(d) Regulatory authority. The Department may, by rule:

(1) If the aggregate amounts required to be withheld under this Article 7 (other than amounts required to be withheld under Section 709.5) do not exceed

\$1,000 for the calendar year, permit employers, in lieu of the requirements of subsections (b) and (c), to file annual returns due on or before January 31 of the following year for taxes withheld or required to be withheld during that calendar year and to pay the taxes required to be shown on each such return no later than the due date for such return.

(2) Provide that any payment required to be made under subsection (c)(1) or (c)(2) is deemed to be timely to the extent paid by electronic funds transfer on or before the due date for deposit of federal income taxes withheld from, or federal employment taxes due with respect to, the wages from which the Illinois taxes were withheld.

The Department may allow the employer's return to be submitted with the employer's individual income tax return or to be submitted with a return due from the employer under Section 1400.2 of the Unemployment Insurance Act.

(f) Magnetic media and electronic filing. Any W-2 Form that, under the Internal Revenue Code and regulations promulgated thereunder, is required to be submitted to the Internal Revenue Service on magnetic media or electronically must also be submitted to the Department on magnetic media or electronically for Illinois purposes, if required by the Department.

(g) For amounts deducted or withheld after December 31, 2009, a taxpayer who makes an election under Section 5-15(f) of the Economic Development for a Growing Economy Act for a taxable year shall be allowed a credit against payments due under this Section for amounts withheld during the first calendar year beginning after the end of that taxable year equal to the amount of the credit awarded to the taxpayer by the Department of Commerce and Economic Opportunity under the Economic Development for a Growing Economy Act for the taxable year. The credit may not reduce the taxpayer's obligation for any payment due under this Section to less than zero. If the amount of the credit exceeds the total payments due under this Section with respect to amounts withheld during the calendar year, the excess may be carried forward and applied against the taxpayer's liability under this Section in the 5 succeeding calendar years. The credit shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first. This Section is exempt from the provisions of Section 250 of this Act.

"Section 1. Short title. This Act may be cited as the Veterans and Servicemembers Court Treatment Act.

Section 5. Purposes. The General Assembly recognizes that veterans and active, Reserve and National Guard servicemembers have provided or are currently providing an invaluable service to our country. In so doing, some may suffer the effects of, including but not limited to, post traumatic stress disorder, traumatic brain injury, depression and may also suffer drug and alcohol dependency or addiction and co-occurring mental illness and substance abuse problems. As a result of this, some veterans or active duty servicemembers come into contact with the criminal justice system and are charged with felony or misdemeanor offenses. There is a critical need for the criminal justice system to recognize these veterans, provide accountability for their wrongdoing, provide for the safety of the public and provide for the treatment of our veterans. It is the intent of the General Assembly to create specialized veteran and servicemember courts or programs with the necessary flexibility to meet the specialized problems faced by these veteran and servicemember defendants.

Section 10. Definitions. In this Act:

"Combination Veterans and Servicemembers Court program" means a court program that includes a pre-adjudicatory and a post-adjudicatory Veterans and Servicemembers court program.

"Court" means Veterans and Servicemembers Court.

"IDVA" means the Illinois Department of Veterans' Affairs.

"Post-adjudicatory Veterans and Servicemembers Court Program" means a program in which the defendant has admitted guilt or has been found guilty and agrees, along with the prosecution, to enter a Veterans and Servicemembers Court program as part of the defendant's sentence.

"Pre-adjudicatory Veterans and Servicemembers Court Program" means a program that allows the defendant with the consent of the prosecution, to expedite the defendant's criminal case before conviction or before filing of a criminal case and requires successful completion of the Veterans and Servicemembers Court programs as part of the agreement.

"Servicemember" means a person who is currently serving in the Army, Air Force, Marines, Navy, or Coast Guard on active duty, reserve status or in the National Guard.

"VA" means the United States Department of Veterans' Affairs.

"Veteran" means a person who served in the active military, naval, or air service and who was discharged or released therefrom under conditions other than dishonorable.

(b) Following receipt of the certified report of the municipality as specified in this Section, the Secretary of State shall notify the person whose name appears on the certified report that the person's drivers license will be suspended at the end of a specified period of time unless the Secretary of State is presented with a notice from the municipality certifying that the fine or penalty due and owing the municipality has been paid or that inclusion of that person's name on the certified report was in error. The Secretary's notice shall

state in substance the information contained in the municipality's certified report to the Secretary, and shall be effective as specified by subsection (c) of Section 6-211 of this Code.

(c) The report of the appropriate municipal official notifying the Secretary of State of unpaid fines or penalties pursuant to this Section shall be certified and shall contain the following:

(1) The name, last known address as recorded with the Secretary of State, as provided by the lessor of the cited vehicle at the time of lease, or as recorded in a United States Post Office approved database if any notice sent under Section 11-208.3 of this Code is returned as undeliverable, and drivers license number of the person who failed to pay the fine or penalty or who has defaulted in a payment plan and the registration number of any vehicle known to be registered to such person in this State.

(2) The name of the municipality making the report pursuant to this Section.

(3) A statement that the municipality sent a notice of impending drivers license suspension as prescribed by ordinance enacted pursuant to Section 11-208.3 of this Code or a notice of default in a payment plan, to the person named in the report at the address recorded with the Secretary of State or at the last address known to the lessor of the cited vehicle at the time of lease or, if any notice sent under Section 11-208.3 of this Code is returned as undeliverable, at the last known address recorded in a United States Post Office approved database; the date on which such notice was sent; and the address to which such notice was sent. A certified copy of such notification shall also be given upon request and at no additional charge to the person named therein. Upon receipt of the municipality's notification or presentation of a certified copy of such notification, the Secretary of State shall terminate the suspension.

(e) Any municipality making a certified report to the Secretary of State pursuant to this Section shall also by ordinance establish procedures for persons to challenge the accuracy of the certified report. exhaustion of judicial review procedures. An ordinance so providing shall specify that the notice sent to the person liable for any fine or penalty shall state that failure to pay the fine or penalty owing within 45 days of the notice's date will result in the municipality notifying the Secretary of State that the person's drivers license is eligible for suspension pursuant to this Section. The notice of impending drivers license suspension shall be sent by first class United States mail, postage prepaid, to the address recorded with the Secretary of State or at the last address known to the lessor of the cited vehicle at the time of lease or, if any notice sent under Section 11-208.3 of this Code is returned as undeliverable, to the last known address recorded in a United States Post Office approved database.

(h) An administrative hearing to contest an impending suspension or a suspension made pursuant to this Section may be had upon filing a written request with the Secretary of State. The filing fee for this hearing shall be \$20, to be paid at the time the request is made. A municipality which files a certified report with the Secretary of State pursuant to this Section shall reimburse the Secretary for all reasonable costs incurred by the Secretary as a result of the filing of the report, including but not limited to the costs of providing the notice required pursuant to subsection (b) and the costs incurred by the Secretary in any hearing conducted with respect to the report pursuant to this subsection and any appeal from such a hearing.

(i) The provisions of this Section shall apply on and after January 1, 1988.

(j) For purposes of this Section, the term "compliance violation" is defined as in Section 11-208.3. (Source: P.A. 96-478, eff. 1-1-10.)

HOUSE BILLS ON SECOND READING

HOUSE BILL 6205. Having been read by title a second time on March 11, 2010, and held on the order of Second Reading, the same was again taken up.

The following amendment was offered in the Committee on Human Services, adopted and reproduced.

AMENDMENT NO. 1. Amend House Bill 6205 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Reproductive Health and Access Act.

Section 5. Findings and policy. The General Assembly finds and declares that every individual possesses a fundamental right of privacy with respect to reproductive decisions.

It is the public policy of this State to ensure that all individuals have appropriate and necessary access to the full range of reproductive education, healthcare, and services, including, but not limited to, prenatal care, adoption, contraceptive care including timely access to emergency contraception, pregnancy termination, comprehensive sexual health education, and screening and treatment for sexually transmitted infections.

Section 10. Definitions. In this Act:

"Physician" means a person licensed to practice medicine in all of its branches under the Medical Practice Act of 1987.

