SENATE JOINT RESOLUTION NO. 89

WHEREAS, Fetal alcohol spectrum disorders (FASD) are the leading cause of intellectual disability in the United States and are 100% preventable; and

WHEREAS, The term FASD includes a broader range of conditions and therefore has replaced fetal alcohol syndrome as the umbrella term describing the range of effects that can occur in an individual whose mother consumed alcohol during pregnancy; and

WHEREAS, The prevalence of FASD is estimated to be at least 1% of all live births in the United States; and

WHEREAS, FASD is the leading known cause of learning disabilities and is a major cause of numerous social problems, including juvenile delinquency, homelessness, unemployment, mental illness, and crime; and

WHEREAS, Ten to 14% of women in Illinois report using alcohol during pregnancy; and

WHEREAS, The Illinois Marriage and Dissolution of Marriage Act requires that with each marriage license a county clerk shall provide a pamphlet describing the causes and effects of fetal alcohol syndrome; and

WHEREAS, Unfortunately, this well-intended statutory requirement does not provide a means for a county clerk to meet the requirement; and

WHEREAS, The Illinois affiliate of the National Organization on Fetal Alcohol Syndrome, NOFAS Illinois, which is administered by Trinity Services, Inc., has agreed to provide free educational pamphlets to each county clerk, thus making this well-intentioned statute a reality in all counties in Illinois; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that within 60 days after this joint resolution is adopted, NOFAS Illinois and the County Clerks Association should determine the best ways to ensure that each couple receiving a marriage license will receive from the county clerk an educational pamphlet about fetal alcohol syndrome; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to the County Clerks Association.

Adopted by the Senate, April 22, 2010.

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has adopted the following Senate Joint Resolution, in the adoption of which I am instructed to ask the concurrence of the House of Representatives, to-wit:

SENATE JOINT RESOLUTION NO. 115

WHEREAS, The State's population of persons 50 years of age and older is projected to increase from 3.2 million in 2000 to 5.3 million by 2030, an increase of 63%, with a corresponding increase in the number of Illinois' retirees; and

WHEREAS, Civic engagement, including lifelong learning, service, and volunteer work, has been found to bring personal fulfillment, improved physical and mental health, and stronger social connections for retirees; and

WHEREAS, Improved physical and mental health for Illinois retirees and the aged will lessen the strains inherent to the public healthcare system; and

WHEREAS, Since the 1960s, the policy agenda around aging has focused almost exclusively on the dependency needs of elders, not on their potential as a community resource; and

WHEREAS, There is an ongoing high school dropout epidemic in this State; and each year almost one-third of all public high school students, including nearly one half of all African Americans, Hispanics, and Native Americans, fail to graduate from public high school; and

WHEREAS, A 2009 study at Washington University in St. Louis found that children at risk of dropping out dramatically increased their reading skills when they were tutored by older adults, and the older adults experienced positive health benefits through the civic engagement; and

WHEREAS, Two factors will have a significant impact on the Illinois economy and predict future prosperity, the first is the cost of health care, particularly for older Illinoisans, the second is the educational level of the working population; a statewide effort to connect aging and education has implications for benefits to every community and for policy throughout the State; schools have resources and facilities to help with promotion; and older adults have great potential to help dropouts and students who are our future workforce; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that it is in the interest of the citizens of this State to develop Illinois' growing retiree population as a resource for mobilizing citizens of all ages and addressing community needs across generations; and be it further

RESOLVED, That the Interdependence of Generations Task Force be created; and that the Task Force shall be comprised of the following appointments: the Director of the Illinois Department on Aging or his or her designee, who shall also serve as Chairperson; one member of the Senate, appointed by the President of the Senate; one member of the House of Representatives, appointed by the Speaker of the House of Representatives; one member of the Senate, appointed by the Minority Leader of the Senate; and one member of the House of Representatives, appointed by the Minority Leader of the House of Representatives; the following members from the Illinois Policy Academy on the Civic Engagement of Older Adults: (i) one representative of P-12 education; (ii) one representative of community colleges; (iii) one representative of higher education; (iv) 2 representatives of retirees; (v) 2 student members; (vi) 2 representatives of statewide aging organizations; (vii) 2 representatives of service organizations; (viii) 2 representatives of foundations; and (ix) 2 representatives of business; and a representative of the Center for Health Law and Policy, appointed by the Dean of the Law School of Southern Illinois University; and be it further

RESOLVED, That the Task Force members shall serve voluntarily and without compensation; and persons with disabilities serving on the Task Force shall be accommodated to enable them to fully participate in Task Force activities; and be it further

