The results of the examinations conducted by other merit systems may not be used unless they are comparable in difficulty and comprehensiveness to examinations conducted by the Department of Central Management Services for similar positions. Special linguistic options may also be established where deemed appropriate.

Beginning with the 6th month after the month during which this amendatory Act of the 96th General Assembly becomes law, within 10 calendar days after the end of each month, the Department must post on its Internet website a list showing the total number of those taking competitive examinations for employment during that month and receiving a "superior", "A", or otherwise designated highest test result, together with a breakdown of that total number categorizing the number of applicants receiving that highest grade by race as follows: African American, Hispanic, Asian American, Native American, Caucasian, and Other. The list shall include only numbers and shall not identify individuals by name.

(105 ILCS 5/21-14) (from Ch. 122, par. 21-14)

Sec. 21-14. Registration and renewal of certificates.

(a) A limited four-year certificate or a certificate issued after July 1, 1955, shall be renewable at its expiration or within 60 days thereafter by the county superintendent of schools having supervision and control over the school where the teacher is teaching upon certified evidence of meeting the requirements for renewal as required by this Act and prescribed by the State Board of Education in consultation with the State Teacher Certification Board. An elementary supervisory certificate shall not be renewed at the end of the first four-year period covered by the certificate unless the holder thereof has filed certified evidence with the State Teacher Certification Board that he has a master's degree or that he has earned 8 semester hours of credit in the field of educational administration and supervision in a recognized institution of higher learning. The holder shall continue to earn 8 semester hours of credit each four-year period until such time as he has earned a master's degree.

All certificates not renewed or registered as herein provided shall lapse after a period of 5 years from the expiration of the last year of registration. Such certificates may be reinstated for a one year period upon payment of all accumulated registration fees. Such reinstated certificates shall only be renewed: (1) by earning 5 semester hours of credit in a recognized institution of higher learning in the field of professional education or in courses related to the holder's contractual teaching duties; or (2) by presenting evidence of holding a valid regular certificate of some other type. Any certificate may be voluntarily surrendered by the certificate holder. A voluntarily surrendered certificate shall be treated as a revoked certificate.

(b) When those teaching certificates issued before February 15, 2000 are renewed for the first time after February 15, 2000, all such teaching certificates shall be exchanged for Standard Teaching Certificates as provided in subsection (c) of Section 21-2. All Initial and Standard Teaching Certificates, including those issued to persons who previously held teaching certificates issued before February 15, 2000, shall be renewable under the conditions set forth in this subsection (b).

Initial Teaching Certificates are valid for 4 years of teaching, as provided in subsection (b) of Section 21-2 of this Code, and are renewable every 4 years until the person completes 4 years of teaching. If the holder of an Initial Certificate has completed 4 years of teaching but has not completed the requirements set forth in paragraph (2) of subsection (c) of Section 21-2 of this Code, then the Initial Certificate may be

reinstated for one year, during which the requirements must be met. A holder of an Initial Certificate who has not completed 4 years of teaching may continuously register the certificate for additional 4-year periods without penalty. Initial Certificates that are not registered shall lapse consistent with subsection (a) of this Section and may be reinstated only in accordance with subsection (a). Standard Teaching Certificates are renewable every 5 years as provided in subsection (c) of Section 21-2 and subsection (c) of this Section. For purposes of this Section, "teaching" is defined as employment and performance of services in an Illinois public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control, in a certificated teaching position, or a charter school operating in compliance with the Charter Schools Law.

(c) In compliance with subsection (c) of Section 21-2 of this Code, which provides that a Standard Teaching Certificate may be renewed by the State Teacher Certification Board based upon proof of continuing professional development, the State Board of Education and the State Teacher Certification Board shall jointly:

- (1) establish a procedure for renewing Standard Teaching Certificates, which shall include but not be limited to annual timelines for the renewal process and the components set forth in subsections (d) through (k) of this Section;
- (2) establish the standards for certificate renewal;
- (3) approve or disapprove the providers of continuing professional development activities;
- (4) determine the maximum credit for each category of continuing professional development activities, based upon recommendations submitted by a continuing professional development activity task force, which shall consist of 6 staff members from the State Board of Education, appointed by the State Superintendent of Education, and 6 teacher representatives, 3 of whom are selected by the Illinois Education Association and 3 of whom are selected by the Illinois Federation of Teachers;
- (5) designate the type and amount of documentation required to show that continuing professional development activities have been completed; and
- (6) provide, on a timely basis to all Illinois teachers, certificate holders, regional superintendents of schools, school districts, and others with an interest in continuing professional development, information about the standards and requirements established pursuant to this subsection (c).