"Pregnancy termination" or "termination of pregnancy" means any medical treatment intended to terminate a pregnancy. Pregnancy termination shall not include medical treatment conducted for the purpose of increasing the probability of the birth of a sustainable life.

"Viability" means that stage of fetal development when, in the medical judgment of the attending physician, based on the particular medical facts of the case before the physician, there is a reasonable likelihood of the sustained survival of the fetus outside of the uterus with or without artificial support.

Section 15. Prohibition of interference.

(a) Notwithstanding any other provision of this Act or any other law to the contrary, the State of Illinois, any municipality, county, township, school district, or other political subdivision of the State, or any agency, department, or division of any governmental entity shall not:

(1) deny or interfere with an individual's right to use or refuse contraception;

(2) deny or interfere with a pregnant woman's right to bear a child;

(3) deny or interfere with a pregnant woman's right to terminate a pregnancy: (i) prior to the viability of the fetus or (ii) when the abortion is necessary to protect the life or health of the pregnant woman; or

(4) require any woman to terminate pregnancy without her consent.

(b) Any party aggrieved by conduct that violates subsection (a) of this Section may bring a civil lawsuit against the offending governmental entity, including the State or Illinois or any city, county, township, school district, or other political subdivision of the State, or any agency, department or division of any such governmental entity, in a State circuit court or in a federal district court, for declaratory or injunctive relief, compensatory and punitive damages, and any other appropriate relief. A prevailing plaintiff shall, upon motion, be awarded reasonable attorneys' fees, costs and expenses, including expert witness and other litigation expenses, including where the plaintiff's pursuit of a non-frivolous claim was a catalyst for a unilateral change in position by the opposing party.

Section 20. Non-discrimination in funding. Notwithstanding any other provision of this Act or any other law to the contrary, the State shall ensure that individuals eligible for medical assistance under the Public Aid Code, or other State medical assistance, or health benefits under the Children's Health Insurance Program Act, the Covering ALL KIDS Health Insurance Act, or the Veterans' Health Insurance Program Act of 2008 shall receive coverage for reproductive healthcare at least to the same extent as other comparable services. Violation of this provision shall constitute a denial or interference in contravention of Section 15 of this Act. Such provision shall not prohibit the Department from establishing reasonable utilization control or cost containment measures designed to assure the quality, cost effectiveness, and appropriateness of healthcare services provided.

Section 25. Pregnancy terminations.

(a) Pregnancy terminations shall be performed in accordance with accepted standards of medical practice, by the method that, in the clinical judgment of the attending physician, will best serve the interests of the pregnant patient. A qualified medical professional shall not be liable for civil damages or subject to criminal penalty relating to a pregnancy termination performed in good faith and in accordance with accepted standards of medical practice.

(b) Notwithstanding any other provision of this Act or any other law to the contrary, a report of each pregnancy termination performed shall be made to the Illinois Department of Public Health on forms prescribed by the Department. Such report forms shall not identify the patient by name and shall preserve the anonymity of each woman who has obtained a pregnancy termination. The Department of Public Health shall promulgate and enforce regulations regarding the administration of these reporting requirements that secure protection of patient identity and ensure the anonymity of each woman who has undergone a pregnancy termination. Failure of the Department to preserve confidentiality and anonymity shall constitute interference in contravention of Section 15 of this Act.

Section 30. Sexual health education. Notwithstanding any other provision of this Act or any other law, all Illinois public schools shall offer medically accurate, age appropriate, comprehensive sexual health education as a part of the Comprehensive Health Education Program established in Section 3 of the Critical Health Problems and Comprehensive Health Education Act. Course material and instruction shall be free of bias in accordance with the nondiscrimination provisions of the Illinois Human Rights Act. The State Board of Education shall promulgate and enforce rules consistent with this provision.

Section 35. Construction. This Act and the rules now or hereafter applicable thereto shall be liberally construed consistent with the public policies announced in this Act.

Section 40. Parental notice. Notwithstanding any other provision of this Act, nothing in this Act shall be construed to repeal, amend, or otherwise change the Illinois Parental Notice of Abortion Act of 1995. To the extent that this Act conflicts with the Illinois Parental Notice of Abortion Act of 1995, the Illinois Parental Notice of Abortion Act of 1995 controls.

Section 45. Other Acts. Notwithstanding any other provision of this Act, nothing in this Act shall be construed to repeal, amend, or otherwise change the Health Care Right of Conscience Act. To the extent that this Act conflicts with the Health Care Right of Conscience Act, the Health Care Right of Conscience Act controls.

Section 85. The State Employees Group Insurance Act of 1971 is amended by changing Section 6 as follows:

(5 ILCS 375/6) (from Ch. 127, par. 526)

Sec. 6. Program of health benefits.

(a) The program of health benefits shall provide for protection against the financial costs of health care expenses incurred in and out of hospital including basic hospital-surgical-medical coverages. The program may include, but shall not be limited to, such supplemental coverages as out-patient diagnostic X-ray and laboratory expenses, prescription drugs, dental services, hearing evaluations, hearing aids, the dispensing and fitting of hearing aids, and similar group benefits as are now or may become available. ~~However, nothing in this Act shall be construed to permit, on or after July 1, 1980, the non-contributory portion of any such program to include the expenses of obtaining an abortion, induced miscarriage or induced premature birth unless, in the opinion of a physician, such procedures are necessary for the preservation of the life of the woman seeking such treatment, or except an induced premature birth intended to produce a live viable child and such procedure is necessary for the health of the mother or the unborn child.~~ The program may also include coverage for those who rely on treatment by prayer or spiritual means alone for healing in accordance with the tenets and practice of a recognized religious denomination.

The program of health benefits shall be designed by the Director (1) to provide a reasonable relationship between the benefits to be included and the expected distribution of expenses of each such type to be

incurred by the covered members and dependents, (2) to specify, as covered benefits and as optional benefits, the medical services of practitioners in all categories licensed under the Medical Practice Act of 1987, (3) to include reasonable controls, which may include deductible and co-insurance provisions, applicable to some or all of the benefits, or a coordination of benefits provision, to prevent or minimize unnecessary utilization of the various hospital, surgical and medical expenses to be provided and to provide reasonable assurance of stability of the program, and (4) to provide benefits to the extent possible to members throughout the State, wherever located, on an equitable basis. Notwithstanding any other provision of this Section or Act, for all members or dependents who are eligible for benefits under Social Security or the Railroad Retirement system or who had sufficient Medicare-covered government employment, the Department shall reduce benefits which would otherwise be paid by Medicare, by the amount of benefits for which the member or dependents are eligible under Medicare, except that such reduction in benefits shall apply only to those members or dependents who (1) first become eligible for such Medicare coverage on or after the effective date of this amendatory Act of 1992; or (2) are Medicare-eligible members or dependents of a local government unit which began participation in the program on or after July 1, 1992; or (3) remain eligible for but no longer receive Medicare coverage which they had been receiving on or after the effective date of this amendatory Act of 1992.

Notwithstanding any other provisions of this Act, where a covered member or dependents are eligible for benefits under the federal Medicare health insurance program (Title XVIII of the Social Security Act as added by Public Law 89-97, 89th Congress), benefits paid under the State of Illinois program or plan will be reduced by the amount of benefits paid by Medicare. For members or dependents who are eligible for benefits under Social Security or the Railroad Retirement system or who had sufficient Medicare-covered government employment, benefits shall be reduced by the amount for which the member or dependent is eligible under Medicare, except that such reduction in benefits shall apply only to those members or dependents who (1) first become eligible for such Medicare coverage on or after the effective date of this amendatory Act of 1992; or (2) are Medicare-eligible members or dependents of a local government unit which began participation in the program on or after July 1, 1992; or (3) remain eligible for, but no longer receive Medicare coverage which they had been receiving on or after the effective date of this amendatory Act of 1992. Premiums may be adjusted, where applicable, to an amount deemed by the Director to be reasonably consistent with any reduction of benefits.

