(15 ILCS 520/7) (from Ch. 130, par. 26)

Sec. 7. (a) Proposals made may either be approved or rejected by the State Treasurer. A bank or savings and loan association whose proposal is approved shall be eligible to become a State depository for the class or classes of funds covered by its proposal. A bank or savings and loan association whose proposal is rejected shall not be so eligible. The State Treasurer shall seek to have at all times a total of not less than 20 banks or savings and loan associations which are approved as State depositories for time deposits.

(b) The State Treasurer may, in his discretion, accept a proposal from an eligible institution which provides for a reduced rate of interest provided that such institution documents the use of deposited funds for community development projects.

(b-5) The State Treasurer may, in his or her discretion, accept a proposal from an eligible institution that provides for a reduced rate of interest, provided that such institution agrees to expend an amount of money equal to the amount of the reduction for the preservation of Cahokia Mounds.

(b-10) The State Treasurer may, in his or her discretion, accept a proposal from an eligible institution that provides for a reduced rate of interest, provided that the institution agrees to expend an amount of money equal to the amount of the reduction for senior centers.

(c) The State Treasurer may, in his or her discretion, accept a proposal from an eligible institution that provides for interest earnings on deposits of State moneys to be held by the institution in a separate account that the State Treasurer may use to secure up to 10% of any (i) home loans to Illinois citizens purchasing a home in Illinois in situations where the participating financial institution would not offer the borrower a home loan under the institution's prevailing credit standards without the incentive of a reduced rate of interest on deposits of State moneys, (ii) existing home loans of Illinois citizens who are at risk of losing their homes if they experience ~~have failed to make payments on a home loan as a result of~~ a financial hardship due to circumstances beyond their ~~the~~ control of the borrower where there is a reasonable prospect

that ~~they the borrower~~ will be able to resume or continue full mortgage payments, and (iii) loans in amounts that do not exceed the amount of arrearage on a mortgage and that are extended to enable a borrower to become current on his or her mortgage obligation.

The following factors shall be considered by the participating financial institution to determine whether the financial hardship is due to circumstances beyond the control of the borrower: (i) loss, reduction, or delay in the receipt of income because of the death or disability of a person who contributed to the household income, (ii) expenses actually incurred related to the uninsured damage or costly repairs to the mortgaged premises affecting its habitability, (iii) expenses related to the death or illness in the borrower's household or of family members living outside the household that reduce the amount of household income, (iv) loss of income or a substantial increase in total housing expenses because of divorce, abandonment, separation from a spouse, or failure to support a spouse or child, (v) unemployment or underemployment, (vi) loss, reduction, or delay in the receipt of federal, State, or other government benefits, and (vii) participation by the homeowner in a recognized labor action such as a strike. In determining whether there is a reasonable prospect that the borrower will be able to resume or continue full mortgage payments, the participating financial institution shall consider factors including, but not necessarily limited to the following: (i) a favorable work and credit history, (ii) the borrower's ability to and history of paying the mortgage when employed, (iii) the lack of an impediment or disability that prevents reemployment, (iv) new education and training opportunities, (v) non-cash benefits that may reduce household expenses, and (vi) other debts.

For the purposes of this Section, "home loan" means a loan, other than an open-end credit plan or a reverse mortgage transaction, for which (i) the principal amount of the loan does not exceed 50% of the conforming loan size limit ~~for a single family dwelling~~ as established from time to time by the Federal National Mortgage Association, (ii) the borrower is a natural person, (iii) the debt is incurred by the borrower primarily for personal, family, or household purposes, and (iv) the loan is secured by a mortgage or deed of trust on real estate upon which there is located or there is to be located a structure designed principally for the occupancy of no more than 4 families and that is or will be occupied by the borrower as the borrower's principal dwelling.

(d) If there is an agreement between the State Treasurer and an eligible institution that details the use of deposited funds, the agreement may not require the gift of money, goods, or services to a third party; this provision does not restrict the eligible institution from contracting with third parties in order to carry out the intent of the agreement or restrict the State Treasurer from placing requirements upon third-party contracts entered into by the eligible institution.

For Authority employees hired on or after the effective date of this amendatory Act of the 95th General Assembly, the Retirement Plan for Chicago Transit Authority Employees shall be the exclusive retirement plan and such employees shall not be eligible for any supplemental plan, except for a deferred compensation plan funded only by employee contributions.

For all Authority employees who are first hired on or after the effective date of this amendatory Act of the 95th General Assembly and are participants in the Retirement Plan for Chicago Transit Authority Employees, the following terms, conditions and provisions with respect to retirement shall be applicable:

(1) Such participant shall be eligible for an unreduced retirement allowance for life upon the attainment of age 64 with 25 years of continuous service.

(2) Such participant shall be eligible for a reduced retirement allowance for life upon the attainment of age 55 with 10 years of continuous service.

(3) For the purpose of determining the retirement allowance to be paid to a retiring employee, the term "Continuous Service" as used in the Retirement Plan for Chicago Transit Authority Employees shall also be deemed to include all pension credit for service with any retirement system established under Article 8 or Article 11 of this Code, provided that the employee forfeits and relinquishes all pension credit under Article 8 or Article 11 of this Code, and the contribution required under this subsection is made by the employee. The Retirement Plan's actuary shall determine the contribution paid by the employee as an amount equal to the normal cost of the benefit accrued, had the service been rendered as an employee, plus interest per annum from the time such service was rendered until the date the payment is made.

(d) From the effective date of this amendatory Act through December 31, 2008, all participating employees shall contribute to the Retirement Plan in an amount not less than 6% of compensation, and the Authority shall contribute to the Retirement Plan in an amount not less than 12% of compensation.

(e)(1) Beginning January 1, 2009 the Authority shall make contributions to the Retirement Plan in an

amount equal to twelve percent (12%) of compensation and participating employees shall make contributions to the Retirement Plan in an amount equal to six percent (6%) of compensation. These contributions may be paid by the Authority and participating employees on a payroll or other periodic basis, but shall in any case be paid to the Retirement Plan at least monthly.

(2) For the period ending December 31, 2040, the amount paid by the Authority in any year with respect to debt service on bonds issued for the purposes of funding a contribution to the Retirement Plan under Section 12c of the Metropolitan Transit Authority Act, other than debt service paid with the proceeds of bonds or notes issued by the Authority for any year after calendar year 2008, shall be treated as a credit against the amount of required contribution to the Retirement Plan by the Authority under subsection (e)(1) for the following year up to an amount not to exceed 6% of compensation paid by the Authority in that following year.

(3) By September 15 of each year beginning in 2009 and ending on December 31, 2039, on the basis of a report prepared by an enrolled actuary retained by the Plan, the Board of Trustees of the Retirement Plan shall determine the estimated funded ratio of the total assets of the Retirement Plan to its total actuarially determined liabilities. A report containing that determination and the actuarial assumptions on which it is based shall be filed with the Authority, the representatives of its participating employees, the Auditor General of the State of Illinois, and the Regional Transportation Authority. If the funded ratio is projected to decline below 60% in any year before 2040, the Board of Trustees shall also determine the increased contribution required each year as a level percentage of payroll over the years remaining until 2040 using the projected unit credit actuarial cost method so the funded ratio does not decline below 60% and include that determination in its report. If the actual funded ratio declines below 60% in any year prior to 2040, the Board of Trustees shall also determine the increased contribution required each year as a level percentage of payroll during the years after the then current year using the projected unit credit actuarial cost method so the funded ratio is projected to reach at least 60% no later than 10 years after the then current year and include that determination in its report. Within 60 days after receiving the report, the Auditor General shall review the determination and the assumptions on which it is based, and if he finds that the determination and the assumptions on which it is based are unreasonable in the aggregate, he shall issue a new determination of the funded ratio, the assumptions on which it is based and the increased contribution required each year as a level percentage of payroll over the years remaining until 2040 using the projected unit credit actuarial cost method so the funded ratio does not decline below 60%, or, in the event of an actual decline below 60%, so the funded ratio is projected to reach 60% by no later than 10 years after the then current year. If the Board of Trustees or the Auditor General determine that an increased contribution is required to meet the funded ratio required by the subsection, effective January 1 following the determination or 30 days after such determination, whichever is later, one-third of the increased contribution shall be paid by participating employees and two-thirds by the Authority, in addition to the contributions required by this subsection (1).

(4) For the period beginning 2040, the minimum contribution to the Retirement Plan for each fiscal year shall be an amount determined by the Board of Trustees of the Retirement Plan to be sufficient to bring the total assets of the Retirement Plan up to 90% of its total actuarial liabilities by the end of 2059. Participating employees shall be responsible for one-third of the required contribution and the Authority shall be responsible for two-thirds of the required contribution. In making these determinations, the Board of Trustees shall calculate the required contribution each year as a level percentage of payroll over the years remaining to and including fiscal year 2059 using the projected unit credit actuarial cost method. A report containing that determination and the actuarial assumptions on which it is based shall be filed by September 15 of each year with the Authority, the representatives of its participating employees, the Auditor General of the State of Illinois and the Regional Transportation Authority. If the funded ratio is projected to fail to reach 90% by December 31, 2059, the Board of Trustees shall also determine the increased contribution required each year as a level percentage of payroll over the years remaining until December 31, 2059 using the projected unit credit actuarial cost method so the funded ratio will meet 90% by December 31, 2059 and include that determination in its report. Within 60 days after receiving the report, the Auditor General shall review the determination and the assumptions on which it is based and if he finds that the determination and the assumptions on which it is based are unreasonable in the aggregate, he shall issue a new determination of the funded ratio, the assumptions on which it is based and the increased contribution required each year as a level percentage of payroll over the years remaining until December 31, 2059 using the projected unit credit actuarial cost method so the funded ratio reaches no less than 90% by December 31, 2059. If the Board of Trustees or the Auditor General determine that an increased contribution is required to meet the funded ratio required by this subsection, effective January 1

following the determination or 30 days after such determination, whichever is later, one-third of the increased contribution shall be paid by participating employees and two-thirds by the Authority, in addition to the contributions required by subsection (e)(1).

(5) Beginning in 2060, the minimum contribution for each year shall be the amount needed to maintain the total assets of the Retirement Plan at 90% of the total actuarial liabilities of the Plan, and the contribution shall be funded two-thirds by the Authority and one-third by the participating employees in accordance with this subsection.

(f) The Authority shall take the steps necessary to comply with Section 414(h)(2) of the Internal Revenue Code of 1986, as amended, to permit the pick-up of employee contributions under subsections (d) and (e) on a tax-deferred basis.

(g) The Board of Trustees shall certify to the Governor, the General Assembly, the Auditor General, the Board of the Regional Transportation Authority, and the Authority at least 90 days prior to the end of each fiscal year the amount of the required contributions to the retirement system for the next retirement system fiscal year under this Section. The certification shall include a copy of the actuarial recommendations upon which it is based. In addition, copies of the certification shall be sent to the Commission on Government Forecasting and Accountability and the Mayor of Chicago.

The changes made by this amendatory Act of the 95th General Assembly, to the extent that they affect the rights or privileges of Authority employees that are currently the subject of collective bargaining, have been agreed to between the authorized representatives of these employees and of the Authority prior to enactment of this amendatory Act, as evidenced by a Memorandum of Understanding between these representatives that will be filed with the Secretary of State Index Department and designated as "95-GA-C05". The General Assembly finds and declares that those changes are consistent with 49 U.S.C. 5333(b) (also known as Section 13(c) of the Federal Transit Act) because of this agreement between authorized representatives of these employees and of the Authority, and that any future amendments to the provisions of this amendatory Act of the 95th General Assembly, to the extent those amendments would affect the rights and privileges of Authority employees that are currently the subject of collective bargaining, would be consistent with 49 U.S.C. 5333(b) if and only if those amendments were agreed to between these authorized representatives prior to enactment.

