AMENDMENT NO. 1. Amend House Bill 4186 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the 21st Century Workforce Development Fund Act.

Section 5. The 21st Century Workforce Development Fund. The 21st Century Workforce Development Fund is created as a special fund in the State Treasury. The Fund shall be administered by the Department of Commerce and Economic Opportunity ("the Department"), in consultation with other appropriate State agencies, and overseen by the 21st Century Workforce Development Fund Advisory Committee ("the Advisory Committee"). There shall be credited to the Fund any moneys specifically designated for deposit into the Fund, including State appropriations, set asides from public expenditures on capital projects, federal funds, gifts, grants, and private contributions. Earnings attributable to moneys in the fund shall be deposited into the fund.

Section 10. Purpose. The purpose of the 21st Century Workforce Development Fund is to promote the State's interest in the creation and maintenance of a diverse and skilled workforce for the economic development of the State. The Fund is intended to support integrated, innovative, and emergency workforce development strategies that promote local economic development and a continuum of workforce and education strategies, including workforce development activities to prepare individuals for occupations in the energy efficiency and renewable energy industries, as well as other occupations that are created or transformed by the implementation of policy to reduce greenhouse gas emissions, and to promote

energy-efficient, healthy, and lead-safe homes in Illinois.

Section 15. Use of Fund.

(a) Role of Fund. Resources from the Fund are intended to be used flexibly to support innovative and locally-driven strategies, to leverage other funding sources, and to fill gaps in existing workforce development resources in Illinois. They are not intended to supplant existing workforce development resources.

(b) Distribution of funds. Funds shall be distributed through competitive grantmaking processes administered by the Department and overseen by the Advisory Committee. No more than 6% of funds used for grants may be retained by the Department for administrative costs or for program evaluation or technical assistance activities.

(c) Grantmaking. The Department must administer funds through competitive grantmaking in accordance with the priorities described in this Act. Grantmaking must be used to support workforce development strategies consistent with the priorities outlined in this Act. Strategies may include, but are not limited to the following:

(i) Expanded grantmaking for existing State workforce development strategies, including the Job Training and Economic Development Program and programs designed to increase the number of persons traditionally underrepresented in the building trades, specifically minorities and women.

(ii) Workforce development initiatives that help the least skilled adults access employment and education opportunities, including transitional jobs programs and educational bridge programming that integrate basic education and occupational skills training.

(iii) Sectoral strategies that develop industry-specific workforce education and training services that lead to existing or expected jobs with identified employers and that include services to ensure that low-income, low-skilled adults can be served.

(iv) Support for the development and implementation of workforce education and training programs in the energy efficiency and renewable energy industries.

Together with the attached amendment thereto (which amendment has been printed by the Senate), in the adoption of which I am instructed to ask the concurrence of the House, to-wit:

Senate Amendment No. 1 to HOUSE BILL NO. 3991
Passed the Senate, as amended, May 19, 2009.

Jillayne Rock, Secretary of the Senate

AMENDMENT NO. 1. Amend House Bill 3991 by replacing all of page 15 and lines 1 through 8 on page 16 with the following:

"(14.5) Prohibition of firearm possession.

(a) When a complaint is made under a request for an order of protection, that the respondent has threatened or is likely to use firearms illegally against the petitioner, ~~and the respondent is present in court, or has failed to appear after receiving actual notice~~, the court shall examine on oath the petitioner, and any witnesses who may be produced. If the court is satisfied that there is any danger of the illegal use of firearms, and the respondent is present in court, it shall issue an order that any firearms in the possession of the respondent, except as provided in subsection (b), be turned over to the local law enforcement agency for safekeeping. If the court is satisfied that there is any danger of the illegal use of firearms, and the respondent is present in court, it shall issue an order that the respondent's Firearms Owner's Identification Card be turned over to the local law enforcement agency for safekeeping. If the court is satisfied that there is any danger of the illegal use of firearms, and if the respondent is not present in court has failed to appear, the court shall issue a warrant for seizure of the respondent's Firearms Owner's Identification Card and any firearm in the possession of the respondent, except as provided in subsection (b), be turned over to the local law enforcement agency for safekeeping. The period of safekeeping shall be for a stated period of time not to exceed 2 years. The firearm or firearms shall be returned to the respondent at the end of the stated period or at expiration of the order of protection, whichever is sooner.

(b) If the respondent is a peace officer as defined in Section 2-13 of the Criminal Code of 1961, the court shall order that any firearms used by the respondent in the performance of his or her duties as a peace officer be surrendered to the chief law enforcement executive of the agency in which the respondent is employed, who shall retain the firearms for safekeeping for the stated period not to exceed 2 years as set forth in the court order.

(c) Upon expiration of the period of safekeeping, if the firearms or Firearms Owner's Identification Card cannot be returned to respondent because respondent cannot be located, fails to respond to requests to retrieve the firearms, or is not lawfully eligible to possess a firearm, upon petition from the local law enforcement agency, the court may order the local law enforcement agency to destroy the firearms, use the firearms for training purposes, or for any other application as deemed appropriate by the local law enforcement agency; or that the firearms be turned over to a third party who is lawfully eligible to possess firearms, and who does not reside with respondent."; and

on page 21, line 2, by replacing "Section 214" with "Sections 214 and 217"; and on page 22, line 13, by replacing "residence or household" with "residence, ~~or~~ household, or premises"; and

on page 22, line 16, by inserting "household, or premises" after "residence"; and on page 37, by inserting immediately below line 26 the following:

"(750 ILCS 60/217) (from Ch. 40, par. 2312-17)

Sec. 217. Emergency order of protection.

(a) Prerequisites. An emergency order of protection shall issue if petitioner satisfies the requirements of this subsection for one or more of the requested remedies. For each remedy requested, petitioner shall establish that:

- (1) The court has jurisdiction under Section 208;
- (2) The requirements of Section 214 are satisfied; and
- (3) There is good cause to grant the remedy, regardless of prior service of process or of notice upon the respondent, because:

(i) For the remedies of "prohibition of abuse" described in Section 214(b)(1), "stay away order and additional prohibitions" described in Section 214(b)(3), "removal or concealment of minor child" described in Section 214(b)(8), "order to appear" described in Section 214(b)(9), "physical care and possession of the minor child" described in Section 214(b)(5), "protection of property" described in Section 214(b)(11), "prohibition of entry" described in Section 214(b)(14), "prohibition of firearm possession" described in Section 214(b)(14.5), "prohibition of access to records" described in Section 214(b)(15), and "injunctive relief" described in Section 214(b)(16), the

harm which that remedy is intended to prevent would be likely to occur if the respondent were given any prior notice, or greater notice than was actually given, of the petitioner's efforts to obtain judicial relief;

(ii) For the remedy of "grant of exclusive possession of residence" described in Section 214(b)(2), the immediate danger of further abuse of petitioner by respondent, if petitioner chooses or had chosen to remain in the residence or household while respondent was given any prior notice or greater notice than was actually given of petitioner's efforts to obtain judicial relief, outweighs the hardships to respondent of an emergency order granting petitioner exclusive possession of the residence or household. This remedy shall not be denied because petitioner has or could obtain temporary shelter elsewhere while prior notice is given to respondent, unless the hardships to respondent from exclusion from the home substantially outweigh those to petitioner;

(iii) For the remedy of "possession of personal property" described in Section 214(b)(10), improper disposition of the personal property would be likely to occur if respondent were given any prior notice, or greater notice than was actually given, of petitioner's efforts to obtain judicial relief, or petitioner has an immediate and pressing need for possession of that property.

An emergency order may not include the counseling, legal custody, payment of support or monetary compensation remedies.

(b) Appearance by respondent. If respondent appears in court for this hearing for an emergency order, he or she may elect to file a general appearance and testify. Any resulting order may be an emergency order, governed by this Section. Notwithstanding the requirements of this Section, if all requirements of Section 218 have been met, the court may issue a 30-day interim order.

(c) Emergency orders: court holidays and evenings.

(1) Prerequisites. When the court is unavailable at the close of business, the petitioner may file a petition for a 21-day emergency order before any available circuit judge or associate judge who may grant relief under this Act. If the judge finds that there is an immediate and present danger of abuse to petitioner and that petitioner has satisfied the prerequisites set forth in subsection (a) of Section 217, that judge may issue an emergency order of protection.

(1.5) Issuance of order. The chief judge of the circuit court may designate for each county in the circuit at least one judge to be reasonably available to issue orally, by telephone, by facsimile, or otherwise, an emergency order of protection at all times, whether or not the court is in session.

(2) Certification and transfer. Any order issued under this Section and any documentation in support thereof shall be certified on the next court day to the appropriate court. The clerk of that court shall immediately assign a case number, file the petition, order and other documents with the court, and enter the order of record and file it with the sheriff for service, in accordance with Section 222. Filing the petition shall commence proceedings for further relief under Section 202. Failure to comply with the requirements of this subsection shall not affect the validity of the order.

Ms. Rock, Secretary:

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has concurred with the House of Representatives in the passage of a bill of the following title to-wit:

HOUSE BILL 3990

A bill for AN ACT concerning local farm and food products.

Together with the attached amendment thereto (which amendment has been printed by the Senate), in the adoption of which I am instructed to ask the concurrence of the House, to-wit:

Senate Amendment No. 1 to HOUSE BILL NO. 3990

Passed the Senate, as amended, May 19, 2009.

Jillayne Rock, Secretary of the Senate

AMENDMENT NO. 1. Amend House Bill 3990 by replacing everything after the enacting clause

with the following:

"Section 1. Short title. This Act may be cited as the "Local Food, Farms, and Jobs Act".

Section 5. Definitions.

"Local farm or food products" are products grown, processed, packaged, and distributed by Illinois citizens or businesses located wholly within the borders of Illinois.

Section 10. Procurement goals for local farm or food products.

(a) In order to create, strengthen, and expand local farm and food economies throughout Illinois, it shall be the goal of this State that 20% of all food and food products purchased by State agencies and State-owned facilities, including, without limitation, facilities for persons with mental health and developmental disabilities, correctional facilities, and public universities, shall, by 2020, be local farm or food products.

