LETTER OF TRANSMITTAL

May 7, 2008

Mr. Mark Mahoney
Clerk of the House
Room 402 Capitol
Springfield, IL 62706

Dear Clerk of the House:

On May 7, 2008, the House voted on HJR 132, a resolution to reject the 2008 Compensation Review Board Report. At the time of the vote, I was attending a legislative speaking engagement off the State Capitol grounds and was unable to cast a vote on the resolution.

This letter requests the record reflect, and an appropriate notation be made in the House Journal that I would have voted Yes on HJR 132 if I had been present on the House Floor at the time the vote was taken.

Sincerely,
s/Tom Cross
House Republican Leader
State Representative, 84th District

May 12, 2008

Mark Mahoney, Chief Clerk
Illinois House of Representatives
402 Statehouse
Springfield, IL 62706

Mr. Mahoney:

In my absence last week, I was unable to cast my vote for the most recent resolution regarding the Illinois Compensation Review Board.

The resolution, HJR 132, called for the rejection of the current recommendations by the board to increase the salaries of the elected members of the Legislature as well as the statewide Constitutional Officers.

Unfortunately, due to illness, I was absent last week and was unable to support this legislation to which I was a co-sponsor.

Had I been present I would have cast my vote for this legislation. I would ask that you keep this correspondence on record.

Thank you for your assistance,
s/Rosemary Mulligan
State Representative

Members so appointed shall have all the powers and duties of local school councils as set forth in this amendatory Act of 1991. The Mayor's appointments shall not require approval by the City Council.

The membership of each local school council shall be encouraged to be reflective of the racial and ethnic composition of the student population of the attendance center served by the local school council.

(c) Beginning with the 1995-1996 school year and in every even-numbered year thereafter, the Board shall set second semester Parent Report Card Pick-up Day for Local School Council elections and may schedule elections at year-round schools for the same dates as the remainder of the school system. Elections shall be conducted as provided herein by the Board of Education in consultation with the local school council at each attendance center.

(d) Beginning with the 1995-96 school year, the following procedures shall apply to the election of local school council members at each attendance center:

(i) The elected members of each local school council shall consist of the 6 parent members and the 2 community resident members.

Failure to make such disclosure shall render a person ineligible for election or to serve on the local school council. The same disclosure shall be required of persons under consideration for appointment to the Council pursuant to subsections (l) and (m) of this Section.

(f-5) Notwithstanding disclosure, a person who has been convicted of any of the following offenses at any time shall be ineligible for election or appointment to a local school council and ineligible for appointment to a local school council pursuant to subsections (l) and (m) of this Section: (i) those defined in Section 11-6, 11-9.1, 11-16, 11-17.1, 11-19, 11-19.1, 11-19.2, 11-20.1, 12-13, 12-14, 12-14.1, 12-15, or 12-16 of the Criminal Code of 1961 or (ii) any offense committed or attempted in any other state or against the laws of the United States, which, if committed or attempted in this State, would have been punishable as one or more of the foregoing offenses. Notwithstanding disclosure, a person who has been convicted of any of the following offenses within the 10 years previous to the date of nomination or appointment shall be ineligible for election or appointment to a local school council: (i) those defined in Section 401.1, 405.1, or 405.2 of the Illinois Controlled Substances Act or (ii) any offense committed or attempted in any other state or against the laws of the United States, which, if committed or attempted in this State, would have been punishable as one or more of the foregoing offenses.

Immediately upon election or appointment, incoming local school council members shall be required to undergo a criminal background investigation, to be completed prior to the member taking office, in order to identify any criminal convictions under the offenses enumerated in Section 34-18.5. The investigation shall be conducted by the Department of State Police in the same manner as provided for in Section 34-18.5. However, notwithstanding Section 34-18.5, the social security number shall be provided only if available. If it is determined at any time that a local school council member or member-elect has been convicted of any of the offenses enumerated in this Section or failed to disclose a conviction of any of the offenses enumerated in Section 34-18.5, the general superintendent shall notify the local school council member or member-elect of such determination and the local school council member or member-elect shall be removed from the local school council by the Board, subject to a hearing, convened pursuant to Board rule, prior to removal.

(g) At least one week before the election date, the Council shall publicize, in the manner provided in subsection (e), the names of persons nominated for election.

(h) Voting shall be in person by secret ballot at the attendance center between the hours of 6:00 a.m. and 7:00 p.m.