In making these determinations, the required Authority contribution shall be calculated each year as a level percentage of payroll over the years remaining to and including fiscal year 2058 and shall be determined under the projected unit credit actuarial cost method. (A) In the event of a projected shortfall, if the Auditor General determines that the assumptions stated in the report are not unreasonable in the aggregate and that the plan of increases in employee, retiree, dependent, or survivor contribution levels, decreases in benefit levels, or both, is reasonably projected to cure the shortfall over a period of not more than 10 years, then the Board of Trustees shall implement the plan. If the Auditor General determines that the assumptions stated in the report are unreasonable in the aggregate, or that the plan of decreases in employee, retiree, dependent, or survivor contribution levels, increases in benefit levels, or both, is unreasonable in the aggregate, then the Board of Trustees shall not implement the plan, the Auditor General shall explain the basis for such determination to the Board of Trustees, and the Auditor General may make recommendations as to an alternative report and plan.

A determination by the Auditor General on any alternative report and plan submitted by the Board of Trustees shall be made within 90 days after receiving the alternative report and plan, and shall be accepted or rejected according to the requirements of this subsection (b)(3)(iv). The Board of Trustees shall continue to submit alternative reports and plans to the Auditor General, as necessary, until a favorable determination is made by the Auditor General.

(4) For any retiree who first retires effective on or after the effective date of this amendatory Act of the 95th General Assembly, to be eligible for retiree health care benefits upon retirement, the retiree must be at least 55 years of age, retire with 10 or more years of continuous service and satisfy the preconditions established by this amendatory Act in addition to any rules or regulations promulgated by the Board of Trustees. (5) Effective January 1, 2009, the aggregate amount of retiree, dependent and survivor contributions to the cost of their health care benefits shall not exceed more than 45% of the total cost of such benefits. The Board of Trustees shall have the discretion to provide different contribution levels for retirees, dependents and survivors based on their years of service, level of coverage or Medicare eligibility, provided that the total contribution from all retirees, dependents, and survivors shall be not more than 45% of the total cost

of such benefits. The term "total cost of such benefits" for purposes of this subsection shall be the total amount expended by the retiree health benefit program in the prior plan year, as calculated and certified in writing by the Retiree Health Care Trust's enrolled actuary to be appointed and paid for by the Board of Trustees.

The referendum shall be conducted as provided in subsection (e). An existing ordinance or resolution imposing a real estate transfer tax may be amended without approval by referendum if the amendment does not increase the rate of the tax or add transactions on which the tax is imposed.

(e) The home rule municipality shall, by resolution, provide for submission of the proposition to the voters. The home rule municipality shall certify the resolution and the proposition to the proper election officials in accordance with the general election law. If the proposition is to impose a new real estate transfer tax, it shall be in substantially the following form: "Shall (name of municipality) impose a real estate transfer tax at a rate of (rate) to be paid by the buyer (seller) of the real estate transferred, with the revenue of the proposed transfer tax to be used for (purpose)?" If the proposition is to increase an existing real estate transfer tax, it shall be in the following form: "Shall (name of municipality) impose a real estate

transfer tax increase of (percent increase) to establish a new transfer tax rate of (rate) to be paid by the buyer (seller) of the real estate transferred? The current rate of the real estate transfer tax is (rate), and the revenue is used for (purpose). The revenue from the increase is to be used for (purpose).".

If a majority of the electors voting on the proposition vote in favor of it, the municipality may impose or increase the municipal real estate transfer tax or fee.

(f) Nothing in this amendatory Act of 1996 shall limit the purposes for which real estate transfer tax revenues may be collected or expended.

(g) A home rule municipality may not impose real estate transfer taxes other than as authorized by this Section. This Section is a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution.

(h) Notwithstanding subsection (g) of this Section, any real estate transfer taxes adopted by a municipality at any time prior to January 17, 1997 (the effective date of Public Act 89-701) and any amendments to any existing real estate transfer tax ordinance adopted after that date, in accordance with the law in effect at the time of the adoption of the amendments, are not preempted by this amendatory Act of the 93rd General Assembly.

(i) Within 6 months after the effective date of this amendatory Act of the 95th General Assembly, by ordinance adopted without a referendum, a home rule municipality with a population in excess of 1,000,000 may increase the rate of an existing real estate transfer tax by a rate of up to \$1.50 for each \$500 of value or fraction thereof, or in the alternative may impose a real estate transfer tax at a rate of up to \$1.50 for each \$500 of value or fraction thereof, which may be on the buyer or seller of real estate, or jointly and severally on both, for the sole purpose of providing financial assistance to the Chicago Transit Authority. All amounts collected under such supplemental tax, after fees for costs of collection, shall be provided to the Chicago Transit Authority pursuant to an intergovernmental agreement as promptly as practicable upon their receipt. Such municipality shall file a copy of any ordinance imposing or increasing such tax with the Illinois Department of Revenue and shall file a report with the Department each month certifying the amount paid to the Chicago Transit Authority in the previous month from the proceeds of such tax.

Section 15. The Metropolitan Transit Authority Act is amended by changing Sections 15, 28a, 34, and 46 and by adding Sections 12c, and 50 as follows:

(70 ILCS 3605/12c new)

Sec. 12c. Retiree Benefits Bonds and Notes.

(a) In addition to all other bonds or notes that it is authorized to issue, the Authority is authorized to issue its bonds or notes for the purposes of providing funds for the Authority to make the deposits described in Section 12c(b)(1) and (2), for refunding any bonds authorized to be issued under this Section, as well as for the purposes of paying costs of issuance, obtaining bond insurance or other credit enhancement or liquidity facilities, paying costs of obtaining related swaps as authorized in the Bond Authorization Act ("Swaps"), providing a debt service reserve fund, paying Debt Service (as defined in paragraph (i) of this Section 12c), and paying all other costs related to any such bonds or notes.

(b)(1) After its receipt of a certified copy of a report of the Auditor General of the State of Illinois meeting the requirements of Section 3-2.3 of the Illinois State Auditing Act, the Authority may issue \$1,348,550,000 aggregate original principal amount of bonds and notes. After payment of the costs of issuance and necessary deposits to funds and accounts established with respect to debt service, the net proceeds of such bonds or notes shall be deposited only in the Retirement Plan for Chicago Transit Authority Employees and used only for the purposes required by Section 22-101 of the Illinois Pension Code. Provided that no less than \$1,110,500,000 has been deposited in the Retirement Plan, remaining proceeds of bonds issued under this subparagraph (b)(1) may be used to pay costs of issuance and make necessary deposits to funds and accounts with respect to debt service for bonds and notes issued under this subparagraph or subparagraph (b)(2).

(2) After its receipt of a certified copy of a report of the Auditor General of the State of Illinois meeting the requirements of Section 3-2.3 of the Illinois State Auditing Act, the Authority may issue \$639,680,000 aggregate original principal amount of bonds and notes. After payment of the costs of issuance and necessary deposits to funds and accounts established with respect to debt service, the net proceeds of such bonds or notes shall be deposited only in the Retiree Health Care Trust and used only for the purposes required by Section 22-101B of the Illinois Pension Code. Provided that no less than \$528,800,000 has been deposited in the Retiree Health Care Trust, remaining proceeds of bonds issued under this subparagraph (b)(2) may be used to pay costs of issuance and make necessary deposits to funds and

accounts with respect to debt service for bonds and notes issued under this subparagraph or subparagraph (b)(1).

(3) In addition, refunding bonds are authorized to be issued for the purpose of refunding outstanding bonds or notes issued under this Section 12c.

(4) The bonds or notes issued under 12c(b)(1) shall be issued as soon as practicable after the Auditor General issues the report provided in Section 3-2.3(b) of the Illinois State Auditing Act. The bonds or notes issued under 12c(b)(2) shall be issued as soon as practicable after the Auditor General issues the report provided in Section 3-2.3(c) of the Illinois State Auditing Act.

(5) With respect to bonds and notes issued under subparagraph (b), scheduled aggregate annual payments of interest or deposits into funds and accounts established for the purpose of such payment shall commence within one year after the bonds and notes are issued. With respect to principal and interest, scheduled aggregate annual payments of principal and interest or deposits into funds and accounts established for the purpose of such payment shall be not less than 70% in 2009, 80% in 2010, and 90% in 2011, respectively, of scheduled payments or deposits of principal and interest in 2012 and shall be substantially equal beginning in 2012 and each year thereafter. For purposes of this subparagraph (b), "substantially equal" means that debt service in any full year after calendar year 2011 is not more than 115% of debt service in any other full year after calendar year 2011 during the term of the bonds or notes. For the purposes of this subsection (b), with respect to bonds and notes that bear interest at a variable rate, interest shall be assumed at a rate equal to the rate for United States Treasury Securities - State and Local Government Series for the same maturity, plus 75 basis points. If the Authority enters into a Swap with a counterparty requiring the Authority to pay a fixed interest rate on a notional amount, and the Authority has made a determination that such Swap was entered into for the purpose of providing substitute interest payments for variable interest rate bonds or notes of a particular maturity or maturities in a principal amount equal to the notional amount of the Swap, then during the term of the Swap for purposes of any calculation of interest payable on such bonds or notes, the interest rate on the bonds or notes of such maturity or maturities shall be determined as if such bonds or notes bore interest at the fixed interest rate payable by the Authority under such Swap.

(6) No bond or note issued under this Section 12c shall mature later than December 31, 2040.

(c) The Chicago Transit Board shall provide for the issuance of bonds or notes as authorized in this Section 12c by the adoption of an ordinance. The ordinance, together with the bonds or notes, shall constitute a contract among the Authority, the owners from time to time of the bonds or notes, any bond trustee with respect to the bonds or notes, any related credit enhancer and any provider of any related Swaps.

(d) The Authority is authorized to cause the proceeds of the bonds or notes, and any interest or investment earnings on the bonds or notes, and of any Swaps, to be invested until the proceeds and any interest or investment earnings have been deposited with the Retirement Plan or the Retiree Health Care Trust.

(e) Bonds or notes issued pursuant to this Section 12c may be general obligations of the Authority, to which shall be pledged the full faith and credit of the Authority, or may be obligations payable solely from particular sources of funds all as may be provided in the authorizing ordinance. The authorizing ordinance for the bonds and notes, whether or not general obligations of the Authority, may provide for the Debt Service (as defined in paragraph (i) of this Section 12c) to have a claim for payment from particular sources of funds, including, without limitation, amounts to be paid to the Authority or a bond trustee. The authorizing ordinance may provide for the means by which the bonds or notes (and any related Swaps) may be secured, which may include, a pledge of any revenues or funds of the Authority from whatever source which may by law be utilized for paying Debt Service. In addition to any other security, upon the written approval of the Regional Transportation Authority by the affirmative vote of 12 of its then Directors, the ordinance may provide a specific pledge or assignment of and lien on or security interest in amounts to be paid to the Authority by the Regional Transportation Authority and direct payment thereof to the bond trustee for payment of Debt Service with respect to the bonds or notes, subject to the provisions of existing lease agreements of the Authority with any public building commission. The authorizing ordinance may also provide a specific pledge or assignment of and lien on or security interest in and direct payment to the trustee of all or a portion of the moneys otherwise payable to the Authority from the City of Chicago pursuant to an intergovernmental agreement with the Authority to provide financial assistance to the Authority. Any such pledge, assignment, lien or security interest for the benefit of owners of bonds or notes shall be valid and binding from the time the bonds or notes are issued, without any physical delivery or further act, and shall be valid and binding as against and prior to the claims of all other parties having claims of any kind against the Authority or any other person, irrespective of whether such other parties

have notice of such pledge, assignment, lien or security interest, all as provided in the Local Government Debt Reform Act, as it may be amended from time to time. The bonds or notes of the Authority issued pursuant to this Section 12c shall have such priority of payment and as to their claim for payment from particular sources of funds, including their priority with respect to obligations of the Authority issued under other Sections of this Act, all as shall be provided in the ordinances authorizing the issuance of the bonds or notes. The ordinance authorizing the issuance of any bonds or notes under this Section may provide for the creation of, deposits in, and regulation and disposition of sinking fund or reserve accounts relating to those bonds or notes and related agreements. The ordinance authorizing the issuance of any such bonds or notes authorized under this Section 12c may contain provisions for the creation of a separate fund to provide for the payment of principal of and interest on those bonds or notes and related agreements. The ordinance may also provide limitations on the issuance of additional bonds or notes of the Authority.