(b) The Local Food, Farms, and Jobs Council established under this Act shall support and encourage that 10% of food and food products purchased by entities funded in part or in whole by State dollars, which spend more than \$25,000 per year on food or food products for its students, residents, or clients, including, without limitation, public schools, child care facilities, after-school programs, and hospitals, shall, by 2020, be local farm or food products.

(c) To meet the goals set forth in this Section, when a State contract for purchase of food or food products is to be awarded to the lowest responsible bidder, an otherwise qualified bidder who will fulfill the contract through the use of local farm or food products may be given preference over other bidders, provided that the cost included in the bid of local farm or food products is not more than 10% greater than the cost included in a bid that is not for local farm or food products.

(d) All State agencies and State-owned facilities that purchase food and food products shall, with the assistance of the Local Food, Farms, and Jobs Council, develop a system for (i) identifying the percentage of local farm or food products purchased for fiscal year 2011 as the baseline; and (ii) tracking and reporting local farm or food products purchases on an annual basis.

Section 15. Creation of the Local Food, Farms, and Jobs Council.

(a) The General Assembly authorizes the Department of Agriculture, in accordance with Section 10 of the State Agency Entity Creation Act, to create the Local Food, Farms, and Jobs Council.

(b) The purpose of the Local Food, Farms, and Jobs Council shall be to facilitate the growth of an Illinois-based local farm and food product economy that revitalizes rural and urban communities, promotes healthy eating with access to fresh foods, creates jobs, ensures a readily available supply of safe food in an emergency event, and supports economic growth through making local farm or food products available to all Illinois citizens.

Section 20. Responsibilities of the Local Food, Farms, and Jobs Council. The responsibilities of the Local Food, Farms, and Jobs Council include, but are not limited to, the following:

(a) To assist State agencies, State-owned facilities, and other entities with the purchase of local farm or food products and with tracking and reporting of such purchases in order to meet the goals established in Section 10 of this Act.

(b) To assist local farm and food entrepreneurs to identify and secure necessary resources and equipment to begin, maintain, and expand projects and networks necessary for the development of local farm or food products; provided, however, that it is the intent of this Act that the Local Food, Farms, and Jobs Council will facilitate program start-ups and then relinquish rights, benefits, and control within a reasonably short duration of time.

(c) To facilitate the building of infrastructure, including aggregation, processing, storage, packaging, and distribution facilities necessary to move local farm or food products to local and other markets.

(d) To support and expand programs that recruit, train, and provide technical assistance to Illinois farmers and residents in order to encourage the production of local farm or food products.

(e) To coordinate interagency policies, initiatives, and procedures promoting local farm and food products in Illinois communities, by working with and involving State, federal, and local agencies, as well as community based organizations, educational institutions, and trade organizations in executing the purposes of this Act.

(f) To facilitate the elimination of legal barriers hindering the development of a local farm and food economy by working with federal, State, and local public health agencies, other agencies and applicable entities, and the Illinois Attorney General to create consistent and compatible regulations for the production, storage, distribution, and marketing of local farm or food products.

(g) To facilitate the use of public lands for growing local farm or food products by working with governmental entities at the local, State, and federal levels.

(h) To set annual goals for all purchases of local farm or food products by Illinois residents and to monitor the development and expansion of a local farm and food economy through data collection, tracking, measurement, analysis, and reporting on progress made in an annual report to the Illinois General Assembly.

(i) To develop, in collaboration with the Department of Agriculture, a label and certification program different than the "Illinois Product" label program, whereby a label with a specific name and unique design or logo may be placed on local farm and food products.

(j) To initiate and facilitate public awareness campaigns about the economic benefits of a local farm and food economy.

Section 25. Governance of the Local Food, Farms, and Jobs Council.

(a) The Local Food, Farms, and Jobs Council shall be governed by a 35-member board of directors, which shall be comprised of the following:

(1) one representative each from the Department of Agriculture; the Department of Commerce and Economic Opportunity; the Department of Public Health; the Department of Human Services, Office of Health and Prevention; the Department of Human Services, Office of Security and Emergency Preparedness;

(2) the Director of the Lieutenant Governor's Rural Affairs Council;

(6) two local farm or food product processors;

(7) two local farm or food product distributors;

(8) three representatives of not-for-profit educational organizations that specialize in supporting and expanding local farm or food product networks;

(10) one local farm or food product consumer representative;

(11) two representatives of farm organizations;

(12) one representative from a philanthropic organization supporting the development of local farm or food products;

(15) four representatives from community-based organizations focusing on access to local farm or food products, including at least 3 minority members; and

(16) one chef specializing in the preparation of locally grown foods.

(b) The 29 non-state governmental board members shall be appointed by the Governor to 3-year staggered terms as determined by the Governor. Persons may be nominated by organizations representing the sectors outlined in subsection (a) of this Section. Vacancies shall be filled by the Governor.

(c) The Local Food, Farms, and Jobs Council may apply for and establish a not for profit corporation under the General Not For Profit Corporation Act of 1986.

(d) The board of directors shall have all the rights, titles, powers, privileges, and obligations provided for in the General Not For Profit Corporation Act of 1986. It shall elect its presiding officers from among its members and may elect or appoint an executive committee, other committees, and subcommittees to conduct the business of the organization.

(e) The Local Food, Farms, and Jobs Council may solicit grants, loans, and contributions from public or private sources and may enter into any contracts, grants, loans, or agreements with respect to the use of such funds to execute the purposes of this Act. No debt or obligation of the Local Food, Farms, and Jobs Council shall become the debt or obligation of the State.

(f) The Local Food, Farms, and Jobs Council shall not be considered a State Agency, and its funds shall be considered private funds and held in an appropriate account outside of the State Treasury. Private funds collected by the Local Food, Farms, and Jobs Council are not subject to the Public Funds Investment Act. Local Food, Farms, and Jobs Council procurement is exempt from the Illinois Procurement Code. The treasurer of Local Food, Farms, and Jobs Council funds shall be custodian of all Local Food, Farms, and

Jobs Council funds. The Local Food, Farms, and Jobs Council and its officers shall be responsible for the approval of recording of receipts, approval of payments, and the proper filing of required reports. The Local Food, Farms, and Jobs Council's records shall be audited annually by an independent auditor who is a certified public accountant and has been selected by the Board. An annual report shall also be compiled by the Board. Both the annual report and the annual audit shall be filed with any public agency providing funds to the Local Food, Farms, and Jobs Council and be made available to the public.

(g) Subject to the availability of public or private funds, the board of directors may employ an executive director, treasurer, other staff, or independent contractors necessary to execute the purposes of this Act, and it may fix the compensation, benefits, terms, and conditions of those persons' employment.

(h) The State Governmental agencies represented on the board of directors may re-direct existing staff, as appropriations permit; assist in executing the purposes of this Act; and provide office space, meeting space, and other research and communication services as appropriate.

(i) The Local Food, Farms, and Jobs Council may be assisted in carrying out its functions by personnel of the Department of Agriculture. The Department shall provide reasonable assistance to the Local Food, Farms, and Jobs Council to help it achieve its purposes.

Section 80. The Department of Agriculture Law of the Civil Administrative Code of Illinois is amended by changing Section 205-45 and adding Section 205-46 as follows:

(20 ILCS 205/205-45) (was 20 ILCS 205/40.36)

Sec. 205-45. "Illinois Product" label program. The Department has the power to administer the "Illinois Product" label program, whereby a label with the words "Illinois Product" on it may be placed on food and agribusiness commodities produced, processed, or packaged in Illinois. The definition of "Illinois Product" does not imply that the product meets the definition of "local farm or food products" as defined in the Local Food, Farms, and Jobs Act.

Subject to appropriation, the Department shall use moneys appropriated from the Fund to make payments to a veterans service organization for veterans services rendered on behalf of veterans and their spouses and beneficiaries by a veterans service officer employed by the organization. The payment shall be computed at the rate of \$0.010 for each dollar of benefits obtained for veterans or their spouses or beneficiaries residing in Illinois as a result of the efforts of the veterans service officer. There shall be no

payment under this Section for the value of health care received in a health care facility under the jurisdiction of the United States Veterans Administration. No more than 10% of the moneys in the fund may be used by the Department for administrative purposes. A veterans service organization may receive compensation under this Fund or it may apply for grants from the Illinois Veterans Assistance Fund, but in no event may a veterans service organization receive moneys from both funds during the same fiscal year. Jillayne Rock, Secretary of the Senate

AMENDMENT NO. 1. Amend House Bill 372 on page 1, by replacing lines 4 and 5 with the

following:

"Section 5. The Design-Build Procurement Act is amended by changing Sections 30 and 90 as follows:

(30 ILCS 537/30)

(Section scheduled to be repealed on July 1, 2009)

Sec. 30. Procedures for Selection.

(a) The State construction agency must use a two-phase procedure for the selection of the successful design-build entity. Phase I of the procedure will evaluate and shortlist the design-build entities based on qualifications, and Phase II will evaluate the technical and cost proposals.

(b) The State construction agency shall include in the request for proposal the evaluating factors to be used in Phase I. These factors are in addition to any prequalification requirements of design-build entities that the agency has set forth. Each request for proposal shall establish the relative importance assigned to each evaluation factor and subfactor, including any weighting of criteria to be employed by the State construction agency. The State construction agency must maintain a record of the evaluation scoring to be disclosed in event of a protest regarding the solicitation.

The State construction agency shall include the following criteria in every Phase I evaluation of design-build entities: (1) experience of personnel; (2) successful experience with similar project types; (3) financial capability; (4) timeliness of past performance; (5) experience with similarly sized projects; (6) successful reference checks of the firm; (7) commitment to assign personnel for the duration of the project and qualifications of the entity's consultants; and (8) ability or past performance in meeting or exhausting good faith efforts to meet the utilization goals for business enterprises established in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act and with Section 2-105 of the Illinois Human Rights Act. The State construction agency may include any additional relevant criteria in Phase I that it deems necessary for a proper qualification review.