(d) Any Standard Teaching Certificate held by an individual employed and performing services in an Illinois public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control in a certificated teaching position or a charter school in compliance with the Charter Schools Law must be maintained Valid and Active through certificate renewal activities specified in the certificate renewal procedure established pursuant to subsection (c) of this Section, provided that a holder of a Valid and Active certificate who is only employed on either a part-time basis or day-to-day basis as a substitute teacher shall pay only the required registration fee to renew his or her certificate and maintain it as Valid and Active. All other Standard Teaching Certificates held may be maintained as Valid and Exempt through the registration process provided for in the certificate renewal procedure established pursuant to subsection (c) of this Section. A Valid and Exempt certificate must be immediately activated, through procedures developed jointly by the State Board of Education and the State Teacher Certification Board, upon the certificate holder becoming employed and performing services in an Illinois public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control in a certificated teaching position or a charter school operating in compliance with the Charter Schools Law. A holder of a Valid and Exempt certificate may activate his or her certificate through procedures provided for in the certificate renewal procedure established pursuant to subsection (c) of this Section.

(e)(1) A Standard Teaching Certificate that has been maintained as Valid and Active for the 5 years of the certificate's validity shall be renewed as Valid and Active upon the certificate holder: (i) completing an advanced degree from an approved institution in an education-related field; (ii) completing at least 8 semester hours of coursework as described in subdivision (B) of paragraph (3) of this subsection (e); (iii) (blank); (iv) completing the National Board for Professional Teaching Standards process as described in subdivision (D) of paragraph (3) of this subsection (e); or (v) earning 120 continuing professional development units ("CPDU") as described in subdivision (E) of paragraph (3) of this subsection (e). The maximum continuing professional development units for each continuing professional development activity identified in subdivisions (F) through (J) of paragraph (3) of this subsection (e) shall be jointly determined

by the State Board of Education and the State Teacher Certification Board. If, however, the certificate holder has maintained the certificate as Valid and Exempt for a portion of the 5-year period of validity, the number of continuing professional development units needed to renew the certificate as Valid and Active shall be proportionately reduced by the amount of time the certificate was Valid and Exempt. Furthermore, if a certificate holder is employed and performs teaching services on a part-time basis for all or a portion of the certificate's 5-year period of validity, the number of continuing professional development units needed to renew the certificate as Valid and Active shall be reduced by 50% for the amount of time the certificate holder has been employed and performed teaching services on a part-time basis. Part-time shall be defined as less than 50% of the school day or school term.

Notwithstanding any other requirements to the contrary, if a Standard Teaching Certificate has been maintained as Valid and Active for the 5 years of the certificate's validity and the certificate holder has completed his or her certificate renewal plan before July 1, 2002, the certificate shall be renewed as Valid and Active.

(2) Beginning July 1, 2004, in order to satisfy the requirements for continuing professional development provided for in subsection (c) of Section 21-2 of this Code, each Valid and Active Standard Teaching Certificate holder shall complete professional development activities that address the certificate or those certificates that are required of his or her certificated teaching position, if the certificate holder is employed and performing services in an Illinois public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control, or that certificate or those certificates most closely related to his or her teaching position, if the certificate holder is employed in a charter school. (B) Develop the certificate holder's knowledge and skills in areas determined to be critical for all Illinois teachers, as defined by the State Board of Education, known as "State priorities".

(C) Address the knowledge, skills, and goals of the certificate holder's local school improvement plan, if the teacher is employed in an Illinois public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control.

Teachers who hold certificates endorsed for special education must devote at least 50% of their continuing professional development activities to this purpose. Teachers holding other certificates must devote at least 20% of their activities to this purpose.

These certificate holders shall follow the same renewal criteria and procedures as all other Standard and Master Teaching Certificate holders, except that their continuing professional development activities need not reflect or address the knowledge, skills, and goals of a local school improvement plan.