(f) Bonds or notes issued under this Section 12c shall not constitute an indebtedness of the Regional Transportation Authority, the State of Illinois, or of any other political subdivision of or municipality within the State, except the Authority.

(g) The ordinance of the Chicago Transit Board authorizing the issuance of bonds or notes pursuant to this Section 12c may provide for the appointment of a corporate trustee (which may be any trust company or bank having the powers of a trust company within Illinois) with respect to bonds or notes issued pursuant to this Section 12c. The ordinance shall prescribe the rights, duties, and powers of the trustee to be exercised for the benefit of the Authority and the protection of the owners of bonds or notes issued pursuant to this Section 12c. The ordinance may provide for the trustee to hold in trust, invest and use amounts in funds and accounts created as provided by the ordinance with respect to the bonds or notes in accordance with this Section 12c. The Authority may apply, as it shall determine, any amounts received upon the sale of the bonds or notes to pay any Debt Service on the bonds or notes. The ordinance may provide for a trust indenture to set forth terms of, sources of payment for and security for the bonds and notes.

(h) The State of Illinois pledges to and agrees with the owners of the bonds or notes issued pursuant to Section 12c that the State of Illinois will not limit the powers vested in the Authority by this Act to pledge and assign its revenues and funds as security for the payment of the bonds or notes, or vested in the Regional Transportation Authority by the Regional Transportation Authority Act or this Act, so as to materially impair the payment obligations of the Authority under the terms of any contract made by the Authority with those owners or to materially impair the rights and remedies of those owners until those bonds or notes, together with interest and any redemption premium, and all costs and expenses in connection with any action or proceedings by or on behalf of such owners are fully met and discharged. The Authority is authorized to include these pledges and agreements of the State of Illinois in any contract with owners of bonds or notes issued pursuant to this Section 12c.

(i) For purposes of this Section, "Debt Service" with respect to bonds or notes includes, without limitation, principal (at maturity or upon mandatory redemption), redemption premium, interest, periodic, upfront, and termination payments on Swaps, fees for bond insurance or other credit enhancement, liquidity facilities, the funding of bond or note reserves, bond trustee fees, and all other costs of providing for the security or payment of the bonds or notes.

(j) The Authority shall adopt a procurement program with respect to contracts relating to the following service providers in connection with the issuance of debt for the benefit of the Retirement Plan for Chicago Transit Authority Employees: underwriters, bond counsel, financial advisors, and accountants. The program shall include goals for the payment of not less than 30% of the total dollar value of the fees from these contracts to minority owned businesses and female owned businesses as defined in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act. The Authority shall conduct outreach to minority owned businesses and female owned businesses. Outreach shall include, but is not limited to, advertisements in periodicals and newspapers, mailings, and other appropriate media. The Authority shall submit to the General Assembly a comprehensive report that shall include, at a minimum, the details of the procurement plan, outreach efforts, and the results of the efforts to achieve goals for the payment of fees. The service providers selected by the Authority pursuant to such program shall not be subject to approval by the Regional Transportation Authority, and the Regional Transportation Authority's approval pursuant to subsection (e) of this Section 12c related to the issuance of debt shall not be based in any way on the service providers selected by the Authority pursuant to this Section.

(k) No person holding an elective office in this State, holding a seat in the General Assembly, serving as a director, trustee, officer, or employee of the Regional Transportation Authority or the Chicago Transit Authority, including the spouse or minor child of that person, may receive a legal, banking, consulting, or other fee related to the issuance of any bond issued by the Chicago Transit Authority pursuant to this

Section.

The Authority shall have power to apply for and accept grants and loans from the Federal Government or any agency or instrumentality thereof, from the State, or from any county, municipal corporation or other political subdivision of the State to be used for any of the purposes of the Authority, including, but not by way of limitation, grants and loans in aid of mass transportation and for studies in mass transportation, and may provide matching funds when necessary to qualify for such grants or loans. The Authority may enter into any agreement with the Federal Government, the State, and any county, municipal corporation or other political subdivision of the State in relation to such grants or loans; provided that such agreement does not conflict with any of the provisions of any trust agreement securing the payment of bonds or certificates of the Authority.

The Authority may also accept from the state, or from any county or other political subdivision, or from any municipal corporation, or school district, or school authorities, grants or other funds authorized by law to be paid to the Authority for any of the purposes of this Act.

Sec. 28a. (a) The Board may deal with and enter into written contracts with the employees of the Authority through accredited representatives of such employees or representatives of any labor organization authorized to act for such employees, concerning wages, salaries, hours, working conditions and pension or retirement provisions; provided, nothing herein shall be construed to permit hours of labor in excess of those provided by law or to permit working conditions prohibited by law. In case of dispute over wages, salaries, hours, working conditions, or pension or retirement provisions the Board may arbitrate any question or questions and may agree with such accredited representatives or labor organization that the decision of a majority of any arbitration board shall be final, provided each party shall agree in advance to pay half of the expense of such arbitration.

No contract or agreement shall be made with any labor organization, association, group or individual for the employment of members of such organization, association, group or individual for the construction, improvement, maintenance, operation or administration of any property, plant or facilities under the jurisdiction of the Authority, where such organization, association, group or individual denies on the ground of race, creed, color, sex, religion, physical or mental handicap unrelated to ability, or national origin membership and equal opportunities for employment to any citizen of Illinois.

(b)(1) The provisions of this paragraph (b) apply to collective bargaining agreements (including extensions and amendments of existing agreements) entered into on or after January 1, 1984.

(2) The Board shall deal with and enter into written contracts with their employees, through accredited representatives of such employees authorized to act for such employees concerning wages, salaries, hours, working conditions, and pension or retirement provisions about which a collective bargaining agreement has been entered prior to the effective date of this amendatory Act of 1983. Any such agreement of the Authority shall provide that the agreement may be reopened if the amended budget submitted pursuant to Section 2.18a of the Regional Transportation Authority Act is not approved by the Board of the Regional Transportation Authority. The agreement may not include a provision requiring the payment of wage increases based on changes in the Consumer Price Index. The Board shall not have the authority to enter into collective bargaining agreements with respect to inherent management rights, which include such areas of discretion or policy as the functions of the employer, standards of services, its overall budget, the organizational structure and selection of new employees and direction of personnel. Employers, however, shall be required to bargain collectively with regard to policy matters directly affecting wages, hours and terms and conditions of employment, as well as the impact thereon upon request by employee representatives. To preserve the rights of employers and exclusive representatives which have established collective bargaining relationships or negotiated collective bargaining agreements prior to the effective date of this amendatory Act of 1983, employers shall be required to bargain collectively with regard to any matter concerning wages, hours or conditions of employment about which they have bargained prior to the effective date of this amendatory Act of 1983.

(3) The collective bargaining agreement may not include a prohibition on the use of part-time operators on any service operated by or funded by the Board, except where prohibited by federal law.

(4) Within 30 days of the signing of any such collective bargaining agreement, the Board shall determine the costs of each provision of the agreement, prepare an amended budget incorporating the costs of the agreement, and present the amended budget to the Board of the Regional Transportation Authority for its approval under Section 4.11 of the Regional Transportation Act. The Board of the Regional Transportation

Authority may approve the amended budget by an affirmative vote of ~~12 two-thirds~~ of its then Directors. If the budget is not approved by the Board of the Regional Transportation Authority, the agreement may be reopened and its terms may be renegotiated. Any amended budget which may be prepared following renegotiation shall be presented to the Board of the Regional Transportation Authority for its approval in like manner.

Sec. 34. Budget and Program. The Authority, subject to the powers of the Regional Transportation Authority in Section 4.11 of the Regional Transportation Authority Act, shall control the finances of the Authority. It shall by ordinance appropriate money to perform the Authority's purposes and provide for payment of debts and expenses of the Authority. Each year the Authority shall prepare and publish a comprehensive annual budget and five-year capital program document, and a financial plan for the 2 years thereafter describing the state of the Authority and presenting for the forthcoming fiscal year and the two following years the Authority's plans for such operations and capital expenditures as it intends to undertake and the means by which it intends to finance them. The proposed budget, ~~and financial plan~~, and five-year capital program shall be based on the Regional Transportation Authority's estimate of funds to be made available to the Authority by or through the Regional Transportation Authority and shall conform in all respects to the requirements established by the Regional Transportation Authority. The proposed ~~program and budget~~, financial plan, and five-year capital program shall contain a statement of the funds estimated to be on hand at the beginning of the fiscal year, the funds estimated to be received from all sources for such year and the funds estimated to be on hand at the end of such year. ~~After adoption of the Regional Transportation Authority's first Five Year Program, as provided in Section 2.01 of the Regional Transportation Authority Act, the proposed program and budget shall specifically identify any respect in which the recommended program deviates from the Regional Transportation Authority's then existing Five Year Program, giving the reasons for such deviation.~~ The proposed ~~program and budget~~, financial plan, and five-year capital program shall be available at no cost for public inspection at the Authority's main office and at the Regional Transportation Authority's main office at least 3 weeks prior to any public hearing. Before the proposed budget, ~~and program and financial plan~~, and five-year capital program are submitted to the Regional Transportation Authority, the Authority shall hold at least one public hearing thereon in each of the counties in which the Authority provides service. All Board members of the Authority shall attend a majority of the public hearings unless reasonable cause is given for their absence. After the public hearings, the Board of the Authority shall hold at least one meeting for consideration of the proposed program and budget with the Cook County Board. After conducting such hearings and holding such meetings and after making such changes in the proposed ~~program and budget~~, financial plan, and five-year capital program as the Board deems appropriate, it shall adopt an annual budget ordinance at least by November 15th preceding the beginning of each fiscal year. The budget, ~~and program, and financial plan~~, and five-year capital program shall then be submitted to the Regional Transportation Authority as provided in Section 4.11 of the Regional Transportation Authority Act. In the event that the Board of the Regional Transportation Authority determines that the budget, ~~and program, and financial plan~~, and five-year capital program do not meet the standards of said Section 4.11, the Board of the Authority shall make such changes as are necessary to meet such requirements and adopt an amended budget ordinance. The amended budget ordinance shall be resubmitted to the Regional Transportation Authority pursuant to said Section 4.11. The ordinance shall appropriate such sums of money as are deemed necessary to defray all necessary expenses and obligations of the Authority, specifying purposes and the objects or programs for which appropriations are made and the amount appropriated for each object or program. Additional appropriations, transfers between items and other changes in such ordinance which do not alter the basis upon which the balanced budget determination was made by the Regional Transportation Authority may be made from time to time by the Board.

The budget shall:

(iv) be based upon and employ assumptions and projections which are reasonable and prudent;

(v) have been prepared in accordance with sound financial practices as determined by the Board of the Regional Transportation Authority; ~~and~~

(vi) meet such other financial, budgetary, or fiscal requirements that the Board of the Regional Transportation Authority may by rule or regulation establish; ~~and -~~

(vii) be consistent with the goals and objectives adopted by the Regional Transportation Authority in the Strategic Plan.