The State construction agency may not consider any design-build entity for evaluation or award if the entity has any pecuniary interest in the project or has other relationships or circumstances, including but not limited to, long-term leasehold, mutual performance, or development contracts with the State construction agency, that may give the design-build entity a financial or tangible advantage over other design-build entities in the preparation, evaluation, or performance of the design-build contract or that create the appearance of impropriety. No proposal shall be considered that does not include an entity's plan to comply with the requirements established in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act, for both the design and construction areas of performance, and with Section 2-105 of the Illinois Human Rights Act.

Upon completion of the qualifications evaluation, the State construction agency shall create a shortlist of the most highly qualified design-build entities. The State construction agency, in its discretion, is not required to shortlist the maximum number of entities as identified for Phase II evaluation, provided however, no less than 2 design-build entities nor more than 6 are selected to submit Phase II proposals.

The State construction agency shall notify the entities selected for the shortlist in writing. This notification shall commence the period for the preparation of the Phase II technical and cost evaluations. The State construction agency must allow sufficient time for the shortlist entities to prepare their Phase II submittals considering the scope and detail requested by the State agency.

(c) The State construction agency shall include in the request for proposal the evaluating factors to be used in the technical and cost submission components of Phase II. Each request for proposal shall establish, for both the technical and cost submission components of Phase II, the relative importance assigned to each evaluation factor and subfactor, including any weighting of criteria to be employed by the State construction agency. The State construction agency must maintain a record of the evaluation scoring to be disclosed in event of a protest regarding the solicitation.

Ms. Rock, Secretary:

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has concurred with the House of Representatives in the passage of a bill of the following title to-wit:

HOUSE BILL 363

A bill for AN ACT concerning education.

Together with the attached amendment thereto (which amendment has been printed by the Senate), in the adoption of which I am instructed to ask the concurrence of the House, to-wit:

Senate Amendment No. 2 to HOUSE BILL NO. 363
Passed the Senate, as amended, May 19, 2009.

Jillayne Rock, Secretary of the Senate

AMENDMENT NO. 2. Amend House Bill 363 by replacing everything after the enacting clause with the following:

"Section 5. The School Code is amended by adding Section 34-18.37 as follows:

(105 ILCS 5/34-18.37 new)

Sec. 34-18.37. Establishing an equitable and effective school facility development process.

(a) The General Assembly finds all of the following:

(1) The Illinois Constitution recognizes that a "fundamental goal of the People of the State is the educational development of all persons to the limits of their capacities".

(2) Quality educational facilities are essential for fostering the maximum educational development of all persons through their educational experience from pre-kindergarten through high school.

(3) The public school is a major institution in our communities. Public schools offer resources and opportunities for the children of this State who seek and deserve quality education, but also benefit the entire community that seeks improvement through access to education.

(4) The equitable and efficient use of available facilities-related resources among different schools and among racial, ethnic, income, and disability groups is essential to maximize the development of quality public educational facilities for all children, youth, and adults. The factors that impact the equitable and efficient use of facility-related resources vary according to the needs of each school community. Therefore, decisions that impact school facilities should include the input of the school community to the greatest extent possible.

(5) School openings, school closings, school consolidations, school turnarounds, school phase-outs, school construction, school repairs, school modernizations, school boundary changes, and other related school facility decisions often have a profound impact on education in a community. In order to minimize the negative impact of school facility decisions on the community, these decisions should be implemented according to a clear system-wide criteria and with the significant involvement of local school councils, parents, educators, and the community in decision-making.

(6) The General Assembly has previously stated that it intended to make the individual school in the City of Chicago the essential unit for educational governance and improvement and to place the primary responsibility for school governance and improvement in the hands of parents, teachers, and community residents at each school. A school facility policy must be consistent with these principles.

(b) In order to ensure that school facility-related decisions are made with the input of the community and reflect educationally sound and fiscally responsible criteria, a Chicago Educational Facilities Task Force shall be established within 15 days after the effective date of this amendatory Act of the 96th General Assembly.

(c) The Chicago Educational Facilities Task Force shall consist of all of the following members:

(1) Two members of the House of Representatives appointed by the Speaker of the House, at least one of whom shall be a member of the Elementary & Secondary Education Committee.

(2) Two members of the House of Representatives appointed by the Minority Leader of the House, at least one of whom shall be a member of the Elementary & Secondary Education Committee.

(3) Two members of the Senate appointed by the President of the Senate, at least one of whom shall be a member of the Education Committee.

(4) Two members of the Senate appointed by the Minority Leader of the Senate, at least one of whom shall be a member of the Education Committee.

(5) Two representatives of school community organizations with past involvement in school facility issues appointed by the Speaker of the House.

(6) Two representatives of school community organizations with past involvement in school facility issues appointed by the President of the Senate.

(7) The chief executive officer of the school district or his or her designee.

(8) The president of the union representing teachers in the schools of the district or his or her designee.

(9) The president of the association representing principals in the schools of the district or his or her designee.

(d) The Speaker of the House shall appoint one of the appointed House members as a co-chairperson of the Chicago Educational Facilities Task Force. The President of the Senate shall appoint one of the appointed Senate members as a co-chairperson of the Chicago Educational Facilities Task Force. Members appointed by the legislative leaders shall be appointed for the duration of the Chicago Educational Facilities Task Force; in the event of a vacancy, the appointment to fill the vacancy shall be made by the legislative leader of the same chamber and party as the leader who made the original appointment.

(e) The Chicago Educational Facilities Task Force shall call on independent experts, as needed, to gather and analyze pertinent information on a pro bono basis, provided that these experts have no previous or on-going financial interest in school facility issues related to the school district. The Chicago Educational Facilities Task Force shall secure pro bono expert assistance within 15 days after the establishment of the Chicago Educational Facilities Task Force.

(f) The Chicago Educational Facilities Task Force shall be empowered to gather further evidence in the form of testimony or documents or other materials.

(g) The Chicago Educational Facilities Task Force, with the help of the independent experts, shall analyze past Chicago experiences and data with respect to school openings, school closings, school consolidations, school turnarounds, school phase-outs, school construction, school repairs, school modernizations, school boundary changes, and other related school facility decisions on students. The Chicago Educational Facilities Task Force shall consult widely with stakeholders, including public officials, about these facility issues and their related costs and shall examine relevant best practices from other school systems for dealing with these issues systematically and equitably. These initial investigations shall include opportunities for input from local stakeholders through hearings, focus groups, and interviews.

(h) The Chicago Educational Facilities Task Force shall prepare final recommendations on or before October 30, 2009 describing how the issues set forth in subsection (g) of this Section can be addressed effectively based upon educationally sound and fiscally responsible practices.

(i) The Chicago Educational Facilities Task Force shall hold hearings in separate areas of the school district at times that shall maximize school community participation to obtain comments on draft recommendations. The final hearing shall take place no later than 15 days prior to the completion of the final recommendations.

(j) The Chicago Educational Facilities Task Force shall prepare final proposed policy and legislative recommendations for the General Assembly, the Governor, and the school district. The recommendations may address issues, standards, and procedures set forth in this Section. The final recommendations shall be made available to the public through posting on the school district's Internet website and other forms of publication and distribution in the school district at least 7 days before the final recommendations are submitted to the General Assembly, the Governor, and the school district.

(k) The final recommendations may address issues of system-wide criteria for ensuring clear priorities, equity, and efficiency.

Without limitation, the final recommendations may propose significant decision-making roles for key stakeholders, including the individual school and community; recommend clear criteria or processes for establishing criteria for making school facility decisions; and include clear criteria for setting priorities with respect to school openings, school closings, school consolidations, school turnarounds, school phase-outs,

school construction, school repairs, school modernizations, school boundary changes, and other related school facility decisions, including the encouragement of multiple community uses for school space.

Without limitation, the final recommendations may propose criteria for student mobility; the transferring of students to lower performing schools; teacher mobility; insufficient notice to and the lack of inclusion in decision-making of local school councils, parents, and community members about school facility decisions; and costly facilities-related expenditures due to poor educational and facilities planning.

(l) The State Board of Education and the school district shall provide administrative support to the Chicago Educational Facilities Task Force.

Section 99. Effective date. This Act takes effect upon becoming law."

AMENDMENT NO. 1. Amend Senate Bill 80 by replacing everything after the enacting clause with the following:

"Section 5. The Election Code is amended by changing Section 10-3 as follows:

(10 ILCS 5/10-3) (from Ch. 46, par. 10-3)

Sec. 10-3. Nomination of independent candidates (not candidates of any political party), for any office to be filled by the voters of the State at large may also be made by nomination papers signed in the aggregate for each candidate by 1% of the number of voters who voted in the next preceding Statewide general election or 25,000 qualified voters of the State, whichever is less. Nominations of independent candidates for public office within any district or political subdivision less than the State, except independent candidates for offices to be elected pursuant to the Illinois Municipal Code, may be made by nomination papers signed in the aggregate for each candidate by qualified voters of such district, or political subdivision, equaling not less than 5%, nor more than 8% (or 50 more than the minimum, whichever is greater) of the number of persons, who voted at the next preceding regular election in such district or political subdivision in which such district or political subdivision voted as a unit for the election of officers to serve its respective territorial area. Nominations of independent candidates for offices to be elected pursuant to the Illinois Municipal Code may be made by nomination papers signed in the aggregate for each candidate by qualified voters of the municipality or municipal subdivision equaling not less than 5% of the number of persons who voted at the next preceding consolidated election at which the voters of that municipality or municipal subdivision elected its officers. However, whenever the minimum signature requirement for an independent candidate petition for a district or political subdivision office shall exceed the minimum number of signatures for an independent candidate petition for an office to be filled by the voters of the State at large at the next preceding State-wide general election, such State-wide petition signature requirement shall be the minimum for an independent candidate petition for such district or political subdivision office. For the first election following a redistricting of congressional districts, nomination papers for an independent candidate for congressman shall be signed by at least 5,000 qualified voters of the congressional district. For the first election following a redistricting of legislative districts, nomination papers for an independent candidate for State Senator in the General Assembly shall be signed by at least 3,000 qualified voters of the legislative district. For the first election following a redistricting of representative districts, nomination papers for an independent candidate for State Representative in the General Assembly shall be signed by at least 1,500 qualified voters of the representative district. For the first election following redistricting of county board districts, or of municipal wards or districts, or for the

first election following the initial establishment of such districts or wards in a county or municipality, nomination papers for an independent candidate for county board member, or for alderman or trustee of such municipality, shall be signed by qualified voters of the district or ward equal to not less than 5% nor more than 8% (or 50 more than the minimum, whichever is greater) of the total number of votes cast at the preceding general or general municipal election, as the case may be, for the county or municipal office voted on throughout such county or municipality for which the greatest total number of votes were cast for all candidates, divided by the number of districts or wards, but in any event not less than 25 qualified voters of the district or ward. Each voter signing a nomination paper shall add to his signature his place of residence, and each voter may subscribe to one nomination for such office to be filled, and no more: Provided that the name of any candidate whose name may appear in any other place upon the ballot shall not be so added by petition for the same office.