(b) A member, not otherwise covered by this Act, who has retired as a participating member under Article 2 of the Illinois Pension Code but is ineligible for the retirement annuity under Section 2-119 of the Illinois Pension Code, shall pay the premiums for coverage, not exceeding the amount paid by the State for the non-contributory coverage for other members, under the group health benefits program under this Act. The Director shall determine the premiums to be paid by a member under this subsection (b). (Source: P.A. 93-47, eff. 7-1-03.)

Section 90. The Critical Health Problems and Comprehensive Health Education Act is amended by changing Section 3 as follows:

(105 ILCS 110/3)

Sec. 3. Comprehensive Health Education Program. The program established under this Act shall include, but not be limited to, the following major educational areas as a basis for curricula in all elementary and secondary schools in this State: human ecology and health, human growth and development, the emotional, psychological, physiological, hygienic and social responsibilities of family life, including sexual abstinence ~~until marriage~~, prevention and control of disease, including instruction in grades 6 through 12 on the prevention, transmission and spread of AIDS, sexual assault awareness in secondary schools, public and environmental health, consumer health, safety education and disaster survival, mental health and illness, personal health habits, alcohol, drug use, and abuse including the medical and legal ramifications of alcohol, drug, and tobacco use, abuse during pregnancy, sexual abstinence ~~until marriage~~, tobacco, nutrition, and dental health. The program shall also provide course material and instruction to advise pupils of the Abandoned Newborn Infant Protection Act. The program shall include information about cancer, including without limitation types of cancer, signs and symptoms, risk factors, the importance of early prevention and detection, and information on where to go for help. Notwithstanding the above educational areas, the following areas may also be included as a basis for curricula in all elementary and secondary schools in this State: basic first aid (including, but not limited to, cardiopulmonary resuscitation and the Heimlich maneuver), heart disease, diabetes, stroke, the prevention of child abuse, neglect, and suicide, and teen dating violence in grades 8 through 12.

The school board of each public elementary and secondary school in the State shall encourage all teachers and other school personnel to acquire, develop, and maintain the knowledge and skills necessary to

properly administer life-saving techniques, including without limitation the Heimlich maneuver and rescue breathing. The training shall be in accordance with standards of the American Red Cross, the American Heart Association, or another nationally recognized certifying organization. A school board may use the services of non-governmental entities whose personnel have expertise in life-saving techniques to instruct teachers and other school personnel in these techniques. Each school board is encouraged to have in its employ, or on its volunteer staff, at least one person who is certified, by the American Red Cross or by another qualified certifying agency, as qualified to administer first aid and cardiopulmonary resuscitation. In addition, each school board is authorized to allocate appropriate portions of its institute or inservice days to conduct training programs for teachers and other school personnel who have expressed an interest in becoming qualified to administer emergency first aid or cardiopulmonary resuscitation. School boards are urged to encourage their teachers and other school personnel who coach school athletic programs and other extracurricular school activities to acquire, develop, and maintain the knowledge and skills necessary to properly administer first aid and cardiopulmonary resuscitation in accordance with standards and requirements established by the American Red Cross or another qualified certifying agency. Subject to appropriation, the State Board of Education shall establish and administer a matching grant program to pay for half of the cost that a school district incurs in training those teachers and other school personnel who express an interest in becoming qualified to administer cardiopulmonary resuscitation (which training must be in accordance with standards of the American Red Cross, the American Heart Association, or another nationally recognized certifying organization) or in learning how to use an automated external defibrillator. A school district that applies for a grant must demonstrate that it has funds to pay half of the cost of the training for which matching grant money is sought. The State Board of Education shall award the grants on a first-come, first-serve basis.

No pupil shall be required to take or participate in any class or course on comprehensive sexual health education, AIDS, or family life instruction if his parent or guardian submits written objection thereto, and refusal to take or participate in the course or program shall not be reason for suspension or expulsion of the pupil.

Curricula developed under programs established in accordance with this Act in the major educational area of alcohol and drug use and abuse shall include classroom instruction in grades 5 through 12. The instruction, which shall include matters relating to both the physical and legal effects and ramifications of drug and substance abuse, shall be integrated into existing curricula; and the State Board of Education shall develop and make available to all elementary and secondary schools in this State instructional materials and guidelines which will assist the schools in incorporating the instruction into their existing curricula. In addition, school districts may offer, as part of existing curricula during the school day or as part of an after school program, support services and instruction for pupils or pupils whose parent, parents, or guardians are chemically dependent.

(305 ILCS 5/5-5) (from Ch. 23, par. 5-5)

(Text of Section before amendment by P.A. 96-806)

Sec. 5-5. Medical services. The Illinois Department, by rule, shall determine the quantity and quality of and the rate of reimbursement for the medical assistance for which payment will be authorized, and the medical services to be provided, which may include all or part of the following: (1) inpatient hospital services; (2) outpatient hospital services; (3) other laboratory and X-ray services; (4) skilled nursing home services; (5) physicians' services whether furnished in the office, the patient's home, a hospital, a skilled nursing home, or elsewhere; (6) medical care, or any other type of remedial care furnished by licensed practitioners; (7) home health care services; (8) private duty nursing service; (9) clinic services; (10) dental services, including prevention and treatment of periodontal disease and dental caries disease for pregnant women, provided by an individual licensed to practice dentistry or dental surgery; for purposes of this item (10), "dental services" means diagnostic, preventive, or corrective procedures provided by or under the supervision of a dentist in the practice of his or her profession; (11) physical therapy and related services; (12) prescribed drugs, dentures, and prosthetic devices; and eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select; (13) other diagnostic, screening, preventive, and rehabilitative services; (14) transportation and such other expenses as may be necessary; (15) medical treatment of sexual assault survivors, as defined in Section 1a of the Sexual Assault Survivors Emergency Treatment Act, for injuries sustained as a result of the sexual assault, including examinations and laboratory tests to discover evidence which may be used in criminal proceedings arising

from the sexual assault; (16) the diagnosis and treatment of sickle cell anemia; and (17) any other medical care, and any other type of remedial care recognized under the laws of this State, ~~but not including abortions, or induced miscarriages or premature births, unless, in the opinion of a physician, such procedures are necessary for the preservation of the life of the woman seeking such treatment, or except an induced premature birth intended to produce a live viable child and such procedure is necessary for the health of the mother or her unborn child.~~ The Illinois Department, by rule, shall prohibit any physician from providing medical assistance to anyone eligible therefor under this Code where such physician has been found guilty of performing an abortion procedure in a wilful and wanton manner upon a woman who was not pregnant at the time such abortion procedure was performed. The term "any other type of remedial care" shall include nursing care and nursing home service for persons who rely on treatment by spiritual means alone through prayer for healing.

Notwithstanding any other provision of this Section, a comprehensive tobacco use cessation program that includes purchasing prescription drugs or prescription medical devices approved by the Food and Drug administration shall be covered under the medical assistance program under this Article for persons who are otherwise eligible for assistance under this Article.

Notwithstanding any other provision of this Code, the Illinois Department may not require, as a condition of payment for any laboratory test authorized under this Article, that a physician's handwritten signature appear on the laboratory test order form. The Illinois Department may, however, impose other appropriate requirements regarding laboratory test order documentation.

The Department of Healthcare and Family Services shall provide the following services to persons eligible for assistance under this Article who are participating in education, training or employment programs operated by the Department of Human Services as successor to the Department of Public Aid:

- (1) dental services provided by or under the supervision of a dentist; and
- (2) eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select.

The Illinois Department, by rule, may distinguish and classify the medical services to be provided only in accordance with the classes of persons designated in Section 5-2.

The Department of Healthcare and Family Services must provide coverage and reimbursement for amino acid-based elemental formulas, regardless of delivery method, for the diagnosis and treatment of (i) eosinophilic disorders and (ii) short bowel syndrome when the prescribing physician has issued a written order stating that the amino acid-based elemental formula is medically necessary.

The Illinois Department shall authorize the provision of, and shall authorize payment for, screening by low-dose mammography for the presence of occult breast cancer for women 35 years of age or older who are eligible for medical assistance under this Article, as follows:

- (A) A baseline mammogram for women 35 to 39 years of age.
- (B) An annual mammogram for women 40 years of age or older.
- (C) A mammogram at the age and intervals considered medically necessary by the woman's

health care provider for women under 40 years of age and having a family history of breast cancer, prior personal history of breast cancer, positive genetic testing, or other risk factors.