The Board shall establish a fiscal operating year. At least thirty days prior to the beginning of the first full fiscal year after the creation of the Authority, and annually thereafter, the Board shall cause to be prepared a tentative budget which shall include all operation and maintenance expense for the ensuing fiscal year. The tentative budget shall be considered by the Board and, subject to any revision and amendments as may be determined, shall be adopted prior to the first day of the ensuing fiscal year as the budget for that year. No expenditures for operations and maintenance in excess of the budget shall be made during any fiscal year except by the affirmative vote of at least five members of the Board. It shall not be necessary to include in the annual budget any statement of necessary expenditures for pensions or retirement annuities, or for interest or principal payments on bonds or certificates, or for capital outlays, but it shall be the duty of the Board to make provision for payment of same from appropriate funds. The Board may not alter its fiscal year without the prior approval of the Board of the Regional Transportation Authority.

Sec. 50. Disadvantaged Business Enterprise Contracting and Equal Employment Opportunity Programs. The Authority shall, as soon as is practicable but in no event later than two years after the effective date of this amendatory Act of the 95th General Assembly, establish and maintain a disadvantaged business enterprise contracting program designed to ensure non-discrimination in the award and administration of contracts not covered under a federally mandated disadvantaged business enterprise program. The program shall establish narrowly tailored goals for the participation of disadvantaged business enterprises as the Authority determines appropriate. The goals shall be based on demonstrable evidence of the availability of ready, willing, and able disadvantaged business enterprises relative to all businesses ready, willing, and able to participate on the program's contracts. The program shall require the Authority to monitor the progress of the contractors' obligations with respect to the program's goals. Nothing in this program shall conflict with or interfere with the maintenance or operation of, or compliance with, any federally mandated disadvantaged business enterprise program.

The Authority shall establish and maintain a program designed to promote equal employment opportunity. Each year, no later than October 1, the Authority shall report to the General Assembly on the number of employees of the Authority and the number of employees who have designated themselves as members of a minority group and gender.

(70 ILCS 3615/1.02) (from Ch. 111 2/3, par. 701.02)

Sec. 1.02. Findings and Purpose. (a) The General Assembly finds;

(i) Public transportation is, as provided in Section 7 of Article XIII of the Illinois Constitution, an essential public purpose for which public funds may be expended and that Section authorizes the State to provide financial assistance to units of local government for distribution to providers of public transportation. There is an urgent need to reform and continue a unit of local government to assure the proper management of public transportation and to receive and distribute State or federal operating assistance and to raise and distribute revenues for local operating assistance. System generated revenues are not adequate for such service and a public need exists to provide for, aid and assist public transportation in the northeastern area of the State, consisting of Cook, DuPage, Kane, Lake, McHenry and Will Counties.

(ii) Comprehensive and coordinated regional public transportation is essential to the public health, safety and welfare. It is essential to economic well-being, maintenance of full employment, conservation of sources of energy and land for open space and reduction of traffic congestion and for providing and maintaining a healthful environment for the benefit of present and future generations in the metropolitan region. Public transportation improves the mobility of the public and improves access to jobs, commercial facilities, schools and cultural attractions. Public transportation decreases air pollution and other environmental hazards resulting from excessive use of automobiles and allows for more efficient land use and planning.

(iii) Because system generated receipts are not presently adequate, public transportation facilities and services in the northeastern area are in grave financial condition. With existing methods of financing, coordination and management, and relative convenience of automobiles, such public transportation facilities are not providing adequate public transportation to insure the public health, safety and welfare.

(iv) Additional commitments to the ~~special~~ public transportation ~~needs~~ ~~problems~~ of the disabled handicapped, the economically disadvantaged, and the elderly are necessary.

(v) To solve these problems, it is necessary to provide for the creation of a regional transportation authority with the powers necessary to insure adequate public transportation.

(b) The General Assembly further finds, in connection with this amendatory Act of 1983:

(i) Substantial, recurring deficits in the operations of public transportation services subject to the jurisdiction of the Regional Transportation Authority and periodic cash shortages have occurred either of which could bring about a loss of public transportation services throughout the metropolitan region at any time;

(ii) A substantial or total loss of public transportation services or any segment thereof would create an emergency threatening the safety and well-being of the people in the northeastern area of the State; and

(iii) To meet the urgent needs of the people of the metropolitan region that such an emergency be averted and to provide financially sound methods of managing the provision of public transportation services in the northeastern area of the State, it is necessary, while maintaining and continuing the existing Authority, to modify the powers and responsibilities of the Authority, to reallocate responsibility for operating decisions, to change the composition and appointment of the Board of Directors thereof, and to immediately establish a new Board of Directors.

(c) The General Assembly further finds in connection with this amendatory Act of the 95th General Assembly:

(i) The economic vitality of northeastern Illinois requires regionwide and systemwide efforts to increase ridership on the transit systems, constrain road congestion within the metropolitan region, and allocate resources for transportation so as to assist in the development of an adequate, efficient, and coordinated regional transportation system that is in a state of good repair.

(ii) To achieve the purposes of this amendatory Act of the 95th General Assembly, the powers and duties of the Authority must be enhanced to improve overall planning and coordination, to achieve an integrated and efficient regional transit system, to advance the mobility of transit users, and to increase financial transparency of the Authority and the Service Boards.

(d) (e) It is the purpose of this Act to provide for, aid and assist public transportation in the northeastern area of the State without impairing the overall quality of existing public transportation by providing for the creation of a single authority responsive to the people and elected officials of the area and with the power and competence to develop, implement, and enforce plans that promote adequate, efficient, and coordinated public transportation, provide financial review of the providers of public transportation in the metropolitan

Sec. 4.03. Taxes.

(a) In order to carry out any of the powers or purposes of the Authority, the Board may by ordinance adopted with the concurrence of 12 ~~9~~ of the then Directors, impose throughout the metropolitan region any or all of the taxes provided in this Section. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes. Nothing in this amendatory Act of the 95th General Assembly is intended to invalidate any taxes currently imposed by the Authority. The increased vote requirements to impose a tax shall only apply to actions taken after the effective date of this amendatory Act of the 95th General Assembly.

(b) The Board may impose a public transportation tax upon all persons engaged in the metropolitan region in the business of selling at retail motor fuel for operation of motor vehicles upon public highways. The tax shall be at a rate not to exceed 5% of the gross receipts from the sales of motor fuel in the course of the business. As used in this Act, the term "motor fuel" shall have the same meaning as in the Motor Fuel Tax Law. The Board may provide for details of the tax. The provisions of any tax shall conform, as closely as may be practicable, to the provisions of the Municipal Retailers Occupation Tax Act, including without limitation, conformity to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed, except that reference in the Act to any municipality shall refer to the Authority and the tax shall be imposed only with regard to receipts from sales of motor fuel in the metropolitan region, at rates as limited by this Section.

(c) In connection with the tax imposed under paragraph (b) of this Section the Board may impose a tax upon the privilege of using in the metropolitan region motor fuel for the operation of a motor vehicle upon public highways, the tax to be at a rate not in excess of the rate of tax imposed under paragraph (b) of this Section. The Board may provide for details of the tax.

(d) The Board may impose a motor vehicle parking tax upon the privilege of parking motor vehicles at off-street parking facilities in the metropolitan region at which a fee is charged, and may provide for reasonable classifications in and exemptions to the tax, for administration and enforcement thereof and for civil penalties and refunds thereunder and may provide criminal penalties thereunder, the maximum penalties not to exceed the maximum criminal penalties provided in the Retailers' Occupation Tax Act. The Authority may collect and enforce the tax itself or by contract with any unit of local government. The State Department of Revenue shall have no responsibility for the collection and enforcement unless the Department agrees with the Authority to undertake the collection and enforcement. As used in this paragraph, the term "parking facility" means a parking area or structure having parking spaces for more than 2 vehicles at which motor vehicles are permitted to park in return for an hourly, daily, or other periodic fee, whether publicly or privately owned, but does not include parking spaces on a public street, the use of which is regulated by parking meters.

(e) The Board may impose a Regional Transportation Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the metropolitan region. In Cook County the tax rate shall be 1.25% ~~1%~~ of the gross receipts from sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics, and 1% ~~3/4%~~ of the gross receipts from other taxable sales made in the course of that business. In DuPage, Kane, Lake, McHenry, and Will Counties, the tax rate shall be 0.75% ~~1/4%~~ of the gross receipts from all taxable sales made in the course of that business. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to

credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

If a tax is imposed under this subsection (e), a tax shall also be imposed under subsections (f) and (g) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Regional Transportation Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) If a tax has been imposed under paragraph (e), a Regional Transportation Authority Service Occupation Tax shall also be imposed upon all persons engaged, in the metropolitan region in the business of making sales of service, who as an incident to making the sales of service, transfer tangible personal property within the metropolitan region, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. In Cook County, the tax rate shall be: (1) 1.25% ~~1%~~ of the serviceman's cost price of food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity licensed under the Hospital Licensing Act or the Nursing Home Care Act that is located in the metropolitan region; (2) 1.25% ~~1%~~ of the selling price of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics; and (3) 1% ~~3/4%~~ of the selling price from other taxable sales of tangible personal property transferred. In DuPage, Kane, Lake, McHenry and Will Counties the rate shall be 0.75% ~~1/4%~~ of the selling price of all tangible personal property transferred.

The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except

the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the Authority), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, that charge may be stated in combination in a single amount with State tax that servicemen are authorized to collect under the Service Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

Nothing in this paragraph shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(g) If a tax has been imposed under paragraph (e), a tax shall also be imposed upon the privilege of using in the metropolitan region, any item of tangible personal property that is purchased outside the metropolitan region at retail from a retailer, and that is titled or registered with an agency of this State's government. In Cook County the tax rate shall be ~~1%~~ ~~3/4%~~ of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. In DuPage, Kane, Lake, McHenry and Will counties the tax rate shall be ~~0.75%~~ ~~1/4%~~ of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan region. The tax shall be collected by the Department of Revenue for the Regional Transportation Authority. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act, and are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

(h) The Authority may impose a replacement vehicle tax of \$50 on any passenger car as defined in Section 1-157 of the Illinois Vehicle Code purchased within the metropolitan region by or on behalf of an insurance company to replace a passenger car of an insured person in settlement of a total loss claim. The tax imposed may not become effective before the first day of the month following the passage of the ordinance imposing the tax and receipt of a certified copy of the ordinance by the Department of Revenue. The Department of Revenue shall collect the tax for the Authority in accordance with Sections 3-2002 and 3-2003 of the Illinois Vehicle Code.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes collected hereunder. On or before the 25th day of each calendar month, the Department shall prepare and

certify to the Comptroller the disbursement of stated sums of money to the Authority. The amount to be paid to the Authority shall be the amount collected hereunder during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for the payment of refunds. Within 10 days after receipt by the Comptroller of the disbursement certification to the Authority provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for that amount in accordance with the directions contained in the certification.

(i) The Board may not impose any other taxes except as it may from time to time be authorized by law to impose.

(j) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (e), (f) or (g) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(k) The provisions of any tax imposed under paragraph (c) of this Section shall conform as closely as may be practicable to the provisions of the Use Tax Act, including without limitation conformity as to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed. The taxes shall be imposed only on use within the metropolitan region and at rates as provided in the paragraph.

(l) The Board in imposing any tax as provided in paragraphs (b) and (c) of this Section, shall, after seeking the advice of the State Department of Revenue, provide means for retailers, users or purchasers of motor fuel for purposes other than those with regard to which the taxes may be imposed as provided in those paragraphs to receive refunds of taxes improperly paid, which provisions may be at variance with the refund provisions as applicable under the Municipal Retailers Occupation Tax Act. The State Department of Revenue may provide for certificates of registration for users or purchasers of motor fuel for purposes other than those with regard to which taxes may be imposed as provided in paragraphs (b) and (c) of this Section to facilitate the reporting and nontaxability of the exempt sales or uses.