The person circulating the petition, or the candidate on whose behalf the petition is circulated, may strike any signature from the petition, provided that:

(1) the person striking the signature shall initial the petition at the place where the signature is struck; and

(2) the person striking the signature shall sign a certification listing the page number and line number of each signature struck from the petition. Such certification shall be filed as a part of the petition.

(3) the persons striking signatures from the petition shall each sign an additional certificate specifying the number of certification pages listing stricken signatures which are attached to the petition and the page numbers indicated on such certifications. The certificate shall be filed as a part of the petition, shall be numbered, and shall be attached immediately following the last page of voters' signatures and before the certifications of stricken signatures.

(4) all of the foregoing requirements shall be necessary to effect a valid striking of any signature. The provisions of this Section authorizing the striking of signatures shall not impose any criminal liability on any person so authorized for signatures which may be fraudulent.

In the case of the offices of Governor and Lieutenant Governor a joint petition including one candidate for each of those offices must be filed.

A candidate for whom a nomination paper has been filed as a partisan candidate at a primary election, and who is defeated for his or her nomination at the primary election, is ineligible to be placed on the ballot as an independent candidate for election in that general or consolidated election.

A candidate seeking election to an office for which candidates of political parties are nominated by caucus who is a participant in the caucus and who is defeated for his or her nomination at such caucus, is ineligible to be listed on the ballot at that general or consolidated election as an independent candidate.

Sec. 1a-1. Pre-need contracts.

(a) It shall be unlawful for any seller doing business within this State to accept sales proceeds from a purchaser, either directly or indirectly by any means, unless the seller enters into a pre-need contract with the purchaser which meets the following requirements:

(1) It states the name and address of the principal office of the seller and the parent company of the seller, if any.

(1.5) If funded by a trust, it clearly identifies the trustee's name and address and the primary state or federal regulator of the trustee as a corporate fiduciary.

(1.7) If funded by life insurance, it clearly identifies the life insurance provider and the primary regulator of the life insurance provider.

(2) It clearly identifies the provider's name and address, the purchaser, and the beneficiary, if other than the purchaser.

(2.5) If the provider has branch locations, the contract gives the purchaser the opportunity to identify the branch at which the funeral will be provided.

(3) It contains a complete description of the funeral merchandise and services to be provided and the price of the merchandise and services, and it clearly discloses whether the price of the merchandise and services is guaranteed or not guaranteed as to price.

(A) Each guaranteed price contract shall contain the following statement in 12 point bold type:

THIS CONTRACT GUARANTEES THE BENEFICIARY THE SPECIFIC GOODS AND SERVICES CONTRACTED

FOR. NO ADDITIONAL CHARGES MAY BE REQUIRED. FOR DESIGNATED GOODS AND SERVICES, ADDITIONAL CHARGES MAY BE INCURRED FOR UNEXPECTED EXPENSES

INCLUDING, BUT NOT LIMITED TO, CASH ADVANCES, SHIPPING OF REMAINS FROM A DISTANT PLACE, OR DESIGNATED HONORARIA ORDERED OR DIRECTED BY SURVIVORS.

(B) Except as provided in subparagraph (C) of this paragraph (3), each non-guaranteed price contract shall contain the following statement in 12 point bold type:

THIS CONTRACT DOES NOT GUARANTEE THE PRICE THE BENEFICIARY WILL PAY FOR ANY

SPECIFIC GOODS OR SERVICES. ANY FUNDS PAID UNDER THIS CONTRACT ARE ONLY A DEPOSIT TO BE APPLIED TOWARD THE FINAL PRICE OF THE GOODS OR SERVICES CONTRACTED FOR. ADDITIONAL CHARGES MAY BE REQUIRED.

(C) If a non-guaranteed price contract may subsequently become guaranteed, the contract shall clearly disclose the nature of the guarantee and the time, occurrence, or event upon which the contract shall become a guaranteed price contract.

(4) It provides that if the particular supplies and services specified in the pre-need contract are unavailable at the time of delivery, the provider shall be required to furnish supplies and services similar in style and at least equal in quality of material and workmanship.

(5) It discloses any penalties or restrictions, including but not limited to geographic restrictions or the inability of the provider to perform, on the delivery of merchandise, services, or pre-need contract guarantees.

(6) Regardless of the method of funding the pre-need contract, the following must be disclosed:

(A) Whether the pre-need contract is to be funded by a trust, life insurance, or an annuity;

(B) The nature of the relationship among the person funding the pre-need contract, the provider, and the seller; and

(C) The impact on the pre-need contract of (i) any changes in the funding arrangement including but not limited to changes in the assignment, beneficiary designation, or use of the funds; (ii) any specific penalties to be incurred by the contract purchaser as a result of failure to make payments; (iii) penalties to be incurred or moneys or refunds to be received as a result of cancellations; and (iv) all relevant information concerning what occurs and whether any entitlements or obligations arise if there is a difference between the proceeds of the particular funding arrangement and the amount actually needed to pay for the funeral at-need.

(D) The method of changing the provider.

(b) All pre-need contracts are subject to the Federal Trade Commission Rule concerning the Cooling-Off Period for Door-to-Door Sales (16 CFR Part 429).

(c) No pre-need contract shall be sold in this State unless there is a provider for the services and personal property being sold. If the seller is not a provider, then the seller must have a binding agreement with a provider, and the identity of the provider and the nature of the agreement between the seller and the provider shall be disclosed in the pre-need contract at the time of the sale and before the receipt of any sales proceeds. The failure to disclose the identity of the provider, the nature of the agreement between the seller and the provider, or any changes thereto to the purchaser and beneficiary, or the failure to make the disclosures required in subdivision (a)(1), constitutes an intentional violation of this Act.

(d) All pre-need contracts must be in writing in at least 11 point type, numbered, and executed in duplicate. A signed copy of the pre-need contract must be provided to the purchaser at the time of entry into the pre-need contract. The Comptroller may by rule develop a model pre-need contract form that ~~which~~ meets the requirements of this Act.

(e) The State Comptroller shall by rule develop a booklet for consumers in plain English describing the scope, application, and consumer protections of this Act. After the adoption of these rules, no pre-need contract shall be sold in this State unless (i) the seller distributes to the purchaser prior to the sale a booklet promulgated or approved for use by the State Comptroller; (ii) the seller explains to the purchaser the terms of the pre-need contract prior to the purchaser signing; and (iii) the purchaser initials a statement in the contract confirming that the seller has explained the terms of the contract prior to the purchaser signing.

(f) All sales proceeds received in connection with a pre-need contract shall be deposited into a trust account as provided in Section 1b and Section 2 of this Act, or shall be used to purchase a life insurance policy or tax-deferred annuity as provided in Section 2a of this Act.

(g) No pre-need contract shall be sold in this State unless it is accompanied by a funding mechanism permitted under this Act, and unless the seller is licensed by the Comptroller as provided in Section 3 of

this Act. Nothing in this Act is intended to relieve sellers of pre-need contracts from being licensed under any other Act required for their profession or business, and being subject to the rules promulgated to regulate their profession or business, including rules on solicitation and advertisement.

Sec. 1a-2. Pre-Need Funeral Consumer Protection Fund.

(a) Each licensee shall pay a fee of \$5 out of the funds received for each pre-need contract sold and shall forward this sum to the Comptroller within 10 days after (i) the funds required to be placed in trust pursuant to Section 1b of this Act are deposited into the trust account or (ii) the funds are used to purchase a pre-need insurance policy. Fees collected under this Section shall be deposited into the Pre-need Funeral Consumer Protection Fund, which is hereby created as a special fund in the State treasury. Moneys in the Fund may be expended for the purposes specified in subsection (b) and to purchase insurance to cover losses guaranteed by the Fund.

(b) In the event that the purchaser is unable to receive the benefits of his or her pre-need contract or to receive the funds due by reason of cancellation of the contract, the purchaser may apply to the Comptroller on a form prescribed by the Comptroller for restitution from the Pre-need Funeral Consumer Protection Fund. Upon a finding by the Comptroller that the benefits or return of payment is not available to the purchaser, the Comptroller may cause restitution to be paid to the purchaser from the Pre-need Funeral Consumer Protection Fund.

(c) In all such cases where a purchaser is paid restitution from the Fund, the Comptroller shall be subrogated to that purchaser's claims against the licensee for all amounts paid from the Fund. If the licensee's liability for default is subsequently proven, any award made by a court of law shall be made payable to the Pre-need Funeral Consumer Protection Fund up to the amount paid to the purchaser from the Fund and the Comptroller shall request that the Attorney General engage in all reasonable post-judgment collection steps to collect such claims from the judgment debtor and reimburse the Fund.

(d) The Fund shall not be applied toward any restitution for losses in any lawsuit initiated by the Attorney General or Comptroller or with respect to any claim made on a pre-need contract that occurred prior to the effective date of this amendatory Act of the 96th General Assembly.

(e) Notwithstanding any other provision of this Section, the payment of restitution from the Fund shall be a matter of grace and not of right and no purchaser shall have any vested right in the Fund as a beneficiary or otherwise.

(f) The Fund may not be allocated for any purpose other than that specified in this Act.

