absence of a plurality, the union appointment shall be filled by the State Superintendent. Two members shall be appointed by the State Superintendent, one of whom must be an attorney. Two members shall be appointed by the Regional Superintendent of Schools with jurisdiction over the district, both of whom must live in the school district. The State Superintendent shall designate one of the members of the Panel to serve as its Chairperson. In the event of vacancy or resignation, the State Superintendent shall appoint a successor within 10 days after receiving notice of the vacancy or resignation.

Members of the Panel shall be selected on the basis of their experience and education in areas identified as needed. A member of the Panel may not have a direct financial interest in the district for which the Panel is constituted, nor may a member be a board member or employee of that district, except that a member who is appointed by or as a representative of a union representing district employees may be an employee of the district.

Panel members shall serve without compensation, but may be reimbursed for travel and other necessary expenses incurred in the performance of their official duties by the State Board. The amount reimbursed to Panel members for their expenses shall be charged to the school district.

The first meeting of the Panel shall be held at the call of the Chairperson. The Panel may elect such other officers as it deems appropriate. The Panel shall prescribe the times and places for its meetings and the manner in which regular and special meetings may be called and shall comply with the Open Meetings Act. Three members of the Panel shall constitute a quorum, and the affirmative vote of 3 members shall be necessary for any decision or action to be taken by the Panel.

The Panel and the State Superintendent shall cooperate with each other in the exercise of their respective powers. The Panel shall report not later than September 1 annually to the State Superintendent with respect to its activities and the condition of the school district for the previous school year.

The Panel may exercise veto power over board decisions concerning the district, in an effort to ensure that the district management improvement plan is implemented as needed.

The purposes of the Panel shall be to exercise control over the district and to furnish management assistance so that the district can provide public education within the district's jurisdiction while permitting the district to meet its obligations for sound management practice. Except as expressly limited by this Section, the Panel shall have those powers necessary to meet its responsibilities and to carry out its purposes and the purposes of this Section, including without limitation all of the following powers, provided that the Panel shall have no power to violate any statutory provision, to impair any contract or obligation of the district, including collective bargaining agreements, or to terminate any employee without following the statutory procedures for such terminations set forth in this Code, the relevant rules of the State Board, and the procedures of the collective bargaining agreement covering the employee:

(1) To sue and to be sued.

(2) To make and execute contracts, leases, subleases, and all other instruments or agreements necessary or convenient for the exercise of the powers and functions granted by this Section.

(3) To purchase real or personal property necessary or convenient for its purposes; to execute and deliver deeds for real property held in its own name; and to sell, lease, or otherwise dispose of such of its property as, in the judgment of the Panel, is no longer necessary for its purposes.

(4) To appoint officers, agents, and employees of the Panel, including all of the following, to administer and manage, under the direction of the Panel, the operations and educational programs of the district, in accordance with this Section and all other provisions of this Code; to define their duties and qualifications; and to fix their compensation and employee benefits.

(A) Chief executive officer. The Panel may appoint a chief executive officer who, under the direction of the Panel, shall supervise the Panel's staff, including the chief educational officer and the chief

fiscal officer, and shall have ultimate responsibility for implementing the policies, procedures, directives, and decisions of the Panel.

(B) Chief educational officer. The Panel may at a regular or special meeting find that cause exists to cancel the contract of the school district's superintendent who is serving at the time the Panel is established. If there is no superintendent, then the Panel shall, following consultation with the district, employ a chief educational officer for the district, who shall have all of the powers and duties of a school district superintendent under this Code and such other duties as may be assigned by the Panel in accordance with this Code. The chief educational officer shall report to the Panel or the chief executive officer appointed by the Panel. The district shall not employ a superintendent during the period that a chief educational officer is serving in the district. The chief educational officer shall hold a certificate with a superintendent's endorsement issued pursuant to Article 21 of this Code.

(C) Chief fiscal officer. The Panel may appoint a chief fiscal officer who, under the direction of the Panel, shall have all of the powers and duties of the district's chief school business official and any other duties regarding budgeting, accounting, and other financial matters that are assigned by the Panel, in accordance with this Code. The district may not employ a chief school business official during the period that the chief fiscal officer is serving in the district. The chief fiscal officer may, but is not required to, hold a certificate with a chief school business official's endorsement issued under Article 21 of this Code.

(5) To transfer to the district such sums of money as are not required for other purposes.

(6) To procure all necessary goods and services for the Panel in compliance with the purchasing laws and requirements applicable to the district.

(7) To take action on behalf of the district, as the Panel deems necessary and in accordance with this Section and all other provisions of this Code, based on the recommendation of, if applicable, the chief executive officer, chief educational officer, or chief fiscal officer; the district shall be bound by such action in all respects as if the action had been approved by the district itself.

(8) To do any and all things necessary or convenient to carry out its purposes and exercise the powers given to it by this Section.

(9) To provide for its organization and internal management.

(10) To require and approve a school district financial plan and academic plan, if the Panel deems it necessary, and to monitor the school district's compliance with these plans.

(11) To approve and require revisions of the school district budget.

(12) To approve all contracts and other obligations, as the Panel deems necessary and appropriate.

(13) To request that the Regional Superintendent of Schools make appointments to fill all vacancies on the board, as provided in Section 10-10 of this Code.

(14) To engage the services of consultants for rendering professional and technical assistance and advice on matters within the Panel's power.

(15) To contract for and to accept any gifts, grants, or loans of funds or property or financial or other aid in any form from the federal government, State government, a unit of local government, a school district, or any agency or instrumentality thereof or from any other private or public source and to comply with the terms and conditions thereof.

(16) To pay the expenses of its operations based on the Panel's budget as approved by the State Superintendent from the district's general State aid.

(17) To require a board member training plan, in conjunction with one or more statewide school management organizations.

(18) To require the development of a district management improvement plan or revision of an existing district management improvement plan if the Panel deems it necessary and to monitor the district's compliance with the management improvement plan.

(19) To provide assistance to the district with developing a staffing needs analysis and plan, in cooperation with the board, that can address (i) performance of an analysis of critical staffing needs within the district to support any district improvement plans, (ii) development of a strategy for attracting candidates and posting positions to meet the district's critical staffing needs, and (iii) approving and monitoring of the school district's policies and procedures for conducting hiring.

(20) To develop a plan for maintenance, repair, and improvement of district facilities (including, but not limited to, buildings used for instructional and administrative functions, indoor and outdoor recreational facilities, landscaping, parking, and infrastructure related to traffic circulation) and the correction of any violations of the Health/Life Safety Code for existing facilities.

(f) If the State Board has appointed a Financial Oversight Panel to a school district and subsequently places the same district under a Management Oversight Panel or if the State Board has appointed a

Management Oversight Panel for a district and subsequently places the same district under a Financial Oversight Panel, the State Superintendent shall create a new Panel and appoint 5 members to serve at the State Superintendent's pleasure. The Panel shall accrue all the necessary powers and duties of a Financial Oversight Panel and a Management Oversight Panel. The State Superintendent shall designate one of the members of the Panel to serve as its chairperson. In the event of vacancy or resignation, the State Superintendent shall appoint a successor within 10 days after receiving notice of the vacancy or resignation. Members of the Panel shall be selected on the basis of their experience and education in areas identified as needed. A member of the Panel may not have a direct financial interest in the district for which the Panel is constituted, nor may a member be a board member or employee of that district, except that a member who is appointed as a representative of a union representing district employees may be an employee of the district.

Persons who can demonstrate the existence or history of any medical or health conditions on the list promulgated by the board shall not be required to provide the evidence specified in subsection a. of this Section. The list shall be effective on the first day of the operation of the Plan and may be amended from time to time as appropriate.

c. Family members of the same household who each are covered persons are eligible for optional family coverage under the Plan.

d. For persons qualifying for coverage in accordance with Section 7 of this Act, the board shall, if it determines that such appropriations as are made pursuant to Section 12 of this Act are insufficient to allow the board to accept all of the eligible persons which it projects will apply for enrollment under the Plan, limit or close enrollment to ensure that the Plan is not over-subscribed and that it has sufficient resources to meet its obligations to existing enrollees. The board shall not limit or close enrollment for federally eligible individuals.

(4) The person fails to pay the required premium under the covered person's terms of enrollment and participation, in which event the liability of the Plan shall be limited to benefits incurred under the Plan for the time period for which premiums had been paid and the covered person remained eligible for Plan coverage.

(5) The Plan (i) until 3 years after the effective date of this amendatory Act of the 95th General Assembly has paid a total of ~~\$2,000,000~~ \$1,500,000 in benefits on behalf of the covered person or (ii) 3 years or more after the effective date of this amendatory Act of the 95th General Assembly has paid a total of \$1,500,000 in benefits on behalf of the covered person.