(m) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Regional Transportation Authority as of September 1 next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing, increasing, decreasing, or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department ~~on or before the first day of October,~~ whereupon the Department shall proceed to administer and enforce this Section as of the first day of the first month to occur not less than 60 days ~~January next~~ following such adoption and filing. Any ordinance or resolution of the Authority imposing a tax under this Section and in effect on August 1, 2007 shall remain in full force and effect and shall be administered by the Department of Revenue under the terms and conditions and rates of tax established by such ordinance or resolution until the Department begins administering and enforcing an increased tax under this Section as authorized by this amendatory Act of the 95th General Assembly. The tax rates authorized by this amendatory Act of the 95th General Assembly are effective only if imposed by ordinance of the Authority.

(n) The State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the Authority. The taxes shall be held in a trust fund outside the State Treasury. On or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois ~~and the amount to be paid to the Authority, which shall be the then balance in the fund, less any amount determined by the Department to be necessary for the payment of refunds. The State Department of Revenue shall also certify to the Authority~~ (i) the amount of taxes collected in each County other than Cook County in the metropolitan region, (ii) ~~less the amount necessary for the payment of refunds to taxpayers in the County. With regard to the County of Cook, the certification shall specify the amount of taxes collected within the City of Chicago, less the amount necessary for the payment of refunds to taxpayers in the City of Chicago and~~ (iii) the amount collected in that portion of Cook County outside of Chicago, each amount less the amount necessary for the payment of refunds to taxpayers located in those areas described in items (i), (ii), and (iii) in that portion of

~~Cook County outside of Chicago.~~ Within 10 days after receipt by the Comptroller of the certification of the ~~amounts amount to be paid to the Authority,~~ the Comptroller shall cause an order to be drawn for the payment of two-thirds of the amounts certified in item (i) of this subsection to the Authority and one-third of the amounts certified in item (i) of this subsection to the respective counties other than Cook County and the amount certified in items (ii) and (iii) of this subsection to the Authority for the amount in accordance with the direction in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in July 1991 and each year thereafter to the Regional Transportation Authority. The allocation shall be made in an amount equal to the average monthly distribution during the preceding calendar year (excluding the 2 months of lowest receipts) and the allocation shall include the amount of average monthly distribution from the Regional Transportation Authority Occupation and Use Tax Replacement Fund. The distribution made in July 1992 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department of Revenue shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(o) Failure to adopt a budget ordinance or otherwise to comply with Section 4.01 of this Act or to adopt a Five-year Capital Program or otherwise to comply with paragraph (b) of Section 2.01 of this Act shall not affect the validity of any tax imposed by the Authority otherwise in conformity with law.

(p) At no time shall a public transportation tax or motor vehicle parking tax authorized under paragraphs (b), (c) and (d) of this Section be in effect at the same time as any retailers' occupation, use or service occupation tax authorized under paragraphs (e), (f) and (g) of this Section is in effect.

Any taxes imposed under the authority provided in paragraphs (b), (c) and (d) shall remain in effect only until the time as any tax authorized by paragraphs (e), (f) or (g) of this Section are imposed and becomes effective. Once any tax authorized by paragraphs (e), (f) or (g) is imposed the Board may not reimpose taxes as authorized in paragraphs (b), (c) and (d) of the Section unless any tax authorized by paragraphs (e), (f) or (g) of this Section becomes ineffective by means other than an ordinance of the Board.

(q) Any existing rights, remedies and obligations (including enforcement by the Regional Transportation Authority) arising under any tax imposed under paragraphs (b), (c) or (d) of this Section shall not be affected by the imposition of a tax under paragraphs (e), (f) or (g) of this Section.

Sec. 4.03.3. Distribution of Revenues. This Section applies only after the Department begins administering and enforcing an increased tax under Section 4.03(m) as authorized by this amendatory Act of the 95th General Assembly. After providing for payment of its obligations with respect to bonds and notes issued under the provisions of Section 4.04 and obligations related to those bonds and notes, the Authority shall disburse the remaining proceeds from taxes it has received from the Department of Revenue under this Article IV and the remaining proceeds it has received from the State under Section 4.09(a) as follows:

(a) With respect to taxes imposed by the Authority under Section 4.03, after withholding 15% of 80% of the receipts from those taxes collected in Cook County at a rate of 1.25%, 15% of 75% of the receipts from those taxes collected in Cook County at the rate of 1%, 15% of one-half of the receipts from those taxes collected in DuPage, Kane, Lake, McHenry, and Will Counties, and 15% of money received by the Authority from the Regional Transportation Authority Occupation and Use Tax Replacement Fund or from the Regional Transportation Authority tax fund created in Section 4.03(n), the Board shall allocate the proceeds and money remaining to the Service Boards as follows:

(1) an amount equal to (i) 85% of 80% of the receipts from those taxes collected within the City of Chicago at a rate of 1.25%, (ii) 85% of 75% of the receipts from those taxes collected in the City of Chicago at the rate of 1%, and (iii) 85% of the money received by the Authority on account of transfers to the Regional Transportation Authority Occupation and Use Tax Replacement Fund or to the Regional Transportation Authority tax fund created in Section 4.03(n) from the County and Mass Transit District Fund attributable to retail sales within the City of Chicago shall be allocated to the Chicago Transit Authority;

(2) an amount equal to (i) 85% of 80% of the receipts from those taxes collected within Cook County outside of the City of Chicago at a rate of 1.25%, (ii) 85% of 75% of the receipts from those taxes collected within Cook County outside the City of Chicago at a rate of 1%, and (iii) 85% of the money received by the Authority on account of transfers to the Regional Transportation Authority Occupation and Use Tax Replacement Fund or to the Regional Transportation Authority tax fund created in Section 4.03(n) from the

County and Mass Transit District Fund attributable to retail sales within Cook County outside of the City of Chicago shall be allocated 30% to the Chicago Transit Authority, 55% to the Commuter Rail Board, and 15% to the Suburban Bus Board; and

(3) an amount equal to 85% of one-half of the receipts from the taxes collected within the Counties of DuPage, Kane, Lake, McHenry, and Will shall be allocated 70% to the Commuter Rail Board and 30% to the Suburban Bus Board.

(b) Moneys received by the Authority on account of transfers to the Regional Transportation Authority Occupation and Use Tax Replacement Fund from the State and Local Sales Tax Reform Fund shall be allocated among the Authority and the Service Boards as follows: 15% of such moneys shall be retained by the Authority and the remaining 85% shall be transferred to the Service Boards as soon as may be practicable after the Authority receives payment. Moneys which are distributable to the Service Boards pursuant to the preceding sentence shall be allocated among the Service Boards on the basis of each Service Board's distribution ratio. The term "distribution ratio" means, for purposes of this subsection (b), the ratio of the total amount distributed to a Service Board pursuant to subsection (a) of Section 4.03.3 for the immediately preceding calendar year to the total amount distributed to all of the Service Boards pursuant to subsection (a) of Section 4.03.3 for the immediately preceding calendar year.

(c)(i) 20% of the receipts from those taxes collected in Cook County under Section 4.03 at the rate of 1.25%, (ii) 25% of the receipts from those taxes collected in Cook County under Section 4.03 at the rate of 1%, (iii) 50% of the receipts from those taxes collected in DuPage, Kane, Lake, McHenry, and Will Counties under Section 4.03, and (iv) amounts received from the State under Section 4.09 (a)(2) and items (i), (ii), and (iii) of Section 4.09 (a)(3) shall be allocated as follows: in 2008, \$100,000,000 shall be deposited in the ADA Paratransit Fund described in Section 2.01d, \$20,000,000 shall be deposited in the Suburban Community Mobility Fund described in Section 2.01e, and \$10,000,000 shall be deposited in the Innovation, Coordination and Enhancement Fund described in Section 2.01c, and the balance shall be allocated 48% to the Chicago Transit Authority, 39% to the Commuter Rail Board, and 13% to the Suburban Bus Board; and in 2009 and each year thereafter, the amounts deposited in the ADA Paratransit Fund, the Suburban Community Mobility Fund and the Innovation, Coordination and Enhancement Fund respectively shall equal the amount deposited in the previous year increased or decreased by the percentage growth or decline in revenues received by the Authority from taxes imposed under Section 4.03 in the previous year, and the balance shall be allocated 48% to the Chicago Transit Authority, 39% to the Commuter Rail Board and 13% to the Suburban Bus Board.

(d) Amounts received from the State under Section 4.09 (a)(3)(iv) shall be distributed 100% to the Chicago Transit Authority.

(e) With respect to those taxes collected in DuPage, Kane, Lake, McHenry, and Will Counties and paid directly to the counties under Section 4.03, the County Board of each county shall use those amounts to fund operating and capital costs of public transportation services or facilities or to fund operating, capital, right-of-way, construction, and maintenance costs of other transportation purposes, including road, bridge, public safety, and transit purposes intended to improve mobility or reduce congestion in the county. The receipt of funding by such counties pursuant to this paragraph shall not be used as the basis for reducing any funds that such counties would otherwise have received from the State of Illinois, any agency or instrumentality thereof, the Authority, or the Service Boards.

(f) The Authority by ordinance adopted by 12 of its then Directors shall apportion to the Service Boards funds provided by the State of Illinois under Section 4.09(a)(1) as it shall determine and shall make payment of the amounts to each Service Board as soon as may be practicable upon their receipt provided the Authority has adopted a balanced budget as required by Section 4.01 and further provided the Service Board is in compliance with the requirements in Section 4.11.

(g) Beginning January 1, 2009, before making any payments, transfers, or expenditures under this Section to a Service Board, the Authority must first comply with Section 4.02a or 4.02b of this Act, whichever may be applicable.

(70 ILCS 3615/4.04) (from Ch. 111 2/3, par. 704.04)
Sec. 4.04. Issuance and Pledge of Bonds and Notes.

(a) The Authority shall have the continuing power to borrow money and to issue its negotiable bonds or notes as provided in this Section. Unless otherwise indicated in this Section, the term "notes" also includes bond anticipation notes, which are notes which by their terms provide for their payment from the proceeds of bonds thereafter to be issued. Bonds or notes of the Authority may be issued for any or all of the following purposes: to pay costs to the Authority or a Service Board of constructing or acquiring any public transportation facilities (including funds and rights relating thereto, as provided in Section 2.05 of this Act);

to repay advances to the Authority or a Service Board made for such purposes; to pay other expenses of the Authority or a Service Board incident to or incurred in connection with such construction or acquisition; to provide funds for any transportation agency to pay principal of or interest or redemption premium on any bonds or notes, whether as such amounts become due or by earlier redemption, issued prior to the date of this amendatory Act by such transportation agency to construct or acquire public transportation facilities or to provide funds to purchase such bonds or notes; and to provide funds for any transportation agency to construct or acquire any public transportation facilities, to repay advances made for such purposes, and to pay other expenses incident to or incurred in connection with such construction or acquisition; and to provide funds for payment of obligations, including the funding of reserves, under any self-insurance plan or joint self-insurance pool or entity.