(225 ILCS 45/1b) (from Ch. 111 1/2, par. 73.101b)

Sec. 1b. (a) Whenever a seller receives sales proceeds under a pre-need contract that the purchaser elects to fund by a trust agreement, the seller may retain an initial amount equal to 5% of the purchase price of the services, personal property or merchandise, or 15% of the purchase price of outer burial containers. Thereafter, a seller shall deposit into trust the amounts specified in this Section so that no later than upon the final payment on the contract, the trust shall equal or exceed 95% of the purchase price of all services, personal property, or merchandise, except for outer burial containers, and 85% of the purchase price of outer burial containers.

(b) In the event that sales proceeds to be deposited into a trust are received pursuant to a cash sale or ~~an a retail~~ installment contract, the seller may retain the initial percentage authorized by subsection (a) of this Section ~~and any finance charge paid by the purchaser~~, and thereafter shall deposit into the trust the entire balance of sales proceeds received.

(c) In the event that the deposits into a trust required by this Section do not, after final payment by the consumer, result in the trust containing at least 95% of the ~~purchase sales~~ price of all services, personal property or merchandise, except for outer burial containers and 85% of the purchase price of outer burial containers, the seller shall make an additional deposit into the trust in an amount sufficient to meet these percentages.

(d) The trustee may not be the seller or provider of funeral services or merchandise ~~unless the seller holds sales of less than \$500,000 in trust, and deposits funds for which the seller is acting as trustee in (1) withdrawable accounts of State chartered or federally chartered savings and loan associations insured by the Federal Deposit Insurance Corporation; (2) deposits or certificates of deposits in State or federal banks insured by the Federal Deposit Insurance Corporation; or (3) share accounts or share certificate accounts in a State or federal credit union, the accounts of which are insured as required by the Illinois Credit Union Act or the Federal Credit Union Act, as applicable.~~

(225 ILCS 45/2) (from Ch. 111 1/2, par. 73.102)

Sec. 2. (a) If a purchaser selects a trust arrangement to fund the pre-need contract, all trust deposits as determined by Section 1b shall be made within 30 days of receipt.

(b) A trust established under this Act must be maintained with a corporate fiduciary as defined in Section 1-5.05 of the Corporate Fiduciary Act. :

~~(1) in a trust account established in a bank, savings and loan association, savings bank, or credit union authorized to do business in Illinois in which accounts are insured by an agency of the federal government; or~~

~~(2) in a trust company authorized to do business in Illinois.~~

(c) Trust agreements and amendments to the trust agreements used to fund a pre-need contract shall be filed with the Comptroller.

(d) (Blank).

(e) A seller or provider shall furnish to the trustee and depository the name of each payor and the amount of payment on each such account for which deposit is being so made. Nothing shall prevent the trustee ~~or a seller or provider acting as a trustee in accordance with this Act~~ from commingling the deposits in any such trust fund for purposes of its management and the investment of its funds as provided in the Common Trust Fund Act. In addition, multiple trust funds maintained under this Act may be commingled or commingled with other funeral or burial related trust funds if all record keeping requirements imposed by law are met.

~~(f) (Blank). Trust funds may be maintained in a financial institution described in subsection (b) which is located in a state adjoining this State where: (1) the financial institution is located within 50 miles of the border of this State, (2) its accounts are federally insured, and (3) it has registered with the Illinois Secretary of State for purposes of service of process.~~

(g) Upon no less than 30 days prior notice to the Comptroller, the seller may change the trustee of the fund. Failure to provide the Comptroller with timely prior notice is an intentional violation of this Act.

(h) A trustee shall at least annually furnish to each purchaser a statement containing: (1) the receipts, disbursements, and inventory of the trust, including an explanation of any fees or expenses charged by the trustee under Section 4 of this Act or otherwise, (2) an explanation of the purchaser's right to a refund, if any, under this Act, and (3) identifying the primary regulator of the trust as a corporate fiduciary under state or federal law.

Sec. 3. Licensing.

(a) No person, firm, partnership, association or corporation may act as seller without first securing from the State Comptroller a license to so act. Application for such license shall be in writing, signed by the applicant and duly verified on forms furnished by the Comptroller. Each application shall contain at least the following:

(1) The full name and address (both residence and place of business) of the applicant, and every member, officer and director thereof if the applicant is a firm, partnership, association, or corporation, and of every shareholder holding more than 10% of the corporate stock if the applicant is a corporation;

(2) A statement of the applicant's assets and liabilities;

(3) The name and address of the applicant's principal place of business at which the books, accounts, and records shall be available for examination by the Comptroller as required by this Act;

(4) The names and addresses of the applicant's branch locations at which pre-need sales shall be conducted and which shall operate under the same license number as the applicant's principal place of business;

(5) For each individual listed under item (1) above, a detailed statement of the individual's business experience for the 10 years immediately preceding the application; any present or prior connection between the individual and any other person engaged in pre-need sales; any felony or misdemeanor convictions for which fraud was an essential element; any charges or complaints lodged against the individual for which fraud was an essential element and which resulted in civil or criminal litigation; any failure of the individual to satisfy an enforceable judgment entered against him based upon fraud; and any other information requested by the Comptroller relating to past business practices of the individual. Since the information required by this item (5) may be confidential or contain proprietary information, this information shall not be available to other licensees or the general public and shall be used only for the lawful purposes of the Comptroller in enforcing this Act;

(6) The name of the trustee and, if applicable, the names of the advisors to the trustee, including a copy of the proposed trust agreement under which the trust funds are to be held as required by this Act; and

(7) Such other information as the Comptroller may reasonably require in order to determine the qualification of the applicant to be licensed under this Act.

(b) Applications for license shall be accompanied by a fidelity bond executed by the applicant and a surety company authorized to do business in this State or an irrevocable, unconditional letter of credit issued by a bank, credit union, or trust company authorized to do business in the State of Illinois, as approved by the State Comptroller, in such amount not exceeding \$10,000 as the Comptroller may require. If, after notice and an opportunity to be heard, it has been determined that a licensee has violated this Act within the past 5 calendar years, ~~or if a licensee does not retain a corporate fiduciary, as defined in the Corporate Fiduciary Act, to manage the funds in trust pursuant to this Act,~~ the Comptroller may require an additional bond or letter of credit from the licensee from time to time in amounts equal to one-tenth of such trust funds, which bond or letter of credit shall run to the Comptroller for the use and benefit of the beneficiaries of such trust funds.

The licensee shall keep accurate accounts, books and records in this State, at the principal place of business identified in the licensee's license application or as otherwise approved by the Comptroller in writing, of all transactions, copies of all pre-need contracts, trust agreements, and other agreements, dates and amounts of payments made and accepted thereon, the names and addresses of the contracting parties, the persons for whose benefit such funds are accepted, and the names of the depositories of such funds. Each licensee shall maintain the documentation for a period of 3 years after the licensee has fulfilled his obligations under the pre-need contract. Additionally, for a period not to exceed 6 months after the performance of all terms in a pre-need sales contract, the licensee shall maintain copies of the contract at the licensee branch location where the contract was entered or at some other location agreed to by the Comptroller in writing. If an insurance policy or tax-deferred annuity is used to fund the pre-need contract, the licensee under this Act shall keep and maintain accurate accounts, books, and records in this State, at the principal place of business identified in the licensee's application or as otherwise approved by the Comptroller in writing, of all insurance policies and tax-deferred annuities used to fund the pre-need contract, the name and address of insured, annuitant, and initial beneficiary, and the name and address of the insurance company issuing the policy or annuity. If a life insurance policy or tax-deferred annuity is used to fund a pre-need contract, the licensee shall notify the insurance company of the name of each pre-need contract purchaser and the amount of each payment when the pre-need contract, insurance policy or annuity is purchased.

The licensee shall make reports to the Comptroller annually or at such other time as the Comptroller may require, on forms furnished by the Comptroller. The licensee shall file the annual report with the Comptroller within 75 days after the end of the licensee's fiscal year. The Comptroller shall for good cause shown grant an extension for the filing of the annual report upon the written request of the licensee. Such extension shall not exceed 60 days. If a licensee fails to submit an annual report to the Comptroller within the time specified in this Section, the Comptroller shall impose upon the licensee a penalty of \$5 for each and every day the licensee remains delinquent in submitting the annual report. The Comptroller may abate all or part of the \$5 daily penalty for good cause shown. Every application shall be accompanied by a check or money order in the amount of \$25 and every report shall be accompanied by a check or money order in the amount of \$10 payable to: Comptroller, State of Illinois.

The licensee shall make all required books and records pertaining to trust funds, insurance policies, or tax-deferred annuities available to the Comptroller for examination. The Comptroller, or a person designated by the Comptroller who is trained to perform such examinations, may at any time investigate the books, records and accounts of the licensee with respect to trust funds, insurance policies, or tax-deferred annuities and for that purpose may require the attendance of and examine under oath all persons whose testimony he may require. The licensee shall pay a fee for such examination in accordance with a schedule established by the Comptroller. The fee shall not exceed the cost of such examination. For pre-need contracts funded by trust arrangements, the cost of an initial examination shall be borne by the licensee if it has \$10,000 or more in trust funds, otherwise, by the Comptroller. The charge made by the Comptroller for an examination shall be based upon the total amount of trust funds held by the licensee at the end of the calendar or fiscal year for which the report is required by this Act and shall be in accordance with the following schedule:

Less than \$10,000.....	no charge;
\$10,000 or more but less than \$50,000.....	\$10;

\$50,000 or more but less than \$100,000.....	\$40;
\$100,000 or more but less than \$250,000.....	\$80;
\$250,000 or more.....	\$100.

The Comptroller may order additional audits or examinations as he or she may deem necessary or advisable to ensure the safety and stability of the trust funds and to ensure compliance with this Act. These additional audits or examinations shall only be made after good cause is established by the Comptroller in the written order. The grounds for ordering these additional audits or examinations may include, but shall not be limited to:

- (1) material and unverified changes or fluctuations in trust balances or insurance or annuity policy amounts;
- (2) the licensee changing trustees more than twice in any 12-month period;
- (3) any withdrawals or attempted withdrawals from the trusts, insurance policies, or annuity contracts in violation of this Act; or
- (4) failure to maintain or produce documentation required by this Act for deposits into trust accounts, trust investment activities, or life insurance or annuity policies.

