MOTIONS SUBMITTED

Representative Black submitted the following written motion, which was placed on the order of Motions in Writing:

MOTION

Pursuant to Rule 18(g), I move to discharge the Committee on Rules from further consideration of HOUSE BILL 4438 and advance to the order of Second Reading - Standard Debate.

MESSAGES FROM THE SENATE

A message from the Senate by

Ms. Rock, Secretary:

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has adopted the following Senate Joint Resolution, in the adoption of which I am instructed to ask the concurrence of the House of Representatives, to-wit:

SENATE JOINT RESOLUTION NO. 35

WHEREAS, In 1935, during the middle of the Great Depression, the United States Congress established, by law, that workers in the U.S. must be free to form a collective bargaining unit; and

WHEREAS, The 1948 Universal Declaration of Human Rights implemented by the United Nations recognizes the freedom to form or join a union as a fundamental human right; and

WHEREAS, Workers who first joined unions are credited with starting the American middle class, while continuing to fight for higher living standards, equal rights for all Americans, and ending discrimination in the workplace; and

WHEREAS, 69 percent of Americans agree that it is very or fairly important to have strong laws that give employees the freedom to make their own choice about whether to form a union in their workplace; and

WHEREAS, Union members consistently earn 29 percent higher wages and 35 percent better benefits than those employees who do not belong to a collective bargaining unit; and

WHEREAS, Union membership helps raise workers' pay and narrow the income gap for minorities and women, increasing median weekly earnings by 31 percent for union women workers, 31 percent for African-American workers, 50 percent for Latino workers, and 9 percent for Asian-American workers; and

WHEREAS, Workers across the nation are routinely intimidated when trying to form unions and bargain for a better life; 25 percent of private sector employers illegally fire at least one worker for union activity during organizing campaigns; and

WHEREAS, Recent national surveys show that 60 million non-union workers would like to have a union for collective bargaining in their workplace; furthermore, 78 percent of American adults favor legislation that would make it easier for workers to bargain with their employers; and

WHEREAS, An entire host of business consultants devoted to making sure that the National Labor Relations Act election process does not result in collective bargaining has grown into a \$4 billion industry in the United States; and

WHEREAS, 78 percent of employers force their employees to attend mandatory anti-union meetings; and

WHEREAS, 64 percent of American adults favor strengthening penalties for companies that illegally intimidate or fire employees who try to form a union in their workplace; and

WHEREAS, Employers often refuse to bargain fairly with workers after forming a union by dragging out first contract bargaining for up to two years in 45 percent of successful campaigns; and

WHEREAS, The Employee Free Choice Act has been introduced in the 111th United States Congress in order to restore workers' freedom to join a union; and

WHEREAS, The Employee Free Choice Act will safeguard workers' ability to make their own decisions about joining a union without harassment or fear of losing their jobs, provide for first contract mediation and arbitration, and establish meaningful penalties when employers violate workers' rights; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that we support the provisions of the Employee Free Choice Act, which would authorize the National Labor Relations Board to certify a union as the bargaining representative when a majority of employees voluntarily sign authorization cards designating the union they wish to represent them, provide for first contract mediation and arbitration, and establish meaningful penalties for violations of a worker's freedom to choose a union;

and be it further

RESOLVED, That a copy of this resolution be sent to the United States Senate Majority Leader, the Speaker of the United States House of Representatives, and to each member of the Illinois Congressional delegation.

Adopted by the Senate, April 22, 2009.

Jillayne Rock, Secretary of the Senate

HOUSE RESOLUTION 288

Offered by Representative Stephens:

WHEREAS, The Department of Homeland Security's Office of Intelligence and Analysis released a report titled "Rightwing Extremism: Current Economic and Political Climate Fueling Resurgence in Radicalization and Recruitment"; and

WHEREAS, The report suggests that acts of violence could come from unnamed "rightwing extremists" concerned about illegal immigration, abortion, increasing federal power, and restrictions on firearms; the report singles out returning war veterans as susceptible to recruitment; and

WHEREAS, The Department of Homeland Security assessed that right-wing extremists will attempt to recruit and radicalize returning veterans in order to exploit their skills and knowledge derived from military training and combat; and

WHEREAS, The report says that veterans are of particular interest among radicals, who would seek to recruit returning troops with "combat skills and experience" so as to boost their "violent capabilities"; and

WHEREAS, Pete Hegseth, chairman of Vets for Freedom and an Army veteran who served in Iraq, said the report represents a "gross misunderstanding and oversimplification [and] it's amazing they would single out veterans as a threat to this country"; he also said that "It underscores a pervasive belief that some are trying to spread that veterans are victims and we're coming home as damaged goods that need to be coddled instead of celebrated."; and

WHEREAS, American veterans have answered the call of duty and served our country when it needed them; and

WHEREAS, Veterans have risked their lives protecting our freedom; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge Janet Napolitano, Secretary of the Department of Homeland Security, to apologize to all veterans for alleging that those who serve our country are one of the greatest risks of extremism; and be it further

RESOLVED, That we urge Janet Napolitano to step down and resign as Secretary of the Department of Homeland Security in recognition of her actions; and be it further

RESOLVED, That a copy of this resolution be presented to Janet Napolitano, Secretary of the Department of Homeland Security.

HOUSE JOINT RESOLUTION 47

Offered by Representative Coulson:

WHEREAS, The future of our nation's productivity and competitiveness in the global marketplace depends on the success of all men and women; and

WHEREAS, Women have been discriminated against in education, the workplace, and society as a whole; and

WHEREAS, Women continue to earn no more than 78 cents on the dollar compared to men; and

WHEREAS, The pay gap has been shown to start as soon as one year after college; this inequality affects not only women, but their families and society as a whole; and

WHEREAS, The pay gap between women and men has long-term effects on women's economic security; such a gap affects women's Social Security earnings, their ability to save for retirement, and their children's education; and

WHEREAS, Pay equity is closely linked to the eradication of poverty and is essential to having a highly-motivated workforce; and

WHEREAS, Equal Pay Day was originated by the National Committee on Pay Equity in 1996 as a public awareness event to illustrate the gap between men's and women's wages; the day, observed in April, symbolizes how far into the year a woman must work, on average, to earn as much as a man earned the previous year, with Tuesday being the day in which women's wages catch up to men's wages from the previous week; because women earn less on average than men, they must work longer for the same amount of pay; this wage gap is even greater for most women of color; and
