HOUSE RESOLUTION 914

Offered by Representative Graham:

WHEREAS, Dedicated individuals, volunteers, communities, and organizations have contributed their time, talents, and efforts to working towards alleviating homelessness in Illinois; and

WHEREAS, The purpose of this resolution aims to secure continual and extended federal funding so that State-wide programs, organizations, support systems, and initiatives can continue their work of improving the quality of life for people experiencing homelessness in Illinois; and

WHEREAS, Congress enacted the American Recovery and Reinvestment Act of 2009 (ARRA) which, along with other provisions, authorized an estimated \$11.72 billion in additional federal funding for States to utilize in support of programs, organizations, and initiatives working towards reducing homelessness and the factors that cause it; and

WHEREAS, The Obama Administration awarded approximately \$80 million in grants throughout Illinois to support existing initiatives to reduce homelessness, such as the Continuum of Care programs that provide relief services including permanent and temporary housing for individuals experiencing homelessness and work to alleviate the causes of homelessness by supplying additional services such as job training, health care, mental health counseling, substance abuse treatment, and child care; and

WHEREAS, A national survey conducted in 2007 by the National Law Center on Homelessness and Poverty estimated that between 2.3 and 3.5 million people experience homelessness each year and anticipated a dramatic increase in the population of Americans experiencing homelessness over the next several years; and

WHEREAS, The National Alliance to End Homelessness found that in 2007 an estimated 15,487 people in Illinois experienced homelessness, and that 44% of those homeless persons have families; and in another report released the following year, the United States Conference of Mayors indicated that cities witnessed an average increase of 12% of residents experiencing homelessness since 2007; and

WHEREAS, The National Alliance to End Homelessness reported that the current economic situation will force an additional 1.5 million people into homelessness during the next two years, and the National Coalition for the Homeless released a report in July 2009 revealing that the recent national foreclosure crisis has caused homelessness to rise dramatically; and

WHEREAS, Even though the current economic climate has caused Illinois to face severe unprecedented budget shortfalls, the generous grants awarded by President Obama have prevented even more drastic budget cuts that would have been implemented had this increase in funding not been available; and

WHEREAS, Illinois legislators will approach the Fiscal Year 2011 budget with as much caution as the Fiscal Year 2010 budget, yet it is estimated that lagging revenues and continued spending pressures will result in an even larger deficit, and, without an infusion of funding from borrowing or another source, the State's fiscal health will continue to decline; and

WHEREAS, Multiple and varied groups throughout Illinois are actively engaging in efforts to ameliorate the factors that contribute to homelessness, as well as the condition of homelessness itself; and

WHEREAS, Illinois programs such as West Suburban PADS annually assist over 850 people, including more than 92 families, and over 158 children by offering more than 12,170 nights of emergency shelter, 39,178 meals, 22,180 days and nights of housing, and re-housing or preventing the loss of housing for 352 men, women, and children; and

WHEREAS, Illinois programs such as West Suburban PADS rely on federal funding as the primary source for 5 housing programs that provide supportive services such as: basic needs (showers, laundry, transportation passes, identification cards, and telecommunications equipment to facilitate long-term employment), case management services, benefits coordination, housing location and retention, employment services, medical clinics, and legal clinics; and

WHEREAS, Illinois programs such as Inner Voice have received federal grants from government initiatives such as the American Recovery and Reinvestment Act (ARRA) to bolster their programs which include supportive services that annually assist over 1,400 people who are homeless or at immediate risk of becoming homeless and provide shelter and beds for over 1,000 homeless individuals or families in need of

emergency shelter during the year; and

WHEREAS, Illinois programs serving the downstate area, such as M.E.R.C.Y, annually provide over 30 families with transitional living and permanent supportive housing services and report a sharp increase in inquiries for services, a substantial increase in referrals from neighboring communities for supportive services, and identify children (there are currently over 413 homeless children in Springfield, Illinois public schools) as the most underserved group by federal efforts intended to alleviate homelessness; and

WHEREAS, Additional federal funding would allow Illinois programs such as West Suburban PADS, Inner Voice, and M.E.R.C.Y. to continue their efforts on a larger scale by providing them with the resources to reach more people, to provide more services, and thus to contribute on a much broader scale to alleviating both the problems and the factors that cause homelessness; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we respectfully urge Congress and all members of the Illinois Congressional Delegation to support the continuation and extension of federal funding directed towards eliminating the condition of homelessness in Illinois that was made available by Government initiatives such as the American Reinvestment and Recovery Act of 2009 and grants by President Obama; and be it further

RESOLVED, That after adoption, suitable copies of this resolution shall be delivered by the Clerk of the Illinois House of Representatives to each member of the Illinois Congressional Delegation and to President Obama.

HOUSE JOINT RESOLUTION 97

Offered by Representative Bradley:

WHEREAS, The reaction time of motorists using cellular phones slows dramatically, increasing the risk of automobile accidents and tying up traffic generally; and

WHEREAS, Cell phone distraction causes 2,600 deaths and 330,000 injuries in the United States every year; and

WHEREAS, The numbers of fatalities and injuries may be higher because data on cell phone use by motorists is limited; and

WHEREAS, Increasing cell phone use can be expected to cause the annual death estimate to rise; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that State, county, and municipal law enforcement personnel are requested to include in their police reports of automobile accidents information pertaining to if an accident involved the use of a cellular phone; and be it further

(b) A mandated requirement that is not funded is not enforceable while not funded unless the bill implementing the mandated requirement passed with the concurrence of at least three-fifths of the members elected to each house of the General Assembly and specifically states that it is a non-reimbursable mandate under this subsection.