(6) The person is a resident of a public institution.

(7) The person's premium is paid for or reimbursed under any government sponsored program or by any government agency or health care provider, except as an otherwise qualifying full-time employee, or dependent of such employee, of a government agency or health care provider or, except when a person's premium is paid by the U.S. Treasury Department pursuant to the federal Trade Act of 2002.

(8) The person has or later receives other benefits or funds from any settlement, judgement, or award resulting from any accident or injury, regardless of the date of the accident or injury, or any other circumstances creating a legal liability for damages due that person by a third party, whether the settlement, judgment, or award is in the form of a contract, agreement, or trust on behalf of a minor or otherwise and whether the settlement, judgment, or award is payable to the person, his or her dependent, estate, personal representative, or guardian in a lump sum or over time, so long as there continues to be benefits or assets remaining from those sources in an amount in excess of \$300,000.

(9) Within the 5 years prior to the date a person's Plan application is received by the Board, the person's coverage under any health care benefit program as defined in 18 U.S.C. 24, including any public or private plan or contract under which any medical benefit, item, or service is provided, was terminated as a result of any act or practice that constitutes fraud under State or federal law or as a result of an intentional misrepresentation of material fact; or if that person knowingly and willfully obtained or

attempted to obtain, or fraudulently aided or attempted to aid any other person in obtaining, any coverage or benefits under the Plan to which that person was not entitled.

f. The board or the administrator shall require verification of residency and may require any additional information or documentation, or statements under oath, when necessary to determine residency upon initial application and for the entire term of the policy.

g. Coverage shall cease (i) on the date a person is no longer a resident of Illinois, (ii) on the date a person requests coverage to end, (iii) upon the death of the covered person, (iv) on the date State law requires cancellation of the policy, or (v) at the Plan's option, 30 days after the Plan makes any inquiry concerning a person's eligibility or place of residence to which the person does not reply.

h. Except under the conditions set forth in subsection g of this Section, the coverage of any person who ceases to meet the eligibility requirements of this Section shall be terminated at the end of the current policy period for which the necessary premiums have been paid.

d. Deductibles and coinsurance.

The Plan coverage defined in Section 6 shall provide for a choice of deductibles per individual as authorized by the Board. If 2 individual members of the same family household, who are both covered persons under the Plan, satisfy the same applicable deductibles, no other member of that family who is also a covered person under the Plan shall be required to meet any deductibles for the balance of that calendar year. The deductibles must be applied first to the authorized amount of covered expenses incurred by the covered person. A mandatory coinsurance requirement shall be imposed at the rate authorized by the Board in excess of the mandatory deductible, the coinsurance in the aggregate not to exceed such amounts as are authorized by the Board per annum. At its discretion the Board may, however, offer catastrophic coverages or other policies that provide for larger deductibles with or without coinsurance requirements. The deductibles and coinsurance factors may be adjusted annually according to the Medical Component of the Consumer Price Index.

e. Scope of coverage.

(1) In approving any of the benefit plans to be offered by the Plan, the Board shall establish such benefit levels, deductibles, coinsurance factors, exclusions, and limitations as it may deem appropriate and that it believes to be generally reflective of and commensurate with health insurance coverage that is provided in the individual market in this State.

(2) The benefit plans approved by the Board may also provide for and employ various cost containment measures and other requirements including, but not limited to, preadmission certification, prior approval, second surgical opinions, concurrent utilization review programs, individual case management, preferred provider organizations, health maintenance organizations, and other cost effective arrangements for paying for covered expenses.

f. Preexisting conditions.

(1) Except for federally eligible individuals qualifying for Plan coverage under Section 15 of this Act or eligible persons who qualify for the waiver authorized in paragraph (3) of this subsection, plan coverage shall exclude charges or expenses incurred during the first 6 months following the effective date of coverage as to any condition for which medical advice, care or treatment was

recommended or received during the 6 month period immediately preceding the effective date of coverage.

(2) (Blank).

(3) Waiver: The preexisting condition exclusions as set forth in paragraph (1) of this subsection shall be waived to the extent to which the eligible person (a) has satisfied similar exclusions under any prior individual health insurance policy that was involuntarily terminated because of the insolvency of the issuer of the policy and (b) has applied for Plan coverage within 90 days following the involuntary termination of that individual health insurance coverage.

g. Other sources primary; nonduplication of benefits.

(1) The Plan shall be the last payor of benefits whenever any other benefit or source of third party payment is available. Subject to the provisions of subsection e of Section 7, benefits otherwise payable under Plan coverage shall be reduced by all amounts paid or payable by Medicare or any other government program or through any health insurance coverage or group health plan, whether by insurance, reimbursement, or otherwise, or through any third party liability, settlement, judgment, or award, regardless of the date of the settlement, judgment, or award, whether the settlement, judgment, or award is in the form of a contract, agreement, or trust on behalf of a minor or otherwise and whether the settlement, judgment, or award is payable to the covered person, his or her dependent, estate, personal representative, or guardian in a lump sum or over time, and by all hospital or medical expense benefits paid or payable under any worker's compensation coverage, automobile medical payment, or liability insurance, whether provided on the basis of fault or nonfault, and by any hospital or medical benefits paid or payable under or provided pursuant to any State or federal law or program.

(2) The Plan shall have a cause of action against any covered person or any other person or entity for the recovery of any amount paid to the extent the amount was for treatment, services, or supplies not covered in this Section or in excess of benefits as set forth in this Section.

(3) Whenever benefits are due from the Plan because of sickness or an injury to a covered person resulting from a third party's wrongful act or negligence and the covered person has recovered or may recover damages from a third party or its insurer, the Plan shall have the right to reduce benefits or to refuse to pay benefits that otherwise may be payable by the amount of damages that the covered person has recovered or may recover regardless of the date of the sickness or injury or the date of any settlement, judgment, or award resulting from that sickness or injury.

During the pendency of any action or claim that is brought by or on behalf of a covered person against a third party or its insurer, any benefits that would otherwise be payable except for the provisions of this paragraph (3) shall be paid if payment by or for the third party has not yet been made and the covered person or, if incapable, that person's legal representative agrees in writing to pay back promptly the benefits paid as a result of the sickness or injury to the extent of any future payments made by or for the third party for the sickness or injury. This agreement is to apply whether or not liability for the payments is established or admitted by the third party or whether those payments are itemized.

Any amounts due the plan to repay benefits may be deducted from other benefits payable by the Plan after payments by or for the third party are made.

(4) Benefits due from the Plan may be reduced or refused as an offset against any amount otherwise recoverable under this Section.

h. Right of subrogation; recoveries.

(1) Whenever the Plan has paid benefits because of sickness or an injury to any covered person resulting from a third party's wrongful act or negligence, or for which an insurer is liable in accordance with the provisions of any policy of insurance, and the covered person has recovered or may recover damages from a third party that is liable for the damages, the Plan shall have the right to recover the benefits it paid from any amounts that the covered person has received or may receive regardless of the date of the sickness or injury or the date of any settlement, judgment, or award resulting from that sickness or injury. The Plan shall be subrogated to any right of recovery the covered person may have under the terms of any private or public health care coverage or liability coverage, including coverage under the Workers' Compensation Act or the Workers' Occupational Diseases Act, without the necessity of assignment of claim or other authorization to secure the right of recovery. To enforce its subrogation right, the Plan may (i) intervene or join in an action or proceeding brought by the covered person or his personal representative, including his guardian, conservator, estate, dependents, or survivors, against any third party or the third party's insurer that may be liable or (ii) institute and prosecute legal proceedings against any third party or the third party's insurer that may be liable for the sickness or injury in an appropriate court either in the name of the Plan or in the name of the covered person or his personal

representative, including his guardian, conservator, estate, dependents, or survivors.

(2) If any action or claim is brought by or on behalf of a covered person against a third party or the third party's insurer, the covered person or his personal representative, including his guardian, conservator, estate, dependents, or survivors, shall notify the Plan by personal service or registered mail of the action or claim and of the name of the court in which the action or claim is brought, filing proof thereof in the action or claim. The Plan may, at any time thereafter, join in the action or claim upon its motion so that all orders of court after hearing and judgment shall be made for its protection. No release or settlement of a claim for damages and no satisfaction of judgment in the action shall be valid without the written consent of the Plan to the extent of its interest in the settlement or judgment and of the covered person or his personal representative.