(i) Candidates receiving the highest number of votes shall be declared elected by the Council. In cases of a tie, the Council shall determine the winner by lot.

(j) The Council shall certify the results of the election and shall publish the results in the minutes of the Council.

(k) The general superintendent shall resolve any disputes concerning election procedure or results and shall ensure that, except as provided in subsections (e) and (g), no resources of any attendance center shall be used to endorse or promote any candidate.

(l) Beginning with the 1995-1996 school year and in every even numbered year thereafter, the Board shall appoint 2 teacher members to each local school council. These appointments shall be made in the following manner:

(i) The Board shall appoint 2 teachers who are employed and assigned to perform the majority of their employment duties at the attendance center to serve on the local school council of the attendance center for a two-year term coinciding with the terms of the elected parent and community members of that local school council. These appointments shall be made from among those teachers who are nominated in accordance with subsection (f).

(ii) A non-binding, advisory poll to ascertain the preferences of the school staff regarding appointments of teachers to the local school council for that attendance center shall be

conducted in accordance with the procedures used to elect parent and community Council representatives. At such poll, each member of the school staff shall be entitled to indicate his or her preference for up to 2 candidates from among those who submitted statements of candidacy as described above. These preferences shall be advisory only and the Board shall maintain absolute discretion to appoint teacher members to local school councils, irrespective of the preferences expressed in any such poll.

(iii) In the event that a teacher representative is unable to perform his or her employment duties at the school due to illness, disability, leave of absence, disciplinary action, or any other reason, the Board shall declare a temporary vacancy and appoint a replacement teacher representative to serve on the local school council until such time as the teacher member originally appointed pursuant to this subsection (l) resumes service at the attendance center or for the remainder of the term. The replacement teacher representative shall be appointed in the same manner and by the same procedures as teacher representatives are appointed in subdivisions (i) and (ii) of this subsection (l).

(m) Beginning with the 1995-1996 school year, and in every year thereafter, the Board shall appoint one student member to each secondary attendance center. These appointments shall be made in the following manner:

(i) Appointments shall be made from among those students who submit statements of candidacy to the principal of the attendance center, such statements to be submitted commencing on the first day of the twentieth week of school and continuing for 2 weeks thereafter. The form and manner of such candidacy statements shall be determined by the Board.

(ii) During the twenty-second week of school in every year, the principal of each attendance center shall conduct a non-binding, advisory poll to ascertain the preferences of the school students regarding the appointment of a student to the local school council for that attendance center. At such poll, each student shall be entitled to indicate his or her preference for up to one candidate from among those who submitted statements of candidacy as described above. The Board shall promulgate rules to ensure that these non-binding, advisory polls are conducted in a fair and equitable manner and maximize the involvement of all school students. The preferences expressed in these non-binding, advisory polls shall be transmitted by the principal to the Board. However, these preferences shall be advisory only and the Board shall maintain absolute discretion to appoint student members to local school councils, irrespective of the preferences expressed in any such poll.

(iii) For the 1995-96 school year only, appointments shall be made from among those students who submitted statements of candidacy to the principal of the attendance center during the first 2 weeks of the school year. The principal shall communicate the results of any nonbinding, advisory poll to the Board. These results shall be advisory only, and the Board shall maintain absolute discretion to appoint student members to local school councils, irrespective of the preferences expressed in any such poll.

(n) The Board may promulgate such other rules and regulations for election procedures as may be deemed necessary to ensure fair elections.

(o) In the event that a vacancy occurs during a member's term, the Council shall appoint a person eligible to serve on the Council, to fill the unexpired term created by the vacancy, except that any teacher vacancy shall be filled by the Board after considering the preferences of the school staff as ascertained through a non-binding advisory poll of school staff.

(p) If less than the specified number of persons is elected within each candidate category, the newly elected local school council shall appoint eligible persons to serve as members of the Council for two-year terms.

(q) The Board shall promulgate rules regarding conflicts of interest and disclosure of economic interests which shall apply to local school council members and which shall require reports or statements to be filed by Council members at regular intervals with the Secretary of the Board. Failure to comply with such rules or intentionally falsifying such reports shall be grounds for disqualification from local school council membership. A vacancy on the Council for disqualification may be so declared by the Secretary of the Board. Rules regarding conflicts of interest and disclosure of economic interests promulgated by the Board shall apply to local school council members. No less than 45 days prior to the deadline, the general superintendent shall provide notice, by mail, to each local school council member of all requirements and forms for compliance with economic interest statements.