In addition to any other borrowing as may be authorized by this Section, the Authority may issue its notes, from time to time, in anticipation of tax receipts of the Authority or of other revenues or receipts of the Authority, in order to provide money for the Authority or the Service Boards to cover any cash flow deficit which the Authority or a Service Board anticipates incurring. Any such notes are referred to in this Section as "Working Cash Notes". No Working Cash Notes shall be issued for a term of longer than ~~24~~ 18 months. Notwithstanding any other provision of this Act, any amounts necessary to pay principal of and interest on any Working Cash Notes issued at the demand and direction of a Service Board or any Working Cash Notes the proceeds of which were used for the direct benefit of a Service Board or any other Bonds or Notes of the Authority the proceeds of which were used for the direct benefit of a Service Board shall constitute a reduction of the amount of any other funds provided by the Authority to that Service Board. The Authority shall, after deducting any costs of issuance, tender the net proceeds of any Working Cash Notes issued at the demand and direction of a Service Board to such Service Board as soon as may be practicable after the proceeds are received. The Authority may also issue notes or bonds to pay, refund or redeem any of its notes and bonds, including to pay redemption premiums or accrued interest on such bonds or notes being renewed, paid or refunded, and other costs in connection therewith. The Authority may also utilize the proceeds of any such bonds or notes to pay the legal, financial, administrative and other expenses of such authorization, issuance, sale or delivery of bonds or notes or to provide or increase a debt service reserve fund with respect to any or all of its bonds or notes. The Authority may also issue and deliver its bonds or notes in exchange for any public transportation facilities, (including funds and rights relating thereto, as provided in Section 2.05 of this Act) or in exchange for outstanding bonds or notes of the Authority, including any accrued interest or redemption premium thereon, without advertising or submitting such notes or bonds for public bidding.

(b) The ordinance providing for the issuance of any such bonds or notes shall fix the date or dates of maturity, the dates on which interest is payable, any sinking fund account or reserve fund account provisions and all other details of such bonds or notes and may provide for such covenants or agreements necessary or desirable with regard to the issue, sale and security of such bonds or notes. The rate or rates of interest on its bonds or notes may be fixed or variable and the Authority shall determine or provide for the determination of the rate or rates of interest of its bonds or notes issued under this Act in an ordinance adopted by the Authority prior to the issuance thereof, none of which rates of interest shall exceed that permitted in the Bond Authorization Act. Interest may be payable at such times as are provided for by the Board. Bonds and notes issued under this Section may be issued as serial or term obligations, shall be of such denomination or denominations and form, including interest coupons to be attached thereto, be executed in such manner, shall be payable at such place or places and bear such date as the Authority shall fix by the ordinance authorizing such bond or note and shall mature at such time or times, within a period not to exceed forty years from the date of issue, and may be redeemable prior to maturity with or without

No bond anticipation note or any renewal thereof shall mature at any time or times exceeding 5 years from the date of the first issuance of such note. The Authority may provide for the registration of bonds or notes in the name of the owner as to the principal alone or as to both principal and interest, upon such terms and conditions as the Authority may determine. The ordinance authorizing bonds or notes may provide for the exchange of such bonds or notes which are fully registered, as to both principal and interest, with bonds or notes which are registerable as to principal only. All bonds or notes issued under this Section by the Authority other than those issued in exchange for property or for bonds or notes of the Authority shall be sold at a price which may be at a premium or discount but such that the interest cost (excluding any redemption premium) to the Authority of the proceeds of an issue of such bonds or notes, computed to stated maturity according to standard tables of bond values, shall not exceed that permitted in the Bond Authorization Act. The Authority shall notify the Governor's Office of Management and Budget and the State Comptroller at least 30 days before any bond sale and shall file with the Governor's Office of Management and Budget and the State Comptroller a certified copy of any ordinance authorizing the issuance of bonds at or before the issuance of the bonds. The Authority shall have the right to reject any or all bids. Notwithstanding any other provisions of this Section, Working Cash Notes or bonds or notes to provide funds for self-insurance or a joint self-insurance pool or entity may be sold either upon competitive bidding or by negotiated sale (without any requirement of publication of intention to negotiate the sale of such Notes), as the Board shall determine by ordinance adopted with the affirmative votes of at least 9 ~~7~~ Directors. In case any officer whose signature appears on any bonds, notes or coupons authorized pursuant to this Section shall cease to be such officer before delivery of such bonds or notes, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until such delivery. Neither the Directors of the Authority nor any person executing any bonds or notes thereof shall be liable personally on any such bonds or notes or coupons by reason of the issuance thereof.

(c) All bonds or notes of the Authority issued pursuant to this Section shall be general obligations of the Authority to which shall be pledged the full faith and credit of the Authority, as provided in this Section. Such bonds or notes shall be secured as provided in the authorizing ordinance, which may, notwithstanding any other provision of this Act, include in addition to any other security, a specific pledge or assignment of and lien on or security interest in any or all tax receipts of the Authority and on any or all other revenues or moneys of the Authority from whatever source, which may by law be utilized for debt service purposes and a specific pledge or assignment of and lien on or security interest in any funds or accounts established or provided for by the ordinance of the Authority authorizing the issuance of such bonds or notes. Any such pledge, assignment, lien or security interest for the benefit of holders of bonds or notes of the Authority shall be valid and binding from the time the bonds or notes are issued without any physical delivery or further act and shall be valid and binding as against and prior to the claims of all other parties having claims of any kind against the Authority or any other person irrespective of whether such other parties have notice of such pledge, assignment, lien or security interest. The obligations of the Authority incurred pursuant to this Section shall be superior to and have priority over any other obligations of the Authority.

The Authority may provide in the ordinance authorizing the issuance of any bonds or notes issued pursuant to this Section for the creation of, deposits in, and regulation and disposition of sinking fund or reserve accounts relating to such bonds or notes. The ordinance authorizing the issuance of any bonds or notes pursuant to this Section may contain provisions as part of the contract with the holders of the bonds or notes, for the creation of a separate fund to provide for the payment of principal and interest on such bonds or notes and for the deposit in such fund from any or all the tax receipts of the Authority and from any or all such other moneys or revenues of the Authority from whatever source which may by law be utilized for debt service purposes, all as provided in such ordinance, of amounts to meet the debt service requirements on such bonds or notes, including principal and interest, and any sinking fund or reserve fund account requirements as may be provided by such ordinance, and all expenses incident to or in connection with such fund and accounts or the payment of such bonds or notes. Such ordinance may also provide limitations on the issuance of additional bonds or notes of the Authority. No such bonds or notes of the Authority shall constitute a debt of the State of Illinois. Nothing in this Act shall be construed to enable the Authority to impose any ad valorem tax on property.

(d) The ordinance of the Authority authorizing the issuance of any bonds or notes may provide additional security for such bonds or notes by providing for appointment of a corporate trustee (which may be any trust company or bank having the powers of a trust company within the state) with respect to such bonds or notes. The ordinance shall prescribe the rights, duties and powers of the trustee to be exercised for the benefit of the Authority and the protection of the holders of such bonds or notes. The ordinance may provide for the trustee to hold in trust, invest and use amounts in funds and accounts created as provided by the ordinance with respect to the bonds or notes. The ordinance may provide for the assignment and direct payment to the trustee of any or all amounts produced from the sources provided in Section 4.03 and Section 4.09 of this Act and provided in Section 6z-17 of "An Act in relation to State finance", approved June 10, 1919, as amended. Upon receipt of notice of any such assignment, the Department of Revenue and the Comptroller of the State of Illinois shall thereafter, notwithstanding the provisions of Section 4.03 and Section 4.09 of this Act and Section 6z-17 of "An Act in relation to State finance", approved June 10, 1919, as amended, provide for such assigned amounts to be paid directly to the trustee instead of the Authority, all in accordance with the terms of the ordinance making the assignment. The ordinance shall provide that amounts so paid to the trustee which are not required to be deposited, held or invested in funds and accounts created by the ordinance with respect to bonds or notes or used for paying bonds or notes to be paid by the trustee to the Authority.

(e) Any bonds or notes of the Authority issued pursuant to this Section shall constitute a contract between the Authority and the holders from time to time of such bonds or notes. In issuing any bond or note, the Authority may include in the ordinance authorizing such issue a covenant as part of the contract with the holders of the bonds or notes, that as long as such obligations are outstanding, it shall make such deposits, as provided in paragraph (c) of this Section. It may also so covenant that it shall impose and continue to impose taxes, as provided in Section 4.03 of this Act and in addition thereto as subsequently authorized by law, sufficient to make such deposits and pay the principal and interest and to meet other debt service requirements of such bonds or notes as they become due. A certified copy of the ordinance authorizing the issuance of any such obligations shall be filed at or prior to the issuance of such obligations with the Comptroller of the State of Illinois and the Illinois Department of Revenue.

(f) The State of Illinois pledges to and agrees with the holders of the bonds and notes of the Authority issued pursuant to this Section that the State will not limit or alter the rights and powers vested in the Authority by this Act so as to impair the terms of any contract made by the Authority with such holders or in any way impair the rights and remedies of such holders until such bonds and notes, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of such holders, are fully met and discharged. In addition, the State pledges to and agrees with the holders of the bonds and notes of the Authority issued pursuant to this Section that the State will not limit or alter the basis on which State funds are to be paid to the Authority as provided in this Act, or the use of such funds, so as to impair the terms of any such contract. The Authority is authorized to include these pledges and agreements of the State in any contract with the holders of bonds or notes issued pursuant to this Section.

The Authority shall not at any time issue, sell, or deliver any Working Cash Notes pursuant to this Section that will cause it to have issued and outstanding at any time in excess of \$100,000,000. Notwithstanding the foregoing, before July 1, 2009, the Authority may issue, sell, and deliver an additional \$300,000,000 in Working Cash Notes, provided that any such additional notes shall mature on or before June 30, 2011. Bonds or notes which are being paid or retired by such issuance, sale or delivery of bonds or notes, and bonds or notes for which sufficient funds have been deposited with the paying agency of such bonds or notes to provide for payment of principal and interest thereon or to provide for the redemption thereof, all pursuant to the ordinance authorizing the issuance of such bonds or notes, shall not be considered to be outstanding for the purposes of the first two sentences of this subsection.

(i) whether the aggregate of all system generated revenues for public transportation in the metropolitan region which is provided by, or under grant or purchase of service contracts with, the Service Boards equals 50% of the aggregate of all costs of providing such public transportation. "System generated revenues" include all the proceeds of fares and charges for services provided, contributions received in connection with public transportation from units of local government other than the Authority, except for contributions received by the Chicago Transit Authority from a real estate transfer tax imposed under subsection (i) of Section 8-3-19 of the Illinois Municipal Code, and from the State pursuant to subsection (i) of Section 2705-305 of the Department of Transportation Law (20 ILCS 2705/2705-305), and all other revenues properly included consistent with generally accepted accounting principles but may not include: the proceeds from any borrowing, and, beginning with the 2007 fiscal year, all revenues and receipts, including but not limited to fares and grants received from the federal, State or any unit of local government or other entity, derived from providing ADA paratransit service pursuant to Section 2.30 of the Regional Transportation Authority Act. "Costs" include all items properly included as operating costs consistent with generally accepted accounting principles, including administrative costs, but do not include: depreciation; payment of principal and interest on bonds, notes or other evidences of obligations for borrowed money of the Authority; payments with respect to public transportation facilities made pursuant to subsection (b) of Section 2.20; any payments with respect to rate protection contracts, credit enhancements or liquidity agreements made under Section 4.14; any other cost as to which it is reasonably expected that a cash expenditure will not be made; ~~costs up to \$5,000,000 annually~~ for passenger security including grants, contracts, personnel, equipment and administrative expenses, except in the case of the Chicago Transit Authority, in which case the term does not include costs spent annually by that entity for protection against crime as required by Section 27a of the Metropolitan Transit Authority Act; the costs of Debt Service paid by the Chicago Transit Authority,

as defined in Section 12c of the Metropolitan Transit Authority Act, or bonds or notes issued pursuant to that Section; the payment by the Commuter Rail Division of debt service on bonds issued pursuant to Section 3B.09; expenses incurred by the Suburban Bus Division for the cost of new public transportation services funded from grants pursuant to Section 2.01e of this amendatory Act of the 95th General Assembly for a period of 2 years from the date of initiation of each such service; costs as exempted by the Board for projects pursuant to Section 2.09 of this Act; or, beginning with the 2007 fiscal year, expenses related to providing ADA paratransit service pursuant to Section 2.30 of the Regional Transportation Authority Act; or in fiscal years 2008 through 2012 inclusive, costs in the amount of \$200,000,000 in fiscal year 2008, reducing by \$40,000,000 in each fiscal year thereafter until this exemption is eliminated. If said system generated revenues are less than 50% of said costs, the Board shall remit an amount equal to the amount of the deficit to the State. The Treasurer shall deposit any such payment in the General Revenue Fund; and

(ii) whether, beginning with the 2007 fiscal year, the aggregate of all fares charged and received for ADA paratransit services equals the system generated ADA paratransit services revenue recovery ratio percentage of the aggregate of all costs of providing such ADA paratransit services.

