HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 1313

Offered by Representative Pihos:

WHEREAS, The Illinois Measure of Annual Growth in English (IMAGE) Test was developed as a proficiency test and not as a test to measure student achievement relative to the Illinois Learning Standards (ILS); and

WHEREAS, The United States Department of Education has indicated through its peer review process that the IMAGE Test is no longer an acceptable achievement test for English Language Learner (ELL) students; and

WHEREAS, On February 15, 2008, the State Board of Education received notification from the U.S. Department of Education that the request for flexibility for ELL students made in a January 8th letter to the U.S. Department of Education was not approved; and

WHEREAS, The State Board of Education has not produced an acceptable replacement test to administer to students who are learning English; instead, the State Board of Education announced that the IMAGE Test will not be given in 2008 and that students with limited proficiency in English will take the same assessment test as English-speaking students; and

WHEREAS, Discontinuing the IMAGE Test or failing to implement a similar alternative examination will negatively impact students, schools, and districts throughout this State; assessment data may be swayed by poor test scores of students who simply do not understand English, resulting in schools or districts failing to meet federal standards; and

WHEREAS, The State Board of Education has offered a short term solution for 2008 that involves accommodations for the Illinois Standards Achievement Test (ISAT) and the Prairie State Achievement Examination (PSAE), which include timing, scheduling, setting, and presentation; and

WHEREAS, The State Board of Education has proposed a 5-year English Language Learner Assessment Plan and a cost analysis for the development and implementation of a transadapted ISAT for math and science; and

WHEREAS, The 5-year English Language Learner Assessment Plan is a working document that must be flexible to accommodate changes in the federal No Child Left Behind Act of 2001, the peer review process, and new assessment requirements; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the State Board of Education to be responsible for communicating the lack of comparability of ELL assessment data to that of previous years to stakeholder groups and for denoting this on a school district's school report card under Section 10-17a of the School Code; and be it further

RESOLVED, That we urge the State Board of Education to work aggressively to implement the 5-year English Language Learner Assessment Plan; and be it further

RESOLVED, That as this plan is implemented, the State Board of Education recognize the importance of a comprehensive communication plan and aggressively pursue a dialogue with legislators, educators, students and their families, communities, and other stakeholder groups; and be it further

RESOLVED, That we urge the designation of appropriate resources needed to adequately address the assessment of ELL students; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the State Board of Education and the U.S. Department of Education.

HOUSE RESOLUTION 1316

Offered by Representative Osterman:

WHEREAS, Many common consumer products contain hazardous materials; some of these materials, such as lead and mercury, which can be found in compact fluorescent lamps (CFLs), are persistent bioaccumulative and toxic chemicals; when products containing these materials are improperly stored or disposed of and accidentally break, they can contaminate the soil, groundwater, and air, posing a risk to human health and wildlife; and

WHEREAS, CFLs significantly reduce mercury, greenhouse gases, and other toxic emissions from coal-fired power plants and are two to three times more efficient than standard incandescent light bulbs, but concerns have been raised about the safety of CFLs because all models contain mercury and some models contain lead; and

WHEREAS, Mercury is a persistent and toxic pollutant that bioaccumulates in the environment; and

WHEREAS, The Illinois Department of Public Health recognizes that the developing nervous systems of fetuses and children could be damaged if exposed to small amounts of methylmercury; at high doses, methylmercury can affect the central nervous system causing health problems such as memory loss and slurred speech; and methylmercury can cause kidney damage, kidney failure, and gastrointestinal damage; and

WHEREAS, The Illinois Environmental Protection Agency, municipalities, IKEA, and Ace Hardware offer CFL collection programs for proper recycling, but the vast majority of CFLs end up in landfills or trash incinerators and the hazardous substances in CFLs can get released into the environment; and

WHEREAS, Approximately two percent of household CFLs and thirty percent of commercial CFLs are recycled in the United States; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge CFL manufactureres and retailers to voluntarily implement CFL collection programs to ensure that more CFLs are properly recycled.

AMENDMENT NO. 4. Amend House Bill 4612, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the State Employment Application Act.

Section 5. Definition. In this Act:

"Application for State employment" means a written or electronic form submitted by an applicant who is seeking employment with a State agency.