- (D) A comprehensive ultrasound screening of an entire breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

All screenings shall include a physical breast exam, instruction on self-examination and information regarding the frequency of self-examination and its value as a preventative tool. For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with an average radiation exposure delivery of less than one rad per breast for 2 views of an average size breast. The term also includes digital mammography.

On and after July 1, 2008, screening and diagnostic mammography shall be reimbursed at the same rate as the Medicare program's rates, including the increased reimbursement for digital mammography.

The Department shall convene an expert panel including representatives of hospitals, free-standing mammography facilities, and doctors, including radiologists, to establish quality standards. Based on these quality standards, the Department shall provide for bonus payments to mammography facilities meeting the standards for screening and diagnosis. The bonus payments shall be at least 15% higher than the Medicare rates for mammography.

Subject to federal approval, the Department shall establish a rate methodology for mammography at federally qualified health centers and other encounter-rate clinics. These clinics or centers may also

collaborate with other hospital-based mammography facilities.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of medical assistance.

Neither the Department of Healthcare and Family Services nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of Partnerships. Nothing in this Section shall be construed to require that the sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical providers for physician services, inpatient and outpatient hospital care, home health services, treatment for alcoholism and substance abuse, and other services determined necessary by the Illinois Department by rule for delivery by Partnerships. Physician services must include prenatal and obstetrical care. The Illinois Department shall reimburse medical services delivered by Partnership providers to clients in target areas according to provisions of this Article and the Illinois Health Finance Reform Act, except that:

- (1) Physicians participating in a Partnership and providing certain services, which shall be determined by the Illinois Department, to persons in areas covered by the Partnership may receive an additional surcharge for such services.
- (2) The Department may elect to consider and negotiate financial incentives to encourage the development of Partnerships and the efficient delivery of medical care.
- (3) Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for participation in the medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. In order to ensure patient freedom of choice, the Illinois Department shall immediately promulgate all rules and take all other necessary actions so that provided services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric Practice Act of 1987 without discriminating between service providers.

The Department shall apply for a waiver from the United States Health Care Financing Administration to allow for the implementation of Partnerships under this Section.

The Illinois Department shall require health care providers to maintain records that document the medical care and services provided to recipients of Medical Assistance under this Article. The Illinois Department shall require health care providers to make available, when authorized by the patient, in writing, the medical records in a timely fashion to other health care providers who are treating or serving persons eligible for Medical Assistance under this Article. All dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany each claim for reimbursement submitted by the dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after the effective date of this amendatory Act of 1984, the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

The rules and regulations of the Illinois Department shall require that a written statement including the required opinion of a physician shall accompany any claim for reimbursement for abortions, or induced miscarriages or premature births. This statement shall indicate what procedures were used in providing such medical services.

The Illinois Department shall require all dispensers of medical services, other than an individual practitioner or group of practitioners, desiring to participate in the Medical Assistance program established under this Article to disclose all financial, beneficial, ownership, equity, surety or other interests in any and all firms, corporations, partnerships, associations, business enterprises, joint ventures, agencies, institutions or other legal entities providing any form of health care services in this State under this Article.

The Illinois Department may require that all dispensers of medical services desiring to participate in the medical assistance program established under this Article disclose, under such terms and conditions as the Illinois Department may by rule establish, all inquiries from clients and attorneys regarding medical bills paid by the Illinois Department, which inquiries could indicate potential existence of claims or liens for the Illinois Department.

Enrollment of a vendor that provides non-emergency medical transportation, defined by the Department by rule, shall be conditional for 180 days. During that time, the Department of Healthcare and Family Services may terminate the vendor's eligibility to participate in the medical assistance program without cause. That termination of eligibility is not subject to the Department's hearing process.

The Illinois Department shall establish policies, procedures, standards and criteria by rule for the acquisition, repair and replacement of orthotic and prosthetic devices and durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or replacement of such devices by recipients without medical authorization; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and the requirements and costs for maintaining such equipment. Such rules shall enable a recipient to temporarily acquire and use alternative or substitute

devices or equipment pending repairs or replacements of any device or equipment previously authorized for such recipient by the Department.

The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department on Aging, to effect the following: (i) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped.

The Illinois Department shall develop and operate, in cooperation with other State Departments and agencies and in compliance with applicable federal laws and regulations, appropriate and effective systems of health care evaluation and programs for monitoring of utilization of health care services and facilities, as it affects persons eligible for medical assistance under this Code.

The Illinois Department shall report annually to the General Assembly, no later than the second Friday in April of 1979 and each year thereafter, in regard to:

- (a) actual statistics and trends in utilization of medical services by public aid recipients;
- (b) actual statistics and trends in the provision of the various medical services by medical vendors;
- (c) current rate structures and proposed changes in those rate structures for the various medical vendors; and
- (d) efforts at utilization review and control by the Illinois Department.

The period covered by each report shall be the 3 years ending on the June 30 prior to the report. The report shall include suggested legislation for consideration by the General Assembly. The filing of one copy of the report with the Speaker, one copy with the Minority Leader and one copy with the Clerk of the House of Representatives, one copy with the President, one copy with the Minority Leader and one copy with the Secretary of the Senate, one copy with the Legislative Research Unit, and such additional copies with the State Government Report Distribution Center for the General Assembly as is required under paragraph (t) of Section 7 of the State Library Act shall be deemed sufficient to comply with this Section.

Rulemaking authority to implement Public Act 95-1045 ~~this amendatory Act of the 95th General Assembly~~, if any, is conditioned on the rules being adopted in accordance with all provisions of the Illinois Administrative Procedure Act and all rules and procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

Sec. 5-5. Medical services. The Illinois Department, by rule, shall determine the quantity and quality of and the rate of reimbursement for the medical assistance for which payment will be authorized, and the medical services to be provided, which may include all or part of the following: (1) inpatient hospital services; (2) outpatient hospital services; (3) other laboratory and X-ray services; (4) skilled nursing home services; (5) physicians' services whether furnished in the office, the patient's home, a hospital, a skilled nursing home, or elsewhere; (6) medical care, or any other type of remedial care furnished by licensed practitioners; (7) home health care services; (8) private duty nursing service; (9) clinic services; (10) dental services, including prevention and treatment of periodontal disease and dental caries disease for pregnant women, provided by an individual licensed to practice dentistry or dental surgery; for purposes of this item (10), "dental services" means diagnostic, preventive, or corrective procedures provided by or under the supervision of a dentist in the practice of his or her profession; (11) physical therapy and related services; (12) prescribed drugs, dentures, and prosthetic devices; and eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select; (13) other diagnostic, screening, preventive, and rehabilitative services; (14) transportation and such other expenses as may be necessary; (15) medical treatment of sexual assault survivors, as defined in Section 1a of the Sexual Assault Survivors Emergency Treatment Act, for injuries sustained as a result of the sexual assault, including examinations and laboratory tests to discover evidence which may be used in criminal proceedings arising from the sexual assault; (16) the diagnosis and treatment of sickle cell anemia; and (17) any other medical care, and any other type of remedial care recognized under the laws of this State, ~~but not including abortions, or induced miscarriages or premature births, unless, in the opinion of a physician, such procedures are necessary for the preservation of the life of the woman seeking such treatment, or except an induced premature birth intended to produce a live viable child and such procedure is necessary for the health of the mother or her unborn child.~~ The Illinois Department, by rule, shall prohibit any physician

from providing medical assistance to anyone eligible therefor under this Code where such physician has been found guilty of performing an abortion procedure in a wilful and wanton manner upon a woman who was not pregnant at the time such abortion procedure was performed. The term "any other type of remedial care" shall include nursing care and nursing home service for persons who rely on treatment by spiritual means alone through prayer for healing.

Notwithstanding any other provision of this Section, a comprehensive tobacco use cessation program that includes purchasing prescription drugs or prescription medical devices approved by the Food and Drug administration shall be covered under the medical assistance program under this Article for persons who are otherwise eligible for assistance under this Article.

