Representative Rose offered the following amendment and moved its adoption:

AMENDMENT NO. 2. Amend House Bill 5121, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Marriage and Dissolution of Marriage Act is amended by changing Section 602.1 as follows:

(750 ILCS 5/602.1) (from Ch. 40, par. 602.1)

Sec. 602.1. (a) The dissolution of marriage, the declaration of invalidity of marriage, the legal separation of the parents, or the parents living separate and apart shall not diminish parental powers, rights, and responsibilities except as the court for good reason may determine under the standards of Section 602.

(b) Upon the application of either or both parents, or upon its own motion, the court shall consider an award of joint custody. Joint custody means custody determined pursuant to a Joint Parenting Agreement or a Joint Parenting Order. In such cases, the court shall initially request the parents to produce a Joint Parenting Agreement. Such Agreement shall specify each parent's powers, rights and responsibilities for the personal care of the child and for major decisions such as education, health care, and religious training. The Agreement shall further specify a procedure by which proposed changes, disputes and alleged breaches may be mediated or otherwise resolved and shall provide for a periodic review of its terms by the parents. In producing a Joint Parenting Agreement, the parents shall be flexible in arriving at resolutions which further the policy of this State as expressed in Sections 102 and 602. For the purpose of assisting the court in making a determination whether an award of joint custody is appropriate, the court may order mediation and may direct that an investigation be conducted pursuant to the provisions of Section 605. If there is a danger to the health or safety of a partner, joint mediation shall not be required by the court. In the event the parents fail to produce a Joint Parenting Agreement, the court may enter an appropriate Joint Parenting Order under the standards of Section 602 which shall specify and contain the same elements as a Joint Parenting Agreement, or it may award sole custody under the standards of Sections 602, 607, and 608.

(c) The court may enter an order of joint custody if it determines that joint custody would be in the best interests of the child, taking into account the following:

(1) the ability of the parents to cooperate effectively and consistently in matters

that directly affect the joint parenting of the child. "Ability of the parents to cooperate" means the parents' capacity to substantially comply with a Joint Parenting Order. The court shall not consider the inability of the parents to cooperate effectively and consistently in matters that do not directly affect the joint parenting of the child;

(2) The residential circumstances of each parent; and

(3) all other factors which may be relevant to the best interest of the child.

(d) Nothing within this section shall imply or presume that joint custody shall necessarily mean equal parenting time. The physical residence of the child in joint custodial situations shall be determined by:

(1) express agreement of the parties; or

(2) order of the court under the standards of this Section.

(e) Notwithstanding any other provision of law, access to records and information pertaining to a child, including but not limited to medical, dental, child care and school records, shall not be denied to a parent for the reason that such parent is not the child's custodial parent; however, no parent shall have access to the school records of a child if the parent is prohibited by an order of protection from inspecting or obtaining such records pursuant to the Illinois Domestic Violence Act of 1986, as now or hereafter amended. No parent who is a named respondent in an order of protection issued pursuant to the Domestic Violence Act of 1986 shall have access to the health care records of a child who is a protected person under that order of protection.

(Source: P.A. 94-377, eff. 7-29-05.)

Section 10. The Illinois Domestic Violence Act of 1986 is amended by changing Section 222 as follows:

(750 ILCS 60/222) (from Ch. 40, par. 2312-22)  
Sec. 222. Notice of orders.

(a) Entry and issuance. Upon issuance of any order of protection, the clerk shall immediately, or on the next court day if an emergency order is issued in accordance with subsection (c) of Section 217, (i) enter the order on the record and file it in accordance with the circuit court procedures and (ii) provide a file stamped copy of the order to respondent, if present, and to petitioner.

(b) Filing with sheriff. The clerk of the issuing judge shall, or the petitioner may, on the same day that an order of protection is issued, file a certified copy of that order with the sheriff or other law enforcement officials charged with maintaining Department of State Police records or charged with serving the order upon respondent. If the order was issued in accordance with subsection (c) of Section 217, the clerk shall on the next court day, file a certified copy of the order with the Sheriff or other law enforcement officials charged with maintaining Department of State Police records.