(r) (1) If a parent member of a local school council ceases to have any child enrolled in the attendance center governed by the Local School Council due to the graduation or voluntary transfer of a child or children from the attendance center, the parent's membership on the Local School Council and all voting

rights are terminated immediately as of the date of the child's graduation or voluntary transfer. If the child of a parent member of a local school council dies during the member's term in office, the member may continue to serve on the local school council for the balance of his or her term. Further, a local school council member may be removed from the Council by a majority vote of the Council as provided in subsection (c) of Section 34-2.2 if the Council member has missed 3 consecutive regular meetings, not including committee meetings, or 5 regular meetings in a 12 month period, not including committee meetings. If a parent member of a local school council ceases to be eligible to serve on the Council for any other reason, he or she shall be removed by the Board subject to a hearing, convened pursuant to Board rule, prior to removal. A vote to remove a Council member by the local school council shall only be valid if the Council member has been notified personally or by certified mail, mailed to the person's last known address, of the Council's intent to vote on the Council member's removal at least 7 days prior to the vote. The Council member in question shall have the right to explain his or her actions and shall be eligible to vote on the question of his or her removal from the Council. The provisions of this subsection shall be contained within the petitions used to nominate Council candidates.

(2) A person may continue to serve as a community resident member of a local school council as long as he or she resides in the attendance area served by the school and is not employed by the Board nor is a parent of a student enrolled at the school. If a community resident member ceases to be eligible to serve on the Council, he or she shall be removed by the Board subject to a hearing, convened pursuant to Board rule, prior to removal.

(3) A person may continue to serve as a teacher member of a local school council as long as he or she is employed and assigned to perform a majority of his or her duties at the school, provided that if the teacher representative resigns from employment with the Board or voluntarily transfers to another school, the teacher's membership on the local school council and all voting rights are terminated immediately as of the date of the teacher's resignation or upon the date of the teacher's voluntary transfer to another school. If a teacher member of a local school council ceases to be eligible to serve on a local school council for any other reason, that member shall be removed by the Board subject to a hearing, convened pursuant to Board rule, prior to removal.

Representative Mathias offered the following amendment and moved its adoption.

AMENDMENT NO. 2. Amend House Bill 4266, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The School Code is amended by adding Section 2-3.148 as follows:

(105 ILCS 5/2-3.148 new)

Sec. 2-3.148. Public Act 95-707; payment for lost interest due to delay in enactment.

(a) It is the intent of this Section to make whole, from State general revenue funds, all school districts that were negatively affected by delayed General State Aid payments under Section 18-8.05 of this Code due to the delayed enactment of Public Act 95-707.

(b) For the purpose of this Section, "school district" is defined as any entity that is eligible to receive General State Aid under Section 18-8.05 of this Code.

(c) The State Board of Education shall determine the total amount paid to school districts for General State Aid under Section 18-8.05 of this Code for Fiscal Year 2008 until the implementation of Public Act 95-707 and the amount school districts should have received if Public Act 95-707 had become law before the beginning of Fiscal Year 2008 for the same period of time. The State Board of Education shall then compute the difference between what school districts should have received compared to what they received and multiply positive results by 2.102%. School districts that received more funds in this period of time than they were entitled to receive under Public Act 95-707 for the same period of time are not eligible for any funds under this Section.

(d) Payments under this Section must be distributed to school districts for interest lost due to delayed General State Aid payments under Section 18-8.05 of this Code due to the delayed enactment of Public Act 95-707 and are subject to the appropriation of moneys for this purpose from the General Revenue Fund. If the appropriation is insufficient to meet all needs under this Section, then claims under this Section must be paid on a proportional basis.