"Violent offense" means an offense that is a violent crime as defined in the Rights of Crime Victims and Witnesses Act.

"State agency" has the meaning ascribed to it in Section 1-7 of the Illinois State Auditing Act.

Section 10. State employment application; required question. Subject to the exception set out in Section 15 of this Act, an application for State employment may not contain any question as to whether the applicant was convicted of or placed on supervision for a non-violent criminal offense but must contain a question as to whether the applicant for State employment has ever been convicted of a violent offense that is classified as a felony.

Section 15. Criminal background checks permitted. Nothing in this Act shall be construed to prohibit a State agency from conducting a criminal background check of an applicant for State employment.

Section 20. Application of federal or State law. If a federal or State law disqualifies a person convicted of certain offenses from holding a position, an application for that position may inquire as to whether the applicant has been convicted of a disqualifying offense. If an applicant is applying for a position of peace officer as defined in Section 2-13 of the Criminal Code of 1961, an application for that position may inquire as to whether the applicant has been convicted of a disqualifying offense.

Section 25. Refusal to hire for conviction of a criminal offense. Nothing in this Act prohibits a decision to refuse to hire on the basis that the applicant has been convicted of a criminal offense.

Section 30. No rule making authority. Notwithstanding any other rulemaking authority that may exist, neither the Governor nor any agency or agency head under the jurisdiction of the Governor has any authority to make or promulgate rules to implement or enforce the provisions of this Act. If, however, the Governor believes that rules are necessary to implement or enforce the provisions of this Act, the Governor may suggest rules to the General Assembly by filing them with the Clerk of the House and the Secretary of the Senate and by requesting that the General Assembly authorize such rulemaking by law, enact those suggested rules into law, or take any other appropriate action in the General Assembly's discretion. Nothing contained in this Act shall be interpreted to grant rulemaking authority under any other Illinois statute where such authority is not otherwise explicitly given. For the purposes of this Section, "rules" is given the meaning contained in Section 1-70 of the Illinois Administrative Procedure Act, and "agency" and "agency head" are given the meanings contained in Sections 1-20 and 1-25 of the Illinois Administrative Procedure Act to the extent that such definitions apply to agencies or agency heads under the jurisdiction of the Governor.

Section 90. The Personnel Code is amended by changing Section 8b.7 as follows:

(20 ILCS 415/8b.7) (from Ch. 127, par. 63b108b.7)

Sec. 8b.7. Veteran preference. For the granting of appropriate preference in entrance examinations to qualified persons who have been members of the armed forces of the United States or to qualified persons who, while citizens of the United States, were members of the armed forces of allies of the United States in time of hostilities with a foreign country, and to certain other persons as set forth in this Section.

(a) As used in this Section:

(1) "Time of hostilities with a foreign country" means any period of time in the past, present, or future during which a declaration of war by the United States Congress has been or is in effect or during which an emergency condition has been or is in effect that is recognized by the issuance of a Presidential proclamation or a Presidential executive order and in which the armed forces expeditionary medal or other campaign service medals are awarded according to Presidential executive order.

(2) "Armed forces of the United States" means the United States Army, Navy, Air Force, Marine Corps, and Coast Guard. Service in the Merchant Marine that constitutes active duty under Section 401 of federal Public Law 95-202 shall also be considered service in the Armed Forces of the United States for purposes of this Section.

(b) The preference granted under this Section shall be in the form of points added to the final grades of the persons if they otherwise qualify and are entitled to appear on the list of those eligible for appointments.

(c) A veteran is qualified for a preference of 10 points if the veteran currently holds proof of a service connected disability from the United States Department of Veterans Affairs or an allied country or if the veteran is a recipient of the Purple Heart.

(d) A veteran who has served during a time of hostilities with a foreign country is qualified for a preference of 7 ~~5~~ points if the veteran served under one or more of the following conditions:

(1) The veteran served a total of at least 6 months, or

(2) The veteran served for the duration of hostilities regardless of the length of engagement, or

- (3) The veteran was discharged on the basis of hardship, or
- (4) The veteran was released from active duty because of a service connected disability and was discharged under honorable conditions.

