All counties, townships, census tracts, block groups, ~~and~~ blocks , annexations, and natural boundaries are those that appear on maps published by the United States Bureau of the Census for the 2000 census and maps produced by the Department of Revenue. The term "tract" means census tract. Trustee districts created by this subsection (b) ~~(d)~~ for the purpose of electing board members shall not be altered by operation of any other statute, ordinance, or resolution. Any part of the community college district that has not been described as included in one of the trustee districts described in this subsection (b) ~~(d)~~ is included within the trustee district that (i) is contiguous to the part and (ii) contains the least population of all trustee districts contiguous to the part according to the 2000 decennial census of Illinois. If any part of the community college district is described in this subsection (b) ~~(d)~~ as being in more than one trustee district, the part is included within the trustee district that (i) is one of the trustee districts in which that part is listed in this subsection (b) ~~(d)~~, (ii) is contiguous to that part, and (iii) contains the least population according to the 2000 decennial census of Illinois. If any part of the community college district (i) is described in this subsection (b) ~~(d)~~ as being in one trustee district and (ii) is entirely surrounded by another trustee district, then the part shall be incorporated into the trustee district that surrounds the part. If any part of the community college district (i) is described in this subsection (b) ~~(d)~~ as being in one trustee district and (ii) is not contiguous to another part of that trustee district, then the part is included within the contiguous trustee district that contains the least population according to the 2000 decennial census of Illinois. The Speaker of the House, the Minority Leader of the House, the President of the Senate, and the Minority Leader of the Senate shall by joint letter of transmittal present to the Secretary of State for deposit into the State Archives an official set of United States Bureau of the Census maps and descriptions used for conducting the 2000 census, and those maps shall serve as the official record of all counties, townships, census tracts, block groups, and blocks referred to in this subsection (b) ~~(d)~~. The State Board of Elections shall prepare and make available to the public a metes and bounds description of the trustee districts created under this subsection (b) ~~(d)~~. The State Board of Elections shall adjust census tract boundaries, municipal and township annexations, and natural boundaries to make compact and contiguous districts.

(c) For each at-large seat on the board that is to be filled by election in 2005 or 2007, the seat shall be filled by a trustee elected from a trustee district. The State Board shall determine which trustee district seat is to replace which at-large seat by lot. The term of each trustee elected at the 2005 or 2007 consolidated election shall end on the date that the trustees elected in 2009 are officially determined by a canvass conducted pursuant to the Election Code. For the 2009 consolidated election, one trustee shall be elected from each trustee district to serve a 4-year term.

(d) At least one year prior to the 2013 consolidated election, the board shall meet to, publicly by lot, divide the trustee districts as equally as possible into 3 groups. Beginning with the 2013 consolidated election and the consolidated election every 10 years thereafter, trustees or their successors from the first group shall be elected for successive terms of 2 years, 4 years, and 4 years; trustees or their successors from the second group shall be elected for successive terms of 4 years, 2 years, and 4 years; and trustees or their successors from the third group shall be elected for successive terms of 4 years, 4 years, and 2 years.