Notwithstanding any other provision of this Code, the Illinois Department may not require, as a condition of payment for any laboratory test authorized under this Article, that a physician's handwritten signature appear on the laboratory test order form. The Illinois Department may, however, impose other appropriate requirements regarding laboratory test order documentation.

The Department of Healthcare and Family Services shall provide the following services to persons eligible for assistance under this Article who are participating in education, training or employment programs operated by the Department of Human Services as successor to the Department of Public Aid:

- (1) dental services provided by or under the supervision of a dentist; and

The Department shall convene an expert panel including representatives of hospitals, free-standing mammography facilities, and doctors, including radiologists, to establish quality standards. Based on these quality standards, the Department shall provide for bonus payments to mammography facilities meeting the standards for screening and diagnosis. The bonus payments shall be at least 15% higher than the Medicare rates for mammography.

provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. Notwithstanding any other provision of law, a health care provider under the medical assistance program may elect, in lieu of receiving direct payment for services provided under that program, to participate in the State Employees Deferred Compensation Plan adopted under Article 24 of the Illinois Pension Code. A health care provider who elects to participate in the plan does not have a cause of action against the State for any damages allegedly suffered by the provider as a result of any delay by the State in crediting the amount of any contribution to the provider's plan account.

Sec. 10-21.9. Criminal history records checks and checks of the Statewide Sex Offender Database and Statewide Child Murderer and Violent Offender Against Youth Database.

(a) Certified and noncertified applicants for employment with a school district, except school bus driver applicants, are required as a condition of employment to authorize a fingerprint-based criminal history records check to determine if such applicants have been convicted of any of the enumerated criminal or drug offenses in subsection (c) of this Section or have been convicted, within 7 years of the application for employment with the school district, of any other felony under the laws of this State or of any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as a felony under the laws of this State. Authorization for the check shall be furnished by the applicant to the school district, except that if the applicant is a substitute teacher seeking employment in more than one school district, a teacher seeking concurrent part-time employment positions with more than one school district (as a reading specialist, special education teacher or otherwise), or an educational support personnel employee seeking employment positions with more than one district, any such district may require the applicant to furnish authorization for the check to the regional superintendent of the educational service region in which are located the school districts in which the applicant is seeking employment as a substitute or concurrent part-time teacher or concurrent educational support personnel employee. Upon receipt of this authorization, the school district or the appropriate regional superintendent, as the case may be, shall submit the applicant's name, sex, race, date of birth, social security number, fingerprint images, and other identifiers, as prescribed by the Department of State Police, to the Department. The regional superintendent submitting the requisite information to the Department of State Police shall promptly notify the school districts in which the applicant is seeking employment as a substitute or concurrent part-time teacher or concurrent educational support personnel employee that the check of the applicant has been requested. The Department of State Police and the Federal Bureau of Investigation shall furnish, pursuant to a fingerprint-based criminal history records check, records of convictions, until expunged, to the president of the school board for the school district that requested the check, or to the regional superintendent who requested the check. The

Department shall charge the school district or the appropriate regional superintendent a fee for conducting such check, which fee shall be deposited in the State Police Services Fund and shall not exceed the cost of the inquiry; and the applicant shall not be charged a fee for such check by the school district or by the regional superintendent. Subject to appropriations for these purposes, the State Superintendent of Education shall reimburse school districts and regional superintendents for fees paid to obtain criminal history records checks under this Section.

(a-5) The school district or regional superintendent shall further perform a check of the Statewide Sex Offender Database, as authorized by the Sex Offender Community Notification Law, for each applicant.

(a-6) The school district or regional superintendent shall further perform a check of the Statewide Child Murderer and Violent Offender Against Youth Database, as authorized by the Child Murderer and Violent Offender Against Youth Community Notification Law, for each applicant.

(b) Any information concerning the record of convictions obtained by the president of the school board or the regional superintendent shall be confidential and may only be transmitted to the superintendent of the school district or his designee, the appropriate regional superintendent if the check was requested by the school district, the presidents of the appropriate school boards if the check was requested from the Department of State Police by the regional superintendent, the State Superintendent of Education, the State Teacher Certification Board, or any other person necessary to the decision of hiring the applicant for employment, or for clarification purposes the Department of State Police or Statewide Sex Offender Database, or both. A copy of the record of convictions obtained from the Department of State Police shall be provided to the applicant for employment. Upon the check of the Statewide Sex Offender Database, the school district or regional superintendent shall notify an applicant as to whether or not the applicant has been identified in the Database as a sex offender. If a check of an applicant for employment as a substitute or concurrent part-time teacher or concurrent educational support personnel employee in more than one school district was requested by the regional superintendent, and the Department of State Police upon a check ascertains that the applicant has not been convicted of any of the enumerated criminal or drug offenses in subsection (c) or has not been convicted, within 7 years of the application for employment with the school district, of any other felony under the laws of this State or of any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as a felony under the laws of this State and so notifies the regional superintendent and if the regional superintendent upon a check ascertains that the applicant has not been identified in the Sex Offender Database as a sex offender, then the regional superintendent shall issue to the applicant a certificate evidencing that as of the date specified by the Department of State Police the applicant has not been convicted of any of the enumerated criminal or drug offenses in subsection (c) or has not been convicted, within 7 years of the application for employment with the school district, of any other felony under the laws of this State or of any offense committed or attempted in any other state or against the laws of the United States that, if committed or attempted in this State, would have been punishable as a felony under the laws of this State and evidencing that as of the date that the regional superintendent conducted a check of the Statewide Sex Offender Database, the applicant has not been identified in the Database as a sex offender. The school board of any school district may rely on the certificate issued by any regional superintendent to that substitute teacher, concurrent part-time teacher, or concurrent educational support personnel employee or may initiate its own criminal history records check of the applicant through the Department of State Police and its own check of the Statewide Sex Offender Database as provided in subsection (a). Any person who releases any confidential information concerning any criminal convictions of an applicant for employment shall be guilty of a Class A misdemeanor, unless the release of such information is authorized by this Section.

(c) No school board shall knowingly employ a person who has been convicted of any offense that would subject him or her to certification suspension or revocation pursuant to Section 21-23a of this Code. Further, no school board shall knowingly employ a person who has been found to be the perpetrator of sexual or physical abuse of any minor under 18 years of age pursuant to proceedings under Article II of the Juvenile Court Act of 1987.

(d) No school board shall knowingly employ a person for whom a criminal history records check and a Statewide Sex Offender Database check has not been initiated.

(e) Upon receipt of the record of a conviction of or a finding of child abuse by a holder of any certificate issued pursuant to Article 21 or Section 34-8.1 or 34-83 of the School Code, the State Superintendent of Education may initiate certificate suspension and revocation proceedings as authorized by law.

(e-5) The superintendent of the employing school board shall, in writing, notify the State Superintendent of Education and the applicable regional superintendent of schools of any certificate holder whom he or she

has reasonable cause to believe has committed an intentional act of abuse or neglect with the result of making a child an abused child or a neglected child, as defined in Section 3 of the Abused and Neglected Child Reporting Act, and that act resulted in the certificate holder's dismissal or resignation from the school district. This notification must be submitted within 30 days after the dismissal or resignation. The certificate holder must also be contemporaneously sent a copy of the notice by the superintendent. All correspondence, documentation, and other information so received by the regional superintendent of schools, the State Superintendent of Education, the State Board of Education, or the State Teacher Certification Board under this subsection (e-5) is confidential and must not be disclosed to third parties, except (i) as necessary for the State Superintendent of Education or his or her designee to investigate and prosecute pursuant to Article 21 of this Code, (ii) pursuant to a court order, (iii) for disclosure to the certificate holder or his or her representative, or (iv) as otherwise provided in this Article and provided that any such information admitted into evidence in a hearing is exempt from this confidentiality and non-disclosure requirement. Except for an act of willful or wanton misconduct, any superintendent who provides notification as required in this subsection (e-5) shall have immunity from any liability, whether civil or criminal or that otherwise might result by reason of such action.