RESOLVED, That the Department on Aging, in cooperation with the Center for Health Law and Policy, at the Southern Illinois University School of Law, shall have primary responsibility for, and shall provide staffing and technical assistance and administrative support to, the Task Force in its efforts; and that no appropriations shall be required for the Task Force to complete its duties; and be it further

RESOLVED, That the Task Force shall coordinate its work with existing State advisory bodies whose work may include improving education, reducing the dropout rate, and civic engagement of retirees and the aged; and be it further

RESOLVED, That the Task Force on the Interdependence of Generations shall be convened to study and make recommendations regarding the creative ways that aging (retiree organizations, organizations that serve older adults, and older adults themselves), education (schools, community colleges, and universities),

and other public and private organizations can work together to address the challenges of education, tap the resources of older adults and students to strengthen the economy and benefit the community, and promote healthy lifestyles for all ages; and be it further

RESOLVED, That the Task Force shall make recommendations to the General Assembly and to the Governor, including legislative proposals, regulatory changes, systems changes, budget initiatives, and collaborative partnerships in the public and private sectors, that will promote the statewide effort to connect the aging population with opportunities for lifelong learning, employment, and service; and be it further

RESOLVED, That these recommendations shall explain how fostering the relationship between older adults and education, economic development, and community service can be beneficial to all Illinoisans; and the Task Force shall conduct hearings and meetings in order to produce a report of its activities and recommendations that shall be issued no later than December 31, 2010.

"Section 5. The Illinois Insurance Code is amended by changing Sections 131.4, 131.5, 131.8, 131.8a, 131.9, 131.10, 131.11, 131.23, 136, and 404 as follows:

(215 ILCS 5/131.4) (from Ch. 73, par. 743.4)

Sec. 131.4. Acquisition, transfer, or divestiture of control of or merger with domestic company. No person other than the issuer may make a tender for or a request or invitation for tenders of, or enter into an agreement to exchange securities for or acquire, transfer, or divest in the open market, or otherwise, any voting security of a domestic company or acquire, transfer, or divest policyholders' proxies of a domestic company for consideration, or otherwise, if, after the consummation thereof, that person would, directly or indirectly, (or by conversion or by exercise of any right to acquire) be in control of the company or transfer or divest a controlling interest in the company, and no person may enter into an agreement to merge or consolidate with or otherwise to acquire, transfer, or divest control of a domestic company, unless the offer, request, invitation, or agreement is conditioned on receiving the approval of the Director based on Section 131.8 of this Article and no such acquisition, transfer, or divestiture of control or a merger with a domestic company may be consummated unless the Director has approved the transaction or granted an exemption. For purposes of this Section a domestic company includes any other person which controls a domestic company or holds or controls sufficient policyholders' proxies to elect the majority of the board of directors of the domestic company. Prior to the acquisition, transfer, or divestiture, the Director may conclude that a statement need not be filed by the acquiring, transferring, or divesting party if that the acquiring party demonstrates to the satisfaction of the Director that:

(1) such transaction will not result in the change of control of the domestic company; or

(2) the person which is subject to the acquisition, transfer, or divestiture has assets in excess of \$1,000,000

and shareholders of record of 500 or more and its insurance business either directly or through its affiliates is an insignificant portion of its total business; or

(3) the acquisition, transfer, or divestiture of, or attempt to acquire, transfer, or divest control of, such other person is subject

to requirements in the jurisdiction of its domicile which are substantially similar to those contained in this Section and Sections 131.5 through 131.12; or

(4) the control of the policyholders' proxies is being held ~~acquired~~ solely by virtue of the holders official office and not as the result of any agreement or for any consideration; or -

(5) such transaction involves a transfer or divestiture of a controlling interest to a person acquiring a controlling interest, for which the acquiring person must file the statement required by Section 131.5 of this Code.

The purpose of this Section is to afford to the Director the opportunity to review acquisitions, transfers, or divestitures of control in order to determine whether or not the acquisition, transfer, or divestiture would be adverse to the interests of the existing and future policyholders of the company. A controlling person may not enter into transactions that are part of a plan or series of like transactions if the purpose of those separate transactions is to avoid the statutory definition of control and thereby avoid the requirements of this Section.

The description must identify the persons with whom such contracts, arrangements or understandings have been entered into.

(8) A description of the acquisition, transfer, or divestiture of any security or policyholders' proxy referred to in Section 131.4 during the 12 calendar months preceding the filing of the statement, by any applicant acquiring party, including the dates of acquisition, transfer, or divestiture, names of parties to the transaction the acquirors, and consideration paid or agreed to be paid therefor.