(c) Service by sheriff. Unless respondent was present in court when the order was issued, the sheriff, other law enforcement official or special process server shall promptly serve that order upon respondent and file proof of such service, in the manner provided for service of process in civil proceedings. Instead of serving the order upon the respondent, however, the sheriff, other law enforcement official, or special process server may serve the respondent with a short form notification as provided in Section 222.10. If process has not yet been served upon the respondent, it shall be served with the order or short form notification. A single fee may be charged for service of an order obtained in civil court, or for service of such an order together with process, unless waived or deferred under Section 210.

(c-5) If the person against whom the order of protection is issued is arrested and the written order is issued in accordance with subsection (c) of Section 217 and received by the custodial law enforcement agency before the respondent or arrestee is released from custody, the custodial law enforcement agent shall promptly serve the order upon the respondent or arrestee before the respondent or arrestee is released from custody. In no event shall detention of the respondent or arrestee be extended for hearing on the petition for order of protection or receipt of the order issued under Section 217 of this Act.

(d) Extensions, modifications and revocations. Any order extending, modifying or revoking any order of protection shall be promptly recorded, issued and served as provided in this Section.

(e) Notice to schools. Upon the request of the petitioner, within 24 hours of the issuance of an order of protection, the clerk of the issuing judge shall send written notice of the order of protection along with a certified copy of the order of protection to the day-care facility, pre-school or pre-kindergarten, or private school or the principal office of the public school district or any college or university in which any child who is a protected person under the order of protection or any child of the petitioner is enrolled. If the child transfers enrollment to another day-care facility, pre-school, pre-kindergarten, private school, public school, college, or university, the petitioner may, within 24 hours of the transfer, send to the clerk written notice of the transfer, including the name and address of the institution to which the child is transferring. Within 24 hours of receipt of notice from the petitioner that a child is transferring to another day-care facility, pre-school, pre-kindergarten, private school, public school, college, or university, the clerk shall send written notice of the order of protection, along with a certified copy of the order, to the institution to which the child is transferring.

(f) Disclosure by schools. After receiving a certified copy of an order of protection that prohibits a respondent's access to records, neither a day-care facility, pre-school, pre-kindergarten, public or private school, college, or university nor its employees shall allow a respondent access to a protected child's records or release information in those records to the respondent. The school shall file the copy of the order of protection in the records of a child who is a protected person under the order of protection. When a child who is a protected person under the order of protection transfers to another day-care facility, pre-school, pre-kindergarten, public or private school, college, or university, the institution from which the child is transferring may, at the request of the petitioner, provide, within 24 hours of the transfer, written notice of the order of protection, along with a certified copy of the order, to the institution to which the child is transferring.

(g) Notice to health care facilities and health care practitioners. Upon the request of the petitioner, the clerk of the circuit court shall send a certified copy of the order of protection to any specified health care facility or health care practitioner requested by the petitioner at the mailing address provided by the petitioner.

(h) Disclosure by health care facilities and health care practitioners. After receiving a certified copy of an order of protection that prohibits a respondent's access to records, no health care facility or health care practitioner shall allow a respondent access to the records of any child who is a protected person under the

order of protection, or release information in those records to the respondent, unless the order has expired or the respondent shows a certified copy of the court order vacating the corresponding order of protection that was sent to the health care facility or practitioner. Nothing in this Section shall be construed to require health care facilities or health care practitioners to alter procedures related to billing and payment. The health care facility or health care practitioner may file the copy of the order of protection in the records of a child who is protected person under the order of protection, or may employ any other method to identify the records to which respondent is prohibited access. No health care facility or health care practitioner shall be civilly or professionally liable for reliance on a copy of an order of protection, except for willful and wanton misconduct.

(725 ILCS 5/112A-20) (from Ch. 38, par. 112A-20)

Sec. 112A-20. Duration and extension of orders.

(a) Duration of emergency and interim orders. Unless re-opened or extended or voided by entry of an order of greater duration:

(1) Emergency orders issued under Section 112A-17 shall be effective for not less than 14 nor more than 21 days;

(2) Interim orders shall be effective for up to 30 days.

(b) Duration of plenary orders. Except as otherwise provided in this Section, a plenary order of protection shall be valid for a fixed period of time not to exceed 2 years. A plenary order of protection entered in conjunction with a criminal prosecution shall remain in effect as follows:

(1) if entered during pre-trial release, until disposition, withdrawal, or dismissal of the underlying charge; if, however, the case is continued as an independent cause of action, the order's duration may be for a fixed period of time not to exceed 2 years;

(2) if in effect in conjunction with a bond forfeiture warrant, until final disposition or an additional period of time not exceeding 2 years; no order of protection, however, shall be terminated by a dismissal that is accompanied by the issuance of a bond forfeiture warrant;

(3) until expiration of any supervision, conditional discharge, probation, periodic imprisonment, parole or mandatory supervised release and for an additional period of time thereafter not exceeding 2 years; or

(4) until the date set by the court for expiration of any sentence of imprisonment and subsequent parole or mandatory supervised release and for an additional period of time thereafter not exceeding 2 years.