(e) Notwithstanding any other rulemaking authority that may exist, neither the Governor nor any agency or agency head under the jurisdiction of the Governor has any authority to make or promulgate rules to implement or enforce the provisions of this amendatory Act of the 95th General Assembly. If, however, the Governor believes that rules are necessary to implement or enforce the provisions of this amendatory Act of the 95th General Assembly, the Governor may suggest rules to the General Assembly by filing them with the Clerk of the House and the Secretary of the Senate and by requesting that the General Assembly authorize such rulemaking by law, enact those suggested rules into law, or take any other appropriate action in the General Assembly's discretion. Nothing contained in this amendatory Act of the 95th General Assembly shall be interpreted to grant rulemaking authority under any other Illinois statute where such authority is not otherwise explicitly given. For the purposes of this amendatory Act of the 95th General Assembly, "rules" is given the meaning contained in Section 1-70 of the Illinois Administrative Procedure Act, and "agency" and "agency head" are given the meanings contained in Sections 1-20 and 1-25 of the Illinois Administrative Procedure Act to the extent that such definitions apply to agencies or agency heads under the jurisdiction of the Governor.

"Section 5. The Railroad Police Act is amended by changing Section 2 as follows:

(610 ILCS 80/2) (from Ch. 114, par. 98)

Sec. 2. Conductors of all railroad trains, and the captain or master of any boat carrying passengers within the jurisdiction of this state, is vested with police powers while on duty on their respective trains and boats, and may wear an appropriate badge indicative of such authority.

In the policing of its properties any registered rail carrier, as defined in Section 18c-7201 of the Illinois Vehicle Code, may provide for the appointment and maintenance of such police force as it may find necessary and practicable to aid and supplement the police forces of any municipality in the protection of its property and the protection of the persons and property of its passengers and employees, or otherwise in furtherance of the purposes for which such railroad was organized. While engaged in the conduct of their employment, the members of such railroad police force have and may exercise like police powers as those conferred upon any peace officer employed by a law enforcement agency of this State.

Any registered rail carrier that appoints and maintains a police force shall comply with the following requirements:

- (1) Establish an internal policy that includes procedures to ensure objective oversight in addressing allegations of abuse of authority or other misconduct on the part of its police officers.
- (2) Adopt appropriate policies and guidelines for employee investigations by police officers. These policies and guidelines shall provide for initiating employee investigations only under the following conditions:
 - (A) There is reason to believe criminal misconduct has occurred.
 - (B) In response to an employee accident.
 - (C) There is reason to believe that the interview of an employee could result in workplace violence.
 - (D) There is a legitimate concern for the personal safety of one or more employees.

These policies and guidelines shall provide for the right of an employee to request a representative to be present during any interview concerning a non-criminal matter.

(3) File copies of the policies and guidelines adopted under paragraphs (1) and (2) with the Illinois Law Enforcement Training Standards Board, which shall make them available for public inspection. The Board shall review the policies and guidelines, and approve them if they comply with the

Act.

(4) Appeal of a rail carrier's decision. A person adversely affected or aggrieved by a decision of a rail carrier's internal investigation under this Act may appeal the decision to the Illinois State Police. The appeal shall be filed no later than 90 days after the issuance of the decision. The State Police shall review the depth, completeness, and objectivity of the rail carrier's investigation, and may conduct its own investigation of the complaint. The State Police may uphold, overturn, or modify the rail carrier's decision by filing a report of its findings and recommendations with the Illinois Commerce Commission. Consistent with authority under Chapter 18C of the Illinois Vehicle Code and the Commission rules of practice, the Commission shall have the power to conduct evidentiary hearings, make findings, and issue and enforce orders, including sanctions under Section 18c-1704 of the Illinois Vehicle Code.

Notwithstanding any other rulemaking authority that may exist, neither the Governor nor any agency or agency head under the jurisdiction of the Governor has any authority to make or promulgate rules to implement or enforce this amendatory Act of the 95th General Assembly. If, however, the Governor believes that rules are necessary to implement or enforce the provisions of this amendatory Act of the 95th General Assembly, the Governor may suggest rules to the General Assembly by filing them with the Clerk of the House and Secretary of the Senate and by requesting that the General Assembly authorize such rulemaking by law, enact those suggested rules into law, or take any other appropriate action in the General Assembly's discretion. Nothing contained in this amendatory Act of the 95th General Assembly shall be interpreted to grant rulemaking authority under any other Illinois statute where such authority is not otherwise explicitly given. For the purposes of this amendatory Act of the 95th General Assembly, "rules" is given the meaning contained in Section 1-70 of the Illinois Administrative Procedure Act, and "agency" and "agency head" are given the meanings contained in Sections 1-20 and 1-25 of the Illinois Administrative Procedure Act to the extent that such definitions apply to agencies or agency heads under the jurisdiction of the Governor.