(9) A description of any recommendations to acquire, transfer, or divest any security referred to in Section 131.4 made during the 12 calendar months preceding the filing of the statement, by any applicant acquiring party, or by anyone based upon interviews or at the suggestion of such applicant acquiring party.

Sec. 131.8. (1) After the statement required by Section 131.5 has been filed, the Director must disapprove any merger, consolidation or other acquisition, transfer, or divestiture of control referred to in Section 131.4 unless the applicant acquiring party demonstrates to the Director that:

substantially lessen competition in insurance in this State or not tend to create a monopoly therein. In applying the competitive standard in this paragraph:

(i) the informational requirements of subsection (3)(a) and the standards of subsection (4)(b) of Section 131.12a shall apply,

(ii) the merger or other acquisition, transfer, or divestiture shall not be disapproved if the applicant acquiring party demonstrates

(3) The public hearing referred to in subsection (2) must be held within 60 days after the statement required by Section 131.5 is filed, and at least 20 days' notice thereof must be given by the Director to the person filing the statement and to the domestic company. Not less than 12 days' notice of such hearing must be given by the person filing the statement to such other persons as may be designated by the Director and by the company to its securityholders. Sec. 34-2.3. Local school councils - Powers and duties. Each local school council shall have and exercise, consistent with the provisions of this Article and the powers and duties of the board of education, the following powers and duties:

1. (A) To annually evaluate the performance of the principal of the attendance center using a Board approved principal evaluation form, which shall include the evaluation of (i) student academic improvement, as defined by the school improvement plan, (ii) student absenteeism rates at the school, (iii) instructional leadership, (iv) the effective implementation of programs, policies, or strategies to improve student academic achievement, (v) school management, and (vi) any other factors deemed relevant by the local school council, including, without limitation, the principal's communication skills and ability to create and maintain a student-centered learning environment, to develop opportunities for professional development, and to encourage parental involvement and community partnerships to achieve school improvement;

(B) to determine in the manner provided by subsection (c) of Section 34-2.2 and subdivision 1.5 of this Section whether the performance contract of the principal shall be renewed; and

(C) to directly select, in the manner provided by subsection (c) of Section 34-2.2, a new principal (including a new principal to fill a vacancy) -- without submitting any list of candidates for that position to the general superintendent as provided in paragraph 2 of this Section -- to serve under a 4 year performance contract; provided that (i) the determination of whether the principal's performance contract is to be renewed, based upon the evaluation required by subdivision 1.5 of this Section, shall be made no later than 150 days prior to the expiration of the current performance-based contract of the principal, (ii) in cases where such performance contract is not renewed -- a direct selection of a new principal -- to serve under a 4 year performance contract shall be made by the local school council no later than 45 days prior to the expiration of the current performance contract of the principal, and (iii) a selection by the local school

council of a new principal to fill a vacancy under a 4 year performance contract shall be made within 90 days after the date such vacancy occurs. A Council shall be required, if requested by the principal, to provide in writing the reasons for the council's not renewing the principal's contract.