To remove the plenary order from those records, either party shall request the clerk of the court to file a certified copy of an order stating that the specified event has occurred or that the plenary order has been vacated or modified with the sheriff, and the sheriff shall direct that law enforcement records shall be promptly corrected in accordance with the filed order.

Any emergency, interim or plenary order of protection may be extended one or more times, as required, provided that the requirements of Section 112A-17, 112A-18 or 112A-19, as appropriate, are satisfied. If the motion for extension is uncontested and petitioner seeks no modification of the order, the order may be extended on the basis of petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension. An extension of a plenary order of protection may be granted, upon good cause shown, to remain in effect until the order of protection is vacated or modified. Extensions may be granted only in open court and not under the provisions of Section 112A-17(c), which applies only when the court is unavailable at the close of business or on a court holiday.

(f) Termination date. Any order of protection which would expire on a court holiday shall instead expire at the close of the next court business day.

(g) Statement of purpose. The practice of dismissing or suspending a criminal prosecution in exchange for issuing an order of protection undermines the purposes of this Article. This Section shall not be construed as encouraging that practice.

The total transfer under this Section from any fund in any fiscal year shall not exceed the lesser of (i) 8% of the revenues to be deposited into the fund during that fiscal year or (ii) an amount that leaves a remaining fund balance of 25% of the July 1 fund balance of that fiscal year. In fiscal year 2005 only, prior to calculating the July 1, 2004 final balances, the Governor may calculate and direct the State Treasurer with the Comptroller to transfer additional amounts determined by applying the formula authorized in Public Act 93-839 to the funds balances on July 1, 2003. No transfer may be made from a fund under this Section that would have the effect of reducing the available balance in the fund to an amount less than the amount remaining unexpended and unreserved from the total appropriation from that fund estimated to be expended for that fiscal year. This Section does not apply to any funds that are restricted by federal law to a specific use, to any funds in the Motor Fuel Tax Fund, the Intercity Passenger Rail Fund, the Hospital Provider Fund, the Medicaid Provider Relief Fund, the Teacher Health Insurance Security Fund, the Reviewing Court Alternative Dispute Resolution Fund, the Voters' Guide Fund, the Foreign Language Interpreter Fund, the Lawyers' Assistance Program Fund, the Supreme Court Federal Projects Fund, the Supreme Court Special State Projects Fund, the Supplemental Low-Income Energy Assistance Fund, the Good Samaritan Energy Trust Fund, the Low-Level Radioactive Waste Facility Development and Operation Fund, the Horse Racing Equity Trust Fund, the Metabolic Screening and Treatment Fund, or the Hospital Basic Services Preservation Fund, or to any funds to which Section 70-50 of the Nurse Practice Act applies. No transfers may be made under this Section from the Pet Population Control Fund. Notwithstanding any other provision of this Section, for fiscal year 2004, the total transfer under this Section from the Road Fund or the State Construction Account Fund shall not exceed the lesser of (i) 5% of the revenues to be deposited into the fund during that fiscal year or (ii) 25% of the beginning balance in the fund. For fiscal year 2005 through fiscal year 2007, no amounts may be transferred under this Section from the Road Fund, the State Construction Account Fund, the Criminal Justice Information Systems Trust Fund, the Wireless Service Emergency Fund, or the Mandatory Arbitration Fund.

In determining the available balance in a fund, the Governor may include receipts, transfers into the fund, and other resources anticipated to be available in the fund in that fiscal year.

The State Treasurer and Comptroller shall transfer the amounts designated under this Section as soon as may be practicable after receiving the direction to transfer from the Governor.

(a-5) Transfers directed to be made under this Section on or before February 28, 2006 that are still pending on May 19, 2006 (the effective date of Public Act 94-774) shall be redirected as provided in Section 8n of this Act.