~~The Prior to ordering an additional audit or examination, the Comptroller shall request the licensee to respond and comment upon the factors identified by the Comptroller as warranting the subsequent examination or audit. The licensee shall have 30 days to provide a response to the Comptroller. If the Comptroller decides to proceed with the additional examination or audit, the licensee shall bear the full cost of that examination or audit, up to a maximum of \$20,000 \$7,500. The Comptroller may elect to pay for the examination or audit and receive reimbursement from the licensee. Payment of the costs of the examination or audit by a licensee shall be a condition of receiving, maintaining, or renewing a license under this Act. All moneys received by the Comptroller for examination or audit fees shall be maintained in a separate account to be known as the Comptroller's Administrative Fund. This Fund, subject to appropriation by the General Assembly, may be utilized by the Comptroller for enforcing this Act and other purposes that may be authorized by law.~~

For pre-need contracts funded by life insurance or a tax-deferred annuity, the cost of an examination shall be borne by the licensee ~~if it has received \$10,000 or more in premiums during the preceding calendar year.~~ The fee schedule for such examination shall be established in rules promulgated by the Comptroller. In the event such investigation or other information received by the Comptroller discloses a substantial violation of the requirements of this Act, the Comptroller shall revoke the license of such person upon a hearing as provided in this Act. Such licensee may terminate all further responsibility for compliance with the requirements of this Act by voluntarily surrendering the license to the Comptroller, or in the event of its loss, furnishing the Comptroller with a sworn statement to that effect, which states the licensee's intention to discontinue acceptance of funds received under pre-need contracts. Such license or statement must be accompanied by an affidavit that said licensee has lawfully expended or refunded all funds received under pre-need contracts, and that the licensee will accept no additional sales proceeds. The Comptroller shall immediately cancel or revoke said license.

(225 ILCS 45/4) (from Ch. 111 1/2, par. 73.104)

Sec. 4. Withdrawal of funds; revocability of contract.

(a) ~~Except as otherwise provided in this Act, monies in a trust established under Section 2 The amount or amounts so deposited into trust, with interest thereon, if any, shall not be withdrawn until after the death of the beneficiary person or persons for whose funeral or burial such funds were paid, unless sooner withdrawn and repaid to the purchaser as provided in this Section repaid to the person who originally paid the money under or in connection with the pre-need contract or to his or her legal representative. The life insurance policies or tax-deferred annuities shall not be surrendered until the death of the beneficiary person or persons for whose funeral or burial the policies or annuities were purchased, unless sooner surrendered and repaid to the owner of the policy purchased under or in connection with the pre-need contract or to his or her legal representative. If, however, the agreement or series of agreements provides for forfeiture and retention of any or all payments as and for liquidated damages as provided in Section 6, then the trustee may withdraw the deposits. In addition, nothing in this Section (i) prohibits the change of depositary by the trustee and the transfer of trust funds from one depositary to another or (ii) prohibits a contract purchaser who is or may become eligible for public assistance under any applicable federal or State law or local ordinance including, but not limited to, eligibility under 24 C.F.R., Part 913 relating to family insurance under federal Housing and Urban Development Policy from irrevocably waiving, in writing, and renouncing the right to cancel a pre-need contract for funeral services in an amount prescribed~~

by rule of the Department of Healthcare and Family Services. No guaranteed price pre-need funeral contract may prohibit a purchaser from making a contract irrevocable to the extent that federal law or regulations require that such a contract be irrevocable for purposes of the purchaser's eligibility for Supplemental Security Income benefits, Medicaid, or another public assistance program, as permitted under federal law.

(b) If for any reason a seller or provider who has engaged in pre-need sales has refused, cannot, or does not comply with the terms of the pre-need contract within a reasonable time after he or she is required to do so, the purchaser or his or her heirs or assigns or duly authorized representative shall have the right to a refund of an amount equal to the sales price paid for undelivered merchandise or services plus any ~~otherwise earned undistributed interest~~ amounts held in trust attributable to the contract, within 30 days of the filing of a sworn affidavit with the trustee setting forth the existence of the contract and the fact of breach. A copy of this affidavit shall be filed with the Comptroller and the seller. In the event a seller is prevented from performing by strike, shortage of materials, civil disorder, natural disaster, or any like occurrence beyond the control of the seller or provider, the seller or provider's time for performance shall be extended by the length of the delay. Nothing in this Section shall relieve the seller or provider from any liability for non-performance of his or her obligations under the pre-need contract.

(c) After final payment on a pre-need contract, any purchaser may, prior to the death of the beneficiary and upon written demand to a seller, demand that the pre-need contract with the seller be terminated. The seller shall, within 30 days, initiate a refund to the purchaser of the entire amount held in trust attributable to undelivered merchandise and unperformed services plus any amounts held in trust attributable to the contract ~~, including otherwise earned undistributed interest earned thereon~~ or the cash surrender value of a life insurance policy or tax-deferred annuity.

(c-5) If, after the death of the beneficiary, no funeral merchandise or services are provided or if the funeral is conducted by another provider person, the seller may keep no more than 10% of the payments made under the pre-need contract or \$300, whichever sum is less. The remainder of the trust funds or insurance or annuity proceeds shall be forwarded to the legal heirs of the deceased beneficiary or as determined by probate action.

(d) The placement and retention of all or a portion of a casket, combination casket-vault, urn, or outer burial container comprised of materials which are designed to withstand prolonged storage in the manner set forth in this paragraph without adversely affecting the structural integrity or aesthetic characteristics of such merchandise in a specific burial space in which the person or persons for whose funeral or burial the merchandise was intended has a right of interment, or the placement of the merchandise in a specific mausoleum crypt or lawn crypt in which such person has a right of entombment, or the placement of the merchandise in a specific niche in which such person has a right of inurnment, or delivery to such person and retention by such person until the time of need shall constitute actual delivery to the person who originally paid the money under or in connection with said agreement or series of agreements. Actual delivery shall eliminate, from and after the date of actual delivery, any requirement under this Act to place or retain in trust any funds received for the sale of such merchandise. The delivery, prior to the time of need, of any funeral or burial merchandise in any manner other than authorized by this Section shall not constitute actual delivery and shall not eliminate any requirement under this Act to place or retain in trust any funds received for the sale of such merchandise.

(225 ILCS 45/4a)

Sec. 4a. Investment of funds.

(a) A trustee has a duty to invest and manage the trust assets pursuant to the Prudent Investor Rule under the Trusts and Trustees Act ~~shall, with respect to the investment of trust funds, exercise the judgment and care under the circumstances then prevailing that persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation, but in regard to the permanent disposition of their funds, considering the probable income as well as the probable safety of their capital.~~

(b) The trust shall be a single-purpose trust fund. In the event of the seller's bankruptcy, insolvency or assignment for the benefit of creditors, or an adverse judgment, the trust funds shall not be available to any creditor as assets of the seller or to pay any expenses of any bankruptcy or similar proceeding, but shall be distributed to the purchasers or managed for their benefit by the trustee holding the funds. Except in an action by the Comptroller to revoke a license issued pursuant to this Act and for creation of a receivership as provided in this Act, the trust shall not be subject to judgment, execution, garnishment, attachment, or other seizure by process in bankruptcy or otherwise, nor to sale, pledge, mortgage, or other alienation, and shall not be assignable except as approved by the Comptroller. The changes made by Public ~~this~~

~~amendatory Act 91-7 of the 91st General Assembly~~ are intended to clarify existing law regarding the inability of licensees to pledge the trust.

(c) Because it is not known at the time of deposit or at the time that income is earned on the trust account to whom the principal and the accumulated earnings will be distributed for the purpose of determining the Illinois income tax due on these trust funds, the principal and any accrued earnings or losses related to each individual account shall be held in suspense until the final determination is made as to whom the account shall be paid. The beneficiary's estate shall not be responsible for any funeral and burial purchases listed in a pre-need contract if the pre-need contract is entered into on a guaranteed price basis.

If a pre-need contract is not a guaranteed price contract, then to the extent the proceeds of a non-guaranteed price pre-need contract cover the funeral and burial expenses for the beneficiary, no claim may be made against the estate of the beneficiary. A claim may be made against the beneficiary's estate if the charges for the funeral services and merchandise at the time of use exceed the amount of the amount in trust plus the percentage of the sale proceeds initially retained by the seller or the face value of the life insurance policy or tax-deferred annuity.

~~(d) Trust funds shall not be invested by the trustee in life insurance policies or tax deferred annuities unless the following requirements are met:~~

~~(1) The company issuing the life insurance policies or tax deferred annuities is licensed by the Illinois Department of Insurance and the insurance producer or annuity seller is licensed to do business in the State of Illinois;~~

~~(2) Prior to the investment, the purchaser approves, in writing, the investment in life insurance policies or tax deferred annuities;~~

~~(3) Prior to the investment, the purchaser is notified by the seller in writing about the disclosures required for all pre-need contracts under Section 1a-1 of this Act, and the purchase of life insurance or a tax deferred annuity is subject to the requirements of Section 2a of this Act;~~

~~(4) Prior to the investment, the trustee informs the Comptroller that trust funds shall be removed from the trust account to purchase life insurance or a tax deferred annuity upon the written consent of the purchaser;~~

In the event of a sale or transfer of all or substantially all of the assets of the licensee, the sale or transfer of the controlling interest of the corporate stock of the licensee if the licensee is a corporation, the sale or transfer of the controlling interest of the partnership if the licensee is a partnership, or the sale of the licensee pursuant to foreclosure proceedings, the purchaser is liable for any shortages existing before or after the sale in the trust funds required to be maintained in a trust pursuant to this Act and shall honor all pre-need contracts and trusts entered into by the licensee. Any shortages existing in the trust funds constitute a prior lien in favor of the trust for the total value of the shortages, and notice of that lien shall be provided in all sales instruments.