1.5. The local school council's determination of whether to renew the principal's contract shall be based on an evaluation to assess the educational and administrative progress made at the school during the principal's current performance-based contract. The local school council shall base its evaluation on (i) student academic improvement, as defined by the school improvement plan, (ii) student absenteeism rates at the school, (iii) instructional leadership, (iv) the effective implementation of programs, policies, or strategies to improve student academic achievement, (v) school management, and (vi) any other factors deemed relevant by the local school council, including, without limitation, the principal's communication skills and ability to create and maintain a student-centered learning environment, to develop opportunities for professional development, and to encourage parental involvement and community partnerships to achieve school improvement. If a local school council fails to renew the performance contract of a principal rated by the general superintendent, or his or her designee, in the previous years' evaluations as meeting or exceeding expectations, the principal, within 15 days after the local school council's decision not to renew the contract, may request a review of the local school council's principal non-retention decision by a hearing officer appointed by the American Arbitration Association. A local school council member or members or the general superintendent may support the principal's request for review. During the period of the hearing officer's review of the local school council's decision on whether or not to retain the principal, the local school council shall maintain all authority to search for and contract with a person to serve as interim or acting principal, or as the principal of the attendance center under a 4-year performance contract, provided that any performance contract entered into by the local school council shall be voidable or modified in accordance with the decision of the hearing officer. The principal may request review only once while at that attendance center. If a local school council renews the contract of a principal who failed to obtain a rating of "meets" or "exceeds expectations" in the general superintendent's evaluation for the previous year, the general superintendent, within 15 days after the local school council's decision to renew the contract, may request a review of the local school council's principal retention decision by a hearing officer appointed by the American Arbitration Association. The general superintendent may request a review only once for that principal at that attendance center. All requests to review the retention or non-retention of a principal shall be submitted to the general superintendent, who shall, in turn, forward such requests, within 14 days of receipt, to the American Arbitration Association. The general superintendent shall send a contemporaneous copy of the request that was forwarded to the American Arbitration Association to the principal and to each local school council member and shall inform the local school council of its rights and responsibilities under the arbitration process, including the local school council's right to representation and the manner and process by which the Board shall pay the costs of the council's representation. If the local school council retains the principal and the general superintendent requests a review of the retention decision, the local school council and the general superintendent shall be considered parties to the arbitration, a hearing officer shall be chosen between those 2 parties pursuant to procedures promulgated by the State Board of Education, and the principal may retain counsel and participate in the arbitration. If the local school council does not retain the principal and the principal requests a review of the retention decision, the local school council and the principal shall be considered parties to the arbitration and a hearing officer shall be chosen between those 2 parties pursuant to procedures promulgated by the State Board of Education. The hearing shall begin (i) within 45 days after the initial request for review is submitted by the principal to the general superintendent or (ii) if the initial request for review is made by the general superintendent, within 45 days after that request is mailed to the American Arbitration Association. The hearing officer shall render a decision within 45 days after the hearing begins and within 90 days after the initial request for review. The Board shall contract with the American Arbitration Association for all of the hearing officer's reasonable and necessary costs. In addition, the Board shall pay any reasonable costs incurred by a local school council for representation before a hearing officer.

1.10. The hearing officer shall conduct a hearing, which shall include (i) a review of the principal's performance, evaluations, and other evidence of the principal's service at the school, (ii) reasons provided by the local school council for its decision, and (iii) documentation evidencing views of interested persons, including, without limitation, students, parents, local school council members, school faculty and staff, the principal, the general superintendent or his or her designee, and members of the community. The burden of proof in establishing that the local school council's decision was arbitrary and capricious shall be on the party requesting the arbitration, and this party shall sustain the burden by a preponderance of the evidence.

The hearing officer shall set the local school council decision aside if that decision, in light of the record developed at the hearing, is arbitrary and capricious. The decision of the hearing officer may not be appealed to the Board or the State Board of Education. If the hearing officer decides that the principal shall be retained, the retention period shall not exceed 2 years.

2. In the event (i) the local school council does not renew the performance contract of the principal, or the principal fails to receive a satisfactory rating as provided in subsection (h) of Section 34-8.3, or the principal is removed for cause during the term of his or her performance contract in the manner provided by Section 34-85, or a vacancy in the position of principal otherwise occurs prior to the expiration of the term of a principal's performance contract, and (ii) the local school council fails to directly select a new principal to serve under a 4 year performance contract, the local school council in such event shall submit to the general superintendent a list of 3 candidates -- listed in the local school council's order of preference -- for the position of principal, one of which shall be selected by the general superintendent to serve as principal of the attendance center. If the general superintendent fails or refuses to select one of the candidates on the list to serve as principal within 30 days after being furnished with the candidate list, the general superintendent shall select and place a principal on an interim basis (i) for a period not to exceed one year or (ii) until the local school council selects a new principal with 7 affirmative votes as provided in subsection (c) of Section 34-2.2, whichever occurs first. If the local school council fails or refuses to select and appoint a new principal, as specified by subsection (c) of Section 34-2.2, the general superintendent may select and appoint a new principal on an interim basis for an additional year or until a new contract principal is selected by the local school council. There shall be no discrimination on the basis of race, sex, creed, color or disability unrelated to ability to perform in connection with the submission of candidates for, and the selection of a candidate to serve as principal of an attendance center. No person shall be directly selected, listed as a candidate for, or selected to serve as principal of an attendance center (i) if such person has been removed for cause from employment by the Board or (ii) if such person does not hold a valid administrative certificate issued or exchanged under Article 21 and endorsed as required by that Article for the position of principal. A principal whose performance contract is not renewed as provided under subsection (c) of Section 34-2.2 may nevertheless, if otherwise qualified and certified as herein provided and if he or she has received a satisfactory rating as provided in subsection (h) of Section 34-8.3, be included by a local school council as one of the 3 candidates listed in order of preference on any candidate list from which one person is to be selected to serve as principal of the attendance center under a new performance contract. The initial candidate list required to be submitted by a local school council to the general superintendent in cases where the local school council does not renew the performance contract of its principal and does not directly select a new principal to serve under a 4 year performance contract shall be submitted not later than 30 days prior to the expiration of the current performance contract. In cases where the local school council fails or refuses to submit the candidate list to the general superintendent no later than 30 days prior to the expiration of the incumbent principal's contract, the general superintendent may appoint a principal on an interim basis for a period not to exceed one year, during which time the local school council shall be able to select a new principal with 7 affirmative votes as provided in subsection (c) of Section 34-2.2. In cases where a principal is removed for cause or a vacancy otherwise occurs in the position of principal and the vacancy is not filled by direct selection by the local school council, the candidate list shall be submitted by the local school council to the general superintendent within 90 days after the date such removal or vacancy occurs. In cases where the local school council fails or refuses to submit the candidate list to the general superintendent within 90 days after the date of the vacancy, the general superintendent may appoint a principal on an interim basis for a period of one year, during which time the local school council shall be able to select a new principal with 7 affirmative votes as provided in subsection (c) of Section 34-2.2.