A student or faculty member may request, and the institution may grant in writing, permission to use a particular software application or file that has been prohibited on the institution's computer and network resources under subdivision (2) of subsection (a) of this Section if the institution determines that such use is for academic, research, or other purposes consistent with Section 107 of Title 17 of the United States Code.

(c) Each institution to which subsection (a) of this Section applies shall, by January 15 of each year, report to the Board either (i) that the institution has not received 10 or more legally valid notices of infringement within the preceding year from owners of infringed works or their authorized agents or (ii) a detailed description of the reasonable efforts the institution has taken to install and implement a technology-based deterrent system under subdivision (2) of subsection (a) of this Section.

WHEREAS, Sexual assault is an ongoing problem that is being fought against vigorously by local, State, national, and international groups; and

WHEREAS, Sexual violence refers to unwanted or coercive sexual behavior from sexual bullying to rape; the terms rape, sexual assault, and sexual abuse are often used interchangeably and refer to coercive, forced sexual contact; women and men of all ages, as well as children, can be victimized by sexual assault; the physical and psychological effects caused by such violence might take years to recover from; and

WHEREAS, On the national level, sexual violence is a prolific and frightening occurrence; nationally, almost 18%, or 17.7 million women, in the United States have been victims of rape or attempted rape sometime in their lives; one in every three girls and one in six boys are sexually abused before the age of 18; 1.3 women age 18 and over in the United States are forcibly raped each minute, equal to 78 per hour, 1,871 per day, or 683,000 per year; and

WHEREAS, The State of Illinois must contend with the same problem within its borders; one out of every seven adult women, or more than 670,000 adult women in Illinois, has been the victim of forcible rape sometime in her lifetime; and

WHEREAS, One of the most frightening statistics regarding sexual violence is that 59 percent of sexual assaults nationwide are not reported to law enforcement; and

WHEREAS, Increased awareness regarding the widespread instances of sexual violence and the ways to prevent future occurrences is an essential factor in the fight against sexual violence in our society; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we designate the month of April 2008 as Sexual Assault Awareness Month in the State of Illinois in recognition of this ongoing threat to our society.

#### HOUSE RESOLUTION 1182

Offered by Representative Meyer:

WHEREAS, Every day, an estimated 65,000 Illinoisans struggle with the disabling and life-altering impact of lupus, a chronic auto-immune disease; and

WHEREAS, Lupus occurs when the immune system is unbalanced, causing it to become destructive to any major organ or tissue in the body and is a serious disease that can damage vital organs, such as the kidneys, heart, lungs, and brain; and the disease can cause seizures, strokes, heart attacks, miscarriages, and organ failure leading to significant disability or death; and

WHEREAS, Lupus can be very unpredictable and is potentially fatal, yet no satisfactory treatment or cure exists; and

WHEREAS, Lupus can attack the body for years before the disease is diagnosed and symptoms mimic common illnesses and often are dismissed as nothing serious and more than half of the people with lupus suffer four or more years and visit three or more doctors before receiving a correct diagnosis; and

WHEREAS, Awareness of lupus is lowest among women 18-24, the age group most likely to develop the disease; and

WHEREAS, Late diagnosis and delayed treatment contribute to poor outcomes and increases morbidity and mortality; and

WHEREAS, While most Americans are aware of the signs and health risks of breast cancer or heart disease, relatively few are aware of lupus, that disproportionately strikes young women between the ages of 15 and 45; and

WHEREAS, Early recognition, diagnosis, and proper medical care of lupus can often prevent or reduce serious health complications, such as heart disease, strokes, seizures, and kidney failure; and

WHEREAS, Raising awareness about lupus is important and can result in saving lives; it will provide hope for those living with lupus and comfort to those whose loved ones have lost their battle; it will inform the general public about the symptoms of lupus and possibly save lives; it will affirm the need for increased funding to researchers and medical professionals so they can continue their work to improve the outlook for lupus patients; and

WHEREAS, The month of May has been designated as Lupus Awareness Month, observed to disseminate medically sound information about lupus, increase public understanding of the physical, emotional, and economic impact of the disease and provide support, services, and hope to all people affected by lupus; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare May of each year to be Lupus Awareness Month in the State of Illinois, and we encourage all citizens to increase awareness, education, and services for Lupus which each year affects thousands of Illinoisans; and be it further

RESOLVED, That a suitable copy of this resolution be presented to Diane Herr, Chairman of the Board of Directors of the Lupus Foundation of America, Illinois Chapter headquartered in Chicago.