(e) A person not eligible for a preference under subsection (c) or (d) is qualified for a preference of 3 points if the person has served in the armed forces of the United States, the Illinois National Guard, or any reserve component of the armed forces of the United States if the person: (1) served for at least 6 months and has been discharged under honorable conditions or (2) has been discharged on the ground of hardship or (3) was released from active duty because of a service connected disability. An active member of the National Guard or a reserve component of the armed forces of the United States is eligible for the preference if the member meets the service requirements of this subsection (e).

(f) The rank order of persons entitled to a preference on eligible lists shall be determined on the basis of their augmented ratings. When the Director establishes eligible lists on the basis of category ratings such as "superior", "excellent", "well-qualified", and "qualified", the veteran eligibles in each such category shall be preferred for appointment before the non-veteran eligibles in the same category.

(g) Employees in positions covered by jurisdiction B who, while in good standing, leave to engage in military service during a period of hostility, shall be given credit for seniority purposes for time served in the armed forces.

(h) A surviving unremarried spouse of a veteran who suffered a service connected death or the spouse of a veteran who suffered a service connected disability that prevents the veteran from qualifying for civil service employment shall be entitled to the same preference to which the veteran would have been entitled under this Section.

(i) A preference shall also be given to the following individuals: 10 points for one parent of an unmarried veteran who suffered a service connected death or a service connected disability that prevents the veteran from qualifying for civil service employment. The first parent to receive a civil service appointment shall be the parent entitled to the preference.

(j) The Department of Central Management Services shall adopt rules and implement procedures to verify that any person seeking a preference under this Section is entitled to the preference. A person seeking a preference under this Section shall provide documentation or execute any consents or other documents required by the Department of Central Management Services or any other State department or agency to enable the department or agency to verify that the person is entitled to the preference.

(k) If an applicant claims to be a veteran, the Department of Central Management Services must verify that status before granting a veteran preference by requiring a certified copy of the applicant's most recent DD214 (Certificate of Release or Discharge from Active Duty) or other evidence of the applicant's most recent honorable discharge from the Armed Forces of the United States that is determined to be acceptable by the Department of Central Management Services.

(l) Notwithstanding any other rulemaking authority that may exist, neither the Governor nor any agency or agency head under the jurisdiction of the Governor has any authority to make or promulgate rules to implement or enforce the provisions of this amendatory Act of the 95th General Assembly. If, however, the Governor believes that rules are necessary to implement or enforce the provisions of this amendatory Act of the 95th General Assembly, the Governor may suggest rules to the General Assembly by filing them with the Clerk of the House and the Secretary of the Senate and by requesting that the General Assembly authorize such rulemaking by law, enact those suggested rules into law, or take any other appropriate action in the General Assembly's discretion. Nothing contained in this amendatory Act of the 95th General Assembly shall be interpreted to grant rulemaking authority under any other Illinois statute where such authority is not otherwise explicitly given. For the purposes of this Section, "rules" is given the meaning contained in Section 1-70 of the Illinois Administrative Procedure Act, and "agency" and "agency head" are given the meanings contained in Sections 1-20 and 1-25 of the Illinois Administrative Procedure Act to the extent that such definitions apply to agencies or agency heads under the jurisdiction of the Governor.

HOUSE BILL 3177. Having been reproduced, was taken up and read by title a second time. Representative Mulligan offered the following amendment and moved its adoption:

AMENDMENT NO. 1. Amend House Bill 3177 by replacing everything after the enacting clause with the following:

"Section 5. The State Employees Group Insurance Act of 1971 is amended by changing Section 6.6 as follows:

(5 ILCS 375/6.6)

Sec. 6.6. Contributions to the Teacher Health Insurance Security Fund.

(a) Beginning July 1, 1995, all active contributors of the Teachers' Retirement System (established under Article 16 of the Illinois Pension Code) who are not employees of a department as defined in Section 3 of this Act shall make contributions toward the cost of annuitant and survivor health benefits. These contributions shall be at the following rates: until January 1, 2002, 0.5% of salary; beginning January 1, 2002, 0.65% of salary; beginning July 1, 2003, 0.75% of salary; beginning July 1, 2005, 0.80% of salary; beginning July 1, 2007, a percentage of salary to be determined by the Department of Central Management Services by rule, which in each fiscal year shall not exceed 105% of the percentage of salary actually required to be paid in the previous fiscal year.