(h) If the Authority makes any payment to the State under paragraph (g), the Authority shall reduce the amount provided to a Service Board from funds transferred under paragraph (a) in proportion to the amount by which that Service Board failed to meet its required system generated revenues recovery ratio. A Service Board which is affected by a reduction in funds under this paragraph shall submit to the Authority concurrently with its next due quarterly report a revised budget incorporating the reduction in funds. The revised budget must meet the criteria specified in clauses (i) through (vi) of Section 4.11(b)(2). The Board shall review and act on the revised budget as provided in Section 4.11(b)(3).

Sec. 4.11. Budget Review Powers.

~~(a) The provisions of this Section shall only be applicable to financial periods beginning after December 31, 1983. The Transition Board shall adopt a timetable governing the certification of estimates and any submissions required under this Section for fiscal year 1984 which shall control over the provisions of this Act.~~ Based upon estimates which shall be given to the Authority by the Director of the Governor's Office of Management and Budget (formerly Bureau of the Budget) of the receipts to be received by the Authority from the taxes imposed by the Authority and the authorized estimates of amounts to be available from State and other sources to the Service Boards, and the times at which such receipts and amounts will be available, the Board shall, not later than the next preceding September 15th prior to the beginning of the Authority's next fiscal year, advise each Service Board of the amounts estimated by the Board to be available for such Service Board during such fiscal year and the two following fiscal years and the times at which such amounts will be available. The Board shall, at the same time, also advise each Service Board of its required system generated revenues recovery ratio for the next fiscal year which shall be the percentage of the aggregate costs of providing public transportation by or under jurisdiction of that Service Board which must be recovered from system generated revenues. The Board shall, at the same time, beginning with the 2007 fiscal year, also advise each Service Board that provides ADA paratransit services of its required system generated ADA paratransit services revenue recovery ratio for the next fiscal year which shall be the percentage of the aggregate costs of providing ADA paratransit services by or under jurisdiction of that Service Board which must be recovered from fares charged for such services, except that such required system generated ADA paratransit services revenue recovery ratio shall not exceed the minimum percentage established pursuant to Section 4.01(b)(ii) of this Act. In determining a Service Board's system generated revenue recovery ratio, the Board shall consider the historical system generated revenues recovery ratio for the services subject to the jurisdiction of that Service Board. The Board shall not increase a Service Board's system generated revenues recovery ratio for the next fiscal year over such ratio for the current fiscal year disproportionately or prejudicially to increases in such ratios for other Service Boards. The Board may, by ordinance, provide that (i) the cost of research and development projects in the fiscal year beginning January 1, 1986 and ending December 31, 1986 conducted pursuant to Section 2.09 of this Act, and (ii) ~~up to \$5,000,000 annually~~ of the costs for passenger security, and (iii) expenditures of amounts granted to a Service Board from the Innovation, Coordination, and Enhancement Fund for operating purposes may be exempted from the farebox recovery ratio or the system generated revenues recovery ratio of the Chicago Transit Authority, the Suburban Bus Board, and the Commuter Rail Board, or any of them. During fiscal years 2008 through 2012, the Board may also allocate the exemption of \$200,000,000 and the reducing amounts of costs provided by this amendatory Act of the 95th General

Assembly from the farebox recovery ratio or system generated revenues recovery ratio of each Service Board. For the fiscal year beginning January 1, 1986 and ending December 31, 1986, and for the fiscal year beginning January 1, 1987 and ending December 31, 1987, the Board shall, by ordinance, provide that: (1) the amount of a grant, pursuant to Section 2705-310 of the Department of Transportation Law (20 ILCS 2705/2705-310), from the Department of Transportation for the cost of services for the mobility limited provided by the Chicago Transit Authority, and (2) the amount of a grant, pursuant to Section 2705-310 of the Department of Transportation Law (20 ILCS 2705/2705-310), from the Department of Transportation for the cost of services for the mobility limited by the Suburban Bus Board or the Commuter Rail Board, be exempt from the farebox recovery ratio or the system generated revenues recovery ratio.

(b)(1) Not later than the next preceding November 15 prior to the commencement of such fiscal year, each Service Board shall submit to the Authority its proposed budget for such fiscal year and its proposed financial plan for the two following fiscal years. Such budget and financial plan shall (i) be prepared in the format, follow the financial and budgetary practices, and be based on any assumptions and projections required by the Authority and (ii) not project or assume a receipt of revenues from the Authority in amounts greater than those set forth in the estimates provided by the Authority pursuant to subsection (a) of this Section.

(2) The Board shall review the proposed budget and two-year financial plan submitted by each Service Board, ~~and shall adopt a consolidated budget and financial plan.~~ The Board shall approve the budget and two-year financial plan of a Service Board if:

~~(i) the Board has approved the proposed budget and cash flow plan for such fiscal year of each Service Board, pursuant to the conditions set forth in clauses (ii) through (vii) of this paragraph;~~

(i) (ii) such budget and plan show a balance between (A) anticipated revenues from all sources including operating subsidies and (B) the costs of providing the services specified and of funding any operating deficits or encumbrances incurred in prior periods, including provision for payment when due of principal and interest on outstanding indebtedness;

(ii) (iii) such budget and plan show cash balances including the proceeds of any anticipated cash flow borrowing sufficient to pay with reasonable promptness all costs and expenses as incurred;

(iii) (iv) such budget and plan provide for a level of fares or charges and operating or administrative costs for the public transportation provided by or subject to the jurisdiction of such Service Board sufficient to allow the Service Board to meet its required system generated revenue recovery ratio and, beginning with the 2007 fiscal year, system generated ADA paratransit services revenue recovery ratio;

(iv) (v) such budget and plan are based upon and employ assumptions and projections which are reasonable and prudent;

(v) (vi) such budget and plan have been prepared in accordance with sound financial practices as determined by the Board; and

(vi) (vii) such budget and plan meet such other financial, budgetary, or fiscal requirements that the Board may by rule or regulation establish; and -

(vii) such budget and plan are consistent with the goals and objectives adopted by the Authority in the Strategic Plan.

(3) ~~(Blank) In determining whether the budget and financial plan provide a level of fares or charges sufficient to allow a Service Board to meet its required system generated revenue recovery ratio and, beginning with the 2007 fiscal year, system generated ADA paratransit services revenue recovery ratio under clause (iv) in subparagraph (2), the Board shall allow a Service Board to carry over cash from farebox revenues to subsequent fiscal years.~~

(4) Unless the Board by an affirmative vote of 12 9 of the then Directors determines that the budget and financial plan of a Service Board meets the criteria specified in clauses (i) (ii) through (vii) of subparagraph (2) of this paragraph (b), the Board shall withhold from not release to that Service Board 25% of any funds for the periods covered by such budget and financial plan except for the cash proceeds of taxes imposed by the Authority under Section 4.03 and Section 4.03.1 and received after February 1 and 25% of the amounts transferred to the Authority from the Public Transportation Fund under Section 4.09(a) (but not including Section 4.09(a)(3)(iv)) after February 1 that the Board has estimated to be available to that Service Board under Section 4.11(a). Such funding shall be released to the Service Board only upon approval of a budget and financial plan under this Section or adoption of a budget and financial plan on behalf of the Service Board by the Authority which are allocated to the Service Board under Section 4.01.

(5) If the Board has not found that the budget and financial plan of a Service Board meets the criteria specified in clauses (i) through (vii) of subparagraph (2) of this paragraph (b), the Board, by the affirmative

vote of at least 12 of its then Directors, shall, five working days after the start of the Service Board's fiscal year adopt a budget and financial plan meeting such criteria for that Service Board.

(c)(1) If the Board shall at any time have received a revised estimate, or revises any estimate the Board has made, pursuant to this Section of the receipts to be collected by the Authority which, in the judgment of the Board, requires a change in the estimates on which the budget of any Service Board is based, the Board shall advise the affected Service Board of such revised estimates, and such Service Board shall within 30 days after receipt of such advice submit a revised budget incorporating such revised estimates. If the revised estimates require, in the judgment of the Board, that the system generated revenues recovery ratio of one or more Service Boards be revised in order to allow the Authority to meet its required ratio, the Board shall advise any such Service Board of its revised ratio and such Service Board shall within 30 days after receipt of such advice submit a revised budget incorporating such revised estimates or ratio.

(2) Each Service Board shall, within such period after the end of each fiscal quarter as shall be specified by the Board, report to the Authority its financial condition and results of operations and the financial condition and results of operations of the public transportation services subject to its jurisdiction, as at the end of and for such quarter. If in the judgment of the Board such condition and results are not substantially in accordance with such Service Board's budget for such period, the Board shall so advise such Service Board and such Service Board shall within the period specified by the Board submit a revised budget incorporating such results.

(3) If the Board shall determine that a revised budget submitted by a Service Board pursuant to subparagraph (1) or (2) of this paragraph (c) does not meet the criteria specified in clauses (i) ~~(ii)~~ through (vii) of subparagraph (2) of paragraph (b) of this Section, the Board shall withhold from not release any monies to that Service Board 25% of except the cash proceeds of taxes imposed by the Authority under Section 4.03 or 4.03.1 and received by the Authority after February 1 and 25% of the amounts transferred to the Authority from the Public Transportation Fund under Section 4.09(a) (but not including Section 4.09(a)(3)(iv)) after February 1 that the Board has estimated to be available which are allocated to that the Service Board under Section 4.11(a) 4.04. If the Service Board submits a revised financial plan and budget which plan and budget shows that the criteria will be met within a four quarter period, the Board shall continue to release any such withheld funds to the Service Board. The Board by the affirmative vote of at least 12 a 9 vote of its then Directors may require a Service Board to submit a revised financial plan and budget which shows that the criteria will be met in a time period less than four quarters.

(d) All budgets and financial plans, financial statements, audits and other information presented to the Authority pursuant to this Section or which may be required by the Board to permit it to monitor compliance with the provisions of this Section shall be prepared and presented in such manner and frequency and in such detail as shall have been prescribed by the Board, shall be prepared on both an accrual and cash flow basis as specified by the Board, shall present such information as the Authority shall prescribe that fairly presents the condition of any pension plan or trust for health care benefits with respect to retirees established by the Service Board and describes the plans of the Service Board to meet the requirements of Sections 4.02a and 4.02b, and shall identify and describe the assumptions and projections employed in the preparation thereof to the extent required by the Board. If the Executive Director certifies that a Service Board has not presented its budget and two-year financial plan in conformity with the rules adopted by the Authority under the provisions of Section 4.01(f) and this subsection (d), and such certification is accepted by the affirmative vote of at least 12 of the then Directors of the Authority, the Authority shall not distribute to that Service Board any funds for operating purposes in excess of the amounts distributed for such purposes to the Service Board in the previous fiscal year. Except when the Board adopts a budget and a financial plan for a Service Board under paragraph (b)(5), a Service Board shall provide for such levels of transportation services and fares or charges therefor as it deems appropriate and necessary in the preparation of a budget and financial plan meeting the criteria set forth in clauses (i) ~~(ii)~~ through (vii) of subparagraph (2) of paragraph (b) of this Section. The Authority Board shall have access to and the right to examine and copy all books, documents, papers, records, or other source data of a Service Board relevant to any information submitted pursuant to this Section.