#### HOUSE RESOLUTION 1187

Offered by Representative Kosel:

WHEREAS, On October 30, 2007, the Canadian National Railway Corporation, along with its wholly owned U.S. subsidiary, the Grand Trunk Corporation, filed an application with the U.S. Surface Transportation Board (STB) seeking approval to acquire the Elgin Joliet and Eastern West Company (EJ&E); and

WHEREAS, The proposed acquisition by Canadian National Corporation (CN) would involve shifting a significant amount of train traffic that currently moves over CN rail lines in the City of Chicago to sections of the EJ&E rail lines west and south of the City of Chicago, including a segment that runs through the counties of Will, DuPage, Grundy, Kane, and Cook; and

WHEREAS, The EJ&E runs through numerous "bedroom communities" that are homes to many residential neighborhoods and schools; with 133 grade-level crossings, some with no gates, along the rail line, these communities are not equipped with the rail crossing infrastructure to handle a massive increase in freight traffic, nor do they have the tax authority to build the infrastructure that is needed for these communities to remain viable for commuter lifestyles; and

WHEREAS, Some communities will experience more than 700% increase in the quantities of federally designated hazardous materials routed through their municipalities; these dramatic increases will require significant financial investments by local emergency agencies to prepare for potential hazardous material spills, not to mention the increased health risk to residents in neighborhoods the EJ&E travels through; and

WHEREAS, These counties are experiencing exceptional population growth, including Kendall and Will Counties, which are two of the fastest-growing counties in terms of population growth in the nation; and

WHEREAS, With exceptional growth in rail traffic, concerns have been voiced regarding delays in emergency services, such as ambulances and fire-prevention vehicles, due to the significant increase of train traffic in these communities; and

WHEREAS, Increased freight traffic will inevitably cause delays in response to 9-1-1 calls due to blocked railroad crossings that are at grade level throughout the region; a fire doubles in size every minute, and a delayed response to a structure fire of 5 or more minutes could mean the difference between rescuing fire victims and fire fatalities, not to mention minimal property damage versus total destruction; and

WHEREAS, On top of these existing concerns with the proposed EJ&E merger, some communities will experience freight train traffic every 35 minutes, which will cause significant increases in congestion and safety concerns; and

WHEREAS, Using the City of Barrington as an example, a total of 646 vehicles currently experience delays at the four main Barrington crossings on the EJ&E in a 24 hour period; it is estimated that under CN's operating plan, which was submitted to the STB in this acquisition's application, by the year 2010 3,397 vehicles will experience delays at the same four main Barrington crossings in a 24 hour period due to increased rail freight and road traffic; and

WHEREAS, CN's purchase of the EJ&E line could potentially harm the implementation of the STAR line, a planned expansion of commuter rail that will help more than a million suburban residents get to work faster as road congestion continues to snarl suburban roads; Metra planned to run the STAR line

along the existing EJ&E tracks that CN is proposing to purchase; without access to the EJ&E tracks, the STAR line could be shelved indefinitely; and

WHEREAS, With 133 grade crossings, some with no gates, along the EJ&E, the needed investment in infrastructure improvements is prohibitively expensive; conservative estimates indicate that 50% of those crossings would need an underpass/overpass built at an estimated cost of \$40 million per crossing; the necessary infrastructure improvements would amount to almost \$3 billion; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that emergency response times in the affected areas would be significantly marginalized causing, in some cases, serious injuries or even deaths; and be it further

RESOLVED, That as a result of the EJ&E merger, the dramatic increase in hazardous material to be transported through residential and commercial neighborhoods that consist of millions of citizens, including hospitals and schools, pose grave consequences in the event of an accident; and be it further

RESOLVED, That the acquisition of the EJ&E by Canadian National Corporation should be denied by the federal Surface Transportation Board because of the health and safety hazards it will produce for the citizens of the affected communities; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the Chairman of the Surface Transportation Board, the President of the Canadian National Railway Company, the Chairman of the Will County Board, the Chairman of the DuPage County Board, the Chairman of the Grundy County Board, the Chairman of the Kane County Board, the President of the Cook County Board, the members of the Illinois Congressional delegation, the Administrator of the CREATE program, the Secretary of the Illinois Department of Transportation, the Chairman of the Illinois Commerce Commission, and the President and the Chairman of the Chicago Transit Authority.