(k) (Blank).

(l) (Blank).

AMENDMENT NO. 1. Amend House Bill 5064 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Horse Racing Act of 1975 is amended by changing Section 21 as follows:  
(230 ILCS 5/21) (from Ch. 8, par. 37-21)

Sec. 21. (a) Applications for organization licenses must be filed with the Board at a time and place prescribed by the rules and regulations of the Board. The Board shall examine the applications within 21 days after the date allowed for filing with respect to their conformity with this Act and such rules and regulations as may be prescribed by the Board. If any application does not comply with this Act or the rules and regulations prescribed by the Board, such application may be rejected and an organization license refused to the applicant, or the Board may, within 21 days of the receipt of such application, advise the applicant of the deficiencies of the application under the Act or the rules and regulations of the Board, and require the submittal of an amended application within a reasonable time determined by the Board; and upon submittal of the amended application by the applicant, the Board may consider the application consistent with the process described in subsection (e-5) of Section 20 of this Act. If it is found to be in compliance with this Act and the rules and regulations of the Board, the Board may then issue an organization license to such applicant.

(b) The Board may exercise discretion in granting racing dates to qualified applicants different from those requested by the applicants in their applications. However, if all eligible applicants for organization licenses whose tracks are located within 100 miles of each other execute and submit to the Board a written agreement among such applicants as to the award of racing dates, including where applicable racing programs, for up to 3 consecutive years, then subject to annual review of each applicant's compliance with Board rules and regulations, provisions of this Act and conditions contained in annual dates orders issued by the Board, the Board may grant such dates and programs to such applicants as so agreed by them if the Board determines that the grant of these racing dates is in the best interests of racing. The Board shall treat any such agreement as the agreement signatories' joint and several application for racing dates during the term of the agreement. Unless otherwise provided by law, the Board and its employees may not, as a condition, or a factor, in determining the number of racing dates awarded to the race track require (i) the General Assembly to pass legislation; (ii) that a collective bargaining agreement be reached between the Board and any of its employees; or (iii) the inclusion of any provisions within a collective bargaining

agreement between the Board and any of its employees.

(c) Where 2 or more applicants propose to conduct horse race meetings within 35 miles of each other, as certified to the Board under Section 19 (a) (1) of this Act, on conflicting dates, the Board may determine and grant the number of racing days to be awarded to the several applicants in accordance with the provisions of subsection (e-5) of Section 20 of this Act.

(d) (Blank).

(e) Prior to the issuance of an organization license, the applicant shall file with the Board a bond payable to the State of Illinois in the sum of \$200,000, executed by the applicant and a surety company or companies authorized to do business in this State, and conditioned upon the payment by the organization licensee of all taxes due under Section 27, other monies due and payable under this Act, all purses due and payable, and that the organization licensee will upon presentation of the winning ticket or tickets distribute all sums due to the patrons of pari-mutuel pools.

(f) Each organization license shall specify the person to whom it is issued, the dates upon which horse racing is permitted, and the location, place, track, or enclosure where the horse race meeting is to be held.

(g) Any person who owns one or more race tracks within the State may seek, in its own name, a separate organization license for each race track.

HOUSE BILL 4985. Having been reproduced, was taken up and read by title a second time.

The following amendment was offered in the Committee on State Government Administration, adopted and reproduced:

AMENDMENT NO. 1. Amend House Bill 4985 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Government Electronic Records Act.

Section 5. Policy. It is the policy of the State of Illinois to support efforts to reduce government's use of our natural resources and to look for ways to implement efficiencies. Government agencies should look for ways to employ practices that allow for either or both of the following: (1) electronic storage of documents and (2) electronic transfer of documents. These environmentally-friendly practices will reduce the State's reliance on paper and may ultimately save the State money.

Section 10. Definitions.

"Board" means the Electronic Records Advisory Board.

"Electronic transfer" means transfer of documents or reports by electronic means. Appropriate electronic transfer includes, but is not limited to, transfer by electronic mail, facsimile transmission, or posting downloadable versions on an Internet website, with electronic notice of the posting.

"Government agency" means all parts, boards, and commissions of the executive branch of the State government including, but not limited to, State colleges and universities and their governing boards and all departments established by the Civil Administrative Code of Illinois.