2.5. Whenever a vacancy in the office of a principal occurs for any reason, the vacancy shall be filled in the manner provided by this Section by the selection of a new principal to serve under a 4 year performance contract.

3. To establish additional criteria to be included as part of the performance contract of its principal, provided that such additional criteria shall not discriminate on the basis of race, sex, creed, color or disability unrelated to ability to perform, and shall not be inconsistent with the uniform 4 year performance contract for principals developed by the board as provided in Section 34-8.1 of the School Code or with other provisions of this Article governing the authority and responsibility of principals.

4. To approve the expenditure plan prepared by the principal with respect to all funds allocated and distributed to the attendance center by the Board. The expenditure plan shall be administered by the principal. Notwithstanding any other provision of this Act or any other law, any expenditure plan approved

and administered under this Section 34-2.3 shall be consistent with and subject to the terms of any contract for services with a third party entered into by the Chicago School Reform Board of Trustees or the board under this Act.

Via a supermajority vote of 7 members of the local school council or 8 members of a high school local school council, the Council may transfer allocations pursuant to Section 34-2.3 within funds; provided that such a transfer is consistent with applicable law and collective bargaining agreements.

Beginning in fiscal year 1991 and in each fiscal year thereafter, the Board may reserve up to 1% of its total fiscal year budget for distribution on a prioritized basis to schools throughout the school system in order to assure adequate programs to meet the needs of special student populations as determined by the Board. This distribution shall take into account the needs catalogued in the Systemwide Plan and the various local school improvement plans of the local school councils. Information about these centrally funded programs shall be distributed to the local school councils so that their subsequent planning and programming will account for these provisions.

Beginning in fiscal year 1991 and in each fiscal year thereafter, from other amounts available in the applicable fiscal year budget, the board shall allocate a lump sum amount to each local school based upon such formula as the board shall determine taking into account the special needs of the student body. The local school principal shall develop an expenditure plan in consultation with the local school council, the professional personnel leadership committee and with all other school personnel, which reflects the priorities and activities as described in the school's local school improvement plan and is consistent with applicable law and collective bargaining agreements and with board policies and standards; however, the local school council shall have the right to request waivers of board policy from the board of education and waivers of employee collective bargaining agreements pursuant to Section 34-8.1a.

The expenditure plan developed by the principal with respect to amounts available from the fund for prioritized special needs programs and the allocated lump sum amount must be approved by the local school council.

The lump sum allocation shall take into account the following principles:

a. Teachers: Each school shall be allocated funds equal to the amount appropriated in the previous school year for compensation for teachers (regular grades kindergarten through 12th grade) plus whatever increases in compensation have been negotiated contractually or through longevity as provided in the negotiated agreement. Adjustments shall be made due to layoff or reduction in force, lack of funds or work, change in subject requirements, enrollment changes, or contracts with third parties for the performance of services or to rectify any inconsistencies with system-wide allocation formulas or for other legitimate reasons.

b. Other personnel: Funds for other teacher certificated and uncertificated personnel paid through non-categorical funds shall be provided according to system-wide formulas based on student enrollment and the special needs of the school as determined by the Board.

c. Non-compensation items: Appropriations for all non-compensation items shall be based on system-wide formulas based on student enrollment and on the special needs of the school or factors related to the physical plant, including but not limited to textbooks, electronic textbooks and the technological equipment necessary to gain access to and use electronic textbooks, supplies, electricity, equipment, and routine maintenance.