(e) Whenever this Section requires the Board to make determinations with respect to estimates, budgets or financial plans, or rules or regulations with respect thereto such determinations shall be made upon the affirmative vote of at least 12 9 of the then Directors and shall be incorporated in a written report of the Board and such report shall be submitted within 10 days after such determinations are made to the Governor, the Mayor of Chicago (if such determinations relate to the Chicago Transit Authority), and the Auditor General of Illinois.

 Sec. 4.13. Annual Capital Improvement Plan.

(a) With respect to each calendar year, the Authority shall prepare as part of its Five Year Program an Annual Capital Improvement Plan (the "Plan") which shall describe its intended development and implementation of the Strategic Capital Improvement Program. The Plan shall include the following information:

(i) a list of projects for which approval is sought from the Governor, with a description of each project stating at a minimum the project cost, its category, its location and the entity responsible for its implementation;

(ii) a certification by the Authority that the Authority and the Service Boards have applied for all grants, loans and other moneys made available by the federal government or the State of Illinois during the preceding federal and State fiscal years for financing its capital development activities;

(iii) a certification that, as of September 30 of the preceding calendar year or any later date, the balance of all federal capital grant funds and all other funds to be used as matching funds therefor which were committed to or possessed by the Authority or a Service Board but which had not been obligated was less than \$350,000,000, or a greater amount as authorized in writing by the Governor (for purposes of this subsection (a), "obligated" means committed to be paid by the Authority or a Service Board under a contract with a nongovernmental entity in connection with the performance of a project or committed under a force account plan approved by the federal government);

(iv) a certification that the Authority has adopted a balanced budget with respect to such calendar year under Section 4.01 of this Act;

(v) a schedule of all bonds or notes previously issued for Strategic Capital Improvement Projects and all debt service payments to be made with respect to all such bonds and the estimated additional debt service payments through June 30 of the following calendar year expected to result from bonds to be sold prior thereto;

(vi) a long-range summary of the Strategic Capital Improvement Program describing the projects to be funded through the Program with respect to project cost, category, location, and implementing entity, and presenting a financial plan including an estimated time schedule for obligating funds for the performance of approved projects, issuing bonds, expending bond proceeds and paying debt service throughout the duration of the Program; and

(vii) the source of funding for each project in the Plan. For any project for which full funding has not yet been secured and which is not subject to a federal full funding contract, the Authority must identify alternative, dedicated funding sources available to complete the project. The Governor may waive this requirement on a project by project basis.

(b) The Authority shall submit the Plan with respect to any calendar year to the Governor on or before January 15 of that year, or as soon as possible thereafter; provided, however, that the Plan shall be adopted on the affirmative votes of 12 ~~9~~ of the then Directors. The Plan may be revised or amended at any time, but any revision in the projects approved shall require the Governor's approval.

(c) The Authority shall seek approval from the Governor only through the Plan or an amendment thereto. The Authority shall not request approval of the Plan from the Governor in any calendar year in which it is unable to make the certifications required under items (ii), (iii) and (iv) of subsection (a). In no event shall the Authority seek approval of the Plan from the Governor for projects in an aggregate amount exceeding the proceeds of bonds or notes for Strategic Capital Improvement Projects issued under Section 4.04 of this Act.

(d) The Governor may approve the Plan for which approval is requested. The Governor's approval is limited to the amount of the project cost stated in the Plan. The Governor shall not approve the Plan in a calendar year if the Authority is unable to make the certifications required under items (ii), (iii) and (iv) of subsection (a). In no event shall the Governor approve the Plan for projects in an aggregate amount exceeding the proceeds of bonds or notes for Strategic Capital Improvement Projects issued under Section 4.04 of this Act.

(e) With respect to capital improvements, only those capital improvements which are in a Plan approved by the Governor shall be financed with the proceeds of bonds or notes issued for Strategic Capital Improvement Projects.

(f) Before the Authority or a Service Board obligates any funds for a project for which the Authority or Service Board intends to use the proceeds of bonds or notes for Strategic Capital Improvement Projects, but which project is not included in an approved Plan, the Authority must notify the Governor of the intended

obligation. No project costs incurred prior to approval of the Plan including that project may be paid from the proceeds of bonds or notes for Strategic Capital Improvement Projects issued under Section 4.04 of this Act.

(70 ILCS 3615/4.14) (from Ch. 111 2/3, par. 704.14)

Sec. 4.14. Rate Protection Contract. "Rate Protection Contract" means interest rate price exchange agreements; currency exchange agreements; forward payment conversion agreements; contracts providing for payment or receipt of funds based on levels of, or changes in, interest rates, currency exchange rates, stock or other indices; contracts to exchange cash flows or a series of payments; contracts, including without limitation, interest rate caps; interest rate floor; interest rate locks; interest rate collars; rate of return guarantees or assurances, to manage payment, currency, rate, spread or similar exposure; the obligation, right, or option to issue, put, lend, sell, grant a security interest in, buy, borrow or otherwise acquire, a bond, note or other security or interest therein as an investment, as collateral, as a hedge, or otherwise as a source or assurance of payment to or by the Authority or as a reduction of the Authority's or an obligor's risk exposure; repurchase agreements; securities lending agreements; and other agreements or arrangements similar to the foregoing.

Notwithstanding any provision in Section 2.20 (a) (ii) of this Act to the contrary, in connection with or incidental to the issuance by the Authority of its bonds or notes under the provisions of Section 4.04 or the exercise of its powers under subsection (b) of Section 2.20, the Authority, for its own benefit or for the benefit of the holders of its obligations or their trustee, may enter into rate protection contracts. The Authority may enter into rate protection contracts only pursuant to a determination by a vote of 12 ~~9~~ of the then Directors that the terms of the contracts and any related agreements reduce the risk of loss to the Authority, or protect, preserve or enhance the value of its assets, or provide compensation to the Authority for losses resulting from changes in interest rates. The Authority's obligations under any rate protection contract or credit enhancement or liquidity agreement shall not be considered bonds or notes for purposes of this Act. For purposes of this Section a rate protection contract is a contract determined by the Authority as necessary or appropriate to permit it to manage payment, currency or interest rate risks or levels.

CONSTITUTIONAL AMENDMENT
FIRST READING**

Representative Lindner introduced the following:

**HOUSE JOINT RESOLUTION
CONSTITUTIONAL AMENDMENT 30**

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that there shall be submitted to the electors of the State for adoption or rejection at the general election next occurring at least 6 months after the adoption of this resolution a proposition to amend Article IV of the Illinois Constitution by changing Section 6 as follows:

ARTICLE IV
THE LEGISLATURE

SECTION 6. ORGANIZATION

(a) A majority of the members elected to each house constitutes a quorum.

(b) On the first day of the January session of the General Assembly in odd-numbered years, the Secretary of State shall convene the House of Representatives to elect from its membership a Speaker of the House of Representatives as presiding officer, and the Governor shall convene the Senate to elect from its membership a President of the Senate as presiding officer. A person may not serve more than a total of 10 years in either or both of the offices of Speaker of the House of Representatives and President of the Senate; provided that service before the second Wednesday in January of 2010 shall not be considered in the calculation of a person's service.

(c) For purposes of powers of appointment conferred by this Constitution, the Minority Leader of either house is a member of the numerically strongest political party other than the party to which the Speaker or the President belongs, as the case may be.

(d) Each house shall determine the rules of its proceedings, judge the elections, returns and qualifications

of its members and choose its officers. No member shall be expelled by either house, except by a vote of two-thirds of the members elected to that house. A member may be expelled only once for the same offense. Each house may punish by imprisonment any person, not a member, guilty of disrespect to the house by disorderly or contemptuous behavior in its presence. Imprisonment shall not extend beyond twenty-four hours at one time unless the person persists in disorderly or contemptuous behavior.

SCHEDULE

This Constitutional Amendment takes effect upon being declared adopted in accordance with Section 7 of the Illinois Constitutional Amendment Act.

HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 818

Offered by Representative Beiser:

WHEREAS, The Federal Trade Commission announced on January 22, 2002, its intention to create a centralized, national "Do Not Call" registry to allow citizens the opportunity to opt out of receiving telemarketing calls at their homes; and

WHEREAS, After a year of public hearings, on June 27, 2003, the federal "Do Not Call" registry was opened, allowing consumers to place their own telephone numbers on the list to stop most telemarketing calls; and

WHEREAS, On the first day the registry was open, over 7 million Americans registered their phone numbers; and

WHEREAS, In the three-month registration period before the Federal Trade Commission began enforcing the "Do Not Call" list on October 1, 2003, over 50 million Americans registered their phone numbers on the list; and

WHEREAS, By September 30, 2007, over 145.3 million Americans had registered their phone numbers, including 6.5 million residents of Illinois; and

WHEREAS, Under current rules, a number placed on the "Do Not Call" registry will be dropped from the list after five years; and

WHEREAS, Unless the Federal Trade Commission changes its rules or Congress intervenes, the 50 million Americans who had registered before October 1, 2003, will see their phone numbers dropped from the registry between June 27, 2008 and October 1, 2008; and

WHEREAS, Many individuals will not realize their phone number will need to be registered again to stop telemarketers from soliciting again; and

WHEREAS, It is reasonable that individuals who elected to place their phone numbers on the federal "Do Not Call" registry are likely to wish to keep their numbers on the list, despite the artificial drop date created by bureaucratic rule; and

WHEREAS, While it is encouraging that the Federal Trade Commission advised Congress on October 23, 2007, that it does not intend to "drop any telephone number from the registry based on the five-year expiration period pending final Congressional or agency action", the citizens of Illinois seek finality to the pending problem; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the House believes the federal government should make the registry permanent without requiring citizens to register their phone numbers again; and be it further

RESOLVED, That Congress and the Federal Trade Commission should make all appropriate law and regulation changes necessary to maintain the "Do Not Call" registry without interruption; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Chairman of the Federal Trade Commission and to each member of the Illinois congressional delegation.

WHEREAS, Advances in the technology of particle accelerators produce significant benefits not only to basic science but to health care, medical research, manufacturing, materials science, and the economy of the State of Illinois and the nation; and

WHEREAS, The budget for FY2008 approved by Congress and signed by the President dealt a severe blow to the United States Office of Science's High-Energy Physics program, which received \$94 million less than requested; and

WHEREAS, The FY2008 budget, which cuts \$52 million from the President's FY2008 budget request of \$372 million for Fermilab, could cripple the laboratory's ability to remain one of the world's preeminent research facilities; and

WHEREAS, The budget eliminates funding for the 2 programs most vitally linked to Fermilab's future, the NOvA neutrino experiment and the research and development program for the International Linear Collider; and

WHEREAS, A restoration of funding in basic physics research is essential to maintaining America's role as the innovator in technology, retaining our nation's leading scientific institutions and their skilled workforces, and providing opportunities for future scientists; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we urge the United States Congress to enact, and the President to approve, a supplemental appropriation to restore the funding to Fermilab to the level of the President's FY2008 budget request; and be it further

RESOLVED, That we urge the Director of the Office of Management and Budget to increase the funding request for the Office of Science, particularly for the High-Energy Physics program, in the President's FY2009 budget; and be it further

RESOLVED, That copies of this resolution be presented to the President of the United States, the Speaker of the United States House of Representatives, the President Pro Tempore of the United States Senate, and each member of the Illinois congressional delegation.