(3) In the event that the covered person or his personal representative fails to institute a proceeding against any appropriate third party before the fifth month before the action would be barred, the Plan may, in its own name or in the name of the covered person or personal representative, commence a proceeding against any appropriate third party for the recovery of damages on account of any sickness, injury, or death to the covered person. The covered person shall cooperate in doing what is reasonably necessary to assist the Plan in any recovery and shall not take any action that would prejudice the Plan's right to recovery. The Plan shall pay to the covered person or his personal representative all sums collected from any third party by judgment or otherwise in excess of amounts paid in benefits under the Plan and amounts paid or to be paid as costs, attorneys fees, and reasonable expenses incurred by the Plan in making the collection or enforcing the judgment.

(4) In the event that a covered person or his personal representative, including his guardian, conservator, estate, dependents, or survivors, recovers damages from a third party for sickness or injury caused to the covered person, the covered person or the personal representative shall pay to the Plan from the damages recovered the amount of benefits paid or to be paid on behalf of the covered person.

(5) When the action or claim is brought by the covered person alone and the covered person incurs a personal liability to pay attorney's fees and costs of litigation, the Plan's claim for reimbursement of the benefits provided to the covered person shall be the full amount of benefits paid to or on behalf of the covered person under this Act less a pro rata share that represents the Plan's reasonable share of attorney's fees paid by the covered person and that portion of the cost of litigation expenses determined by multiplying by the ratio of the full amount of the expenditures to the full amount of the judgement, award, or settlement.

(6) In the event of judgment or award in a suit or claim against a third party or insurer, the court shall first order paid from any judgement or award the reasonable litigation expenses incurred in preparation and prosecution of the action or claim, together with reasonable attorney's fees. After payment of those expenses and attorney's fees, the court shall apply out of the balance of the judgment or award an amount sufficient to reimburse the Plan the full amount of benefits paid on behalf of the covered person under this Act, provided the court may reduce and apportion the Plan's portion of the judgement proportionate to the recovery of the covered person. The burden of producing evidence sufficient to support the exercise by the court of its discretion to reduce the amount of a proven charge sought to be enforced against the recovery shall rest with the party seeking the reduction. The court may consider the nature and extent of the injury, economic and non-economic loss, settlement offers, comparative negligence as it applies to the case at hand, hospital costs, physician costs, and all other appropriate costs. The Plan shall pay its pro rata share of the attorney fees based on the Plan's recovery as it compares to the total judgment. Any reimbursement rights of the Plan shall take priority over all other liens and charges existing under the laws of this State with the exception of any attorney liens filed under the Attorneys Lien Act.

(7) The Plan may compromise or settle and release any claim for benefits provided under this Act or waive any claims for benefits, in whole or in part, for the convenience of the Plan or if the Plan determines that collection would result in undue hardship upon the covered person.

(5 ILCS 430/20-50)

Sec. 20-50. Investigation reports; complaint procedure.

(a) Until 3 years after the effective date of this amendatory Act of the 95th General Assembly, within 10 days after an Executive Inspector General begins an investigation, the Executive Inspector General shall provide the Executive Ethics Commission with (1) a summary of allegations and alleged violations, the reason for opening the investigation, and the unique tracking number assigned to the investigation and (2) any additional information requested by the Executive Ethics Commission. At any time, if an Executive Inspector General, upon the conclusion of an investigation, determines that reasonable cause exists to believe that a violation has occurred, then the Executive Inspector General shall issue a summary report of the investigation. The report shall be delivered to the appropriate ultimate jurisdictional authority and to the head of each State agency affected by or involved in the investigation, if appropriate.

(a-5) Not more than 60 days after delivering a summary report to the appropriate ultimate jurisdictional authority and to the head of each State agency, the Executive Inspector General shall deliver the summary report to the Executive Ethics Commission. The Executive Inspector General shall also provide the Executive Ethics Commission with a report detailing the discipline related to the summary report, if any, that the ultimate jurisdictional authority or head of the State agency has imposed or intends to impose. The Executive Inspector General shall provide any additional information requested by the Executive Ethics Commission. In the event the Executive Inspector General seeks to file a petition for leave to file a complaint with the Executive Ethics Commission pursuant to subsection (c), the Executive Inspector General shall not deliver the summary report to the Executive Ethics Commission and instead shall notify the Commission and the Attorney General. If the Attorney General does not file a petition for leave to file a complaint with the Executive Ethics Commission within the time permitted by statute, the Executive Inspector General must deliver a summary report to the Executive Ethics Commission within 30 days.

Any report delivered to the Executive Ethics Commission under this subsection shall not contain the name and office or position title of any individual person. This subsection applies only until 3 years after the effective date of this amendatory Act of the 95th General Assembly.

(b) The summary report of the investigation shall include the following:

- (1) A description of any allegations or other information received by the Executive Inspector General pertinent to the investigation.
- (2) A description of any alleged misconduct discovered in the course of the investigation.

(2.5) Until 3 years after the effective date of this amendatory Act of the 95th General Assembly, a specific recommendation for any corrective or disciplinary action to be taken in response to any alleged misconduct described in the report, including but not limited to suspension or discharge.

(3) Prior to and then beginning again 3 years after the effective date of this amendatory Act of the 95th General Assembly, recommendations ~~Recommendations~~ for any corrective or disciplinary action to be taken in response to any alleged

misconduct described in the report, including but not limited to discharge.

- (4) Other information the Executive Inspector General deems relevant to the investigation or resulting recommendations.

(c) Not less than 30 days after delivery of the summary report of an investigation under subsection (a) to the appropriate ultimate jurisdictional authority and to the head of each State agency affected by or involved in the investigation, if the Executive Inspector General desires to file a petition for leave to file a complaint, the Executive Inspector General shall notify the Commission and the Attorney General. If the Attorney General determines that reasonable cause exists to believe that a violation has occurred, then the Executive Inspector General, represented by the Attorney General, may file with the Executive Ethics Commission a petition for leave to file a complaint. The petition shall set forth the alleged violation and the grounds that exist to support the petition. The petition for leave to file a complaint must be filed with the Commission within 18 months after the most recent act of the alleged violation or of a series of alleged violations except where there is reasonable cause to believe that fraudulent concealment has occurred. To constitute fraudulent concealment sufficient to toll this limitations period, there must be an affirmative act or representation calculated to prevent discovery of the fact that a violation has occurred. If a petition for leave to file a complaint is not filed with the Commission within 6 months after notice by the Inspector General to the Commission and the Attorney General, then the Commission may set a meeting of the Commission at which the Attorney General shall appear and provide a status report to the Commission.

(d) A copy of the petition must be served on all respondents named in the complaint and on each respondent's ultimate jurisdictional authority in the same manner as process is served under the Code of Civil Procedure.

(e) A respondent may file objections to the petition for leave to file a complaint within 30 days after notice of the petition has been served on the respondent.

(f) The Commission shall meet, either in person or by telephone, in a closed session to review the sufficiency of the complaint. If the Commission finds that complaint is sufficient, the Commission shall grant the petition for leave to file the complaint. The Commission shall issue notice to the Executive Inspector General and all respondents of the Commission's ruling on the sufficiency of the complaint. If the complaint is deemed to sufficiently allege a violation of this Act, then the Commission shall notify the parties and shall include a hearing date scheduled within 4 weeks after the date of the notice, unless all of the parties consent to a later date. If the complaint is deemed not to sufficiently allege a violation, then the Commission shall send by certified mail, return receipt requested, a notice to the parties of the decision to dismiss the complaint.

(g) On the scheduled date the Commission shall conduct a closed meeting, either in person or, if the parties consent, by telephone, on the complaint and allow all parties the opportunity to present testimony and evidence. All such proceedings shall be transcribed.

(h) Within an appropriate time limit set by rules of the Executive Ethics Commission, the Commission shall (i) dismiss the complaint or (ii) issue a recommendation of discipline to the respondent and the respondent's ultimate jurisdictional authority or impose an administrative fine upon the respondent, or both.

(i) The proceedings on any complaint filed with the Commission shall be conducted pursuant to rules promulgated by the Commission.

(j) The Commission may designate hearing officers to conduct proceedings as determined by rule of the Commission.

(k) In all proceedings before the Commission, the standard of proof is by a preponderance of the evidence.

(l) When the Inspector General concludes that there is insufficient evidence that a violation has occurred, the Inspector General shall close the investigation. At the request of the subject of the investigation, the Inspector General shall provide a written statement to the subject of the investigation and to the

Commission of the Inspector General's decision to close the investigation. Closure by the Inspector General does not bar the Inspector General from resuming the investigation if circumstances warrant.

(5 ILCS 430/20-90)

Sec. 20-90. Confidentiality.