d. Funds for categorical programs: Schools shall receive personnel and funds based on, and shall use such personnel and funds in accordance with State and Federal requirements applicable to each categorical program provided to meet the special needs of the student body (including but not limited to, Federal Chapter I, Bilingual, and Special Education).

d.1. Funds for State Title I: Each school shall receive funds based on State and Board requirements applicable to each State Title I pupil provided to meet the special needs of the student body. Each school shall receive the proportion of funds as provided in Section 18-8 to which they are entitled. These funds shall be spent only with the budgetary approval of the Local School Council as provided in Section 34-2.3.

e. The Local School Council shall have the right to request the principal to close positions and open new ones consistent with the provisions of the local school improvement plan provided that these decisions are consistent with applicable law and collective bargaining agreements. If a position is closed, pursuant to this paragraph, the local school shall have for its use the system-wide average compensation for the closed position.

f. Operating within existing laws and collective bargaining agreements, the local school council shall have the right to direct the principal to shift expenditures within funds.

g. (Blank).

Any funds unexpended at the end of the fiscal year shall be available to the board of education for use as part of its budget for the following fiscal year.

5. To make recommendations to the principal concerning textbook selection and concerning curriculum developed pursuant to the school improvement plan which is consistent with systemwide curriculum objectives in accordance with Sections 34-8 and 34-18 of the School Code and in conformity with the collective bargaining agreement.

6. To advise the principal concerning the attendance and disciplinary policies for the attendance center, subject to the provisions of this Article and Article 26, and consistent with the uniform system of discipline established by the board pursuant to Section 34-19.

7. To approve a school improvement plan developed as provided in Section 34-2.4. The process and schedule for plan development shall be publicized to the entire school community, and the community shall be afforded the opportunity to make recommendations concerning the plan. At least twice a year the principal and local school council shall report publicly on progress and problems with respect to plan implementation.

8. To evaluate the allocation of teaching resources and other certificated and uncertificated staff to the attendance center to determine whether such allocation is consistent with and in furtherance of instructional objectives and school programs reflective of the school improvement plan adopted for the attendance center; and to make recommendations to the board, the general superintendent and the principal concerning any reallocation of teaching resources or other staff whenever the council determines that any such reallocation is appropriate because the qualifications of any existing staff at the attendance center do not adequately match or support instructional objectives or school programs which reflect the school improvement plan.

9. To make recommendations to the principal and the general superintendent concerning their respective appointments, after August 31, 1989, and in the manner provided by Section 34-8 and Section 34-8.1, of persons to fill any vacant, additional or newly created positions for teachers at the attendance center or at attendance centers which include the attendance center served by the local school council.

10. To request of the Board the manner in which training and assistance shall be provided to the local school council. Pursuant to Board guidelines a local school council is authorized to direct the Board of Education to contract with personnel or not-for-profit organizations not associated with the school district to train or assist council members. If training or assistance is provided by contract with personnel or organizations not associated with the school district, the period of training or assistance shall not exceed 30 hours during a given school year; person shall not be employed on a continuous basis longer than said period and shall not have been employed by the Chicago Board of Education within the preceding six months. Council members shall receive training in at least the following areas:

1. school budgets;
2. educational theory pertinent to the attendance center's particular needs, including the development of the school improvement plan and the principal's performance contract; and
3. personnel selection.

Council members shall, to the greatest extent possible, complete such training within 90 days of election.

11. In accordance with systemwide guidelines contained in the System-Wide Educational Reform Goals and Objectives Plan, criteria for evaluation of performance shall be established for local school councils and local school council members. If a local school council persists in noncompliance with systemwide requirements, the Board may impose sanctions and take necessary corrective action, consistent with Section 34-8.3.

12. Each local school council shall comply with the Open Meetings Act and the Freedom of Information Act. Each local school council shall issue and transmit to its school community a detailed annual report accounting for its activities programmatically and financially. Each local school council shall convene at least 2 well-publicized meetings annually with its entire school community. These meetings shall include presentation of the proposed local school improvement plan, of the proposed school expenditure plan, and the annual report, and shall provide an opportunity for public comment.

13. Each local school council is encouraged to involve additional non-voting members of the school community in facilitating the council's exercise of its responsibilities.