(f) After January 1, 1990 the provisions of this Section shall apply to all employees of persons or firms holding contracts with any school district including, but not limited to, food service workers, school bus drivers and other transportation employees, who have direct, daily contact with the pupils of any school in such district. For purposes of criminal history records checks and checks of the Statewide Sex Offender Database on employees of persons or firms holding contracts with more than one school district and assigned to more than one school district, the regional superintendent of the educational service region in which the contracting school districts are located may, at the request of any such school district, be responsible for receiving the authorization for a criminal history records check prepared by each such employee and submitting the same to the Department of State Police and for conducting a check of the Statewide Sex Offender Database for each employee. Any information concerning the record of conviction and identification as a sex offender of any such employee obtained by the regional superintendent shall be promptly reported to the president of the appropriate school board or school boards.

(l) Reporting criminal acts. Within 24 hours after determining that there is credible evidence indicating that a criminal act may have been committed or that special expertise may be required in an investigation, the Inspector General shall notify the Department of State Police or other appropriate law enforcement authority, or ensure that such notification is made. The Department of State Police shall investigate any report from a State-operated facility indicating a possible murder, sexual assault, or other felony by an employee. All investigations conducted by the Inspector General shall be conducted in a manner designed to ensure the preservation of evidence for possible use in a criminal prosecution.

(m) Investigative reports. Upon completion of an investigation, the Office of Inspector General shall

issue an investigative report identifying whether the allegations are substantiated, unsubstantiated, or unfounded. Within 10 business days after the transmittal of a completed investigative report substantiating an allegation, or if a recommendation is made, the Inspector General shall provide the investigative report on the case to the Secretary and to the director of the facility or agency where any one or more of the following occurred: mental abuse, physical abuse, sexual abuse, neglect, egregious neglect, or financial exploitation. In a substantiated case, the investigative report shall include any mitigating or aggravating circumstances that were identified during the investigation. If the case involves substantiated neglect, the investigative report shall also state whether egregious neglect was found. An investigative report may also set forth recommendations. All investigative reports prepared by the Office of the Inspector General shall be considered confidential and shall not be released except as provided by the law of this State or as required under applicable federal law. Unsubstantiated and unfounded reports shall not be disclosed except as allowed under Section 6 of the Abused and Neglected Long Term Care Facility Residents Reporting Act. "Raw data used to compile the investigative report" includes, but is not limited to, any one or more of the following: the initial complaint, witness statements, photographs, investigator's notes, police reports, or incident reports. If the allegations are substantiated, the accused shall be provided with a redacted copy of the investigative report. Death reports where there was no allegation of abuse or neglect shall only be released pursuant to applicable State or federal law or a valid court order.

(n) Written responses and reconsideration requests.

(1) Written responses. Within 30 calendar days from receipt of a substantiated investigative report or an investigative report which contains recommendations, absent a reconsideration request, the facility or agency shall file a written response that addresses, in a concise and reasoned manner, the actions taken to: (i) protect the individual; (ii) prevent recurrences; and (iii) eliminate the problems identified. The response shall include the implementation and completion dates of such actions. If the written response is not filed within the allotted 30 calendar day period, the Secretary shall determine the appropriate corrective action to be taken.

(2) Reconsideration requests. The facility, agency, victim or guardian, or the subject employee may request that the Office of Inspector General reconsider or clarify its finding based upon additional information.

(o) Disclosure of the finding by the Inspector General. The Inspector General shall disclose the finding of an investigation to the following persons: (i) the Governor, (ii) the Secretary, (iii) the director of the facility or agency, (iv) the alleged victims and their guardians, (v) the complainant, and (vi) the accused. This information shall include whether the allegations were deemed substantiated, unsubstantiated, or unfounded.

(p) Secretary review. Upon review of the Inspector General's investigative report and any agency's or facility's written response, the Secretary shall accept or reject the written response and notify the Inspector General of that determination. The Secretary may further direct that other administrative action be taken, including, but not limited to, any one or more of the following: (i) additional site visits, (ii) training, (iii) provision of technical assistance relative to administrative needs, licensure or certification, or (iv) the imposition of appropriate sanctions.

(q) Action by facility or agency. Within 30 days of the date the Secretary approves the written response or directs that further administrative action be taken, the facility or agency shall provide an implementation report to the Inspector General that provides the status of the action taken. The facility or agency shall be allowed an additional 30 days to send notice of completion of the action or to send an updated implementation report. If the action has not been completed within the additional 30 day period, the facility or agency shall send updated implementation reports every 60 days until completion. The Inspector General shall conduct a review of any implementation plan that takes more than 120 days after approval to complete, and shall monitor compliance through a random review of approved written responses, which may include, but are not limited to: (i) site visits, (ii) telephone contact, and (iii) requests for additional documentation evidencing compliance.

(r) Sanctions. Sanctions, if imposed by the Secretary under Subdivision (p)(iv) of this Section, shall be designed to prevent further acts of mental abuse, physical abuse, sexual abuse, neglect, egregious neglect, or financial exploitation or some combination of one or more of those acts at a facility or agency, and may include any one or more of the following:

- (1) Appointment of on-site monitors.
- (2) Transfer or relocation of an individual or individuals.
- (3) Closure of units.

- (4) Termination of any one or more of the following: (i) Department licensing, (ii) funding, ~~or~~ (iii) certification.

The Inspector General may seek the assistance of the Illinois Attorney General or the office of any State's Attorney in implementing sanctions.

- (s) Health care worker registry.

(1) Reporting to the registry. The Inspector General shall report to the Department of Public Health's health care worker registry, a public registry, the identity and finding of each employee of a facility or agency against whom there is a final investigative report containing a substantiated allegation of physical or sexual abuse or egregious neglect of an individual.

(2) Notice to employee. Prior to reporting the name of an employee, the employee shall be notified of the Department's obligation to report and shall be granted an opportunity to request an administrative hearing, the sole purpose of which is to determine if the substantiated finding warrants reporting to the registry. Notice to the employee shall contain a clear and concise statement of the grounds on which the report to the registry is based, offer the employee an opportunity for a hearing, and identify the process for requesting such a hearing. Notice is sufficient if provided by certified mail to the employee's last known address. If the employee fails to request a hearing within 30 days from the date of the notice, the Inspector General shall report the name of the employee to the registry. Nothing in this subdivision (s)(2) shall diminish or impair the rights of a person who is a member of a collective bargaining unit under the Illinois Public Labor Relations Act or under any other federal labor statute.

(3) Registry hearings. If the employee requests an administrative hearing, the employee shall be granted an opportunity to appear before an administrative law judge to present reasons why the employee's name should not be reported to the registry. The Department shall bear the burden of presenting evidence that establishes, by a preponderance of the evidence, that the substantiated finding warrants reporting to the registry. After considering all the evidence presented, the administrative law judge shall make a recommendation to the Secretary as to whether the substantiated finding warrants reporting the name of the employee to the registry. The Secretary shall render the final decision. The Department and the employee shall have the right to request that the administrative law judge consider a stipulated disposition of these proceedings.

(4) Testimony at registry hearings. A person who makes a report or who investigates a report under this Act shall testify fully in any judicial proceeding resulting from such a report, as to any evidence of abuse or neglect, or the cause thereof. No evidence shall be excluded by reason of any common law or statutory privilege relating to communications between the alleged perpetrator of abuse or neglect, or the individual alleged as the victim in the report, and the person making or investigating the report. Testimony at hearings is exempt from the confidentiality requirements of subsection (f) of Section 10 of the Mental Health and Developmental Disabilities Confidentiality Act.

(5) Employee's rights to collateral action. No reporting to the registry shall occur and no hearing shall be set or proceed if an employee notifies the Inspector General in writing, including any supporting documentation, that he or she is formally contesting an adverse employment action resulting from a substantiated finding by complaint filed with the Illinois Civil Service Commission, or which otherwise seeks to enforce the employee's rights pursuant to any applicable collective bargaining agreement. If an action taken by an employer against an employee as a result of a finding of physical abuse, sexual abuse, or egregious neglect is overturned through an action filed with the Illinois Civil Service Commission or under any applicable collective bargaining agreement and if that employee's name has already been sent to the registry, the employee's name shall be removed from the registry.