SCHEDULE

This Constitutional Amendment takes effect upon being declared adopted in accordance with Section 7 of the Illinois Constitutional Amendment Act.

The foregoing HOUSE JOINT RESOLUTION CONSTITUTIONAL AMENDMENT 52 was taken up, read in full a first time, ordered reproduced and placed in the Committee on Rules.

**HOUSE JOINT RESOLUTION
CONSTITUTIONAL AMENDMENT 53**

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that there shall be submitted to the electors of the State for adoption or rejection at the general election next occurring at least 6 months after the adoption of this resolution a proposition to add Section 7 to Article III of the Illinois Constitution as follows:

ARTICLE III
SUFFRAGE AND ELECTIONS

SECTION 7. RECALL OF EXECUTIVE OFFICERS AND MEMBERS OF THE GENERAL ASSEMBLY

(a) Electors may petition for the recall of an executive branch officer as identified in Section 1 of Article V or a member of the General Assembly. If the recall petition is valid, on a separate ballot the question "Shall (officer) be recalled from the office of (office)" must be submitted to the electors, along with the names of any candidates certified for the successor election, at a special election called by the State Board

of Elections or at a regularly scheduled election to occur not more than 100 days after the date of certification of the recall petition. The officer or member subject to recall may be a candidate in the successor election.

(b) An executive branch officer or member of the General Assembly is immediately removed upon certification of the recall election results if a majority of the electors voting on the question vote to recall the officer or member. If an officer or member is recalled, the candidate who receives the highest number of votes in the successor election is elected successor for the balance of the term. Once a recall election petition is certified, the petition may not be withdrawn and another recall petition may not be initiated against that officer or member during the remainder of his or her current term of office.

(c) Any elector of the State, or the applicable Legislative or Representative District, may file an affidavit with the State Board of Elections providing notice of intent to circulate a petition to recall an officer or member no sooner than 6 months after the beginning of the officer's or member's current term of office. The affidavit must identify the name of the officer or member and the office to be recalled, the name and address of the proponents of the recall petition, and the date of filing with the State Board of Elections. A recall petition shall not be circulated prior to filing the affidavit, and a recall petition must be filed with the State Board of Elections no later than 160 days after filing the affidavit.

(d) A petition to recall an executive branch officer must include signatures of electors of the State equal to at least 25% of the total votes cast for the office in the election at which the officer was elected, with signatures equal to at least 1% of the vote for the office from at least 5 separate counties. A petition to recall a member of the General Assembly must be signed by electors of the respective Legislative District or Representative District equal to at least 20% of the total votes cast for the office in the election at which the member was elected. The form, circulation, and manner of filing a recall petition shall comply with the requirements provided by law for a statewide advisory public question, except the deadlines set forth in this Section.

(e) A recall petition is valid unless an objection is made within 45 days after the date the petition is filed, and an objection to the recall petition may be made in the same manner as to a candidate for the office subject to recall. The State Board of Elections shall certify the recall petition not more than 105 days after the date the recall petition is filed. Any recall petition or election pending on the date of the next general election at which a candidate for the office subject to recall is elected is moot.

(f) If a recall election is initiated, the name of no successor candidate may appear on the ballot unless a nominating petition has been filed with the State Board of Elections no more than 40 days after filing of the recall petition. The nominating petition of an established party candidate must contain the same number of signatures and be circulated in the same manner as an established party candidate for nomination to the office subject to recall, except the petition must be circulated no more than 40 days prior to the last day for filing nomination petitions. The nominating petition of an independent or new party candidate must contain the same number of signatures and be circulated in the same manner as an independent or new party candidate, respectively, for election to the office subject to recall, except the petition must be circulated no more than 40 days prior to the last day for filing nomination petitions. A nominating petition may be objected to in the same manner as a candidate for the office subject to recall, unless otherwise provided by law. The State Board of Elections shall certify a valid nominating petition not more than 105 days after the date the recall petition is filed.

(g) An election to determine whether to recall an executive officer or member of the General Assembly and to elect a successor shall be proclaimed by the State Board of Elections and held not less than 60 days and no more than 100 days after the date of certification of the recall petition.

(h) The provisions of this Section are self-executing and judicially enforceable.

SCHEDULE

The State Board of Elections shall proceed, as soon as all the returns are received but no later than 31 days after the election, to canvass the votes given for and against this Constitutional Amendment, as shown by the abstracts of votes cast. If this Constitutional Amendment is approved by either three-fifths of those voting on the question or a majority of those voting in the election, then the State Board of Elections shall declare the adoption of this Constitutional Amendment and it shall, upon declaration of its adoption, take effect and become a part of the Constitution of this State. This Schedule supersedes and applies notwithstanding any statute to the contrary, and no other requirements, including without limitation proclamation of the results of the vote or notice by publication, are necessary for its effectiveness.