14. The local school council may adopt a school uniform or dress code policy that governs the attendance center and that is necessary to maintain the orderly process of a school function or prevent endangerment of student health or safety, consistent with the policies and rules of the Board of Education. A school uniform or dress code policy adopted by a local school council: (i) shall not be applied in such

manner as to discipline or deny attendance to a transfer student or any other student for noncompliance with that policy during such period of time as is reasonably necessary to enable the student to acquire a school uniform or otherwise comply with the dress code policy that is in effect at the attendance center into which the student's enrollment is transferred; and (ii) shall include criteria and procedures under which the local school council will accommodate the needs of or otherwise provide appropriate resources to assist a student from an indigent family in complying with an applicable school uniform or dress code policy. A student whose parents or legal guardians object on religious grounds to the student's compliance with an applicable school uniform or dress code policy shall not be required to comply with that policy if the student's parents or legal guardians present to the local school council a signed statement of objection detailing the grounds for the objection.

15. All decisions made and actions taken by the local school council in the exercise of its powers and duties shall comply with State and federal laws, all applicable collective bargaining agreements, court orders and rules properly promulgated by the Board.

15a. To grant, in accordance with board rules and policies, the use of assembly halls and classrooms when not otherwise needed, including lighting, heat, and attendants, for public lectures, concerts, and other educational and social activities.

15b. To approve, in accordance with board rules and policies, receipts and expenditures for all internal accounts of the attendance center, and to approve all fund-raising activities by nonschool organizations that use the school building.

16. (Blank).

17. Names and addresses of local school council members shall be a matter of public record.

Upon all propositions requiring for their adoption at least a majority of all the members of the board the yeas and nays shall be taken and reported. The by-laws, rules and regulations of the board shall not be repealed, amended or added to, except by a vote of 2/3 of the full membership of the board. The board shall keep a record of all its proceedings. Such records and all by-laws, rules and regulations, or parts thereof, may be proved by a copy thereof certified to be such by the secretary of the board, but if they are printed in book or pamphlet form which are purported to be published by authority of the board they need not be otherwise published and the book or pamphlet shall be received as evidence, without further proof, of the records, by-laws, rules and regulations, or any part thereof, as of the dates thereof as shown in such book or pamphlet, in all courts and places where judicial proceedings are had.

Notwithstanding any other provision in this Article or in the School Code, the board may delegate to the general superintendent or to the attorney the authorities granted to the board in the School Code, provided such delegation and appropriate oversight procedures are made pursuant to board by-laws, rules and regulations, adopted as herein provided, except that the board may not delegate its authorities and

Sec. 2310-642. Diabetes; transfer of functions from Department of Human Services.

(a) Diabetes Research Checkoff Fund; grants. The Diabetes Research Checkoff Fund is a special fund in the State treasury. On and after July 1, 2010, from appropriations to the Department from that Fund, the Department shall make grants to recognized public or private entities in Illinois for the purpose of funding research concerning the disease of diabetes. At least 50% of the grants made from the Fund by the Department shall be made to entities that conduct research for juvenile diabetes. For purposes of this subsection, the term "research" includes, without limitation, expenditures to develop and advance the understanding, techniques, and modalities effective in the detection, prevention, screening, management, and treatment of diabetes and may include clinical trials in Illinois. Moneys received for the purposes of this subsection, including, without limitation, income tax checkoff receipts and gifts, grants, and awards from any public or private person or entity, shall be deposited into the Fund. Any interest earned on moneys in the Fund must be deposited into the Fund.

(b) Diabetes information. On and after July 1, 2010, the Department shall include within its public health promotion programs and materials information to be directed toward population groups in Illinois that are considered at high risk of developing diabetes, asthma, and pulmonary disorders, such as Hispanics, people of African descent, the elderly, obese individuals, persons with high blood sugar content, and persons with a family history of diabetes. The information shall inform members of such high risk groups about the causes and prevention of diabetes, asthma, and pulmonary disorders, the types of treatment for these diseases, and how treatment may be obtained. By February 15, 2011, and each February 15 thereafter, the Department shall file a report with the General Assembly concerning its activities and accomplishments under this subsection during the previous calendar year.

(c) Transfer of functions from Department of Human Services.

(1) Transfer. On the effective date of this amendatory Act of the 96th General Assembly, all functions performed by the Department of Human Services in connection with Sections 10-9 and 10-10 of the Department of Human Services Act (now repealed, and replaced by subsections (a) and (b), respectively, of this Section), together with all of the powers, duties, rights, and responsibilities of the Department of Human Services relating to those functions, are transferred from the Department of Human Services to the Department of Public Health.