(6) Removal from registry. At any time after the report to the registry, but no more than once in any 12-month period, an employee may petition the Department in writing to remove his or her name from the registry. Upon receiving notice of such request, the Inspector General shall conduct an investigation into the petition. Upon receipt of such request, an administrative hearing will be set by the Department. At the hearing, the employee shall bear the burden of presenting evidence that establishes, by a preponderance of the evidence, that removal of the name from the registry is in the public interest. The parties may jointly request that the administrative law judge consider a stipulated disposition of these proceedings.

(t) Review of Administrative Decisions. The Department shall preserve a record of all proceedings at any formal hearing conducted by the Department involving health care worker registry hearings. Final administrative decisions of the Department are subject to judicial review pursuant to provisions of the Administrative Review Law.

(u) Quality Care Board. There is created, within the Office of the Inspector General, a Quality Care

Board to be composed of 7 members appointed by the Governor with the advice and consent of the Senate. One of the members shall be designated as chairman by the Governor. Of the initial appointments made by the Governor, 4 Board members shall each be appointed for a term of 4 years and 3 members shall each be appointed for a term of 2 years. The Board shall meet quarterly, and may hold other meetings on the call of the chairman. Four members shall constitute a quorum allowing the Board to conduct its business. The Board may adopt rules and regulations it deems necessary to govern its own procedures.

The Board shall monitor and oversee the operations, policies, and procedures of the Inspector General to ensure the prompt and thorough investigation of allegations of neglect and abuse. In fulfilling these responsibilities, the Board may do the following:

The report shall detail the imposition of sanctions, if any, and the final disposition of any corrective or administrative action directed by the Secretary. The summaries shall not contain any confidential or identifying information of any individual, but shall include objective data identifying any trends in the number of reported allegations, the timeliness of the Office of the Inspector General's investigations, and their disposition, for each facility and Department-wide, for the most recent 3-year time period. The report shall also identify, by facility, the staff-to-patient ratios taking account of direct care staff only. The report shall also include detailed recommended administrative actions and matters for consideration by the General Assembly.

(w) Program audit. The Auditor General shall conduct a program audit of the Office of the Inspector General on an as-needed basis, as determined by the Auditor General. The audit shall specifically include the Inspector General's compliance with the Act and effectiveness in investigating reports of allegations occurring in any facility or agency. In addition to other duties assigned the Child and Spouse Support Unit by this Article, the Unit may refer to the Attorney General or units of local government with the approval of the Attorney General, any actions under Sections 10-10 and 10-15 for judicial enforcement of the support liability. The Child and Spouse Support Unit shall act for the Department in referring to the Attorney General support matters requiring judicial enforcement under other laws. If requested by the Attorney General to so act, as provided in Section 12-16, attorneys of the Unit may assist the Attorney General or themselves institute actions in behalf of the Illinois Department under the Revised Uniform Reciprocal Enforcement of Support Act; under the Illinois Parentage Act of 1984; under the Non-Support of Spouse and Children Act; under the Non-Support Punishment Act; or under any other law, State or Federal, providing for support of a spouse or dependent child.

The Illinois Department shall also have the authority to enter into agreements with local governmental units or individuals, with the approval of the Attorney General, for the collection of moneys owing because of the failure of a parent to make child support payments for any child receiving services under this Article. Such agreements may be on a contingent fee basis, but such contingent fee shall not exceed 25% of the total amount collected.

An attorney who provides representation pursuant to this Section shall represent the Illinois Department exclusively. Regardless of the designation of the plaintiff in an action brought pursuant to this Section, an attorney-client relationship does not exist for purposes of that action between that attorney and (i) an applicant for or recipient of child support enforcement services or (ii) any other party to the action other than the Illinois Department. Nothing in this Section shall be construed to modify any power or duty (including a duty to maintain confidentiality) of the Child and Spouse Support Unit or the Illinois Department otherwise provided by law.

The Illinois Department may also enter into agreements with local governmental units for the Child and Spouse Support Unit to exercise the investigative and enforcement powers designated in this Article, including the issuance of administrative orders under Section 10-11, in locating responsible relatives and obtaining support for persons applying for or receiving aid under Article VI. Payments for defrayment of administrative costs and support payments obtained shall be deposited into the DHS Recoveries Trust Fund. Support payments shall be paid over to the General Assistance Fund of the local governmental unit at such time or times as the agreement may specify.

With respect to those cases in which it has support enforcement powers and responsibilities under this Article, the Illinois Department may provide by rule for periodic or other review of each administrative and court order for support to determine whether a modification of the order should be sought. The Illinois

Department shall provide for and conduct such review in accordance with any applicable federal law and regulation. The Illinois Department's program for review and modification of orders for support in cases in which support enforcement services are being provided under this Article X shall include, but not be limited to, cases in which a responsible relative who is committed to the custody of the Department of Corrections requests review and modification of the order for support. The Illinois Department shall enter into a cooperative agreement with the Department of Corrections to facilitate receipt of such requests from committed persons.

As part of its process for review of orders for support, the Illinois Department, through written notice, may require the responsible relative to disclose his or her Social Security Number and past and present information concerning the relative's address, employment, gross wages, deductions from gross wages, net wages, bonuses, commissions, number of dependent exemptions claimed, individual and dependent health insurance coverage, and any other information necessary to determine the relative's ability to provide support in a case receiving child support enforcement services under this Article X.

The Illinois Department may send a written request for the same information to the relative's employer. The employer shall respond to the request for information within 15 days after the date the employer receives the request. If the employer willfully fails to fully respond within the 15-day period, the employer shall pay a penalty of \$100 for each day that the response is not provided to the Illinois Department after the 15-day period has expired. The penalty may be collected in a civil action which may be brought against the employer in favor of the Illinois Department.

A written request for information sent to an employer pursuant to this Section shall consist of (i) a citation of this Section as the statutory authority for the request and for the employer's obligation to provide the requested information, (ii) a returnable form setting forth the employer's name and address and listing the name of the employee with respect to whom information is requested, and (iii) a citation of this Section as the statutory authority authorizing the employer to withhold a fee of up to \$20 from the wages or income to be paid to each responsible relative for providing the information to the Illinois Department within the 15-day period. If the employer is withholding support payments from the responsible relative's income pursuant to an order for withholding, the employer may withhold the fee provided for in this Section only after withholding support as required under the order. Any amounts withheld from the responsible relative's income for payment of support and the fee provided for in this Section shall not be in excess of the amounts permitted under the federal Consumer Credit Protection Act.

In a case receiving child support enforcement services, the Illinois Department may request and obtain information from a particular employer under this Section no more than once in any 12-month period, unless the information is necessary to conduct a review of a court or administrative order for support at the request of the person receiving child support enforcement services.

The Illinois Department shall establish and maintain an administrative unit to receive and transmit to the Child and Spouse Support Unit information supplied by persons applying for or receiving child support enforcement services under Section 10-1. In addition, the Illinois Department shall address and respond to any alleged deficiencies that persons receiving or applying for services from the Child and Spouse Support Unit may identify concerning the Child and Spouse Support Unit's provision of child support enforcement services. Within 60 days after an action or failure to act by the Child and Spouse Support Unit that affects his or her case, a recipient of or applicant for child support enforcement services under Article X of this Code may request an explanation of the Unit's handling of the case. At the requestor's option, the explanation may be provided either orally in an interview, in writing, or both. If the Illinois Department fails to respond to the request for an explanation or fails to respond in a manner satisfactory to the applicant or recipient within 30 days from the date of the request for an explanation, the applicant or recipient may request a conference for further review of the matter by the Office of the Administrator of the Child and Spouse Support Unit. A request for a conference may be submitted at any time within 60 days after the explanation has been provided by the Child and Spouse Support Unit or within 60 days after the time for providing the explanation has expired.

The applicant or recipient may request a conference concerning any decision denying or terminating child support enforcement services under Article X of this Code, and the applicant or recipient may also request a conference concerning the Unit's failure to provide services or the provision of services in an amount or manner that is considered inadequate. For purposes of this Section, the Child and Spouse Support Unit includes all local governmental units or individuals with whom the Illinois Department has contracted under Section 10-3.1.