(a) The identity of any individual providing information or reporting any possible or alleged misconduct to an Executive Inspector General or the Executive Ethics Commission shall be kept confidential and may not be disclosed without the consent of that individual, unless the individual consents to disclosure of his or her name or disclosure of the individual's identity is otherwise required by law. The confidentiality granted by this subsection does not preclude the disclosure of the identity of a person in any capacity other than as the source of an allegation.

(a-5) Each summary provided to the Executive Ethics Commission by an Executive Inspector General within 10 days after beginning an investigation, as required by subsection (a) of Section 20-50, and each report provided to the Executive Ethics Commission by an Executive Inspector General under subsection (a-5) of Section 20-50 shall be kept confidential and may not be disclosed.

(b) Subject to the provisions of Section 20-50(c), commissioners, employees, and agents of the Executive Ethics Commission, the Executive Inspectors General, and employees and agents of each Office of an Executive Inspector General shall keep confidential and shall not disclose information exempted from disclosure under the Freedom of Information Act or by this Act.

The following amendment was offered in the Committee on Local Government, adopted and reproduced:

AMENDMENT NO. 1. Amend Senate Bill 249 by replacing everything after the enacting clause with the following:

"Section 5. The Water Commission Act of 1985 is amended by changing Section 2 as follows:

(70 ILCS 3720/2) (from Ch. 111 2/3, par. 252)

Sec. 2. The General Assembly hereby finds and declares that it is necessary and in the public interest to help assure a sufficient and economic supply of a source of water within those county wide areas of this State where, because of a growth in population and proximity to large urban centers, the health, safety and welfare of the residents is threatened by an ever increasing shortage of a continuing, available and adequate source and supply of water on an economically reasonable basis; however, it is not the intent of the General Assembly to interfere with the power of municipalities to provide for the retail distribution of water to their residents or the customers of their water systems. Therefore, in order to provide for a sufficient and economic supply of water to such areas, it is hereby declared to be the law of this State that:

(a) With respect to any water commission constituted pursuant to Division 135 of the Illinois Municipal

Code or established by operation of law under Public Act 83-1123, as amended, which water commission includes municipalities which in the aggregate have within their corporate limits more than 50% of the population of a county (hereinafter referred to as a "home county"), and such county is contiguous to a county which has a population in excess of 1,000,000 inhabitants, the provisions of this Act shall apply. With respect to any such water commission (hereinafter referred to as a "county water commission"):

(i) the terms of all commissioners of such commission holding office at the time a water commission becomes a county water commission shall terminate 30 days after such time and new commissioners shall be appointed as the governing board of the county water commission as hereinafter provided in subsection (c); and

(ii) the county water commission shall continue to be a body corporate and politic, and shall bear the name of the home county but shall be independent from and not a part of the county government and shall itself be a political subdivision and a unit of local government, and upon appointment of the new commissioners as the governing board of such water commission as provided in subsection (c), such water commission shall remain responsible for the full payment of, and shall by operation of law be deemed to have assumed and shall pay when due all debts and obligations of the commission as the same is constituted and as such debts and obligations existed on the date such water commission becomes a county water commission and such additional debts and obligations as are incurred by such commission after such date and prior to the appointment of the new commissioners as the governing board of such commission, and further shall continue to have and exercise all powers and functions and duties of a water commission created pursuant to Division 135 of the Illinois Municipal Code, as now or hereafter amended, and the county water commission may rely on that Division, as modified and supplemented by the provisions of this Act, as lawful authority under which it may act.

(b) Any county water commission shall have as its territory within its corporate limits, subject to taxation for its purposes, and subject to the powers and limitations as conferred by this Act, (i) all of the territory of the home county except that territory located within the corporate limits of excluded units as hereinafter defined and (ii) also all of the territory located outside the home county and included within the corporate limits of an included unit as hereinafter defined. As used in this Act, "excluded unit" means a unit of local government having a waterworks system and having within its corporate limits territory within the home county and which either, at the time any commission becomes a county water commission, receives, or has contracted at such time for the receipt of, more than 25% of the water distributed by such unit's water system from a source outside of the home county, or a unit of local government that seeks a change in status as provided in this Section. As used in this Section, "included unit" means any unit of local government having a waterworks system and having within its corporate limits territory within the home county, which unit of local government is not an excluded unit. No other water commission shall be constituted under Division 135 of the Illinois Municipal Code in any home county after the effective date of this Act to provide water from any source located outside the home county. A unit of local government may switch its status from being an included unit to an excluded unit provided that (i) it has constructed a water treatment plant prior to December 31, 2006 to comply with United States Environmental Protection Agency regulations regarding radium; (ii) it notifies the commission in writing of its desire to become an excluded unit; and (iii) it no longer demands future service from the commission and shall not be reinstated as an included unit. In the event a unit of local government switches status, the water commission shall, from any legally available sources, transfer the sums collected from that unit of local government for the period of time beginning January 1, 2006 to the date that this tax is no longer assessed within the affected excluded unit. The transfer of funds authorized herein shall be made within 90 days of the effective date of this amendatory Act of the 95th General Assembly. Except as authorized by a county water commission, no home county or included unit shall enter into any new or renew or extend any existing contract, agreement or other arrangement for the acquisition or sale of water from any source located outside a home county; provided, however, that any included unit may contract for a supply of water in case of a temporary emergency from any other unit of local government or any entity. In the event that any included unit elects to serve retail customers outside its corporate boundaries and to establish rates and charges for such water in excess of those charged within its corporate boundaries, such rates and charges shall have a reasonable relationship to the actual cost of providing and delivering the water; this provision is declarative of existing law. It is declared to be the law of this State pursuant to paragraphs (g) and (h) of Section 6 of Article VII of the Illinois Constitution that in any home county, the provisions of this Act and Division 135 of the Illinois Municipal Code, as modified and supplemented by this Act and this amendatory Act of the 93rd General Assembly, constitute a limitation upon the power of any such county and upon all units of local government (except excluded units) within such county, including home rule units, limiting to such county,

units of local government and home rule units the power to acquire, supply or distribute water or to establish any water commission for such purposes involving water from any source located outside the home county in a manner other than as provided or permitted by this Act and Division 135, as modified and supplemented by this Act, and further constitute an exercise of exclusive State power with respect to the acquisition, supply and distribution of water from any source located outside the home county by any such county and by units of local government (except excluded units), including home rule units, within such county and with respect to the establishment for such purposes of any water commission therein, which power may not be exercised concurrently by any unit of local government or home rule unit. Upon the request of any included unit, a county water commission shall provide such included unit Lake Michigan water in an amount up to the then current Department of Transportation allocation of Lake Michigan water for such included unit.

With respect to a water commission to which the provisions of subsection (a) apply, all uninhabited territory that is owned and solely occupied by such a commission and is located not within its home county but within a non-home rule municipality adjacent to its home county shall, notwithstanding any other provision of law, be disconnected from that municipality by operation of this Act on the effective date of this amendatory Act of 1991, and shall thereafter no longer be within the territory of the municipality for any purpose; except that for the purposes of any statute that requires contiguity of territory, the territory of the water commission shall be disregarded and the municipality shall not be deemed to be noncontiguous by virtue of the disconnection of the water commission territory.

(c) The governing body of any water commission to which the provisions of subsection (a) apply shall be a board of commissioners, each to be appointed within 30 days after the water commission becomes a county water commission to a term commencing on such date, as follows:

- (i) one commissioner, who shall serve as chairman, who shall be a resident of the home county, to be appointed by the chairman of the county board of such county with the advice and consent of the county board, provided that following the expiration of the term or vacancy of the current chairman serving on the effective date of this amendatory Act of the 93rd General Assembly, any subsequent appointment as chairman shall also be subject to the advice and consent of the county water commission;
- (ii) one commissioner from each county board district within the home county, to be appointed by the chairman of the county board of the home county with the advice and consent of the county board; and
- (iii) one commissioner from each county board district within the home county, to be appointed by the majority vote of the mayors of those included units which are municipalities and which have the greatest percentage of their respective populations residing within such county board district of the home county.

The mayors of the respective county board districts shall meet for the purpose of making said respective appointments at a time and place designated by that mayor in each county board district of the included unit with the largest population voting for a commissioner upon not less than 10 days' written notice to each other mayor entitled to vote.