"Record" has the meaning ascribed to it in the Illinois State Records Act (5 ILCS 160/).

Section 15. Electronic records.

(a) A record created in an electronic format is considered the same as and has the same force and effect as those records not produced by electronic means.

(b) Nothing in this Act requires any government agency or person to use an electronic record or an electronic signature if doing so could jeopardize the efficient operation of State government.

(c) Notwithstanding the requirements of this Act, government agencies that obtain, store, or use electronic records shall not refuse to accept hard copy, non-electronic forms and reports, and other paper documents for submission or filing, except as otherwise provided by law or administrative rule.

(d) Any government agency that uses electronic records shall allow any person or entity to have access to copies of those records as permitted by the Illinois Freedom of Information Act (5 ILCS 140/) or other applicable law, in paper form in accordance with the fees prescribed by statute.

Section 20. Electronic transfer of records. Notwithstanding any law to the contrary, all government agencies are encouraged to employ electronic means of transferring records when appropriate. Government agencies may send by electronic transmission any document, report, or record that State law would otherwise require to be placed in the U.S. mail. Those electronic records shall be protected as required by the Electronic Commerce Security Act (5 ILCS 175/).

Section 25. Electronic retention of documents. All government agencies are encouraged to employ electronic means of creating and retaining State records. Electronic retention of records shall be in accordance with the State Records Act (5 ILCS 160/) and with administrative rules.

Section 30. Electronic Records Advisory Board.

(a) To assist government agencies in developing and implementing electronic means of creating and

retaining electronic records, the Electronic Records Advisory Board is created. The Board's purpose is to make a formal recommendation related to the use and retention of electronic records. The Board shall consist of 9 members as follows:

- (1) the Treasurer or his or her designee.
- (2) the Secretary of State or his or her designee.
- (3) the Governor or his or her designee.
- (4) the Attorney General or his or her designee.
- (5) the Comptroller or his or her designee.
- (6) the Director of Central Management Services or his or her designee.
- (7) the University of Illinois President or his or her designee.
- (8) the Department of Central Management Services' Director of the Bureau of Communication and Computer Services or his or her designee.
- (9) the Director of the Illinois State Archives or his or her designee.

(b) Once convened, the Board shall select a chairperson from its membership. Board members who are not State employees shall receive no compensation for their services. A quorum of the Board shall meet no less than 4 times, and the first meeting shall take place no less than 60 days after the effective date of this Act. The meetings are subject to the requirements of the Open Meetings Act (5 ILCS 120/). The Treasurer's office shall provide administrative support for the creation, dissemination, retention, and disposition of Board meeting agendas, minutes, and supporting materials.

(c) By July 1, 2011, the Electronic Records Advisory Board shall produce a report recommending policies, guidelines, and best practices on specific electronic records management issues including, but not limited to, the following:

- (1) long-term maintenance of electronic records;
- (2) management of electronic files in a networked environment;
- (3) recordkeeping issues in information system development;
- (4) log file management;
- (5) management and preservation of web-based records; and
- (6) retention periods for electronic records.

The Board shall submit its policies, guidelines, and best practices recommendations to the Secretary of State and the State Records Commission. Within 45 days after the date of this report, the Secretary of State shall post the Board's recommendations on the Secretary's Internet website and distribute those recommendations to all government agencies. Upon the posting of the Board's recommendations, the Board's purpose is considered fulfilled, and the Board is thereupon dissolved.

Section 35. Application. This Act is intended to allow government agencies to transfer a record by e-mail, or retain an electronic copy, unless it conflicts with the State Records Act or its administrative rules, notwithstanding any law to the contrary. When adopting these electronic practices, government agencies shall consider the constituent's access to electronic technology. This Act does not change any State law that requires publication of information in newspapers of general circulation.

Section 40. Implementation. Within 6 months after the Secretary of State's posting of the Board's policies, guidelines, and best practices recommendations, as provided for in Section 30 of this Act, all State agencies shall review those recommendations and take all possible steps consistent with those recommendations to enhance the use of electronic means of creating, transmitting, and retaining State records. Each government agency is required by this Act to post a link to this Act on its Internet website.