Upon receipt of a timely request for a conference, the Office of the Administrator shall review the case. The applicant or recipient requesting the conference shall be entitled, at his or her option, to appear in

person or to participate in the conference by telephone. The applicant or recipient requesting the conference shall be entitled to be represented and to be afforded a reasonable opportunity to review the Illinois Department's file before or at the conference. At the conference, the applicant or recipient requesting the conference shall be afforded an opportunity to present all relevant matters in support of his or her claim. Conferences shall be without cost to the applicant or recipient requesting the conference and shall be conducted by a representative of the Child or Spouse Support Unit who did not participate in the action or inaction being reviewed.

The Office of the Administrator shall conduct a conference and inform all interested parties, in writing, of the results of the conference within 60 days from the date of filing of the request for a conference.

In addition to its other powers and responsibilities established by this Article, the Child and Spouse Support Unit shall conduct an annual assessment of each institution's program for institution based paternity establishment under Section 12 of the Vital Records Act.

Sec. 3-6-9. Assistance in requesting review and modification of support orders. The Department shall develop and establish a program to assist committed persons who are obligors under support orders in cases in which child support enforcement services are being provided by the Department of Healthcare and Family Services under Article X of the Illinois Public Aid Code in requesting review and modification of such support orders as provided for under that Code. "Section 5. The Illinois Vehicle Code is amended by changing Section 16-104a as follows:
(625 ILCS 5/16-104a) (from Ch. 95 1/2, par. 16-104a)

Sec. 16-104a. Additional penalty for certain violations.

(a) There is added to every fine imposed upon conviction of an offense reportable to the Secretary of State under the provisions of subdivision (a) (2) of Section 6-204 of this Act an additional penalty of \$4 for each \$40, or fraction thereof, of fine imposed. Each such additional penalty received shall be remitted within one month to the State Treasurer to be deposited into the Drivers Education Fund, unless the additional penalty is subject to disbursement by the circuit clerk under Section 27.5 of the Clerks of Courts Act. Such additional amounts shall be assessed by the court and shall be collected by the Clerk of the Circuit Court in addition to the fine and costs in the case. Such additional penalty shall not be considered a part of the fine for purposes of any reduction made in the fine for time served either before or after sentencing. Not later than March 1 of each year the Clerk of the Circuit Court shall submit to the State Comptroller a report of the amount of funds remitted by him to the State Treasurer under this Section during the preceding calendar year. Except as otherwise provided by Supreme Court Rules, if a court in sentencing an offender levies a gross amount for fine, costs, fees and penalties, the amount of the additional penalty provided for herein shall be computed on the amount remaining after deducting from the gross amount levied all fees of the Circuit Clerk, the State's Attorney and the Sheriff. After deducting from the gross amount levied the fees and additional penalty provided for herein, less any other additional penalties provided by law, the clerk shall remit the net balance remaining to the entity authorized by law to receive the fine imposed in the case. For purposes of this Section "fees of the Circuit Clerk" shall include, if applicable, the fee provided for under Section 27.3a of the Clerks of Courts Act and the fee, if applicable, payable to the county in which the violation occurred pursuant to Section 5-1101 of the Counties Code.

When bail is forfeited for failure to appear in connection with an offense reportable to the Secretary of State under subdivision (a) (2) of Section 6-204 of this Act, and no fine is imposed ex parte, \$4 of every \$40 cash deposit, or fraction thereof, given to secure appearance shall be remitted within one month to the State Treasurer to be deposited into the Drivers Education Fund, unless the bail is subject to disbursement by the circuit clerk under Section 27.5 of the Clerks of Courts Act.

(b) In addition to any other fine or penalty required by law for a person convicted of a violation of Section 11-503 or 11-601.5 of this Code or a similar provision of a local ordinance, the court may, in its discretion, require the person to pay an additional criminal penalty that shall be distributed in its entirety to a public agency that provided an emergency response related to the person's violation. The criminal penalty may not exceed \$500 per public agency for each emergency response. As used in this subsection, "emergency response" means any incident requiring a response by a police officer, an ambulance, a firefighter carried on the rolls of a regularly constituted fire department or fire protection district, a firefighter of a volunteer fire department, or a member of a recognized not-for-profit rescue or emergency medical service provider.

HOUSE BILL 6022. Having been reproduced, was taken up and read by title a second time.

The following amendment was offered in the Committee on Revenue & Finance, adopted and reproduced:

AMENDMENT NO. 1. Amend House Bill 6022 on page 1, immediately below line 3, by inserting the following:

"Section 3. The Retailers' Occupation Tax Act is amended by changing Section 2d as follows:
(35 ILCS 120/2d) (from Ch. 120, par. 441d)

Sec. 2d. Tax prepayment by motor fuel retailer.

(a) Any person engaged in the business of selling motor fuel at retail, as defined in the Motor Fuel Tax Law, and who is not a licensed distributor or supplier, as defined in the Motor Fuel Tax Law, shall prepay to his or her distributor, supplier, or other reseller of motor fuel a portion of the tax imposed by this Act if the distributor, supplier, or other reseller of motor fuel is registered under Section 2a or Section 2c of this Act. The prepayment requirement provided for in this Section does not apply to liquid propane gas.

(b) Beginning on July 1, 2000 and through December 31, 2000, the Retailers' Occupation Tax paid to the distributor, supplier, or other reseller shall be an amount equal to \$0.01 per gallon of the motor fuel, except gasohol as defined in Section 2-10 of this Act which shall be an amount equal to \$0.01 per gallon, purchased from the distributor, supplier, or other reseller.

(c) Before July 1, 2000 and then beginning on January 1, 2001 and through June 30, 2003, the Retailers' Occupation Tax paid to the distributor, supplier, or other reseller shall be an amount equal to \$0.04 per gallon of the motor fuel, except gasohol as defined in Section 2-10 of this Act which shall be an amount equal to \$0.03 per gallon, purchased from the distributor, supplier, or other reseller.

(d) Beginning July 1, 2003 and through December 31, 2010 ~~thereafter~~, the Retailers' Occupation Tax paid to the distributor, supplier, or other reseller shall be an amount equal to \$0.06 per gallon of the motor fuel, except gasohol as defined in Section 2-10 of this Act which shall be an amount equal to \$0.05 per gallon, purchased from the distributor, supplier, or other reseller.

(e) Beginning January 1, 2011 and thereafter, the Retailers' Occupation Tax paid to the distributor, supplier, or other reseller shall be at the rate established on a quarter annual basis by the Department under this subsection. The rate shall be established by the Department on January 1, April 1, July 1, and October 1 of each year using the average selling price, as defined in Section 1 of this Act, per gallon of motor fuel sold in the State during the first 2 months of the previous calendar quarter and multiplying that amount by 6.25% to determine the cents per gallon rate. In the case of biodiesel blends, as defined in Section 3-42 of the Use Tax Act, with no less than 1% and no more than 10% biodiesel, and in the case of gasohol, as defined in Section 3-40 of the Use Tax Act, the rate shall be 80% of the rate established by the Department under this subsection for motor fuel. The Department shall provide persons subject to this Section notice of the rate established under this subsection at least 30 days prior to each January 1, April 1, July 1, and October 1. Publication of the established rate on the Department's Internet website shall constitute sufficient notice under this Section. The Department may use data derived from independent surveys conducted or accumulated by third parties to determine the average selling price per gallon of motor fuel sold in the State.

(f) Any person engaged in the business of selling motor fuel at retail shall be entitled to a credit against tax due under this Act in an amount equal to the tax paid to the distributor, supplier, or other reseller.

(g) Every distributor, supplier, or other reseller registered as provided in Section 2a or Section 2c of this Act shall remit the prepaid tax on all motor fuel that is due from any person engaged in the business of selling at retail motor fuel with the returns filed under Section 2f or Section 3 of this Act, but the vendors discount provided in Section 3 shall not apply to the amount of prepaid tax that is remitted. Any distributor or supplier who fails to properly collect and remit the tax shall be liable for the tax. For purposes of this Section, the prepaid tax is due on invoiced gallons sold during a month by the 20th day of the following month.