The commissioners so appointed shall serve for a term of 6 years, or until their successors have been appointed and have qualified in the same manner as the original appointments, except that at the first meeting of such commissioners, (A) the commissioners first appointed pursuant to paragraph (ii) of this subsection shall determine publicly by lot 1/3 of their number to serve for terms of 2 years, 1/3 of their number to serve for terms of 4 years and 1/3 of their number to serve for terms of 6 years, any odd number of commissioners so determined by dividing into thirds to serve 6 year terms, and (B) the commissioners first appointed pursuant to paragraph (iii) of this subsection shall determine publicly by lot 1/3 of their number to serve for terms of 2 years, 1/3 of their number to serve for terms of 4 years and 1/3 of their number to serve for terms of 6 years, any odd number of commissioners so determined by dividing into thirds to serve 6 year terms. The commissioner first appointed pursuant to paragraph (i) of this subsection, who shall serve as chairman, shall serve for a term of 6 years. Any commissioner may be a member of the governing board or an officer or employee of such county or any unit of local government within such county. A commissioner is eligible for reappointment upon the expiration of his term. A vacancy in the office of a commissioner shall be filled for the balance of the unexpired term by appointment and qualification as to residency in the same manner as the original appointment was made. Each commissioner shall receive the same compensation which shall not be more than \$600 per year, except that no such commissioner who is a member of the governing board or an officer or employee of such county or any unit of local government within such county may receive any compensation for serving as a commissioner.

Each commissioner may be removed by the appointing authority for any cause for which any other county or municipal officer may be removed. The county water commission shall determine its own rules of proceeding. A quorum shall be a majority of the commissioners then in office. All ordinances or resolutions shall be passed by not less than a majority of a quorum. No commissioner or employee of the commission, no member of the county board or other official elected within such county, no mayor or president or other member of the corporate authorities of any unit of local government within such county, and no employee of such county or any such unit of local government, shall be interested directly or indirectly in any contract or job of work or materials, or the profits thereof, or services to be performed for or by the commission. A violation of any of the foregoing provisions of this subsection is a Class C misdemeanor. A conviction is cause for the removal of a person from his office or employment.

(d) Except as provided in subsection (g), subject to the referendum provided for in subsection (e), a county water commission may borrow money for corporate purposes on the credit of the commission, and issue general obligation bonds therefor, in such amounts and form and on such conditions as it shall prescribe, but shall not become indebted in any manner or for any purpose in an amount including existing indebtedness in the aggregate to exceed 5.75% of the aggregate value of the taxable property within the territorial boundaries of the county water commission, as equalized and assessed by the Department of Revenue and as most recently available at the time of the issue of said bonds. Before or at the time of incurring any indebtedness, except as provided in subsection (g), the commission shall provide for the collection of a direct annual tax, which shall be unlimited as to rate or amount, sufficient to pay the interest on such debt as it falls due and also to pay and discharge the principal thereof at maturity, which shall be within 40 years after the date of issue thereof. Such tax shall be levied upon and collected from all of the taxable property within the territory of the county water commission. Dissolution of the county water commission for any reason shall not relieve the taxable property within such territory of the county water commission from liability for such tax. The clerk of the commission shall file a certified copy of the resolution or ordinance by which such bonds are authorized to be issued and such tax is levied with the County Clerk of each county in which any of the territory of the county water commission is located and such filing shall constitute, without the doing of any other act, full and complete authority for each such County Clerk to extend such tax for collection upon all the taxable property within the territory of the county water commission subject to such tax in each and every year required sufficient to pay the principal of and interest on such bonds, as aforesaid, without limit as to rate or amount, and shall be in addition to and in excess of all other taxes authorized to be levied by the commission or any included unit. The general obligation bonds shall be issued pursuant to an ordinance or resolution and may be issued in one or more series, and shall bear such date or dates, mature at such time or times and in any event not more than 40 years from the date thereof, be sold at such price at private or public sale as determined by a county water commission, bear interest at such rate or rates such that the net effective interest rate received upon the sale of such bonds does not exceed the maximum rate determined under Section 2 of the Bond Authorization Act, which rates may be fixed or variable, be in such denominations, be in such form, either coupon or registered, carry such conversion, registration, and exchange privileges, be executed in such manner, be payable in such medium of payment at such place or places within or without the State of Illinois, be subject to such terms of redemption, and contain or be subject to such other terms as the ordinance or resolution may provide, and shall not be restricted by the provisions of any other terms of obligations of public agencies or private persons.

(e) No issue of general obligation bonds by a county water commission (except bonds to refund an existing bonded indebtedness) shall be authorized unless the commission certifies the proposition of issuing such bonds to the proper election officials, who shall submit the proposition to the voters at an election in accordance with the general election law, and the proposition has been approved by a majority of those voting on the proposition.

The proposition shall be in the form provided in Section 5 or shall be substantially in the following form:

-----

Shall general obligation  
bonds for the purpose of  
(state purpose), in the            YES  
sum of \$...(insert amount), -----  
be issued by the .....        NO  
(insert corporate name of  
the county water commission)?

-----

(f) In order to carry out and perform its powers and functions and duties under the provisions of this Act and Division 135 of the Illinois Municipal Code, as modified and supplemented by this Act, the governing body of any county water commission may by ordinance levy annually upon all taxable property within its territory a tax at a rate not to exceed .005% of the value of such property, as equalized or assessed by the Department of Revenue for the year in which the levy is made. In addition, any county water commission may by ordinance levy upon all taxable property within its territory, for one year only, an additional tax for such purposes at a rate not to exceed .20% of the value of such property, as equalized or assessed by the Department of Revenue for that year; provided, however, that such tax may not be levied more than once in any county water commission.

(g) Any county water commission shall have the power to borrow money, subject to the indebtedness limitation provided in subsection (d), from the home county or included units, in such amounts and in such terms as agreed by the governing bodies of the commission and the home county or included units.

(h) No county water commission constituted pursuant to the Act shall engage in the retail sale or distribution of water to residents or customers of any municipality.

(i) Nothing in the Section requires any municipality to contract with a county water commission for a supply of water.

(j) The State of Illinois recognizes that any such contract for the supply of water executed by a unit of local government and a county water commission may contain terms and conditions intended by the parties thereto to be absolute conditions thereof. The State of Illinois also recognizes that persons may loan funds to a county water commission (including, without limitation, the purchase of revenue or general obligation bonds of such commission) in reliance upon the terms and conditions of any such contract for the supply of water. Therefore, the State of Illinois pledges and agrees to those parties and persons which make loans of funds to a county water commission that it will not impair or limit the power or ability of a county water commission or a unit of local government fully to carry out the financial obligations and obligation to furnish water pursuant to the terms of any contract for the supply of water entered into by such county water commission or unit of local government for the term of such contracts or loans. All other terms and conditions of such contracts and intergovernmental agreements shall be binding to the extent that they are not inconsistent with this amendatory Act of the 93rd General Assembly.

(b) If any conviction forming the basis of a suspension or revocation authorized under this Section is appealed, the Secretary of State may rescind or withhold the entry of the order of suspension or revocation, as the case may be, provided that a certified copy of a stay order of a court is filed with the Secretary of State. If the conviction is affirmed on appeal, the date of the conviction shall relate back to the time the original judgment of conviction was entered and the 6 month limitation prescribed shall not apply.

(c) 1. Upon suspending or revoking the driver's license or permit of any person as authorized in this Section, the Secretary of State shall immediately notify the person in writing of the revocation or suspension. The notice to be deposited in the United States mail, postage prepaid, to the last known address of the person.

2. If the Secretary of State suspends the driver's license of a person under subsection 2 of paragraph (a) of this Section, a person's privilege to operate a vehicle as an occupation shall not be suspended, provided an affidavit is properly completed, the appropriate fee received, and a permit issued prior to the effective date of the suspension, unless 5 offenses were committed, at least 2 of which occurred while operating a commercial vehicle in connection with the driver's regular occupation. All other driving privileges shall be suspended by the Secretary of State. Any driver prior to operating a vehicle for occupational purposes only must submit the affidavit on forms to be provided by the Secretary of State setting forth the facts of the person's occupation. The affidavit shall also state the number of offenses committed while operating a vehicle in connection with the driver's regular occupation. The affidavit shall be accompanied by the driver's license. Upon receipt of a properly completed affidavit, the Secretary of State shall issue the driver a permit to operate a vehicle in connection with the driver's regular occupation only. Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. If an affidavit is received subsequent to the effective date of this suspension, a permit may be issued for the remainder of the suspension period.

The provisions of this subparagraph shall not apply to any driver required to possess a CDL for the purpose of operating a commercial motor vehicle.

Any person who falsely states any fact in the affidavit required herein shall be guilty of perjury under Section 6-302 and upon conviction thereof shall have all driving privileges revoked without further rights.

3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship, issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of his employment related duties, or to allow transportation for the petitioner, or a household member of the petitioner's family, to receive necessary medical care and if the professional evaluation indicates, provide transportation for alcohol remedial or rehabilitative activity, or for the petitioner to attend classes, as a student, in an accredited educational institution; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and the petitioner will not endanger the public safety or welfare.