In the event of a sale or transfer of all or substantially all of the assets of the licensee, the sale or transfer of the controlling interest of the corporate stock of the licensee if the licensee is a corporation, or the sale or transfer of the controlling interest of the partnership if the licensee is a partnership, the licensee shall, at least 21 days prior to the sale or transfer, notify the Comptroller, in writing, of the pending date of sale or transfer so as to permit the Comptroller to audit the books and records of the licensee. The audit must be commenced within 10 business days of the receipt of the notification and completed within the 21-day notification period unless the Comptroller notifies the licensee during that period that there is a basis for determining a deficiency which will require additional time to finalize. Failure to provide timely notice to the Comptroller under this Section shall be an intentional violation of this Act. The sale or transfer may not

be completed by the licensee unless and until:

- (i) the Comptroller has completed the audit of the licensee's books and records;
- (ii) any delinquency existing in the trust funds has been paid by the licensee, or arrangements satisfactory to the Comptroller have been made by the licensee on the sale or transfer for the payment of any delinquency; and
- (iii) the Comptroller issues a license upon application of the new owner, which license must be applied for within 21 ~~30~~ days of the anticipated date of the sale or transfer, subject to the payment of any delinquencies, if any, as stated in item (ii).

For purposes of this Section, a person, firm, corporation, partnership, or institution that acquires the licensee through a real estate foreclosure shall be subject to the provisions of this Section.

(815 ILCS 390/14) (from Ch. 21, par. 214)

Sec. 14. Contract required.

(a) It is unlawful for any person doing business within this State to accept sales proceeds, either directly or indirectly, by any means unless the seller enters into a pre-need sales contract with the purchaser which meets the following requirements:

(1) A written sales contract shall be executed in at least 11 point type in duplicate for each pre-need sale made by a licensee, and a signed copy given to the purchaser. Each completed contract shall be numbered and shall contain: (i) the name and address of the purchaser, the principal office of the licensee, and the parent company of the licensee; (ii) the name of the person, if known, who is to receive the cemetery merchandise, cemetery services or the completed interment, entombment or inurnment spaces under the contract; and (iii) specific identification of such merchandise, services or spaces to be provided, if a specific space or spaces are contracted for, and the price of the merchandise, services, or space or spaces.

(2) In addition, such contracts must contain a provision in distinguishing typeface as follows:

"Notwithstanding anything in this contract to the contrary, you are afforded certain specific rights of cancellation and refund under the Illinois Pre-Need Cemetery Sales Act, enacted by the 84th General Assembly of the State of Illinois".

(3) All pre-need sales contracts shall be sold on a guaranteed price basis. At the time of performance of the service or delivery of the merchandise, the seller shall be prohibited from assessing the purchaser or his heirs or assigns or duly authorized representative any additional charges for the specific merchandise and services listed on the pre-need sales contract.

(4) Each contract shall clearly disclose that the price of the merchandise or services is guaranteed and shall contain the following statement in 12 point bold type:

"THIS CONTRACT GUARANTEES THE BENEFICIARY THE SPECIFIC GOODS, SERVICES, INTERMENT SPACES, ENTOMBMENT SPACES, AND INURNMENT SPACES CONTRACTED FOR. NO ADDITIONAL CHARGES MAY BE REQUIRED FOR DESIGNATED GOODS, SERVICES, AND SPACES. ADDITIONAL CHARGES MAY BE INCURRED FOR UNEXPECTED EXPENSES."

(5) The pre-need sales contract shall provide that if the particular cemetery services, cemetery merchandise, or spaces specified in the pre-need contract are unavailable at the time of delivery, the seller shall be required to furnish services, merchandise, and spaces similar in style and at least equal in quality of material and workmanship.

(6) The pre-need contract shall also disclose any specific penalties to be incurred by the purchaser as a result of failure to make payments; and penalties to be incurred or moneys or refunds to be received as a result of cancellation of the contract.

(7) The pre-need contract shall disclose the nature of the relationship between the provider and the seller.

(8) Each pre-need contract that authorizes the delivery of cemetery merchandise to a licensed and bonded warehouse shall provide that prior to or upon delivery of the merchandise to the warehouse the title to the merchandise and a warehouse receipt shall be delivered to the purchaser or beneficiary. The pre-need contract shall contain the following statement in 12 point bold type:

"THIS CONTRACT AUTHORIZES THE DELIVERY OF MERCHANDISE TO A LICENSED AND BONDED WAREHOUSE"

FOR STORAGE OF THE MERCHANDISE UNTIL THE MERCHANDISE IS NEEDED BY THE BENEFICIARY. DELIVERY OF THE MERCHANDISE IN THIS MANNER MAY PRECLUDE REFUND OF SALE PROCEEDS THAT ARE ATTRIBUTABLE TO THE DELIVERED MERCHANDISE."

The purchaser shall initial the statement at the time of entry into the pre-need contract.

(9) Each pre-need contract that authorizes the placement of cemetery merchandise at the site of its ultimate use prior to the time that the merchandise is needed by the beneficiary shall contain the following statement in 12 point bold type:

"THIS CONTRACT AUTHORIZES THE PLACEMENT OF MERCHANDISE AT THE SITE OF ITS ULTIMATE USE

PRIOR TO THE TIME THAT THE MERCHANDISE IS NEEDED BY THE BENEFICIARY. DELIVERY OF THE MERCHANDISE IN THIS MANNER MAY PRECLUDE REFUND OF SALE PROCEEDS THAT ARE ATTRIBUTABLE TO THE DELIVERED MERCHANDISE."

The purchaser shall initial the statement at the time of entry into the pre-need contract.

(10) Each pre-need contract that is funded by a trust shall clearly identify the trustee's name and address and the primary state or federal regulator of the trustee as a corporate fiduciary.

(b) Every pre-need sales contract must be in writing. The Comptroller may by rule develop a model pre-need sales contract form that meets the requirements of this Act.

(c) To the extent the Rule is applicable, every pre-need sales contract is subject to the Federal Trade Commission Rule concerning the Cooling-Off Period for Door-to-Door Sales (16 CFR Part 429).

(d) No pre-need sales contract may be entered into in this State unless there is a provider for the cemetery merchandise, cemetery services, and undeveloped interment, inurnment, and entombment spaces being sold. If the seller is not the provider, then the seller must have a binding agreement with a provider, and the identity of the provider and the nature of the agreement between the seller and the provider must be disclosed in the pre-need sales contract at the time of sale and before the receipt of any sale proceeds. The failure to disclose the identity of the provider, the nature of the agreement between the seller and the provider, or any changes thereto to the purchaser and beneficiary, or the failure to make the disclosures required by this Section constitutes an intentional violation of this Act.

(e) No pre-need contract may be entered into in this State unless it is accompanied by a funding mechanism permitted under this Act and unless the seller is licensed by the Comptroller as provided in this Act. Nothing in this Act is intended to relieve providers or sellers of pre-need contracts from being licensed under any other Act required for their profession or business or from being subject to the rules promulgated to regulate their profession or business, including rules on solicitation and advertisement.

(f) No pre-need contract may be entered into in this State unless the seller explains to the purchaser the terms of the pre-need contract prior to the purchaser signing and the purchaser initials a statement in the contract confirming that the seller has explained the terms of the contract prior to the purchaser signing.

(g) The State Comptroller shall develop a booklet for consumers in plain English describing the scope, application, and consumer protections of this Act. After the booklet is developed, no pre-need contract may be sold in this State unless the seller distributes to the purchaser prior to the sale a booklet developed or approved for use by the State Comptroller.

(815 ILCS 390/15) (from Ch. 21, par. 215)

Sec. 15. (a) Whenever a seller receives anything of value under a pre-need sales contract, the person receiving such value shall deposit 50% of all proceeds received into one or more trust funds maintained pursuant to this Section, except that, in the case of proceeds received for the purchase of outer burial containers, 85% of the proceeds shall be deposited into one or more trust funds. Such deposits shall be made until the amount deposited in trust equals 50% of the sales price of the cemetery merchandise, cemetery services and undeveloped spaces included in such contract, except that, in the case of deposits for outer burial containers, deposits shall be made until the amount deposited in trust equals 85% of the sales price. In the event an installment contract is factored, discounted or sold to a third party, the seller shall deposit an amount equal to 50% of the sales price of the installment contract, except that, for the portion of the contract attributable to the sale of outer burial containers, the seller shall deposit an amount equal to 85% of the sales price. Proceeds required to be deposited in trust which are attributable to cemetery merchandise and cemetery services shall be held in a "Cemetery Merchandise Trust Fund". Proceeds required to be deposited in trust which are attributable to the sale of undeveloped interment, entombment or

inurnment spaces shall be held in a "Pre-construction Trust Fund". If merchandise is delivered for storage in a bonded warehouse, as authorized herein, and payment of transportation or other charges totaling more than \$20 will be required in order to secure delivery to the site of ultimate use, upon such delivery to the warehouse the seller shall deposit to the trust fund the full amount of the actual or estimated transportation charge. Transportation charges which have been prepaid by the seller shall not be deposited to trust funds maintained pursuant to this Section. As used in this Section, "all proceeds" means the entire amount paid by a purchaser in connection with a pre-need sales contract, including finance charges and Cemetery Care Act contributions, but excluding sales taxes and credit life insurance premiums.

(b) The seller shall act as trustee of all amounts received for cemetery merchandise, services, or undeveloped spaces until those amounts have been deposited into the trust fund. All trust deposits required by this Act shall be made within 30 days following the end of the month of receipt. The seller must retain a corporate fiduciary as an independent trustee for any amount of trust funds. Upon 30 days prior written notice from the seller to the Comptroller, the seller may change the trustee of the trust fund. Failure to provide the Comptroller with timely prior notice is an intentional violation of this Act.