The Department of Human Services and the Department of Public Health shall cooperate to ensure that the transfer of functions is completed as soon as practical.

(2) Effect of transfer. Neither the functions transferred under this subsection, nor any powers, duties, rights, and responsibilities relating to those functions, are affected by this amendatory Act of the 96th General Assembly, except that all such functions, powers, duties, rights, and responsibilities shall be performed or exercised by the Department of Public Health on and after the effective date of this amendatory Act of the 96th General Assembly.

(3) The staff of the Department of Human Services engaged in the performance of the functions transferred under this subsection may be transferred to the Department of Public Health. The status and rights of those employees under the Personnel Code shall not be affected by the transfers. The rights of the employees, the State of Illinois, and its agencies under the Personnel Code and applicable collective bargaining agreements, or under any pension, retirement, or annuity plan, shall not be affected by this amendatory Act of the 96th General Assembly.

(4) Books and records transferred. All books, records, papers, documents, contracts, and pending business pertaining to the functions transferred under this subsection, including but not limited to material in electronic or magnetic format, shall be transferred to the Department of Public Health. The transfer of that information shall not, however, violate any applicable confidentiality constraints.

(5) Unexpended moneys transferred. All unexpended appropriation balances and other funds otherwise available to the Department of Human Services for use in connection with the functions transferred under this subsection shall be transferred and made available to the Department of Public Health for use in connection with the functions transferred under this subsection. Unexpended balances so transferred shall be expended only for the purpose for which the appropriations were originally made.

(6) Exercise of transferred powers; savings provisions. The powers, duties, rights, and responsibilities relating to the functions transferred under this subsection are vested in and shall be exercised by the Department of Public Health. Each act done in exercise of those powers, duties, rights, and responsibilities shall have the same legal effect as if done by the Department of Human Services or its divisions, officers, or employees.

(7) Persons subject to penalties. Every officer, employee, or agent of the Department of Public Health shall, for any offense, be subject to the same penalty or penalties, civil or criminal, as are prescribed by existing laws for the same offense by any officer, employee, or agent whose powers or duties were transferred under this subsection.

(8) Reports or notices. Whenever reports or notices are now required to be made or given or papers or documents furnished or served by any person to or upon the Department of Human Services in connection with any of the functions transferred under this subsection, the same shall be made, given, furnished, or served in the same manner to or upon the Department of Public Health.

(9) This subsection shall not affect any act done, ratified, or canceled, or any right occurring or established, or any action or proceeding had or commenced in an administrative, civil, or criminal case, regarding the functions of the Department of Human Services before this amendatory Act of the 96th General Assembly takes effect; such actions may be prosecuted, defended, or continued by the Department of Public Health.

(10) Rules. Any rules of the Department of Human Services that relate to the functions transferred under this subsection that are in full force on the effective date of this amendatory Act of the 96th General Assembly, and that have been duly adopted by the Department of Human Services, shall become the rules of the Department of Public Health. This subsection shall not affect the legality of any such rules in the Illinois Administrative Code. Any proposed rules filed with the Secretary of State by the Department of Human Services that are pending in the rulemaking process on the effective date of this amendatory Act of the 96th General Assembly, and that pertain to the functions transferred, shall be deemed to have been filed by the Department of Public Health. As soon as practicable after the effective date of amendatory Act of the 96th General Assembly, the Department of Public Health shall revise and clarify the rules transferred to it under this subsection to reflect the reorganization of powers, duties, rights, and responsibilities affected by this subsection, using the procedures for recodification of rules available under the Illinois Administrative Procedure Act, except that existing title, part, and section numbering for the affected rules may be retained.

The Department of Public Health, consistent with the Department of Human Services' authority to do so, may propose and adopt, under the Illinois Administrative Procedure Act, such other rules of the Department of Human Services that will now be administered by the Department of Public Health.

To the extent that, prior to the effective date of the transfer of functions under this subsection, the Secretary of Human Services had been empowered to prescribe regulations or had other authority with respect to the transferred functions, such duties shall be exercised from and after the effective date of the transfer by the Director of Public Health.

(11) Successor Agency Act. For the purposes of the Successor Agency Act, the Department of Public Health is declared to be the successor agency of the Department of Human Services, but only with respect to the functions that are transferred to the Department of Public Health under this subsection.

(12) Statutory references. Whenever a provision of law refers to the Department of Human Services in connection with its performance of a function that is transferred to the Department of Public Health under this subsection, that provision shall be deemed to refer to the Department of Public Health on and after the effective date of this amendatory Act of the 96th General Assembly.