If a person's license or permit has been revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

If a person's license or permit has been revoked or suspended 2 or more times within a 10 year period due to a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, and a statutory summary suspension under Section 11-501.1, or 2 or more statutory summary suspensions, or combination of 2 offenses, or of an offense and a statutory summary suspension, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$20 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. If the restricted driving permit was issued for employment purposes, then this provision does not apply to the operation of an occupational vehicle owned or leased by that person's employer. In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination of those offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 18 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

(d) This Section is subject to the provisions of the Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

(f) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been suspended or revoked under any provisions of this Code.

Sec. 6-206.1. Monitoring Device Driving ~~Judicial Driving~~ Permit. Declaration of Policy. It is hereby declared a policy of the State of Illinois that the driver who is impaired by alcohol, other drug or drugs, or intoxicating compound or compounds is a threat to the public safety and welfare. Therefore, to provide a deterrent to such practice and to remove problem drivers from the highway, a statutory summary driver's license suspension is appropriate. It is also recognized that driving is a privilege and therefore, that ~~in some cases~~ the granting of ~~limited~~ driving privileges, ~~in a manner where~~ consistent with public safety, is warranted during the period of suspension in the form of a monitoring device driving permit. A person who drives and fails to comply with the requirements of the monitoring device driving permit commits a violation of Section 6-303 of this Code ~~judicial driving permit to drive for the purpose of employment, receiving drug treatment or medical care, and educational pursuits, where no alternative means of transportation is available.~~

The following procedures shall apply whenever a first offender is arrested for any offense as defined in Section 11-501 or a similar provision of a local ordinance:

(a) Subsequent to a notification of a statutory summary suspension of driving privileges as provided in Section 11-501.1, the court, after informing the first offender, as defined in Section 11-500, of his or her right to a monitoring device driving permit, hereinafter referred to as a MDDP, and of the obligations of the MDDP, shall enter an order directing the Secretary of State to issue a MDDP to the offender, unless the offender has opted, in writing, not to have a MDDP issued. However, the court shall not enter the order directing the Secretary of State to issue the MDDP, if the court finds:

- (1) The offender's driver's license is otherwise valid;
- (2) No death or great bodily harm resulted from the arrest for Section 11-501;
- (3) That the offender has not been previously convicted of reckless homicide; and
- (4) That the offender is not less than 18 years of age.

Any court order for a MDDP shall order the person to pay the Secretary of State a MDDP Administration Fee an amount not to exceed \$30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. The order shall further specify that the offender must have an ignition interlock device installed within 14 days of the date the Secretary issues the MDDP, and shall specify the vehicle in which the device is to be installed. The ignition interlock device provider must notify the Secretary, in a manner and form prescribed by the Secretary, of the installation. If the Secretary does not receive notice of installation, the Secretary shall cancel the MDDP.

the first offender as defined in Section 11-500 may petition the circuit court of venue for a Judicial Driving Permit, hereinafter referred as a JDP, to relieve undue hardship. The court may issue a court order, pursuant to the criteria contained in this Section, directing the Secretary of State to issue such a JDP to the petitioner. A ~~MDDP~~ JDP shall not become effective prior to the 31st day of the original statutory summary suspension and shall always be subject to the following criteria:

(a-1) A person issued a MDDP may drive for any purpose and at any time, subject to the rules adopted by the Secretary of State under subsection (g). The person must, at his or her own expense, drive only vehicles equipped with an ignition interlock device as defined in Section 1-129.1, but in no event shall such person drive a commercial motor vehicle.

(a-2) Persons who are issued a MDDP and must drive employer-owned vehicles in the course of their employment duties may seek permission from the court to drive an employer-owned vehicle that does not have an ignition interlock device. The employee shall provide to the court a form, prescribed by the Secretary of State, completed by the employer verifying that the employee must drive an employer-owned vehicle in the course of employment. If approved by the court, the form must be file stamped and must be in the driver's possession while operating an employer-owner vehicle not equipped with an ignition interlock device. No person may use this exemption to drive a school bus, school vehicle, or a vehicle designed to transport more than 15 passengers. No person may use this exemption to drive an employer-owned motor vehicle that is owned by an entity that is wholly or partially owned by the person holding the MDDP, or by an family member of the person holding the MDDP. No person may use this exemption to drive an employer-owned vehicle that is made available to the employee for personal use. No person may drive the exempted vehicle more than 12 hours per day, 6 days per week.

1. If ordered for the purposes of employment, the JDP shall be only for the purpose of providing the petitioner the privilege of driving a motor vehicle between the petitioner's residence and the petitioner's place of employment and return; or within the scope of the petitioner's employment related duties, shall be effective only during and limited to those specific times and routes actually required to commute or perform the petitioner's employment related duties.

~~2. The court, by a court order, may also direct the Secretary of State to issue a JDP to allow transportation for the petitioner, or a household member of the petitioner's family, to receive alcohol, drug, or intoxicating compound treatment or medical care, if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available. Such JDP shall be effective only during the specific times actually required to commute.~~

~~3. The court, by a court order, may also direct the Secretary of State to issue a JDP to allow transportation by the petitioner for educational purposes upon demonstrating that there are no alternative means of transportation reasonably available to accomplish those educational purposes. Such JDP shall be only for the purpose of providing transportation to and from the petitioner's residence and the petitioner's place of educational activity, and only during the specific times and routes actually required to commute or perform the petitioner's educational requirement.~~

~~4. The Court shall not issue an order granting a JDP to:~~

~~(i) Any person unless and until the court, after considering the results of a current professional evaluation of the person's alcohol or other drug use by an agency pursuant to Section 15-10 of the Alcoholism and Other Drug Abuse and Dependency Act and other appropriate investigation of the person, is satisfied that granting the privilege of driving a motor vehicle on the highways will not endanger the public safety or welfare.~~

~~(ii) Any person who has been convicted of reckless homicide within the previous 5 years.~~

~~(iii) Any person whose privilege to operate a motor vehicle was invalid at the time of arrest for the current violation of Section 11-501, or a similar provision of a local ordinance, except in cases where the cause for a driver's license suspension has been removed at the time a JDP is effective. In any case, should the Secretary of State enter a suspension or revocation of driving privileges pursuant to the provisions of this Code while the JDP is in effect or pending, the Secretary shall take the prescribed action and provide a notice to the person and the court ordering the issuance of the JDP that all driving privileges, including those provided by the issuance of the JDP, have been withdrawn.~~

~~(iv) Any person under the age of 18 years.~~

~~(v) Any person for the operation of a commercial motor vehicle if the person's driving privileges have been suspended under any provision of this Code in accordance with 49 C.F.R. Part 384.~~

~~(b) (Blank). Prior to ordering the issuance of a JDP the Court should consider at least, but not be limited to, the following issues:~~

~~1. Whether the person is employed and no other means of commuting to the place of employment is available or that the person must drive as a condition of employment. The employer shall certify the hours of employment and the need and parameters necessary for driving as a condition to employment.~~

~~2. Whether the person must drive to secure alcohol or other medical treatment for himself or a family member.~~

~~3. Whether the person must drive for educational purposes. The educational institution shall certify the person's enrollment in and academic schedule at the institution.~~

~~4. Whether the person has been repeatedly convicted of traffic violations or involved in motor vehicle accidents to a degree which indicates disrespect for public safety.~~

~~5. Whether the person has been convicted of a traffic violation in connection with a traffic accident resulting in the death of any person within the last 5 years.~~

~~6. Whether the person is likely to obey the limited provisions of the JDP.~~

~~7. Whether the person has any additional traffic violations pending in any court.~~

~~For purposes of this Section, programs conducting professional evaluations of a person's alcohol, other drug, or intoxicating compound use must report, to the court of venue, using a form prescribed by the Secretary of State. A copy of such evaluations shall be sent to the Secretary of State by the court. However, the evaluation information shall be privileged and only available to courts and to the Secretary of State, but shall not be admissible in the subsequent trial on the underlying charge.~~

~~(c) (Blank). The scope of any court order issued for a JDP under this Section shall be limited to the operation of a motor vehicle as provided for in subsection (a) of this Section and shall specify the petitioner's residence, place of employment or location of educational institution, and the scope of job related duties, if relevant. The JDP shall also specify days of the week and specific hours of the day when the petitioner is able to exercise the limited privilege of operating a motor vehicle.~~