(c) A trust established under this Act must be maintained with a corporate fiduciary as defined in Section 1-5.05 of the Corporate Fiduciary Act. :

~~(1) in a trust account established in a bank, savings and loan association or credit union authorized to do business in Illinois where such accounts are insured by an agency of the federal government;~~

~~(2) in a trust company authorized to do business in Illinois; or~~

~~(3) in an investment company authorized to do business in Illinois insured by the Securities Brokers Insurance Corporation.~~

(d) Funds deposited in the trust account shall be identified in the records of the seller by the name of the purchaser. Nothing shall prevent the trustee from commingling the deposits in any such trust fund for purposes of the management thereof and the investment of funds therein as provided in the "Common Trust Fund Act", approved June 24, 1949, as amended. In addition, multiple trust funds maintained pursuant to this Act may be commingled or commingled with other funeral or burial related trust funds, provided that all record keeping requirements imposed by or pursuant to law are met.

(e) In lieu of a pre-construction trust fund, a seller of undeveloped interment, entombment or inurnment spaces may obtain and file with the Comptroller a performance bond in an amount at least equal to 50% of the sales price of the undeveloped spaces or the estimated cost of completing construction, whichever is greater. The bond shall be conditioned on the satisfactory construction and completion of the undeveloped spaces as required in Section 19 of this Act.

Each bond obtained under this Section shall have as surety thereon a corporate surety company incorporated under the laws of the United States, or a State, the District of Columbia or a territory or possession of the United States. Each such corporate surety company must be authorized to provide performance bonds as required by this Section, have paid-up capital of at least \$250,000 in cash or its equivalent and be able to carry out its contracts. Each pre-need seller must provide to the Comptroller, for each corporate surety company such seller utilizes, a statement of assets and liabilities of the corporate surety company sworn to by the president and secretary of the corporation by January 1 of each year.

The Comptroller shall prohibit pre-need sellers from doing new business with a corporate surety company if the company is insolvent or is in violation of this Section. In addition the Comptroller may direct a pre-need seller to reinstate a pre-construction trust fund upon the Comptroller's determination that the corporate surety company no longer is sufficient security.

All performance bonds issued pursuant to this Section must be irrevocable during the statutory term for completing construction specified in Section 19 of this Act, unless terminated sooner by the completion of construction.

(f) Whenever any pre-need contract shall be entered into and include 1) items of cemetery merchandise and cemetery services, and 2) rights to interment, inurnment or entombment in completed spaces without allocation of the gross sale price among the items sold, the application of payments received under the contract shall be allocated, first to the right to interment, inurnment or entombment, second to items of cemetery merchandise and cemetery services, unless some other allocation is clearly provided in the contract.

(g) Any person engaging in pre-need sales who enters into a combination sale which involves the sale of items covered by a trust or performance bond requirement and any item not covered by any entrustment or bond requirement, shall be prohibited from increasing the gross sales price of those items not requiring entrustment with the purpose of allocating a lesser gross sales price to items which require a trust deposit or a performance bond.

(815 ILCS 390/16) (from Ch. 21, par. 216)

Sec. 16. Trust funds; disbursements.

(a) A trustee shall make no disbursements from the trust fund except as provided in this Act.

(b) A trustee has a duty to invest and manage the trust assets pursuant to the Prudent Investor Rule under the Trusts and Trustees Act. Whenever the seller changes trustees pursuant to this Act, the trustee must provide written notice of the change in trustees to the Comptroller no less than 28 days prior to the effective date of such a change in trustee. The trustee has an ongoing duty to provide the Comptroller with a current and true copy of the trust agreement under which the trust funds are held pursuant to this Act. shall, with respect to the investment of such trust funds, exercise the judgment and care under the circumstances then prevailing which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not in regard to speculation, but in regard to the permanent disposition of their funds, considering the probable income as well as the probable safety of their capital.

~~The seller shall act as trustee of all amounts received for cemetery merchandise, services, or undeveloped spaces until those amounts have been deposited into the trust fund. The seller may continue to be the trustee of up to \$500,000 that has been deposited into the trust fund, but the seller must retain an independent trustee for any amount of trust funds in excess of \$500,000. A seller holding trust funds in excess of \$500,000 must retain an independent trustee for its trust funds in excess of \$500,000 as soon as may be practical. The Comptroller shall have the right to disqualify the trustee upon the same grounds as for refusing to grant or revoking a license hereunder. Upon notice to the Comptroller, the seller may change the trustee of the trust fund.~~

(c) The trustee may rely upon certifications and affidavits made to it under the provisions of this Act, and shall not be liable to any person for such reliance.

(d) A trustee shall be allowed to withdraw from the trust funds maintained pursuant to this Act, ~~payable solely from the income earned on such trust funds,~~ a reasonable fee pursuant to the Trusts and Trustees Act for all usual and customary services for the operation of the trust fund, including, but not limited to trustee fees, investment advisor fees, allocation fees, annual audit fees and other similar fees. The maximum amount allowed to be withdrawn for these fees each year shall be the lesser of 3% of the balance of the trust calculated on an annual basis or the amount of annual income generated therefrom.

(e) The trust shall be a single-purpose trust fund. In the event of the seller's bankruptcy, insolvency or assignment for the benefit of creditors, or an adverse judgment, the trust funds shall not be available to any creditor as assets of the seller or to pay any expenses of any bankruptcy or similar proceeding, but shall be distributed to the purchasers or managed for their benefit by the trustee holding the funds. Except in an action by the Comptroller to revoke a license issued pursuant to this Act and for creation of a receivership as provided in this Act, the trust shall not be subject to judgment, execution, garnishment, attachment, or other seizure by process in bankruptcy or otherwise, nor to sale, pledge, mortgage, or other alienation, and shall not be assignable except as approved by the Comptroller. The changes made by this amendatory Act of the 91st General Assembly are intended to clarify existing law regarding the inability of licensees to pledge the trust.

(f) Because it is not known at the time of deposit or at the time that income is earned on the trust account to whom the principal and the accumulated earnings will be distributed, for purposes of determining the Illinois Income Tax due on these trust funds, the principal and any accrued earnings or losses relating to each individual account shall be held in suspense until the final determination is made as to whom the account shall be paid.

(g) A trustee shall at least annually furnish to each purchaser a statement identifying: (1) the receipts, disbursements, and inventory of the trust, including an explanation of any fees or expenses charged by the trustee under paragraph (d) of this Section or otherwise, (2) an explanation of the purchaser's right to a refund, if any, under this Act, and (3) the primary regulator of the trust as a corporate fiduciary under state or federal law.

Vernon Community Based Outpatient Clinic, the Bob Michel VA Outpatient Clinic in Peoria, the Quincy VA Clinic, and the Springfield VA Outpatient Clinic; and

WHEREAS, Our nation's veterans deserve to expect that their post-service needs will be addressed, particularly when involving their health and welfare; and, moreover, in tough economic times it is especially important to avoid budget cuts affecting the quality of care our veterans receive; and

WHEREAS, While grateful for the medical facilities already located throughout Illinois, veterans of this State express concerns regarding the lack of a centrally located Veterans Administration hospital in the State; and the Director of the Illinois Department of Veterans' Affairs agrees, citing that no medical facility for our State's veterans in the central part of Illinois is a problem; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge Congress to promulgate the establishment of a Central Illinois VA hospital in Peoria; and be it further

RESOLVED, That suitable copies of this resolution be presented to the Honorable Eric K. Shinseki, Secretary of the U.S. Department of Veterans Affairs, and to each member of the Illinois congressional delegation.

HOUSE RESOLUTION 416

Offered by Representative Watson:

WHEREAS, In accordance with House Resolution 510, offered by Representative Ron Stephens during the 94th General Assembly, it has been fitting that each year in observance of Memorial Day that the Illinois House of Representatives has continued the established memorial tradition of honoring our fallen brothers and sisters by reading an annual list of all of the names of those American soldiers, sailors, airman, and marines from the State of Illinois that have given the ultimate sacrifice in the preceding year since the previous tribute; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that on May 26, 2009, the Illinois House of Representatives shall read the names of all of the soldiers, sailors, airman, and marines from each of the branches of the United States and Illinois military reserve and guard units, who have given their lives in the line of duty during the year since the last tribute; and be it further

RESOLVED, That the Clerk of the House shall, as has become tradition, preface the tributary reading of names of those fallen heroes with the reciting of a quote from President Abraham Lincoln's Gettysburg Address: "The world will little note, nor long remember what we say here, but it can never forget what they did here. It is for us the living, rather, to be dedicated here to the unfinished work which they who fought here have thus far so nobly advanced. It is rather for us to be dedicated to the great task remaining before

us, that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion, that we here highly resolve that these dead shall not have died in vain, that this nation, under God, shall have a new birth of freedom, and that government of the people, by the people, for the people, shall not perish from the earth."; and be it further

RESOLVED, That a copy of this resolution and a copy of the ceremonial honor roll and program of the May 26, 2009 reading of names be presented to the families of those fallen heroes.

HOUSE RESOLUTION 417

Offered by Representative Reis:

WHEREAS, During these final weeks of the Spring 2009 Legislative Session, lawmakers will be forced to make hard choices as State revenues continue to deteriorate and the Illinois budget outlook for Fiscal Year 2010 hemorrhages with red ink; and

WHEREAS, Planned Parenthood, the alleged not-for-profit abortion business, in fiscal year 2007, brought in \$1.0179 billion in gross revenue and, according to the Planned Parenthood Federation of America's Annual Report for 2006-2007, of that nearly \$1.02 billion, \$336.7 million came from government grants and contracts at both state and federal levels; and

WHEREAS, In the State of Illinois, taxpayers have provided over \$25 million in funding to Planned Parenthood over the past five years for an average of \$5 million per year; and

WHEREAS, Whatever one's views on abortion, the fact remains that the government, while trying to regain a steady financial foothold, should focus on providing financial assistance for basic, vital healthcare needs to those who need it most and that will affect the most citizens, not subsidizing a controversial operation that has no problem raising money on its own accord; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the State of Illinois discontinue State funding of Planned Parenthood and to more prudently spend our precious tax dollars by helping to pay our current healthcare obligations and to provide healthcare for all Illinoisans.

WHEREAS, There is no clear rationale for requiring Illinois citizens to display identification to access a State office as many citizens do not possess any form of State-issued identification or do not carry it on their person every day; and

WHEREAS, State government must be as open and accessible to citizens and taxpayers as possible; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the management of the James R.