These contributions shall be deducted by the employer and paid to the System as service agent for the Department of Central Management Services. The System may use the same processes for collecting the contributions required by this subsection that it uses to collect contributions received from school districts and other covered employers under Sections 16-154 and 16-155 of the Illinois Pension Code.

An employer may agree to pick up or pay the contributions required under this subsection on behalf of the teacher; such contributions shall be deemed to have to have been paid by the teacher. Beginning January 1, 2002, if the employer does not directly pay the required member contribution, then the employer shall reduce the member's salary by an amount equal to the required contribution and shall then pay the contribution on behalf of the member. This reduction shall not change the amounts reported as creditable earnings to the Teachers' Retirement System.

A person who purchases optional service credit under Article 16 of the Illinois Pension Code for a period after June 30, 1995 must also make a contribution under this subsection for that optional credit, at the rate provided in subsection (a), based on the salary used in computing the optional service credit, plus interest on this employee contribution. This contribution shall be collected by the System as service agent for the Department of Central Management Services. The contribution required under this subsection for the optional service credit must be paid in full before any annuity based on that credit begins.

(a-5) Beginning January 1, 2002, every employer of a teacher (other than an employer that is a department as defined in Section 3 of this Act) shall pay an employer contribution toward the cost of annuitant and survivor health benefits. These contributions shall be computed as follows:

(1) Beginning January 1, 2002 through June 30, 2003, the employer contribution shall be equal to 0.4% of each teacher's salary.

(2) Beginning July 1, 2003, the employer contribution shall be equal to 0.5% of each teacher's salary.

(3) Beginning July 1, 2005, the employer contribution shall be equal to 0.6% of each teacher's salary.

(4) Beginning July 1, 2007, the employer contribution shall be a percentage of each teacher's salary to be determined by the Department of Central Management Services by rule, which in

each fiscal year shall not exceed 105% of the percentage of each teacher's salary actually required to be paid in the previous fiscal year.

These contributions shall be paid by the employer to the System as service agent for the Department of Central Management Services. The System may use the same processes for collecting the contributions required by this subsection that it uses to collect contributions received from school districts and other covered employers under the Illinois Pension Code.

The school district or other employing unit may pay these employer contributions out of any source of funding available for that purpose and shall forward the contributions to the System on the schedule established for the payment of member contributions.

(b) The Teachers' Retirement System shall promptly deposit all moneys collected under subsections (a) and (a-5) of this Section into the Teacher Health Insurance Security Fund created in Section 6.5 of this Act. The moneys collected under this Section shall be used only for the purposes authorized in Section 6.5 of this Act and shall not be considered to be assets of the Teachers' Retirement System. Contributions made under this Section are not transferable to other pension funds or retirement systems and are not refundable upon termination of service.

(c) On or before November 15 of each year, the Board of Trustees of the Teachers' Retirement System shall certify to the Governor, the Director of Central Management Services, and the State Comptroller its estimate of the total amount of contributions to be paid under subsection (a) of this Section 6.6 for the next fiscal year. The amount certified shall be decreased or increased each year by the amount that the actual active teacher contributions either fell short of or exceeded the estimate used by the Board in making the certification for the previous fiscal year. The certification shall include a detailed explanation of the methods and information that the Board relied upon in preparing its estimate. As soon as possible after the effective date of this amendatory Act of the 92nd General Assembly, the Board shall recalculate and recertify its certifications for fiscal years 2002 and 2003.

(d) Beginning in fiscal year 1996, on the first day of each month, or as soon thereafter as may be practical, the State Treasurer and the State Comptroller shall transfer from the General Revenue Fund to the Teacher Health Insurance Security Fund 1/12 of the annual amount appropriated for that fiscal year to the State Comptroller for deposit into the Teacher Health Insurance Security Fund under Section 1.3 of the State Pension Funds Continuing Appropriation Act.

(e) Except where otherwise specified in this Section, the definitions that apply to Article 16 of the Illinois Pension Code apply to this Section.

(f) Notwithstanding any other law to the contrary, the Teachers Health Insurance Security Fund is not subject to sweeps, administrative charge-backs, or any other fiscal or budgetary maneuver that would in any way transfer any amounts from the Teachers Health Insurance Security Fund into any other fund of the State. ~~(Blank).~~