~~(c-1) If the petitioner is issued a citation for a violation of Section 6-303 during the period of a statutory summary suspension entered under Section 11-501.1 of this Code, or if the petitioner is charged with a violation of Section 11-501 or a similar provision of a local ordinance or a similar out of state offense which occurs after the current violation of Section 11-501 or a similar provision of a local ordinance, the~~

~~court may not grant the petitioner a JDP unless the petitioner is acquitted or the citation or complaint is otherwise dismissed.~~

If the ~~person petitioner~~ is issued a citation for a violation of Section 6-303 or a violation of Section 11-501 or a similar provision of a local ordinance or a similar out of state offense during the term of the ~~MDDP JDP~~, the officer issuing the citation, or the law enforcement agency employing that officer, shall confiscate the ~~MDDP JDP~~ and immediately send the ~~MDDP JDP~~ and notice of the citation to the court that ordered the issuance of the ~~MDDP JDP~~. Within 10 days of receipt, the issuing court, upon notice to the ~~person petitioner~~, shall conduct a hearing to consider cancellation of the ~~MDDP JDP~~. If the court enters an order of cancellation, the court shall forward the order to the Secretary of State, and the Secretary shall cancel the ~~MDDP JDP~~ and notify the ~~person petitioner~~ of the cancellation. If, however, the ~~person petitioner~~ is convicted of the offense before the ~~MDDP JDP~~ has been cancelled, the court of venue shall send notice of conviction to the court that ordered issuance of the ~~MDDP JDP~~. The court receiving the notice shall immediately enter an order of cancellation and forward the order to the Secretary of State. The Secretary shall cancel the JDP and notify the ~~person petitioner~~ of the cancellation.

If the ~~person petitioner~~ is issued a citation for any other traffic related offense during the term of the ~~MDDP JDP~~, the officer issuing the citation, or the law enforcement agency employing that officer, shall send notice of the citation to the court that ordered issuance of the ~~MDDP JDP~~. Upon receipt and notice to the ~~person petitioner~~ and an opportunity for a hearing, the court shall determine whether the violation constitutes grounds for cancellation of the ~~MDDP JDP~~. If the court enters an order of cancellation, the court shall forward the order to the Secretary of State, and the Secretary shall cancel the ~~MDDP JDP~~ and shall notify the ~~person petitioner~~ of the cancellation.

(c-5) If the court determines that the person seeking the MDDP is indigent, the court shall provide the person with a written document, in a form prescribed by the Secretary of State, as evidence of that determination, and the person shall provide that written document to an ignition interlock device provider. The provider shall install an ignition interlock device on that person's vehicle without charge to the person, and seek reimbursement from the Indigent BAIID Fund.

(d) The Secretary of State shall, upon receiving a court order from the court of venue, issue a ~~MDDP JDP~~ to a ~~person who applies successful Petitioner~~ under this Section. Such court order form shall also contain a notification, which shall be sent to the Secretary of State, providing the name, driver's license number and legal address of the ~~applicant successful petitioner~~, and the ~~full and detailed description of the limitations of the JDP~~. This information shall be available only to the courts, police officers, and the Secretary of State, except during the actual period the ~~MDDP JDP~~ is valid, during which time it shall be a public record. The Secretary of State shall design and furnish to the courts an official court order form to be used by the courts when directing the Secretary of State to issue a ~~MDDP JDP~~.

Any submitted court order that contains insufficient data or fails to comply with this Code shall not be utilized for ~~MDDP JDP~~ issuance or entered to the driver record but shall be returned to the issuing court indicating why the ~~MDDP JDP~~ cannot be so entered. A notice of this action shall also be sent to the ~~MDDP applicant JDP petitioner~~ by the Secretary of State.

~~(e) (Blank). The circuit court of venue may conduct the judicial hearing, as provided in Section 2-118.1, and the JDP hearing provided in this Section, concurrently. Such concurrent hearing shall proceed in the court in the same manner as in other civil proceedings.~~

~~(f) (Blank). The circuit court of venue may, as a condition of the issuance of a JDP, prohibit the person from operating a motor vehicle not equipped with an ignition interlock device.~~

(g) The Secretary of State shall adopt rules for implementing this Section. The rules adopted shall address issues including, but not limited to: compliance with the requirements of the MDDP; methods for determining compliance with those requirements; the consequences of noncompliance with those requirements; what constitutes a violation of the MDDP; and the duties of a person or entity that supplies the ignition interlock device.

(h) The rules adopted under subsection (g) shall provide, at a minimum, that the person is not in compliance with the requirements of the MDDP if he or she:

(1) tampers or attempts to tamper with or circumvent the proper operation of the ignition interlock device;

(2) provides valid breath samples that register blood alcohol levels in excess of the number of times allowed under the rules;

(3) fails to provide evidence sufficient to satisfy the Secretary that the ignition interlock device has been installed in the designated vehicle or vehicles; or

(4) fails to follow any other applicable rules adopted by the Secretary.

(i) Any person or entity that supplies an ignition interlock device as provided under this Section shall, in addition to supplying only those devices which fully comply with all the rules adopted under subsection (g), provide the Secretary, within 7 days of inspection, all monitoring reports of each person who has had an ignition interlock device installed. These reports shall be furnished in a manner or form as prescribed by the Secretary.

(j) Upon making a determination that a violation of the requirements of the MDDP has occurred, the Secretary shall extend the summary suspension period for an additional 3 months beyond the originally imposed summary suspension period, during which time the person shall only be allowed to drive vehicles equipped with an ignition interlock device; provided further there are no limitations on the number of times the summary suspension may be extended. Any person whose summary suspension is extended pursuant to this Section shall have the right to contest the extension through an administrative hearing with the Secretary. If the summary suspension has already terminated prior to the Secretary receiving the monitoring report that shows a violation, the Secretary shall be authorized to suspend the person's driving privileges for 3 months. The only permit the person shall be eligible for during this new suspension period is a MDDP.

(k) A person who has had his or her summary suspension extended for the third time shall have his or her vehicle impounded for a period of 30 days, at the person's own expense. A person who has his or her summary suspension extended for the fourth time shall have his or her vehicle subject to seizure and forfeiture. The Secretary shall notify the prosecuting authority of any third or fourth extensions. Upon receipt of the notification, the prosecuting authority shall impound or forfeit the vehicle.

(l) A person whose driving privileges have been suspended under Section 11-501.1 of this Code and who had a MDDP that was cancelled pursuant to subsection (c-1) of this Section, shall not be eligible for reinstatement when the summary suspension is scheduled to terminate, but instead shall be eligible only to apply for a restricted driving permit. If a restricted driving permit is granted, the offender may only operate vehicles equipped with an ignition interlock device, for a period of not less than twice the original summary suspension period.

(m) Any person or entity that supplies an ignition interlock device under this Section shall, for each ignition interlock device installed, pay 5% of the total gross revenue received for the device into the Indigent BAIID Fund. This 5% shall be clearly indicated as a separate surcharge on each invoice that is issued. The Secretary shall conduct an annual review of the fund to determine whether the surcharge is sufficient to provide for indigent users. The Secretary may increase or decrease this surcharge requirement as needed.

(n) Any person or entity that supplies an ignition interlock device under this Section that is requested to provide an ignition interlock device to a person who presents written documentation of indigency from the court, as provided in subsection (c-5) of this Section, shall install the device on the person's vehicle without charge to the person and shall seek reimbursement from the Indigent BAIID Fund.

(o) The Indigent BAIID Fund is created as a special fund in the State treasury. The Secretary of State shall, subject to appropriation by the General Assembly, use all money in the Indigent BAIID Fund to reimburse ignition interlock device providers who have installed devices in vehicles of indigent persons pursuant to court orders issued under this Section. The Secretary shall make payments to such providers every 3 months. If the amount of money in the fund at the time payments are made is not sufficient to pay all requests for reimbursement submitted during that 3 month period, the Secretary shall make payments on a pro-rata basis, and those payments shall be considered payment in full for the requests submitted.

(p) The Monitoring Device Driving Permit Administration Fee Fund is created as a special fund in the State treasury. The Secretary of State shall, subject to appropriation by the General Assembly, use the money paid into this fund to offset its administrative costs for administering MDDPs.

The court shall monitor compliance with any remedial education or treatment recommendations contained in the professional evaluation. Programs conducting alcohol or other drug evaluation or remedial education must be licensed by the Department of Human Services. If the individual is not a resident of Illinois, however, the court may accept an alcohol or other drug evaluation or remedial education program in the individual's state of residence. Programs providing treatment must be licensed under existing applicable alcoholism and drug treatment licensure standards.

The court shall monitor compliance with any remedial education or treatment recommendations contained in the professional evaluation. Programs conducting alcohol or other drug evaluation or remedial education must be licensed by the Department of Human Services. If the individual is not a resident of Illinois, however, the court may accept an alcohol or other drug evaluation or remedial education program in the individual's state of residence. Programs providing treatment must be licensed under existing applicable alcoholism and drug treatment licensure standards.

Section 15. The Unified Code of Corrections is amended by changing Section 5-6-1 as follows:

(730 ILCS 5/5-6-1) (from Ch. 38, par. 1005-6-1)

Sec. 5-6-1. Sentences of Probation and of Conditional Discharge and Disposition of Supervision. The General Assembly finds that in order to protect the public, the criminal justice system must compel compliance with the conditions of probation by responding to violations with swift, certain and fair punishments and intermediate sanctions. The Chief Judge of each circuit shall adopt a system of structured, intermediate sanctions for violations of the terms and conditions of a sentence of probation, conditional discharge or disposition of supervision.

(a) Except where specifically prohibited by other provisions of this Code, the court shall impose a sentence of probation or conditional discharge upon an offender unless, having regard to the nature and circumstance of the offense, and to the history, character and condition of the offender, the court is of the opinion that:

(1) his imprisonment or periodic imprisonment is necessary for the protection of the public; or

(2) probation or conditional discharge would deprecate the seriousness of the offender's conduct and would be inconsistent with the ends of justice; or

(3) a combination of imprisonment with concurrent or consecutive probation when an offender has been admitted into a drug court program under Section 20 of the Drug Court Treatment Act is necessary for the protection of the public and for the rehabilitation of the offender.

The court shall impose as a condition of a sentence of probation, conditional discharge, or supervision, that the probation agency may invoke any sanction from the list of intermediate sanctions adopted by the chief judge of the circuit court for violations of the terms and conditions of the sentence of probation, conditional discharge, or supervision, subject to the provisions of Section 5-6-4 of this Act.

(b) The court may impose a sentence of conditional discharge for an offense if the court is of the opinion that neither a sentence of imprisonment nor of periodic imprisonment nor of probation supervision is appropriate.

(b-1) Subsections (a) and (b) of this Section do not apply to a defendant charged with a misdemeanor or felony under the Illinois Vehicle Code or reckless homicide under Section 9-3 of the Criminal Code of 1961 if the defendant within the past 12 months has been convicted of or pleaded guilty to a misdemeanor or felony under the Illinois Vehicle Code or reckless homicide under Section 9-3 of the Criminal Code of 1961.

(c) The court may, upon a plea of guilty or a stipulation by the defendant of the facts supporting the charge or a finding of guilt, defer further proceedings and the imposition of a sentence, and enter an order for supervision of the defendant, if the defendant is not charged with: (i) a Class A misdemeanor, as defined by the following provisions of the Criminal Code of 1961: Sections 11-9.1; 12-3.2; 12-15; 26-5; 31-1; 31-6; 31-7; subsections (b) and (c) of Section 21-1; paragraph (1) through (5), (8), (10), and (11) of subsection (a) of Section 24-1; (ii) a Class A misdemeanor violation of Section 3.01, 3.03-1, or 4.01 of the Humane Care for Animals Act; or (iii) felony. If the defendant is not barred from receiving an order for supervision as provided in this subsection, the court may enter an order for supervision after considering the circumstances of the offense, and the history, character and condition of the offender, if the court is of the opinion that:

(1) the offender is not likely to commit further crimes;

(2) the defendant and the public would be best served if the defendant were not to receive a criminal record; and

(3) in the best interests of justice an order of supervision is more appropriate than a sentence otherwise permitted under this Code.

(d) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 11-501

of the Illinois Vehicle Code or a similar provision of a local ordinance when the defendant has previously been:

- (1) convicted for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance or any similar law or ordinance of another state; or
- (2) assigned supervision for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance or any similar law or ordinance of another state; or
- (3) pleaded guilty to or stipulated to the facts supporting a charge or a finding of guilty to a violation of Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance or any similar law or ordinance of another state, and the plea or stipulation was the result of a plea agreement.

The court shall consider the statement of the prosecuting authority with regard to the standards set forth in this Section.

(e) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 16A-3 of the Criminal Code of 1961 if said defendant has within the last 5 years been:

- (2) assigned supervision for a violation of Section 16A-3 of the Criminal Code of 1961.

The court shall consider the statement of the prosecuting authority with regard to the standards set forth in this Section.

- (1) convicted for a violation of Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance; or
- (2) assigned supervision for a violation of Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance.

The court shall consider the statement of the prosecuting authority with regard to the standards set forth in this Section.

(h) The provisions of paragraph (c) shall not apply to a defendant under the age of 21 years charged with violating a serious traffic offense as defined in Section 1-187.001 of the Illinois Vehicle Code:

- (1) unless the defendant, upon payment of the fines, penalties, and costs provided by law, agrees to attend and successfully complete a traffic safety program approved by the court under standards set by the Conference of Chief Circuit Judges. The accused shall be responsible for payment of any traffic safety program fees. If the accused fails to file a certificate of successful completion on or before the termination date of the supervision order, the supervision shall be summarily revoked and conviction entered. The provisions of Supreme Court Rule 402 relating to pleas of guilty do not apply in cases when a defendant enters a guilty plea under this provision; or
- (2) if the defendant has previously been sentenced under the provisions of paragraph

(c) on or after January 1, 1998 for any serious traffic offense as defined in Section 1-187.001 of the Illinois Vehicle Code.

(i) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 3-707 of the Illinois Vehicle Code or a similar provision of a local ordinance if the defendant has been assigned supervision for a violation of Section 3-707 of the Illinois Vehicle Code or a similar provision of a local ordinance.

(j) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 6-303 of the Illinois Vehicle Code or a similar provision of a local ordinance when the revocation or suspension was for a violation of Section 11-501 or a similar provision of a local ordinance, a violation of Section 11-501.1 or paragraph (b) of Section 11-401 of the Illinois Vehicle Code, or a violation of Section 9-3 of the Criminal Code of 1961 if the defendant has within the last 10 years been:

(k) The provisions of paragraph (c) shall not apply to a defendant charged with violating any provision of the Illinois Vehicle Code or a similar provision of a local ordinance that governs the

movement of vehicles if, within the 12 months preceding the date of the defendant's arrest, the defendant has been assigned court supervision on 2 occasions for a violation that governs the movement of vehicles under the Illinois Vehicle Code or a similar provision of a local ordinance.

(l) A defendant charged with violating any provision of the Illinois Vehicle Code who, after a court appearance in the same matter, receives a disposition of supervision under subsection (c) shall pay an additional fee of \$20, to be collected as provided in Sections 27.5 and 27.6 of the Clerks of Courts Act. In addition to the \$20 fee, the person shall also pay a fee of \$5, which, if not waived by the court, shall be collected as provided in Sections 27.5 and 27.6 of the Clerks of Courts Act. **HOUSE RESOLUTION 439**

Offered by Representative Cross:

WHEREAS, The Village of Plainfield is a prosperous community that enjoys working with nearby communities to develop regional harmony for the benefit of all Illinois citizens; and

WHEREAS, The Village of Plainfield has seen generous growth and development through increased business and development, and has experienced a population increase of over 200% in the past 8 years; and

WHEREAS, With such rapid growth comes unique challenges, most notably the ability to provide transportation infrastructure to meet the increased demands of residents and visitors; and

WHEREAS, The Village of Plainfield has created a comprehensive plan to make the downtown more pedestrian friendly and to reduce truck traffic; and

WHEREAS, The Village of Yorkville is also a prosperous community, and is also welcome to attract businesses and development; and

WHEREAS, The residents and community leaders of the Village of Plainfield would like to encourage the residents and community leaders of the Village of Yorkville to consider the impact that such development has upon neighboring communities; and

WHEREAS, Specifically, the proposed Fox Moraine Landfill should be designed so as to minimize the truck traffic to nearby communities; and

WHEREAS, The residents and community leaders of the Village of Plainfield would like to request that along with the approval of any commercial landfill site in the Village of Yorkville, the Village of Yorkville should require as a condition of that approval that all commercial trucks leading to and from that landfill do not pass through the Village of Plainfield; and

WHEREAS, The current proposed traffic pattern, Interstate 55 to Illinois 126 to Illinois 47, would result in a large increase in truck traffic through the Village of Plainfield to a higher level than the already burdensome level on a 2-lane road; the current traffic pattern would also create a more than 350% increase in travel time to local jobs from Kendall to Will County; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Village of Yorkville to adopt a traffic pattern for the proposed Fox Moraine Landfill from I-55 to I-80 to I-47 so as to minimize congestion throughout Illinois communities; and be it further
